Car Rams Tree, Osseo Man Killed

Federal Commission Raps Eisenhower Highway Plan

"They Really Razz Me. They laugh and holler and whistle. I get a big kick out of it. It doesn't bother me a bit." So said Edward Zemanek in the Omaha yards as he wore his usual Bermuda shorts to his job of switching box cars. Ed said he came to the shorts gradually. He started several years ago by rolling up his overall legs. But that was still too hot so, he said, "I just decided to wear shorts and be done with it." (AP Wirephoto)

Steel Wage Talks In Crucial Stage

PITTSBURGH (AP)—A nationwide steel strike at midnight Thursday hung in the balance today as top negotiators of U.S. Steel Corp. and the CIO United Steelworkers gathered for a negotiating session at 11 a.m. EDT.

A strike already has been authorized unless big steel and the companies which usually follow the world's largest producer can come up with a wage increase acceptable to the big union.

Farmer Enters Innocent Plea At Eau Claire

EAU CLAIRE, Wis. (AP)—Gordon Smith, 44-year-old Town of Union farmer, pleaded innocent today to a charge of second degree manslaughter in the death of his prominent neighbor, Robert Guthrie, 52.

Second degree manslaughter, which is defined as a slaying in the heat of passion, without design to effect death, carries a prison term of 4-7 years.

Dist. Atty. Victor O. Tronsdal has quoted Smith as saying he hit Guthrie with his fists in a fight but that Guthrie left in his car after the scuffle. The body of Guthrie, president of the Wisconsin Livestock Breeders Assn., was found Thursday afternoon in the Chippewa River about 25 miles from his farm. An autopsy showed he died of a brain injury.

Smith was arraigned today before County Judge Merrill L. Farr. Preliminary hearing was set for July 25 and bond was put at \$5,000.

Judge Farr said he would not preside at the hearing. "I do not feel I should hear it," he said. "I have known Smith for 30 years and Guthrie was my friend."

Another judge probably will be called in.

Tronsdal said Monday night he understood the detector tests showed Smith was telling the truth when he said he hadn't seen Guthrie after the two men scuffled on Guthrie's farm early Thursday morning.

"In other words, he did not put him into the water," Tronsdal told Eau Claire newsmen.

German Worker Carries Out Threat

WIESBADEN, Germany (AP)—Adolf Hartlieb, 31-year-old German laborer, told neighbors that if he were forced to move out for nonpayment of rent he would leave nothing behind. He made good on the threat. Police said he blew up the house with homemade explosives yesterday, killing his estranged wife, their two small daughters and himself.

Government Drag in Civil Defense Flayed

By STERLING F. GREEN

WASHINGTON (AP)—The Commission on Intergovernmental Relations took issue today with President Eisenhower's highway financing program and called on his administration to assume full command of Civil Defense.

The 25-member commission, created by Congress two years ago to recommend boundary lines for overlapping taxes and encroaching governmental authority, filed with the President a 311-page document proposing:

1. Withdrawal of the federal government from some fields of taxation—leaving them to the states and cities—as rapidly as tax reduction becomes possible. It named no specific taxes.

2. Federal "payments in lieu of taxes" to cities and states, in compensation for real estate stricken from their tax rolls because of federal ownership.

3. Increased federal appropriations for a stepped-up, state-administered highway construction program to be financed on a "pay-as-you-build" basis, not by borrowing.

4. Action by Congress to transfer responsibility for Civil Defense to Washington from the states and cities—which the commission said are ill-equipped financially and otherwise to carry the burden.

5. Continuance with some important changes and curtailments, of federal grants-in-aid, under which more than two billion dollars annually is furnished to states and local governments. The federal grant, the report said, "has become a fully matured device of co-operative government."

The commission headed by Meyer Kestnbaum of Chicago, president of the Hart Schaffner & Marx clothing concern, emphasized this view:

"A fundamental objective of our system of government should be to keep centralization to a minimum and state-local responsibility to a maximum."

It called on the government to exercise "forbearance" in encroaching on the jurisdiction of states, counties and cities, but emphasized that the states must modernize their constitutions and tax systems and reorganize their administrative machinery to serve the public better. It proposed that each state launch "a searching reappraisal of its fiscal policies."

While the cities and states are at a disadvantage in competing (Continued on Page 15, Column 4)

4 Dead, Score Injured in South, East

Tornado Strikes Housing Development At Scottsbluff, Neb.

By THE ASSOCIATED PRESS

Tornadoes or violent thunderstorms that struck in parts of the mid-continent, South and East left four persons dead, more than a score injured and heavy property damage today.

A man and a woman were killed late yesterday when a twister smashed 25 homes at the Hillerege housing development northeast of Scottsbluff, Neb. Some 25 persons received hospital treatment.

Two persons were killed by lightning in storms that swept parts of Texas and New Mexico last night. Property damage was expected to run between \$100,000 and \$500,000.

Hail and rain caused severe crop damage in Greenwood Township in east central Pennsylvania. Four inches of rain fell in one hour.

Killed in the Nebraska tornado were Mrs. V. J. Daniels, 50, and Jim Karubos, 16. Mrs. Daniels' husband and Mr. and Mrs. Nick Karubos, parents of the dead boy, were critically injured.

The twister was one of a rash of tornadoes that hop-scotched across parts of Nebraska and Wyoming Sunday night and yesterday. Several persons were injured in Wyoming.

The threat of a flood hung over the stricken Nebraska area. The North Platte River, swollen by heavy rains, forced evacuations from some areas.

Mrs. Henry Julian, about 50, was killed by lightning as she stood in her front yard at Canadian, Tex. Lightning killed Kenneth E. Guyer Sr., 46, in a field on his farm near Panhandle, Tex.

Winds reached 80 miles an hour in several sections of Carlsbad, N.M. Telephone and power lines were ripped down and heavy rains flooded streets.

Skies were generally clear from the Mississippi Valley eastward to the Atlantic and west of the Continental Divide.

Ex-Factory Worker Inherits \$104,289

ST. LOUIS (AP)—Mrs. Anna Chulick, 48-year-old former \$13-an-hour factory worker, yesterday became the sole heir to a \$104,289 estate. She inherited it from her uncle, Michael Kowal, who died May 21 at the age of 70.

Minneapolis Flier Downed in Pacific

TOKYO (AP)—A search plane tonight sighted one of two U.S. Marine fliers missing for three nights in the Pacific. He was seen sending radio signals from a tiny life raft about 123 miles south of Tokyo.

"We are in radio contact with the man," said an Air Force spokesman. "Two planes are circling overhead until he is picked up."

The spokesman said the SA16 Albatross search plane which first spotted the raft could not tell whether both missing Marines were aboard.

He said it was considered doubtful because of the size of the raft and because of reports of two small rafts miles apart in foggy waters.

The Albatross and an Air Force B50 circled the bobbing raft two hours, receiving its flickering radio signals.

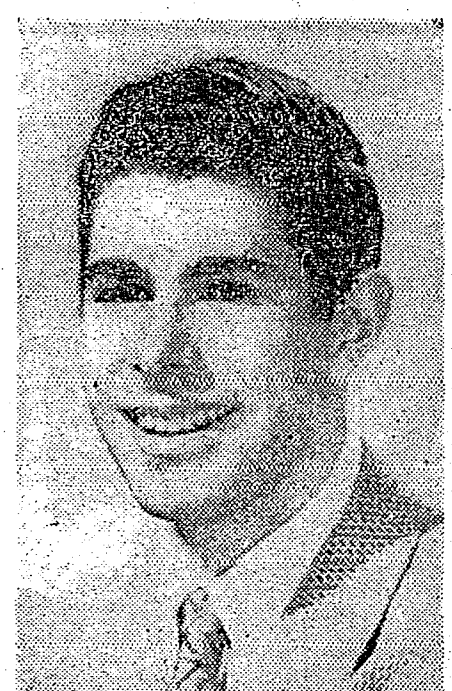

The planes dropped flares to light up the area for a huge armada of search planes and ships.

"We don't know whether he will be picked up by a ship or a chopper (helicopter)," the spokesman said. The Albatross which sighted the raft could not put down on the surface because of the fog and darkness.

Search planes were unable to identify the drifting man or determine the condition from the sputtering radio signals.

The search spread over 20,000 miles of the foggy Western Pacific in an effort to locate the fog-shrouded men before they died of exposure as they drifted in little rubber rafts.

The fliers apparently bailed out

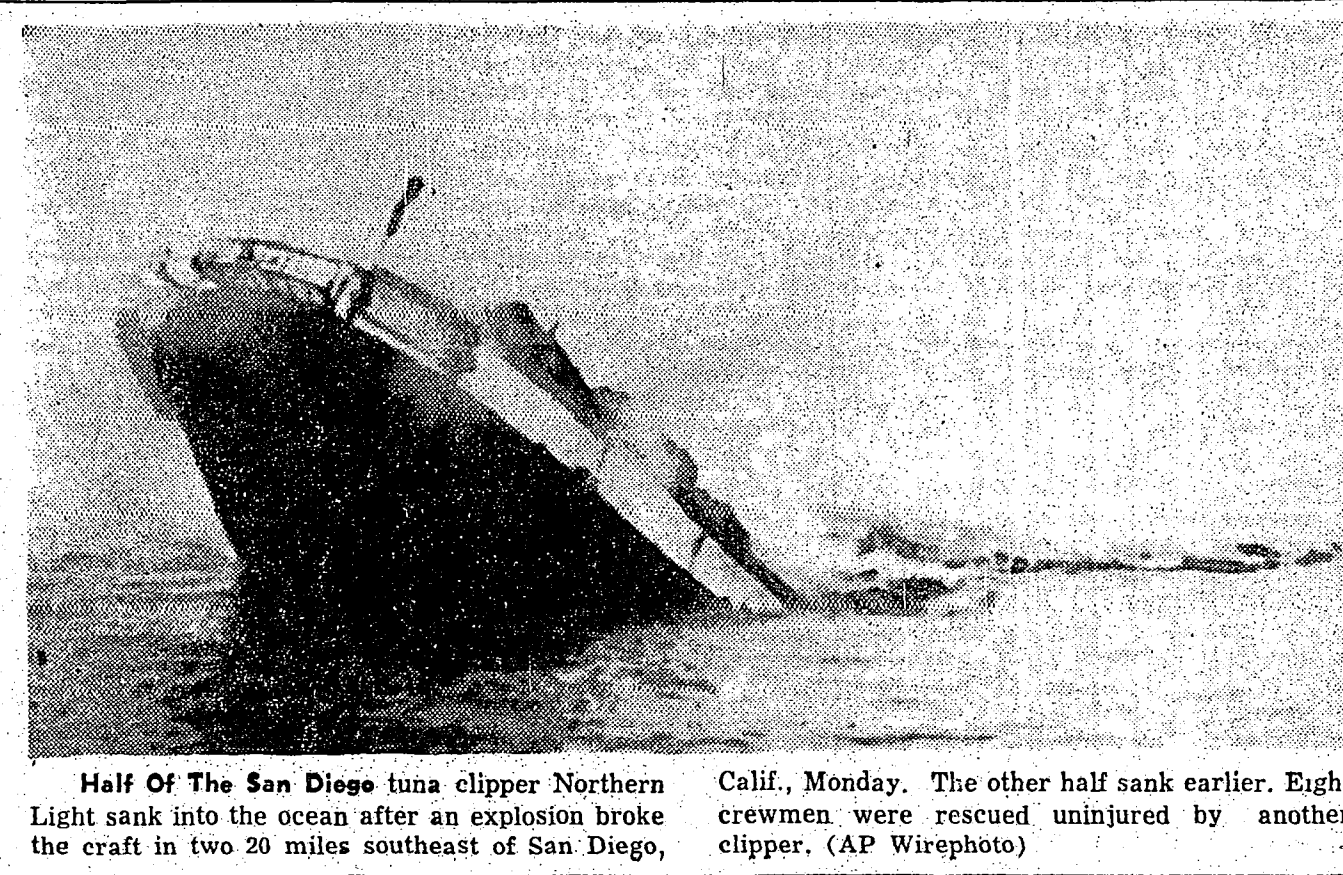

2nd Lt. David Bell

or ditched when their F3D Sky Knight twin jet ran out of fuel.

By grim coincidence, the wife of one arrived today from Minneapolis with her 5-year-old son. She is Mrs. David Winton Bell. Her husband, a second lieutenant, is the son of Charles H. Bell, president of General Mills, Inc. The Navy notified Bell yesterday that his son was missing.

Bell's wife is the former Josephine Kimberly of Appleton, Wis., daughter of Mr. and Mrs. John R. Kimberly of Neenah, Wis. Kimberly is president of the Kimberly-Clark Corp., one of the nation's biggest paper products manufacturers. The child accompanying Mrs. Bell on the trip is by a previous marriage.

Half Of The San Diego tuna clipper Northern Light sank into the ocean after an explosion broke the craft in two 20 miles southeast of San Diego, Calif., Monday. The other half sank earlier. Eight crewmen were rescued uninjured by another clipper. (AP Wirephoto)

Boy Loses Arm In Machine at Training School

RED WING, Minn. (AP)—Audrey Lee Johnson, 16, Thief River Falls, Minn., lost his right arm and his left arm was broken in two places Monday when he reached into a whirling laundry extractor at the Training School for Boys here.

Training school officials said today the boy's condition was not critical. He was taken to St. John's Hospital here in an ambulance.

The power had been shut off on the machine which removes water from laundered clothes but the machine was still spinning when the boy reached in.

U.S. Dropping Attempt to Try Owen Lattimore

WASHINGTON (AP)—The government decided today to drop its 2½-year attempt to try Owen Lattimore on charges of perjury.

Atty. Gen. Brownell made the announcement.

Brownell noted that the U. S. district and appeals courts here had twice thrown out key counts of indictments charging Lattimore with false testimony before the Senate Internal Security subcommittee in early 1952. Brownell said it thus appeared impossible to proceed on five remaining perjury counts.

Lattimore, a Johns Hopkins lecturer and Far Eastern affairs specialist, was accused of lying in denying that he had been a follower or promoter of the Communist line.

These accusations were described by Federal Dist. Judge Luther W. Youngdahl as "formless and obscure," and too vague for the 54-year-old Lattimore to defend.

Youngdahl threw them out, and his judgment on this was twice upheld by the Court of Appeals for the District of Columbia.

The Appeals Court's second ruling was made June 14 on a 4-4 vote. The tie let the Youngdahl finding stand.

This confronted the government with the choice of appealing to the Supreme Court or going ahead with an attempted prosecution of Lattimore on five other counts which Lattimore's attorneys had described as "trivia."

The further possibility open to the government was to drop the whole prosecution. This is what it elected to do.

WEATHER

FEDERAL FORECAST

Winona and Vicinity—Partly cloudy tonight and Wednesday. Local thundershowers late tonight and Wednesday. Somewhat warmer tonight with low of 62; high Wednesday 86.

LOCAL WEATHER

Official observations for the 24 hours ending at 12 m. today: Maximum, 82; minimum, 57; noon, 74; precipitation, trace; sun sets tonight at 7:54; sun rises tomorrow at 4:27.

AIRPORT WEATHER

(North Central Observation) Max. temp. 77 at 11:30 a.m. today. Low 67 at 6:30 a.m. today. Noon readings—temperature 77 degrees. Overcast at an estimated 10,000 feet. Visibility more than 15 miles. Wind from the southeast at 5 m.p.h. Humidity 76 per cent. Barometer 30.09, falling.

Worst Wreck He Has Seen, Says Sheriff

James Mors, Dies in Accident On County Highway

OSSEO, Wis. (Special)—A 25-year-old Osseo man was killed instantly at 2 a.m. today when his automobile crashed into a tree at the intersection of County Trunks H and O, two miles southwest of here.

Dead is James Mors, son of Mr. and Mrs. Melvin Mors, Osseo.

Trempealeau County Sheriff Ernest Anness, Whitehall, and County Coroner, Martin Wiemer, Independence, who investigated the accident, listed the cause of death as "multiple fractures."

Mors, a Korean War veteran who had been graduated from Wisconsin State College at Eau Claire earlier this month, was alone.

Sheriff Anness, who called it "the worst wreck I've ever seen," and Donald Vold, Town of Hale, who witnessed the accident in his rear view mirror, offered the following reconstruction:

Mors was driving west on County Trunk H as he approached the intersection. He apparently lost control of his car, veered sharply off the road and smashed directly into the tree.

Vold, who was driving a short distance in front of Mors, said that he first noticed something was wrong when the lights on Mors' car began to bounce violently.

There were no skid marks on the road where Mors was traveling.

Vold reported that he stopped his car immediately and ran back to the scene of the accident. He said that Mors' body had been thrown from his car and was lying directly in front of the radiator.

Vold then rushed to Osseo, from where he called the sheriff and the coroner.

Wrapped Around Tree

Mors struck the tree with such force that his car was wrapped completely around the tree. Sheriff Anness said that when the automobile stopped moving, the tree was in the back seat.

It was reported that by 11 a.m. this morning, wrecking crews had not yet been able to remove the death car from the tree. The automobile is a total wreck, said Sheriff Anness.

Investigating authorities said that Mors died instantly.

The exact spot of the accident was about one mile west of U. S. Highway 53 in Tracy Valley and one-quarter mile north of the Tracy Valley School.

Mors was born Nov. 11, 1929, at Osseo, where his father is a rural mail carrier.

Survivors are his parents and one sister, Mrs. Spencer Olson, Strum.

Funeral arrangements are incomplete, but scheduled tentatively for the Congregational Church here.

Two Harbors Mayor Named Freeman Aide

ST. PAUL (AP)—Mayor Cyrus E. Magnusson is resigning that office at Two Harbors to become executive secretary to Gov. Freeman.

Magnusson, whose appointment is effective immediately, succeeds George Selke, who resigned June 1 to become state conservation commissioner.

The governor's new aide taught political science for 25 years at the Two Harbors High School. He was also well known in sports circles and is a past president of the Minnesota Coaches Assn. He also is a former official of the Minnesota State Federation of Teachers.

"I am extremely happy to obtain a man with so much experience with problems of local government," the governor said. "In his terms as mayor from 1949 Magnusson had coped with many varied questions that face local governments in Minnesota."

"In addition to this experience, he has dealt widely with educational matters on a firsthand basis and will be able to advise us in this field also."

Magnusson is married and the father of four sons—John and Paul in grade school; Charles, a high school senior, and Robert, a St. Olaf College senior. He is a native of Minneapolis where he was graduated from Central High School and the University of Minnesota.

Break With Legion Urged on 40 & 8

INDIANAPOLIS (AP)—Members of the Forty & Eight, funmaking organization of the American Legion, today had the recommendation of their Executive Committee that they break away from the Legion organization.

"We renounce our association with the American Legion and declare it dissolved," the executive officers said in asking organization.

The declaration, which appeared yesterday in the Forty & Eight, society publication, accused the Legion of letting itself be dominated by kingmakers who disregard the wishes of the membership.

The statement urging members to ratify the breakoff at the organization's national convention in Miami this October was signed by J. Earl Simpson, Tulsa, Okla., chief de chemin de fer, and the four other members of the Forty & Eight Executive Committee.

"It is the considered opinion of this Executive Committee . . . that relations between the American Legion and La Societe have become so strained that their continuation is impossible," the top officers said.

They argued that the Legion "for the last seven years has been under the dominance and control of a small group of men."

Other grievances cited by the article were these:

1. Refusal by Legion's National Executive Committee to allow a separate Forty & Eight parade—a practice of "more than 30 years"—at the October convention in Miami.

2. Failure by the Legion to give proper credit for the "more than \$850,000" the Forty & Eight has raised for the children's welfare fund.

3. Repeated efforts by the Legion to control Forty & Eight funds and membership.

Bank Bandit Car Found; \$10,000 In Loot Missing

MINNEAPOLIS (AP)—FBI agents and police today were processing the stolen car used in a \$10,000 St. Louis Park holdup Monday for clues to the lone gunman.

The car, stolen in Minneapolis June 23 from a Royalton, Minn. visitor, was found abandoned Monday night near a large apartment at Chown Avenue and 44th street, S., about two miles from the holdup scene.

The armed bandit fled unscathed even though the bank's president, Allen Burrill, sent four shots from a deer rifle after the fleeing man. Officers said a later check showed that all four bullets went into walls of the bank.

Burrill shouted a warning to the 10 employees and 8 customers in the bank at the time to get down before he started firing. He said he kept the deer rifle in a corner of his office for emergencies.

The president reported that the gunman appeared "too surprised to use his pistol" when Burrill opened fire from his office door, off the main banking floor.

FBI agents said a preliminary check indicated about \$7,900 of the loot was in cash, including several bags St. Louis Park merchants had used for night deposits. All the loot was insured.

Agents reported it was the first successful bank holdup in the Twin Cities area since the Barker-Karpis gang grabbed \$112,000 from the Third Northwestern National Bank in Minneapolis in 1932. Two policemen were killed during that robbery.

Dulles Blames Trigger-Happy Russian Fliers

WASHINGTON (AP)—Secretary of State Dulles today blamed "trigger happy" Russian pilots for the shooting down of an American Navy patrol plane off Alaska last week.

"So far, we doubt that represents a considered policy on the part of the Soviet Union," Dulles said. "Certainly, we hope not."

Dulles' statement, in effect deprecating the significance of the plane incident, came at a news conference. He and President Eisenhower had talked over the affair during a plane trip Monday night from Maine to Washington.

In reply to questions, Dulles said the government has not decided yet whether to stick to its demand that Russia pay the full cost of the planes and provide reparations for seven crewmen who were wounded or injured in the crash landing.

Russia has expressed regret over the incident and has offered to pay half the cost of damages. The Navy estimates the plane's value at more than 1½ million dollars.

In talking to reporters, Dulles stressed the plane crash occurred at least 25 miles from Soviet territory, and well beyond the 12-mile limit Russia claims as its air space.

The plane was on a routine flight, made twice weekly, from Kodiak Air Base north to look for vessels in distress and conduct similar patrol missions.

"At least the Soviet Union has made an expression of regret," Dulles said in a statement. He said he believes this is the first time it has publicly expressed regret "over the conduct of its armed forces."

House OKs Bill For Jet Air Base Named for Bong

WASHINGTON (AP)—The House has approved a bill authorizing construction of a 16 million dollar jet air base near Kansasville, Wis., to be named in honor of the late Major Richard Bong, World War II ace from the Badger state.

Action came Monday as the House voted 317-2 to send the Senate a two and a quarter million dollar military public works program for the year starting July 1.

Before passage the House gave unanimous approval to an amendment by Rep. Lawrence Smith (R-Racine) to name the Racine County base after Bong—the flier from Poplar, Wis., who shot down 40 Japanese planes and died at the age of 24 while testing a jet plane in California.

Also included in the House action was \$1,263,000 for work at Truax AFB, Madison, Wis.

Idaho Postpones Mass Salk Polio Vaccinations

BOISE, Idaho (U.P.)—The Idaho polio mass vaccination program—already postponed indefinitely—faced new delays today as state health authorities announced they had "lost confidence in the Salk vaccine."

State Health Director L. J. Peterson told newsmen that Idaho "will not sponsor another mass inoculation program" because of new doubts about the effectiveness and safety of the vaccine.

He told newsmen he holds the vaccine together with its manufacturing instructions—responsible for a polio outbreak which has killed seven Idahoans and hospitalized 79 others since the mass immunization program was started in April.

But he added that the department does not blame the Cutter Laboratories, of Berkeley, Calif., which produced the vaccine used in Idaho, "because they were only carrying out the procedures outlined by Dr. Salk."

The reference was to Dr. Jonas Salk, developer of the antipolio vaccine.

Ninety-seven polio cases have been reported in Idaho this year, compared to 17 through June of last year. Of these, 20 cases occurred in vaccinated children and 54 were associates of those who received the vaccine.

Some people, children and adults, tend to use mirror writing—writing as the words would appear on a blotter.

Lake Winona Area Improvements Aired By City P-R Board

Mad that is to be removed from the right of way of the new route of Highway 61 south of Lake Winona could be an important step in improving park-recreation land in that area, City Engineer W. O. Cribbs told the P-R board Monday afternoon.

The mud was deposited along the lake during dredging operations and the State Department of Highways plans to remove it in construction of the new highway. The engineer said the state will move the estimated 36,000 cubic yards of mud, but the city must pay for leveling after it is deposited on city property.

Property involved extends for about 1,500 to 2,000 feet east of Huff street along the south side of the lake. At present, it is a marshy area with about 35 springs making any improvement difficult.

The state plans to install drainage systems on the south side of the highway and after the land on the opposite side is raised by the leveled mud deposit, similar systems could be used there.

The City Council has agreed to pay the cost of leveling the mud (estimated at between \$3,500 and \$5,000) in order to prevent any further delay in construction of the new highway. The state will open bids for construction work between Minnesota City and Mankato avenue next month.

Lights and Roadways
The engineer also had been asked to discuss two other matters before the board by Secretary M. J. Bambenek. The lights in Lake Park drive and surfacing of roadways in the point area at the east end of Lake Winona.

Bambenek said that some repair was now necessary on the cable in Lake Park and suggested it might be a good time for the board to consider the possibility of installing new lights. He estimated that the existing system is 35 to 40 years old.

The board, however, found difficulty in determining just what lighting program would be most suitable. There was some question as to whether the entire drive required lighting, or if a few lights along the drive, at the parking areas and near access roads would be sufficient.

The board observed that destruction of bulbs and globes could be reduced by higher poles and that even with about the same number of fixtures, light production could be increased immensely through an installation similar to the mercury vapor system recently installed in the business district.

The engineer said that a 30-standard system from Huff to Franklin streets (there are no lights between Huff and Main streets now) might cost about \$13,500. This would include lights around the bandshell.

In order to obtain a better idea of what is being done in park lighting, Cribbs and Bambenek were asked to contact several large electrical firms for suggestions and recommendations.

East End of Lake
In discussion of the roadway at the east end of the lake, Bambenek explained that the sand road is not usable as an access road now, but pointed to the growing need for park facilities. He said that use of Gabrych Park is limited since the grass infill was put in this spring and that conditioning of Jefferson field also has cut into the summer recreation program's facilities.

He said that the area would be ready for use next year and because any amount required for improvement must be included in the budget to be submitted to the City Council in August, the commissioners should consider improvement of the road now.

Cribbs pointed out that a road similar to the one at the small boat harbor would be suitable; total cost would be about \$2,400. He said this would involve addition of about an inch layer of clay for mixing into the sand base before an oil coat is applied.

Two other, but more expensive possibilities, would be addition of an emulsion seal coat (about \$6,400) or a roadmix bituminous paving for \$15,000.

However, the area involved is being considered as a possible golf course site in view of the proposal to move Westfield from its present site to Westfield street. If this is not agreeable, however, the board will stick by the original decision and permit Sheekanoft to operate and pay the board the percentage.

Commissioners noted that the P-R department sprays, erects snow fence and cleans the area three times during Steamboat Days and several board members felt the board should receive some compensation for the work.

To Take Tour in July
In other business the membership agreed to make a tour of P-R properties July 6 after 5 p.m. President Dr. C. A. Rohrer suggested the tour in view of the fact that two new members have joined the board this year and that the board as a whole could get a better idea of the area available for park and recreation purposes.

The board was informed by Bambenek that the Winona Memorial Association had requested permission to move the war memorial stone (now located on private property near the VFW club) to P-R property near the Lake Park Bandshell. In a letter, the association said a delegation would be sent to a board meeting to discuss the matter. Since no delegation was present, the board deferred final action, although some favorable consideration was given the matter.

Levee Park Concession
Louis Sheekanoft, who has operated concessions at Lake Park and at skating rinks for some time, paying the board a percentage of

his receipts, was granted permission to set up a stand near the city's pumping station on Johnson street at the last meeting.

Appearing before the board Monday, Sheekanoft said that he had heard there was some opposition and that he wanted to know if he could still operate the stand during the July 8-9-10 festival.

Bambenek read to the board a letter from the Chamber of Commerce requesting the board to rescind the agreement, pointing out that activities at the park had always been directed by the Steamboat Days steering committee to prevent "conflicts and misunderstandings."

The letter continued that concession rights at the park had always been handled by the Ambassadors (the Chamber's good will and membership organization), generally letting it to the highest bidder. The Ambassadors pay the committee for concession rights and retain receipts above this for their activities. The letter said anyone desiring to operate a concession has in the past been referred to the concession owner.

Sheekanoft said he doubted that his stand would interfere in any way with the general concessionaire's operations on Center street, because his stand would be on Johnson street and he would sell only from the stand. He said that during the three hours Friday, Saturday and Sunday nights and four hours Sunday afternoon during which Steamboat Days activities are concentrated at the Levee, there is "plenty of business for everyone and then some."

Realizing that the board had made a commitment to Sheekanoft, but yet desiring to "keep peace in the family," the board suggested that he contact the major concessionaire offering him the same percentage the board agreed to last month, with the condition that he does not leave his stand at the foot of Johnson street. If this is not agreeable, however, the board will stick by the original decision and permit Sheekanoft to operate and pay the board the percentage.

Commissioners noted that the P-R department sprays, erects snow fence and cleans the area three times during Steamboat Days and several board members felt the board should receive some compensation for the work.

To Take Tour in July
In other business the membership agreed to make a tour of P-R properties July 6 after 5 p.m. President Dr. C. A. Dog and Bicycle License Deadline This Week Thursday

Thursday is the last day bicycle and dog licenses may be purchased for the 1953-54 year without penalty. After that, a 25-cent penalty will be added to the price of bicycle plates and dog licenses will be \$1 higher. Both may be purchased at City Hall, the dog licenses at the treasurer's office on the top floor and the bicycle tags at the police station.

West End Group Holds Family Picnic

About 100 attended the family picnic of the West End Commercial Club at the Izaak Walton League cabin at Latch Prairie Island Park Sunday.

The committee in charge held games for both children and adults, with prizes being contributed by wholesale and retail firms.

A picnic supper was served in the evening.

Farm Wife Gives Repeat Performance

BEMIDJI, Minn. (U.P.)—On June 25, 1954, Mrs. Ragnar Hedlund, LaPorte, Minn., farm wife, gave birth to a daughter at Lutheran Hospital here. The hour was 6:04 a.m.

Last Saturday (June 25), Mrs. Hedlund, 21, gave birth to a son at the same hospital. The hour was 6:04 a.m.

board, Bambenek noted that attendance in the first two weeks of tot beach operation totaled 1,282; that 90 boys and girls have registered for free golf play at Westfield where 30 are receiving golf instructions, and that 61 are registered for learn-to-swim classes at Latch Beach. He also gave a summary of baseball and softball activities now under way.

Picnic reservations at Latch Prairie Island Park have been made by 58 organizations, while 31 groups numbering 3,788 persons have borrowed the department's picnic game kits.

He said 135 public garden plots were assigned in the area west of Huff street and that a small grass infield for bantam and pee wee baseball was constructed at Lake Park. The change was necessitated because Gabrych Park is not available to those leagues since the infield was grassed there.

In the monthly report to the

2 Contracts Let At La Crescent; Other Bids Held

LA CRESCENT, Minn. (Special)—The village council opened bids and let two contracts at a meeting at the village hall Monday evening.

The bids were for three projects: Trunk sewer extensions, water mains and street gradings, whose cost will be near \$70,000. Contracts were awarded for the street grading and the water mains, but the sewer extension bids were held over. A decision will be reached on the remaining bids within five days.

Arnold Kruckow, Caledonia, was awarded the contract for the laying of a little under 1,000 feet of 8-inch water main, to extend from the new well to the nearest existing main, on his bid of \$3,924.17. The Winona Plumbing Co., Winona, bid \$4,133.40 and Harry Viner Jr., La Crosse, bid \$4,122.80.

The council feels that the most urgent project is laying of the new main because the village is in danger of running out of water in case a fire or any other such overload.

The other contract awarded was for grading of streets. Grams & Sons, Brownsville, was awarded this contract on its bid of \$1,250. Lloyd J. DeBolt, Hokah, bid for the same amount, but Grams was awarded the contract because he would be able to start the work sooner.

There were two other bids for the street grading. A. F. Schams

This is The Complete, compact separating unit for the new iron ore mining operation near Chatfield. Earth from the Ernest and Frank Krueger farm—seven miles west of Chatfield—is dumped in the hopper, far left, where Chester Pelowski, Winona, is operating a crusher lever.

The finished product, medium grade iron ore ready for smelting, is stockpiled at the extreme right. In between these two points earth is screened, center;

washed, right center, before impurities are piped away and remaining ore is moved onto the conveyor, right.

Shown in the foreground are, left to right, Mayor George Underleak; Mel Schroeder, vice president of the Chatfield Commercial Club; Merlin Matzke, publisher of the Chatfield News; Irvin Nading, mining superintendent, and Len Zawacki, back to camera, president of the Chatfield Commercial Club.

Iron Ore Mining Starts at Chatfield

By EARL GILBERT
Daily News Area Editor

CHATFIELD, Minn.—An iron ore mining operation in rural Chatfield will produce about 300 tons of medium grade ore a day in the near future, according to company officials.

First train shipments are scheduled to leave here between July 4-10 for the Granite City Steel Co., Granite City, Ill.

Trempealeau Cracks Down On Juveniles

TREMPEALEAU, Wis. (Special)—Teen-age fun seekers from surrounding cities have been warned by Trempealeau authorities to "keep it clean" or be prosecuted as a sweeping campaign to rid this town of juvenile traffic and liquor offenders got under way last weekend.

Forty-five youths from Winona, Stockton, La Crosse, Sparta, Dodge, Ettrick, Galesville and Melrose were brought in for questioning Saturday night as local officers cracked down on a growing juvenile problem here. These boys and girls were booked and released with a warning that the next offense would mean a fine or jail term.

Justice Edward Ryder will hold court every night in the city hall if necessary. Mayor Raymond Stellflug said today, to help rid this town of young lawbreakers.

Most of the offenses have been centered around juvenile drinking and traffic misdemeanors although there have been instances of disturbing the peace, officials said.

Ambassadors Add 3 New Members

Certificates were presented to three new members of the Ambassadors, the Chamber of Commerce's membership and good will organization, Monday night at the Winona Country Club. About 22 attended.

New Ambassadors are A. M. Os-kamp Jr., Ted Biesanz and William F. Lang.

Ambassador Supreme Harold Doerfer presided at the meeting and announced receipt of membership applications by nine Winona firms. They are: Hal Leonard Music Co., the Willis Co., Winona Fruit & Vegetable Market, Boller-Ulberg Motors, E. J. Kohner Agency, M. Libera & Sons Co., Inc., Boland Manufacturing Co., Lang's Cafe and Dr. L. I. Younger.

A final report on membership will be presented during the annual summer river cruise late next month.

Members also agreed to assist in the selling and taking of tickets at Levee Park during Steamboat Days festivities July 8-10.

Car Misses Curve, Hayward Man Killed

HAYWARD, Wis. (P)—Bernard Froemel, 22, Route 2, Hayward, died in a hospital here Monday after he was hurt in the auto he had bought just three weeks ago upon his discharge from military service.

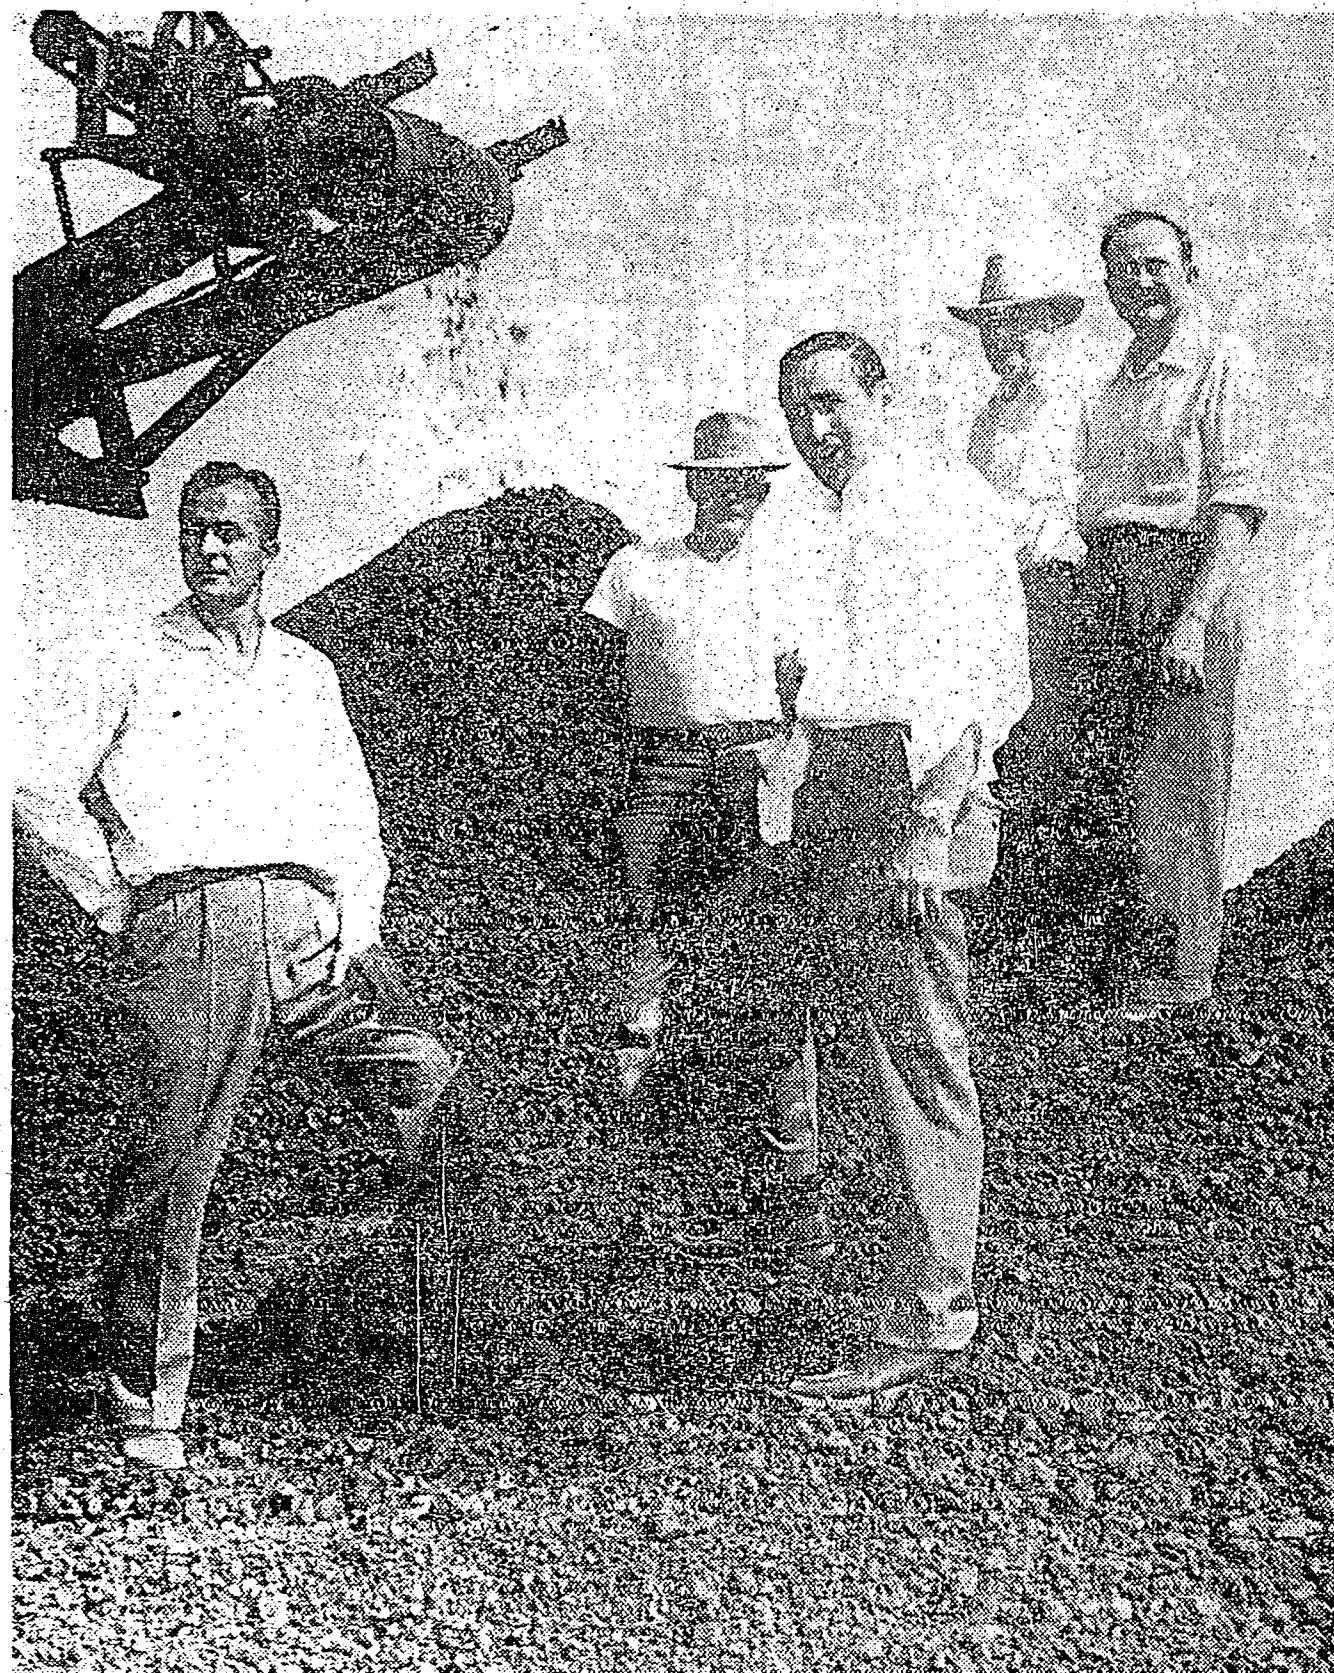

Sawyer County authorities said Froemel was driving along Highway 77 early Monday when his car missed a curve on a hill, bounded off a telephone pole, then cartwheeled end over end for about 200 feet along the highway.

Notice to Water Consumers

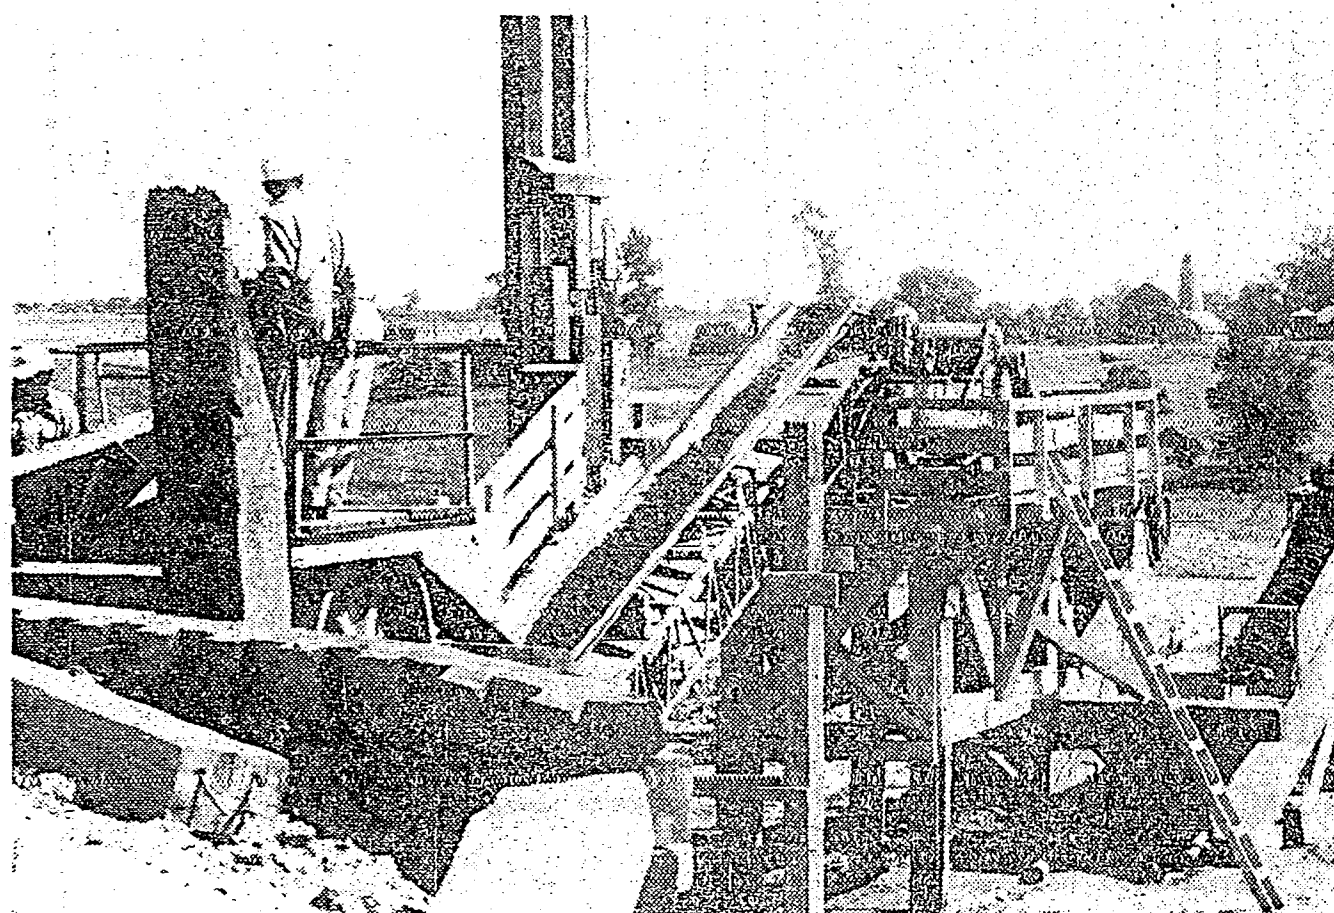

West of Center Street

Metered water rentals are now due and will become delinquent after June 30, 1953.

BOARD OF MUNICIPAL WORKS
Gerald O. Harvey, Secretary

Atop The First Stockpile of iron ore mined in the Chatfield area are these civic and mining officials: Left to right, Len Zawacki, former Winonan, Chatfield Commercial Club president; Irvin Nading, Schroeder Mining Co. superintendent; Mel Schroeder, club vice president; Chatfield Mayor George Underleak, and Merlin Matzke, publisher of the Chatfield News.

Crushed Soil From the Krueger farm moves up the conveyor toward the shaker screen. After being washed, lower right, the ore is pushed into a stockpile conveyor by the augur (extreme right). The Krueger farm buildings are in the distance. (Daily News photos)

Caledonia Farmer May Lose Arm From Chopper Injuries

CALEDONIA, Minn. (Special)—A Caledonia farmer may lose his lower right arm as the result of a haying accident Monday morning.

Matthew Palen, 53, who farms four miles northwest of here, received severe injuries about 10:15 a.m. yesterday when his right arm was caught in a hay chopper. He was oiling the machine with a piece of waste.

His sons, Cyril and Joseph, stopped the chopper and took it apart to extricate their father. There is a 50-50 chance of saving the lower right arm, Caledonia Community Hospital officials said today.

A creamy soup called vichyssoise is wonderful served chilled for warm-weather meals. It is usually made from potatoes, leeks, milk or cream, chicken stock and seasonings, and may be had canned or frozen. Try it sometime with chunks of lobster added for company fare.

Liquor Agents Sign 14 Complaints

ST. PAUL (P)—Harry A. Sieben, Minnesota liquor control commissioner, announced today that state liquor agents had signed complaints against 14 taverns and clubs in Stearns County on charges of violating the liquor and beer laws.

Sieben said the complaints followed "close cooperation" with Sheriff Peter Lahr and County Atty. David Shay.

"My office is receiving excellent cooperation from sheriffs in carrying out Gov. Freeman's policy of stricter law enforcement and we will continue to crack down on liquor law violators without let-up," Sieben said.

The alleged violators were scheduled for arraignment in St. Cloud Municipal Court late today. The complaints were signed late Monday in St. Cloud.

U. S. utility companies average \$52,000 in investment for every one of their workers.

Laird, Norton Families Make Gift to Historical Society

Fund Will Be Used to Provide Museum Quarters

Members of the Laird family and of the two Norton families have made an offer of "a considerable contribution" to the Winona County Historical Society, Mrs. Ward Lucas, the centennial chairman of the Laird, Norton Co. announced today.

Mrs. George R. Little, Winona resident who is a member of the James L. Norton family, expressed her pleasure at this offer, which is made in connection with the centennial observance of Laird, Norton Co.

The offer is made on the condition that the society raise enough money for current operating expenses to carry out its program of expanded activities. At their last two annual meetings the members of the three families have been impressed by the renewed interest of the Winona community in the society and the financial support, both private and public, provided for it. The contribution by these members of the three families would be in the nature of a memorial to William Harris Laird, James Laird Norton and Matthew George Norton, the founders of Laird, Norton Co., as this support of the society appeared to be the most desirable sort of memorial for the promotion of the interests of the community.

This contribution would be used by the society to finish, for its special use, the unfinished office space in the building at 125 W. 5th St. directly east of the library. Some provision is included for financial help to the society in getting started on its proposed expanded program. A lease would be executed between Botsford Lumber Co., Hayes-Lucas Lumber Co. and Laird, Norton Co., the owner-occupants of the building, and the society. The society has been occupying part of the proposed space for 15 months for storage.

The office building is of brick wall construction with steel reinforced concrete floor joists and floor, and thus is in the top classification of resistance to fire. It is believed that such a safe repository for the many items of historical value already accumulated by the society and those anticipated, will prove to be an inducement to owners of such items to turn them over to the society for exhibition and other uses. It is planned that the space to be used will provide storage and exhibition facilities and also room for meetings.

Mrs. Lucas also announced that, as part of the centennial observance, some 40 members of the third, fourth and fifth generations of the three families will take a 10-day cruise to Alaska in July. In addition to opportunities to observe the utilization of forest products and other natural resources in that area, a chance will be provided for recreation during the trip.

Police and Sheriff Call Off Manhunt

A manhunt along the Milwaukee Road tracks east of Franklin street was called off about noon today after an hour's search for an unidentified man by police and the sheriff's office.

Authorities said that investigation revealed there was no foundation to reports that the man accosted a young girl near East Bellevue street.

Drowned Man's Prints Not in File With FBI

A check of Federal Bureau of Investigation fingerprint files at Washington, D. C., has failed to provide positive identification of the man who drowned in the Mississippi River here last week.

Police this morning received a telegram from J. Edgar Hoover, FBI director, informing them that the bureau was unable to match the prints, sent to them by Winona police, with any they had on file.

The man had been tentatively identified as August "Gus" Brooks. The only other possible clue to his identity is a social security number uncovered by welfare authorities at Jamestown, N. D. The number is now being checked through the Kansas City social security headquarters.

State Starts Annual Audit of City Books

Two members of the state public examiners' staff are in Winona for the annual audit of the city's books.

Conducting the audit, which is expected to require several days, are Russell Andrews and Charles Mander.

SOUP'S ON

DES MOINES, Iowa (P)—A male customer was browsing through a grocery. The company's courtesy campaign was on. A cashier asked if she could help. He wanted to know where the can openers were kept. She showed him, and went to other duties.

He picked up a can opener, went to the soup counter, selected a can, opened it, drank it, put the can opener back, went to the cashier's counter, paid for the soup and asked the cashier to dispose of the empty can.

In the American Red Cross, volunteer workers outnumber paid workers about 100 to 1.

Floor Fight Seen For Ike Peace Ship

WASHINGTON (P)—Senate Republicans planned a floor fight today to restore funds for President Eisenhower's demonstration peace ship project.

Sen. Hickenlooper (R-Iowa) told a reporter in advance of debate on the measure that he would offer an amendment to the Atomic Energy Commission construction bill to put money back for the ship.

44 Employees on Strike Against Car Jack Firm

Forty-four employees of the Vulcan Manufacturing Co. Inc., were on strike today following disagreement between Foundry Workers Union and the company over union demands for a wage increase and other concessions.

Picketing of the firm's plant at Wilson and West 3rd streets began this morning. Principal products of the company are automobile jacks.

The last of four negotiations meetings was held here June 23 before Judd Quintard of Minneapolis, representative of the U.S. Conciliation Service. At that time the union, whose full title is Local 396, Twin Cities and Vicinity Conference Board of the International Molders and Foundry Workers Union, AFL, is reported to have made the following demands:

- Ten-cent-per-hour increase across the board.
- Five-cent-per-hour premium for unloading steel.
- An increase in the present premium for night shift of 5 cents per hour.
- A health and welfare plan including sick benefits and life insurance.
- An additional half-day paid holiday on Good Friday.
- An increase in vacation schedules for employees with 10 years service of one day for each year of service not to exceed 15 days.

This demand was reported to be in addition to the present vacation schedule under which all employees with three years or more of service get two weeks.

At the same meeting the company is understood to have made the following counter-offers:

- A health and welfare plan or a 2-cent-an-hour increase across the board, retroactive to June 1 on condition that it be accepted by the union membership at a meeting held subsequent to the conciliation hearing.

A company spokesman today said the offer was rejected by the union and therefore was automatically withdrawn.

R. E. Lange, Vulcan president, said the company's offer was in addition to a 2½-cent-per-hour-general wage increase granted Dec. 1, 1954.

The old contract expired June 1 of this year.

Representing the union in the negotiations is Hugo Benson of Minneapolis, international business agent.

Air Rifle Pellets Hit Summer Homes

Sheriff George Fort today was pressing an investigation of reports that windows of summer homes in the Homer area have been pierced by air rifle pellets.

Property owners said the windows were intact when they cleaned the cottages several weeks ago, but that they found seven windows damaged when they returned to the summer homes Saturday.

The sheriff pointed out that the careless use of air and other rifles could be extremely dangerous because children playing in and around the summer homes could be seriously injured.

He is questioning gun owners in Winona and Goodview in addition to those in the immediate area of the summer homes.

When recipe directs you to whip egg whites until they are "stiff but not dry," beat the whites until they stand in stiff peaks whose points do not top over. The air bubbles in the egg whites should be tiny and even.

However, Sen. Anderson (D-NM), chairman of the Senate Atomic Energy Committee, said he was ready to back his group's action in knocking out the 21 million dollars asked by Eisenhower for a reactor to run the ship.

The House passed the bill, which authorized \$267,709,000 in AEC construction projects, by voice vote after brief debate yesterday.

House GOP leaders did not seek to restore the ship reactor money. The President had asked that such a move be made after the Democratic majority on the joint committee stripped the 21 million from the bill last week.

The bill authorizes funds for atomic projects over the country. It includes five millions for the program announced by the President June 11 to help other nations build atomic power reactors.

It also carries large allocations for three big AEC reactor projects—for aircraft, an improved submarine engine and large surface vessels.

Eisenhower launched his peace ship project in a speech last April at an Associated Press luncheon. He said the vessel could tour the ports of the world without refueling and could be fitted with exhibits to show American progress in peacetime uses of atomic energy.

Youth Bound Over On Charge of Stealing Radio

A 20-year-old Wiscovy Valley youth was bound over to District Court this morning after preliminary hearing on charges of second degree larceny in municipal court.

Robert Langowski was charged in connection with the theft of a portable radio from a Wilson area farm June 18. Bail or bond was set at \$1,500.

Also arraigned this morning in connection with the theft was Stanley Pruksa Jr., 17, Houston. Because of his age, Pruksa was referred to juvenile court.

A third youth was referred to juvenile authorities without appearing in court. It was his first offense of this type.

Sheriff George Fort said that during his investigation of the incident, he obtained a statement from one of the trio admitting thefts of 15 gallons of gasoline June 17 at an Altura area farm and a similar amount the following night at the Pfeiffer Nursery.

Gilmanton School Clerk Re-elected

GILMANTON, Wis.—Mrs. Allan Phillips was re-elected clerk of the school board of Union Free High School at the district meeting Monday night.

In a report on the progress of the improvement project, it was stated that the new school lunch room and cafeteria probably will be ready for occupancy in September.

The boys locker and shower rooms have been completed, and the girls locker-shower rooms lack only plumbing for hot water.

The improvements have been carried on as part of a project centered around the construction of a new gymnasium. The kitchen and the boys and girls locker rooms are being constructed on the site of the old gymnasium. Storage rooms also are being built and the home economics and sewing rooms have been improved as part of the project.

The budget was approved as it was presented by the school board.

Wheat Growth In U.S. Follows Irregular Design

By THE ASSOCIATED PRESS
Wheat growth in the United States this year is following an unpredictable pattern, ranging from drought to prospects of high productivity.

In major southwest wheat states, drought has wrought havoc with the crop. In many Midwest states, too much rain has kept farmers out of their fields and increased insect, weed and rust threats.

In Kansas, the grain is maturing in such an unusual pattern that migratory workers and harvesting machine operators are racing around the state trying to reach the right field at the right time.

In Oklahoma, wheat suffered just about every disaster known to the grain.

The Southwest experienced one of its worst droughts on record, a condition aggravated by high winds.

The crop is virtually a total loss in that area. The fate of this year's output rests pretty much with what happens in states to the north.

The Far Northwest area, excepting Washington, could go either way depending on future moisture conditions. The crop already has dropped an estimated 30 per cent because of drought in Washington. In the Midwest, prospects are good although too much rain is causing some concern. Wet weather has delayed harvesting in some areas. The longer the delay, the more chance of damage from severe weather, weeds, rust and insects, which already are in evidence.

Minneiska Residents' Grandson Named 'Ambassador' to Italy

MINNEAPOLIS, Minn. — Merritt Francis Speltz, 13-year-old son of a former Winona County man and the grandson of Mrs. Arnie Speltz, Minneiska, last week was named the winner of a flying trip to Italy by a Champaign, Ill., daily newspaper.

Francis, whose father Dr. M. F. Speltz has his home at Bemont, Ill., was selected as the newspaper's outstanding carrier boy and named Champaign's "Junior ambassador" to Italy.

He will join representatives of 47 other newspapers who will take off from New York July 21 on a TWA-Trans World Airlines Constellation for an educational two-week tour of Italy.

Selection of young Speltz was based on his business initiative and the excellent service he provides for subscribers on his route in Bemont.

Francis also was the subject of a letter which judges selected as the most convincing. Consequently with the points he earned for himself and the recommendations he received from his customers, he finished far in front.

His father, a doctor of osteopathy, was born and raised on Oak Ridge, near Minneiska, and still has three brothers living there.

Serving in The Armed Forces

New Taking Basic Training at the Lackland Air Force Base, San Antonio, Texas, are these four Winona and area men. Left to right are: Joseph M. Platteter, 17, son of Mr. and Mrs. Albert J. Platteter, 111 1/2 W. 3rd St., WINONA, a 1955 graduate of Cotter High School; Glen V. Alstad, 19, son of Mr. and Mrs. Gerhard S. Alstad, CALEDONIA, a 1953 graduate of the Caledonia High School; LeRoy E. Trzebiatowski, 17, son of Mr. and Mrs. Felix A. Trzebiatowski, 971 E. 5th St., WINONA, another 1955 Cotter graduate, and Benjamin M. Maroushek Jr., 17, whose parents live on RUSHFORD Rt. 1. Maroushek is a 1955 graduate of the Winona Senior High School. The men enlisted through the Winona Air Force recruiting office. (Daily News photo)

Robert E. "Pete" Grover, son of Mr. and Mrs. Phil Grover, formerly of Winona, has been promoted to airman first class with the Air Force at the Reese Air Force Base, Tex. A flight line maintenance man. Airman Grover entered the Air Force in the fall of 1953. He is a 1952 graduate of the Cotter High School.

A.C. John E. Kosidowski, son of Mr. and Mrs. Edward Kosidowski, 528 Chatfield St., now is assigned to a radio and radar maintenance school at the Keesler Air Force Base, Biloxi, Miss. He was previously stationed at the Lackland (Tex.) Air Force Base.

James A. Young, son of Mrs. Mildred Young, 632 W. Wabasha St., has been promoted to fireman with the Navy. Now stationed in Japan. Young recently completed a tour of the South Pacific aboard the destroyer USS Halsey Powell. He will return to San Diego, Calif., in mid-July.

LANESBORO, Minn. (Special)—A.C. Lowell Opem has begun an 8-week course at Chanute Field, Rantoul, Ill., after spending four days with his parents, Mr. and Mrs. Theodore Opem. Airman Opem had been stationed at Amarillo, Tex.

HOKAH, Minn. — Pvt. Robert J. Von Arx, 21, son of Mr. and Mrs. John Von Arx, is assigned to duty with the 2nd Infantry Division in Germany. A mechanic with the 41st Armored Infantry Battalion, Pvt. Von Arx was graduated from St. Peter High School in 1952 and entered the Army in November 1954.

CALEDONIA, Minn. (Special)—Glen Alstad flew to the Lackland Air Force Base, San Antonio, Tex., to begin basic training.

Woodland, Minn. (Special)—Sgt. Alan J. Hunter, son of Mrs. Agnes Hunter, Six Oaks, has been promoted to staff sergeant at the Grandview (Mo.) Air Force Base.

ARCADIA, Wis. (Special)—Sgt. David Grulkowski, son of Mr. and Mrs. Anton Grulkowski, is spending a 30-day furlough here after returning from 3 1/2 years in Japan. Sgt. Grulkowski served in Korea during hostilities there. He recently re-enlisted in the Marine Corps for another three years.

The new address of **Pfc. Alvin E. Zastrow** is: Co. LA 82, A-1V, C-TECH, Ft. Belvoir, Va. He was previously stationed at Ft. Ord, Calif.

ETTRICK, Wis. (Special)—Max A. Paine, son of Mr. and Mrs. Arnold F. Paine, has been promoted airman second class. His address is: A-2C, Max A. Paine, 31st Air Rescue Sqdn., APO 74, San Francisco, Calif.

COCHRANE, Wis. — Pfc. Ronald G. Putz, son of Mrs. Bernice Engel, is a recent graduate of the Army's engineer school, Murnau, Germany. Pfc. Putz, who attended Winona State Teachers College be-

fore entering the Army in July 1953, is an assistant squad leader with the 499th engineer battalion.

All military service veterans, discharged since July 1951, will find that many occupational skills and technical knowledge acquired through such service are in great demand by the Air Force. Beginning July 1, the Air Force will put into operation a new policy which establishes a grade scale for enlistment and re-enlistment for all prior service personnel. The grade scale will be based on technical skills and grade held at time of discharge.

A choice of area or base assignment is also part of the new policy which favors the discharged veterans. In some cases it carries provisions whereby veterans may elect re-enlistment for a specific overseas theater.

Basically, grade determination will be dependent upon skill, date of separation and the need of the occupational field specialty.

U.S. to Warn Turncoat Gls

SEOUL (AP) — Three American soldiers who refused repatriation after the Korean War but now want to go home will be given one last chance to turn back if they appear at Panmunjom.

"They will be informed they will be subject to the laws of the United States and responsible for any acts they might have committed," a U.S. Embassy spokesman said today.

He made the statement at a press briefing on procedure to be followed if the trio are released in Korea.

They are Lewis W. Griggs, Jacksonville, Tex.; Otho G. Bell, Olympia, Wash.; and William A. Cowart, Dalton, Ga.

The spokesman said if the five are freed in Korea it most likely will take place at a meeting of the Military Armistice Commission.

Willard O. Brown, first secretary of the embassy here, would fly to the commission's joint security area, inform them of their rights, have them examined by a doctor if necessary and then fly them back to Seoul if they still want to come, the spokesman said.

Wisconsin Bar Heads Involved With Winona

GREEN BAY, Wis. — Men with Winona connections were involved when the Wisconsin Bar Association elected here last week.

New president is Robert Johns, La Crosse, a son of Mr. and Mrs. Gaythorn Johns, the mother being the former Hattie Kaiser of Winona. Retiring president is Alfred E. La France of Racine, his brother being Leo C. La France of Winona.

5 Killed in Clash In Philippines

MANILA (AP) — Four Filipino soldiers and a Communist Huk rebel were killed yesterday in a clash about 40 miles southeast of Manila, Philippine News Service reported.

Back-to-Work Move Reported At GM Plant

DETROIT (AP) — A back-to-work movement at General Motors' Willow Run transmission plant was reported today after a court order prohibiting wildcat strikers from any violence on picket lines.

An unauthorized strike of 150 tool sharpeners closed the plant Wednesday, idling 8,000 workers.

The CIO United Auto Workers called on the men to return to their jobs and to ignore unauthorized picket lines. But they were

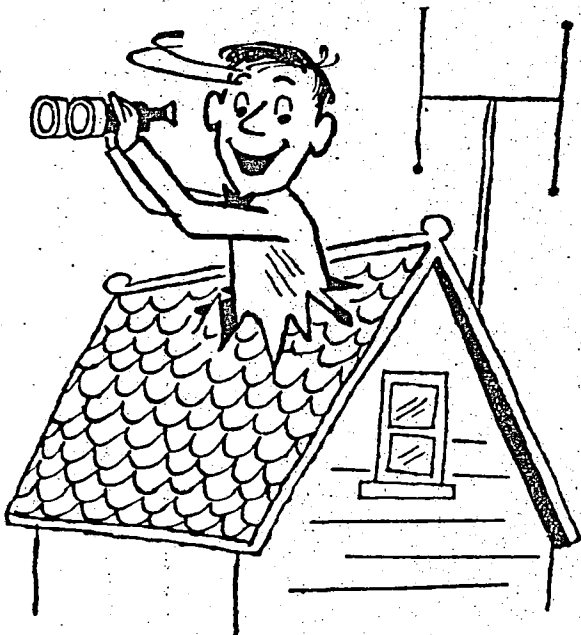

Lebanese Release Israeli Freighter

JERUSALEM (AP) — An Israeli freighter seized when it mistakenly entered Lebanon's territorial waters has been released, a U.N. truce organization source says.

The source reported the 1,500-ton Branca Fold was set free by Lebanese customs guards yesterday afternoon. A report from Beirut had said it was intercepted Sunday while bound from Turkey to Haifa with a cargo of beans, oil and canned fruits.

reluctant to enter the plant after disorders broke out.

Circuit Judge James R. Breakey Jr. in Ann Arbor last night issued an order prohibiting trespassing on company property, violence, threats and interference with persons entering the plant.

1952 and '53 cars with conventional and overdrive transmissions
compete in 1,323-mile test run using New Mobilgas!

These Older Cars Got New Car Mileage— OVER 20 MILES PER GALLON!

Results of the Run Certified by AAA Contest Board!

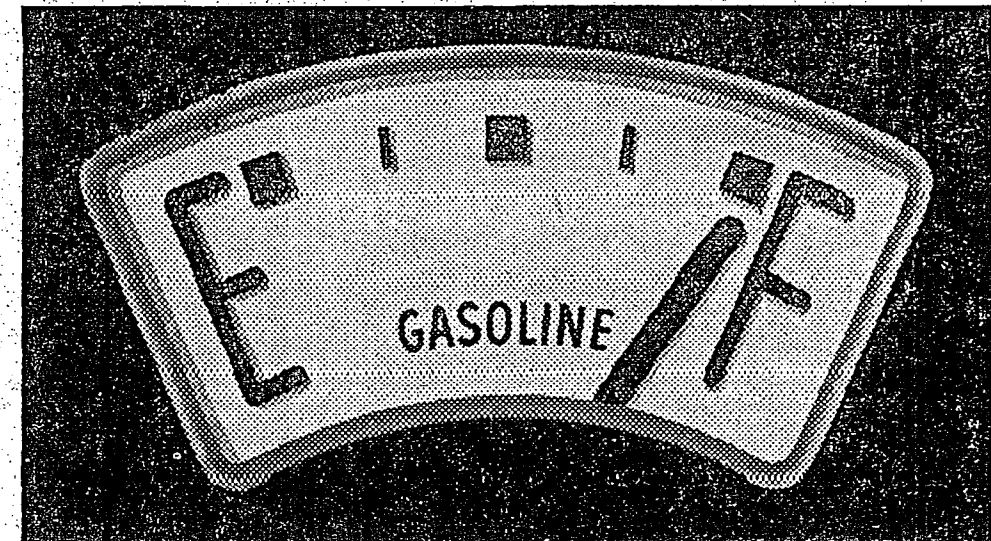

In this recent cross-country run, 2- and 3-year-old cars—with an average of 42,000 miles on their speedometers—each got over 20 miles per gallon. Each performance was certified by the AAA Contest Board.

If your car isn't brand new this cross-country test run ought to convince you that New Mobilgas is the right gas for you! For it is dramatic on-the-road proof that New Mobilgas does give more miles per gallon at regular price!

New Mobilgas can deliver better performance with longer mileage economy because it has higher than ever octane plus three gas-saving additives called Mobil Power Compound.

Mobil Power Compound protects against pre-ignition, spark plug misfiring, formation of engine gum, carburetor icing . . . and also helps keep fuel systems clean. That all adds up to smoother, more powerful driving with real savings on gas.

Try New Mobilgas in your car. See what a wonderful difference it makes in economy and performance!

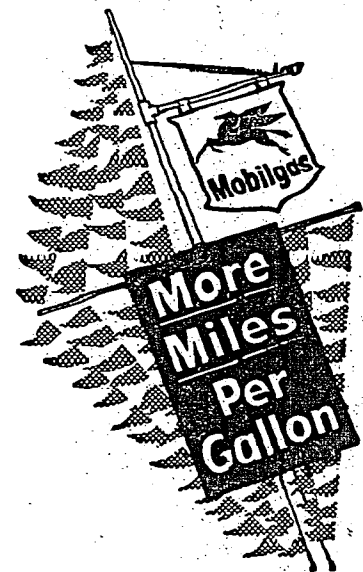

FILL UP and watch your gas needle drop more slowly

Age No Barrier To Vital Living

World-famous Helen Keller reached a milestone Sunday. America's First Lady of Courage celebrated her 75th birthday that day.

In half a century of high adventure and dedicated humanitarian service, Helen Keller has risen to unparalleled achievement. Robbed of sight, speech and hearing in infancy, she nevertheless became college graduate, author, teacher, confidante of kings and presidents and — perhaps most of all — champion of the physically handicapped.

For more than 50 of her 75 years, Helen Keller has nurtured a burning ambition—to improve conditions among the world's 14 million blind people. And as she passed her diamond anniversary she once again gives the world graphic proof of her devotion to that cause. Scoffing at reports she'll retire, this tireless woman pledged herself anew to redouble her efforts in behalf of the American Foundation for the Blind and the American Foundation for Overseas Blind—"to bring the light of human dignity and usefulness into the darkened lives of the sightless."

This determination is proof indeed that age be no barrier to vital living; it is an object lesson to those of us who are troubled at the swift passage of time. For at an age when most of us are thinking of retirement, Helen Keller remains healthy, serene, young at heart—and indefatigable.

Here are some interesting Keller quotes:

ON SPEAKING:

"Learning to speak was the hardest job I ever had, and, alas, I have never quite succeeded."

ON SEEING:

"If I could see I am convinced I would become an inveterate window shopper. I'd stroll down Fifth avenue and throw my eyes out of focus, so that no particular object but only a seething kaleidoscope of color would appear. But perhaps if I had sight I should be like most other women—too interested in styles to give much attention to the splendor of color in the mass."

ON THE BIBLE:

"I love it as I love no other book. The Bible gives me a deep comforting sense that 'things seen are temporal, things unseen are eternal.'"

ON PEOPLE:

"I often feel deeply grieved for those who suffer from self-sympathy. They allow themselves to be tied in a knot instead of looking around for new things to keep them busy. I'd like to give them all a shove."

ON GETTING THE MOST OUT OF LIFE:

"Use your eyes as if tomorrow you would be stricken blind. Hear the music of voices, the song of the bird, the mighty strains of an orchestra, as if you would be stricken deaf tomorrow. Touch each object as if tomorrow your tactile sense would fail. Smell the perfume of the flowers, taste with relish each morsel . . . Make the most of every sense; glory in all the facets of pleasure and beauty which the world reveals to you."

ON BEING ALIVE:

"I find life an exciting business—and most exciting when it is lived for others."

Not All Is Gold That Glitters

Suppose the water from your well, if you had one, suddenly turned into oil. Suppose that every time you turned a spigot, oil flowed out. Naturally you'd find yourself contemplating undreamed-of riches.

Such was the experience of Emil Oberg, of Orkelljunga, Sweden. He turned the water tap in his kitchen, and out flowed oil. The same experience was repeated when he tried the other taps in his home. He soon forgot his thirst, and went about filling every available receptacle in his house, including two bathtubs, with oil.

But Mr. Oberg's dream of wealth was soon shattered. Before he had time to plan for the spending of his new-found fortune, he learned that a neighbor's fuel oil tank had sprung a leak and had poured 1,000 gallons of oil into Mr. Oberg's water well. Instead of gaining wealth, he had to spend a small fortune for a new water pump, pipes, and even to dig a new well because the old one was ruined by oil.

The motto of this story is that not all is gold that glitters. In fact, it's often wise to be satisfied with what we have. King Midas could not eat his gold and Mr. Oberg's family could not drink their oil.

It doesn't pay to waste time always trying to peer through the haze of the future to see what rests dimly ahead. It is better first to finish that which is clearly at hand.

Portraits

By JAMES J. METCALFE

I am so much in love with you . . . I know not what to say . . . Except that you are wonderful . . . You take my breath away . . . My mind gets dizzy, and my heart . . . Is bound to skip a beat . . . Each time we share the telephone . . . And every time we meet . . . I only have to look at you . . . Or listen to your voice . . . And I am really positive . . . I want no other choice . . . You are the only one for me . . . As long as I may live . . . The one I love and long to serve . . . With all that I can give . . . There is no other one on earth . . . For whom my soul could yearn . . . I love you and I beg of you . . . To love me in return.

These Days

Crop Conditions In Russia Grave

By GEORGE E. SOKOLSKY

NEW YORK —When Molotov smiles, there must be a reason. His face and disposition were not made for laughter, surely not for gay laughter and the photographs of him in the pose of a benign ancient, patting the heads of errant children, give evidence of the torture of his spirit at such unrevolutionary shenanigans. Molotov is the last of the really old Bolsheviks remaining in the Soviet government. Surely he must sometimes ask himself by what miracle he survived.

When Molotov finds it necessary to smile, there is trouble inside the Soviet Union. And that trouble, as nearly always, is agricultural. Samuel Kuchero of the Library of Congress reports in the "Political Science Quarterly" on this subject as follows:

" . . . Despite the fact that the total sowing area increased by 6,800,000 hectares (one hectare equals 2.271 acres) in 1955 over 1940, that sown to grain decreased by 3,800,000 hectares; to grain feed crops, by 6,800,000 hectares; to groats crops, by 1,500,000 hectares, and to leguminous grain by 800,000 hectares. It also was stated in the resolution (of the central committee of the Russian Communist party) that collective farms did not fulfill the 1953 plan for livestock breeding and that an important decrease in the number of cows took place in many regions of the Soviet Union in 1953.

"STRONG MEASURES have been taken to increase agricultural production in the face of this failure of the peasantry to cooperate with the established plans. The party central committee and the U.S.S.R. Council of Ministers decided to sow grain over 28,000,000 to 30,000,000 hectares of virgin and idle land in 1955. According to Khrushchev, more than 3,500,000 hectares of virgin land were sown in 1954 and more than 17,000,000 plowed up for 1955."

The situation is apparently so serious that non-peasants, members of the Young Communist League (Komsomol), have been recruited to work on the new land. Khrushchev will undoubtedly that city boys and girls, while they are always enthusiastic about being out in the country do not make good farmers.

And if they stay in the country long enough, the probability is that they will take on the characteristics of the peasants, which is not to produce enthusiastically when there is no adequate return for their work. The return can only be adequate in the terms of improved standards of living, that is, in increased availability of consumers' goods.

The Russian farmer works most of his time for his government, generally on a peasants collective farm. He is permitted to take a share of the produce for himself, for his own consumption and part of which he sells on an official black market. It is to be noted that whereas there is no free market for manufactured goods, all of which is government-owned and produced, the Russian farmer has managed to obtain a share, however small, of his product which he can sell on a free market for money. The official black market is, in reality, a free market, the last vestige of capitalism in Russia.

THE RUSSIAN PEASANT has never been a satisfied person. Once a serf, he was freed into extreme poverty and often lost his newly gained lands to landlords and absentee owners. The Bolshevik Revolution of 1917 used as a slogan: "The land belongs to those who till it," but in short order made the land state property. Nevertheless the peasants were permitted perpetual tenure. When the system of collectivization was imposed upon agriculture, the farmer really lost possession of his land. This was resisted, particularly in the Ukraine where millions of peasants were permitted to starve to death.

Of the collectivists, Stalin said: "The last hope of capitalists of all countries, who are dreaming of restoring capitalism in the U.S.S.R.—The sacred principle of private property—is collapsing and vanishing. The peasants, whom they regarded as material manuring the soil for capitalism, are abandoning en masse the lauded banner of 'private property' and are taking to the path of collectivism, the path of socialism. The last hope for the restoring of capitalism is crumbling."

Unfortunately for Soviet Russia, the system of collectivization has not worked well enough to produce the food essential to a rising standard of living. Khrushchev has shown interest in how it is done in Iowa. If he came to look-see, he would find that in Iowa capitalism works.

The relationship between short nights and youngsters' sleep must certainly be direct. How they manage to race the rooster's call to their parents' bedside is still a mystery.

'YOUR WISH IS MY COMMAND'

Washington Merry-Go-Round

McCarthy Resolution Vote Aids Democratic Cause

By DREW PEARSON

WASHINGTON—A running news story must of necessity be hurried. For that reason the public didn't get the full significance and human detail of last week's debate which annihilated Sen. McCarthy when he tried to force President Eisenhower to discuss liberation of Poland-Czechoslovakia-Hungary, at the Big Four Conference.

It was one of the most significant debates in a decade. What it did was demolish the isolationist wing of the Republican party. It also drove a bulldozer over certain parts of the Republican platform, leaving it as flat tornado-struck Uddall, Kansas.

It was featured as a victory for Eisenhower. It was really a victory for the shrewd Texan who pilots Democratic forces in the Senate, Lyndon Johnson.

The last thing that Republicans wanted was a vote on the McCarthy resolution. The last thing many of them wanted was to vote against their own friend from Wisconsin. Sen. Johnson knew this, knew he had a chance to make them repudiate their own Republican platform, knew they would have to give up calling Democrats Communists. And he forced the vote.

Hoover on Spot

One day before the vote, Johnson even forced Herbert Hoover Jr., acting Secretary of State, to testify against the McCarthy resolution requiring Eisenhower to demand the liberation of satellite countries. Young Hoover didn't want to testify, sent word he had another engagement.

"Put him on the phone," said Lyndon. "You haven't got an engagement that important," he told Hoover. Hoover hadn't. He testified. He went on record against McCarthy and his resolution, against tying the hands of the President re the satellite countries.

Then began the debate. Joe McCarthy, who hadn't had so much publicity since he was censured, read the Republican party platform to his colleagues. Clearly and vigorously it called for the liberation of satellite peoples behind the iron curtain.

"We shall again make liberty into a beacon-light of hope that will penetrate the dark places," Joe read the Republican platform. "It will mark the end of the negative, futile, and immoral policy of confinement which abandons countless human beings to a despotism and godless terrorism."

"Today," continued McCarthy, "I am giving the Republican senators a chance to live up to that campaign pledge."

The Democratic senators can vote against the resolution," McCarthy goaded, "because they had no such campaign platform. But the Republican senators made that campaign pledge and it was a solemn compact with the American people."

McCarthy's Old Friend Up rose Sen. Bourke Hickenlooper of Iowa. Three years before, when Gov. Tom Dewey had persuaded Eisenhower to meet the McCarthy issue early and make a speech at Milwaukee taking issue with McCarthy, Hickenlooper had joined two other Republicans in hiring a special plane, catching up with the campaign train and persuading him not to censure McCarthy at Milwaukee.

Republicans, they argued, had to stick together. McCarthy was a great campaigner against the Democrats.

As a result, Eisenhower took the McCarthy criticism out of his Milwaukee speech.

But last week on the Senate floor Hickenlooper rebuffed his old friend.

"I do not agree with the junior senators' sleep must certainly be direct. How they manage to race the rooster's call to their parents' bedside is still a mystery."

Boyle's Column

Knowledge Comes Hard To Mankind

By HAL BOYLE

NEW YORK —The poor man's adventure.

My child, my child! This world lies before you, the great unknown.

So many boundaries unexplored. The mighty Greeks, and they did many things, said "Know thyself."

The Romans, boisterous prisoners of the Greek mind, after robust centuries said the same thing.

The torch of inquiry, handed down by every wandering tribe who held the sword of conquest since then, remains both a question and a commandment.

We work by the back door. We try to understand nature while refusing to try to admit even that this is only a window glimpse into ourselves.

But magnificent new research power can now be massed to take a deeper look at the human race. The poor things we are after all these centuries, the great things we have been endowed with the ability to become . . . and that power must be used if we are to realize ourselves.

Here is our time. Here are our weapons. The weapons by the grace of God — if that is the word — have always lain like dust in the world. The main tool is the mind of man. If man is destined to survive on this crowded earth and raise the hard victory of the mind against the pull of easy ignorance.

How little we know, after these centuries, and they have been many suffering centuries. Man, the Divine animal, is a totem pole, a tall and enduring monument on which is scratched both ignorance and discovery.

The reach for what is true is the tremendous voyage of man, and man has but put his foot in a trembling canoe he created himself and pushed with a small courage into a roaring dark.

Who are you? Where can you go? What can you learn? What can you really do for people? What can the human race become?

More than it is. For all that we know, we remain as a folk a child, curious, but a-tiptoe, loving the light behind us — and afraid of carrying a candle forward into the blackness ahead.

New Floods Indicated In China 'Rice Bowl'

TOKYO —Peiping radio today indicated a new devastating flood may soon hit Red China's rice bowl provinces along the Yangtze River Valley. It said waters are "rising very rapidly as a result of heavy rains for several days."

N.Y. Psychiatrist Cleared Of Burglary

NEW YORK, N.Y. —A young New York City psychiatrist has been cleared of burglary charges in connection with the looting of an unoccupied home near here.

A Rockland County grand jury recommended yesterday, however, that Dr. Price A. Kirkpatrick be prosecuted for petty larceny, an offense not punishable by prison.

Kirkpatrick, 33, mental health director for New York City's Domestic Relations Court, was accused of taking a number of antiques valued at \$1,000 from the Piermont, N.Y., home of chemist Charles Sparhawk May 30. He was arrested when he returned to pick up an expensive camera he had left in the place.

The grand jury said, however, that the objects were not worth more than \$100.

PAUL HARVEY NEWS

Babylonia Wrecked By Fat, Lazy People

By PAUL HARVEY

NEW YORK—Once upon a time there was a nation, great and powerful and good. It enjoyed such a good government that it bore bountiful fruit for its people. And they got fat.

When they got fat they got lazy. When they got lazy, they began to want "government" to do for them things which they had been doing for themselves.

In order to do these things the government has to get bigger. The individual, taxed more to support the bigger government, got smaller.

And by the time the Hammurabi Code had imposed government controls over wages, prices, production, consumption . . . once prosperous Babylonia was wrecked. Forever!

Folks had other chances. But each time they got a good government they withdrew their support. Insisted, instead, that the government support them. Greece was destroyed by government spending and bloated bureaucracy.

Rome figured the state should maintain the cloth, so everybody got slobbish.

So civilization regressed into the Dark Ages, lasting a thousand years.

When the throne of Spain so regimented the affairs of the people that everybody ended up on the government payroll, Spain died.

And the welfare state of the Incas. And China.

Do our sons have to relive the Dark Ages again, just because we made the same mistakes.

It's constantly turning left that leads the world in circles.

Already in the United States, one out of every four acres of our real estate is owned by the federal government.

More and more, government is moving into housing, insurance, lending, electric power.

Mister, it's your money they flitch to pay for all these "free" services.

We are in hock over our ears. Virginia's Sen. Byrd figures, "The present public debt is equivalent to the full value of all the land, buildings, mines, machinery, livestock, anything of tangible value in the United States."

And still the politicians promise to spend more in your behalf.

If anybody promises you more federal aid from a federal government that is broke and "mortgaged to the hilt," he is an embezzler!

This year, with no war and no depression, your government is collecting from you seventy-three billion dollars in taxes, yet some "statesmen" have the gall to propose spending more.

In the 83rd Congress alone, 178 bills were introduced to extend existing "aid" programs or to create new "aid" categories.

No man ever "spent himself rich." No man and no government. You "spend yourself broke."

I'm mentioning this because the politicians are going into this next year hell-bent to pledge you all sorts of increased this and guaranteed that and I want you to be sure, whatever is added is worth going bankrupt for.

epsom salt in two glasses of water. Then give lots of strong tea or hot coffee.

Phosphorus — Four ounces of hydrogen peroxide. One tablespoon of sodium bicarb in a quart of warm water. Then give four ounces of mineral oil. Do not give animal or vegetable oil. Keep all oils and fats out of the diet for several days.

Sodium Fluoride — Give two tablespoons of milk of magnesia. Then give him a glass of milk. Strychnine — Give the same mixture as the one used to combat arsenic.

In each case you must also induce vomiting.

QUESTION AND ANSWER F. B. What might be the cause of a severe burning sensation in the throat? I neither smoke nor drink.

Answer: The burning sensation in your throat may be due to inflammation resulting from infection in the throat itself or to a chronic sinus infection. An examination by a throat specialist would determine the exact cause of the difficulty so that proper treatment could be prescribed.

Arsenic — Give a mixture of two tablespoons of powdered burnt toast, one spoon of milk of magnesia and four spoons of strong tea. DDT—Give two tablespoons of

Jane Wyman to Be Working for Next 3 Years

By BOB THOMAS

HOLLYWOOD — It's lucky that Jane Wyman likes work, because she's going to be up to her pretty eyelashes in acting assignments for the next three years.

This week she was laboring on "Miracle in The Rain" with Van Johnson. She finishes July 12, then starts July 13 on a grueling TV schedule that will consume the rest of the year.

Jane recently announced a deal to take over the longtime TV favorite, Fireside Theater. The Tuesday at 9 spot will be called Jane Wyman's Fireside Theater and she'll preside as both hostess and star.

She explained the project in her Warner Brothers dressing room.

"This is what I have been after for five years," she explained. "It is one of those dream deals. I'll do 20 of the shows myself and introduce 15 others. We made our first in the series last week. It stars Victor McLaglen and Wallace Ford, and I believe it's the first time they've been together since 'The Informer'."

Jane dipped her toe into TV a year ago, when she made a half-hour show which appeared on G.E. Theater this season. It was the type of story line that might have developed into a series—the story of a woman doctor. But she abandoned that idea in favor of an anthology type of series.

Jane said she wasn't just a passive member of the enterprise. It's her company and she has her finger in all phases of production. She ought to know how to juggle the movie making angles; in 18 years of film acting, she has accumulated a world of knowledge.

All this TV activity doesn't mean she's going to neglect her movie career. As soon as she winds up the TV season, she must report to Universal-International for a picture. If the TV sponsor picks up her option, she'll be set for another 36 half-hours in 1956. Then she'll have to make a film for Warners.

"I've got to do a picture a year during the next three years for Warners and U-I," she said. "The options for the TV show come at the same time as those deals. So if all goes well, I'll be tied up completely for the next three years."

U.S. Vaudeville Performer Dies

PARIS — Borrah Minneville, 52, leader of the Harmonica Rascals who played in vaudeville theaters throughout the United States, died Sunday of a cerebral hemorrhage at the American hospital in suburban Neuilly. Minneville was stricken while driving with his wife, the former Lucille Little Taylor. He had been living in Paris since 1947, producing films and operating a night club. His daughter Lydia lives in Los Angeles, Calif.

ALPHABETIC NAME

PELSTON, Mich. — Her high school diploma carries the name: Althea Beverly Carol Diana Eva Felice Greta Harlene Jo Joanne Karen Laquita Maurine Naomi Orpha Patricia Queenie Rebecca Shirley Teresa Una Valesta Wanda Xelia Yolanda Zoe Kalkofen. That's a name for every letter of the alphabet for the 17-year-old miss. She calls herself Pat.

Whip a half cup of cream and fold into chilled lemon pie and pudding mix (made according to package directions). Serve over sliced bananas and oranges.

WILLIS CO. Announces Free Protection For Customers' Oil Storage Tanks

Your heating oil storage tank faces a big danger—RUST which forms inside the tank as a result of accumulation of moisture.

Rust spells trouble. It causes costly leaks.

That's why we put Shell SONITOR in every customer's storage tank. Sonitor is a new chemical product that protects against rust and corrosion. Sonitor not only stops old rust from spreading, but prevents new rust from forming. This is a free service for all our customers who use Shell Furnace Oil. We'll be glad to include you, too—just give us a ring.

Oklahoman Wins Toastmasters Contest

WATERLOO, Iowa — Travis Freeman, Tulsa, Okla., won the Toastmasters International Regional speech contest here this weekend. Paul Mulready, Mankato, Minn., was second. Both will compete in the national finals at Los Angeles Aug. 19.

New Mayor Of Montreal 'Closing Clubs'

MONTREAL — It was 2 a.m., and the night club comedian was signing off.

"Now," he cracked, "I'm going to say two dirty words: Jean Drapeau."

Drapeau, elected mayor on a cleanup ticket, chuckled when he heard about the incident. He had touched a nerve in his drive against law-breaking clubs in this Canadian metropolis.

That remark is enough to identify both the type of club and the mayor," he said. "I'm happy because people know it's no 'front' we're putting up here. I'm very satisfied that it's in clubs of bad reputation that things like that are said."

For years many night clubs had ignored a 2 a.m. closing hour for weekdays. A few still do despite Drapeau's threats to cancel licenses. Several cases are pending in court.

Night clubs are just one of the problems professor-like Drapeau has taken on. Montrealers gave Drapeau a landslide mandate last October. He succeeded Camillion Houde, an easy-going, much-loved politician who held office 18 years.

Pacifique (Pax) Plante, Drapeau's law partner and long-time friend, became assistant director of police. He has been cracking down on gambling.

"Our teamwork is enduring," the mayor says with a smile. "Our mandate for reform is never forgotten. But just now the city's three main problems are housing, traffic and mass transportation."

"The problem of slum clearance—which should have been faced 25 years ago—is acute. We need family housing badly. There are more than 23,000 dwellings of 80-year vintage in 13 districts of Montreal."

"What we need is a general attack. Our first attempt must be a success—even financially, or it might lead to discouragement, and another do-nothing period."

To solve traffic and mass transportation bottlenecks, Drapeau pins his hopes on one-way throughways and possibly the monorail system of transport used in some German cities.

Airport Aid Bill Would Give State \$1,072,185 Share

WASHINGTON — Each of 10 states would stand to receive more than a million dollars annually in federal matching funds for airport construction under a bill which has been approved by the Senate.

Top ranking state would be Texas with \$3,093,777 a year for four years. Others would be California \$2,734,099, New York \$2,606,233, Illinois \$1,721,651, Michigan \$1,654,594, Minnesota \$1,072,185, Missouri \$1,096,682, Montana \$1,157,801, Ohio \$1,511,101 and Pennsylvania \$1,902,130.

The legislation must yet be approved by the House and signed by President Eisenhower. It would authorize contributions to states of 63 million annually for four years.

Figures on the prospective allocations to individual states were furnished to the Senate by Sen. Monroney (D-Okla.).

Allocations would be made under a formula which takes into consideration the size and population of states.

Outside the top 10 states, available annual allocations would include:

Iowa, \$800,327; North Dakota, \$605,945; South Dakota, \$657,256; and Wisconsin, \$993,906.

The legislation was passed by the Senate Friday on a voice vote.

St. Paul Man Heads State VFW

MANKATO, Minn. — A St. Paul man today headed the Minnesota Veterans of Foreign Wars.

Harold Nymon was elected Saturday at the closing session of the annual convention here. Others named were Robert Hansen, South St. Paul, senior vice commander; Joseph Bobleter, Robbinsdale, junior vice commander, and Donald Otte, Melrose, judge advocate.

Re-elected were Joe Jorgenson, St. Paul, quartermaster, and Dr. Gilman Goehrs, St. Cloud, surgeon. The Rev. Fr. Max Matz, St. Paul, was named chaplain.

St. Cloud was chosen as the site for the 1956 convention.

How 30 minutes can lead to the most enjoyable years of your life!

Believe-it-or-not You can play rich, full-chorded organ music in just a half hour on the amazing Hammond Chord Organ!

There's fun for all the family with a Hammond Chord Organ. Even practice is fun because you and your family learn by playing the music you like. Hundreds of selections, popular and classical, are included with your Hammond Chord Organ. Of course, you won't sound like an accomplished professional but you will be pleasantly surprised at how well you can play.

It's difficult to believe that you can play without taking a lesson or reading a note of music, so why not drop into our store today and spend 30 minutes for a free demonstration—no obligation.

ONE FINGER of your right hand touches one key at a time to play the melody notes. You can play full chords with your right hand, too.

ONE FINGER of your left hand presses one numbered button to produce a rich, resonant chord.

ONE FOOT resting on just one of two pedals automatically plays the right bass for any one piece.

COME IN AND TRY TODAY!

Smithy Closing Up Shop After 54 Years

CHICAGO — The automobile age has caught up with Frank J. Hauser, suburban Hinsdale's blacksmith, and the shop he has operated for 54 years.

Hauser, 74, announced yesterday he is hanging up his leather apron for good and will spend his time tilling his truck garden and traveling.

Hinsdale's horsey set kept him in the horseshoeing business until 1948 and since then he has capitalized on the demand for wrought iron gadgets.

The smithy Hauser took over in 1901 will be razed to make way for an automobile parking lot.

Piece of Bone Aids Accident Victim

CHICAGO — A dirty three-inch piece of bone found 100 feet from an accident scene may enable Harold Walat, 19, to recover completely from a serious leg injury in a motorcycle-truck collision.

A policeman found the bone and it was taken to a hospital along with Walat. Doctors identified it as a fragment of the youth's left tibia, cleaned it and replaced it in his leg.

Today, five days after the accident, doctors said Walat's leg is mending well. Had not the bone fragment been found, they said, the leg might have been shortened or Walat would have faced an expensive bone graft.

When you prepare a gelatin dessert that calls for egg whites, use the yolks in a soft custard sauce. Serve the sauce with the gelatin dessert or with a fresh fruit compote.

Justice Douglas Believes Asian Picture Optimistic

TOKYO — U.S. Supreme Court Justice William O. Douglas, embarking on a tour that will include Soviet Russia, said Monday Americans should be optimistic about Asia.

"The picture is much more cheerful than we often get reading American newspapers," he told the Japan-America Society. "Asia has come a long way in the 10 years since World War II."

In an interview, he suggested that as part of an Asian settlement the permanent Chinese seat on the U.N. Security Council be assigned to some other Asian nation.

He said the seat held by Nationalist China could rotate or be assigned to India, Pakistan or Ja-

pan—if and when the latter is admitted.

He said the West should reach "an amicable political settlement" with Red China "leading to eventual recognition by the United Nations."

Douglas plans to enter Russia from Iran and stay there six weeks.

"I have been trying for five years to get in just to see it," he said.

He leaves tomorrow for Manila

en route to Calcutta, India, where he will lecture 10 days before proceeding to Russia.

Foreign Aid Bill Up for House Action

By B. L. LIVINGSTONE
WASHINGTON (AP)—A bill to authorize new foreign aid spending of more than \$3 1/2 billion dollars came up for House action today with critics aiming to pare it down in size.

In advance of debate on the \$3,285,800,000 global aid program, Chairman Richards (D-SC) of the Foreign Affairs Committee told newsmen:

"I hope the bill will not be cut appreciably. The bill passed by the Senate is already cut 139 million dollars. I think that's enough. But what the House will think is another matter."

President Eisenhower requested \$3 1/2 billion dollars in foreign assistance funds for the bookkeeping year beginning Friday. Aside from the money cuts, the House bill is substantially in the form outlined by the administration. The bill is merely an authorization which sets a ceiling on foreign aid spending; actual funds will be voted separately.

Today's Women

America Has Fashion Pioneer Too

By DOROTHY ROE
AP Women's Editor

If America has a counterpart of Christian Dior, it probably is a mercurial young man named Charles James, who runs a plush 5th street dressmaking salon with icy hauteur and whose favorite pastime is insulting dowagers who dote on his \$1,000 ball gowns.

This is not to infer that the suave Dior has either manners or temperament like James. The likeness between the two lies only in their genius for anticipating how women are going to want to look next year. Dior has reshaped the female form at least twice in the last half dozen years, and so, in a modest way, has James.

The slight, dark, James looks with cold contempt on most of his competitors in the American garment industry, but considers Dior one of the great geniuses of his time. This distinction he also claims for himself.

During his explosive career as an American couturier, Charles has made frequent forays into the wholesale dress market, while continuing his exclusive and expensive custom business for private clients. But the James temperament is not conducive to harmonious partnerships, and most of his tiffs with wholesale manufacturers have ended in explosions.

Now, however, James is entering the wholesale business under his own name.

His announced intention is to present clothes completely different from those of any other designer—loose where others are fitted, narrow where others are wide. He is showing a series of fashions which undoubtedly have a new look—high, wide armholes, narrow shoulders, flat backs and full fronts.

James says these clothes can be worn by almost anybody, and claims they are designed to flatter and camouflage the imperfections of the average female figure. His theory is that women don't get fat all over, but mostly in front, and that his new silhouette gives fullness where it is needed.

County 4-H Committee To Meet at Whitehall

WHITEHALL, Wis. (Special)—A meeting of the Trempealeau County 4-H leaders' music and drama committee will be held at the courthouse tonight, according to Ray Shanklin, county club agent.

Plans for the annual pageant to be presented at the county fair at Galesville on Youth Night, July 28, will be made. Soren Urberg, Blair, will direct the production. He will be present at the committee meeting together with Mrs. Leslie Larson, South Branch; Mmes. Arnold Hanson and Curtis Anderson, Hale & Hardy Club; Ernest Sobotta and Mrs. Joseph Skroch, Arcadia; Mrs. William Thomas, Ettrick, and William Suttie and Hollis Bibby of the Glasgow Club.

THE WORLD TODAY

Russians Want West to Disarm

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—Guessing why the Russians have changed from growl to grin has become a kind of international parlor game which anyone can play, with or without facts. A little wishful thinking helps.

Latest guesser is Gen. Carlos P. Romulo of the Philippines. At the United Nations' anniversary in San Francisco last week, during a television interview, he said: The Kremlin leaders are having trouble among themselves and want a breather.

This was hardly an original contribution. It's a guess that's made whenever there's a major change in Moscow, like the demotion of Georgi Malenkov from the premiership. There has been no evidence to support it, then or later. There's been no breakup.

The Russians themselves have given a more plausible reason, without saying so, for their sudden air of sweet reasonableness. Foreign Minister V. M. Molotov pointed to it again in San Francisco. The Russians want the West to disarm.

For years in one way or another, mostly a tough way, they have desperately tried to break up the Western Alliance, prevent West Germany's rearmament and discourage the building of American air bases in friendly countries around Russia.

They failed in all three. The last great hope they had was to keep West Germany disarmed. It was only after the Allies gave Germany the go-ahead—this year—that the Russians changed their attitude. They've been pleasant ever since.

Nothing more could be accomplished by threats or toughness. They couldn't lose by a twist in tactics. Indeed, they might achieve more with sounds of peace than they ever achieved with belligerency.

Molotov spelled out precisely what the Russians want: The American air bases dismantled, the Western Alliance broken up and the Allies to disarm. Since the West is realistic, the Russian desire bears a price tag.

Humphrey Bill May End Red Security Issue

By JACK BELL
WASHINGTON (AP)—A Democrat and a Republican agreed today a proposed new bipartisan security survey should—but probably won't—eliminate the Communist-in-government issue from the 1956 political campaign.

The Senate passed by unanimous voice vote yesterday a bill by Sen. Humphrey (D-Minn) to set up a 12-member special commission to study the government's security program.

The proposal now goes to the House, where a similar plan has been approved by the Judiciary Committee.

Humphrey said in an interview his chief objective is to "take the security program out of politics." "This sort of study should take the Communist-in-government issue out of next year's campaign," he said. "I hope it will, but you can't be responsible for irresponsible people."

U.S. Envoy to Japan Confers With Rhee

SEOUL (AP)—John M. Allison, U.S. ambassador to Japan, today conferred with President Syngman Rhee. There was wide speculation that Allison hoped to patch up the difficult relations between Japan and South Korea, strained under Japan's drive for more trade with the Communist world.

comply more with sounds of peace than they ever achieved with belligerency. Molotov spelled out precisely what the Russians want: The American air bases dismantled, the Western Alliance broken up and the Allies to disarm. Since the West is realistic, the Russian desire bears a price tag.

Wisconsin GOP Committeeman Ill

BARABOO, Wis. (AP)—Henry E. Ringling of Baraboo, Wisconsin's Republican national committeeman, is reported to be hospitalized here with infectious hepatitis, a liver condition.

Mrs. Ringling said Monday that her husband's condition is good and that it was expected he would be able to leave the hospital in a few days.

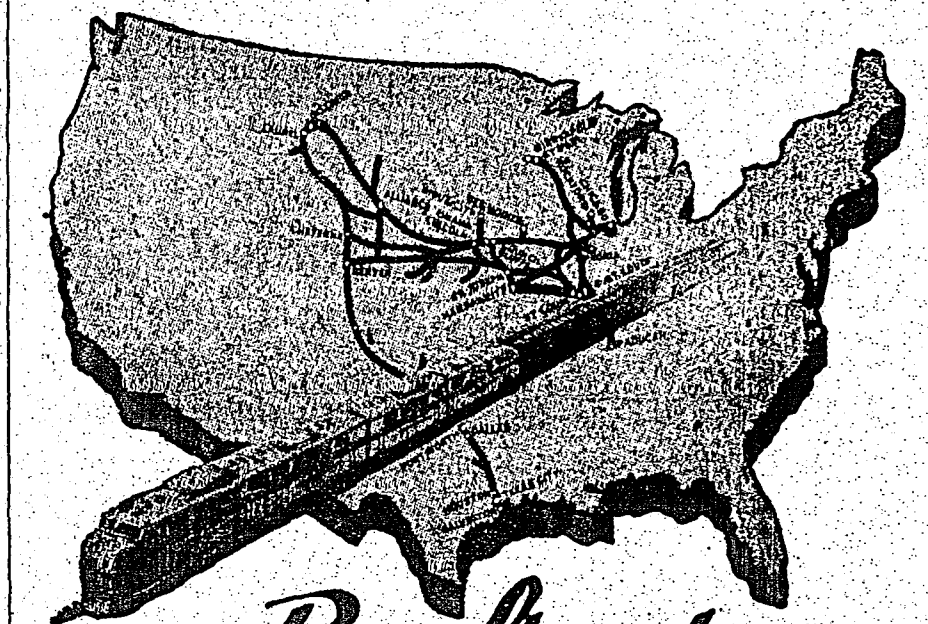

Lake's Huron and Michigan are more than 21 feet lower than Lake Superior.

Independence Man Faces Car Charge

WHITEHALL, Wis. (Special)—Nicholas Schneider, Independence, appeared in justice court before P. M. Paulson here Monday on a charge of breaking, injuring and tampering with parts of an automobile belonging to Floyd Johnson for the purpose of injuring, defacing and destroying it or preventing its operation.

He waived preliminary hearing and was bound over to county court. Bond was fixed at \$200, but

commitment to the county jail was an hour. He made a deposit of \$16.85 covering a \$10 fine and \$6.85 costs and forfeited same by failing to appear in court. He was found guilty of the charge by Justice Paulson.

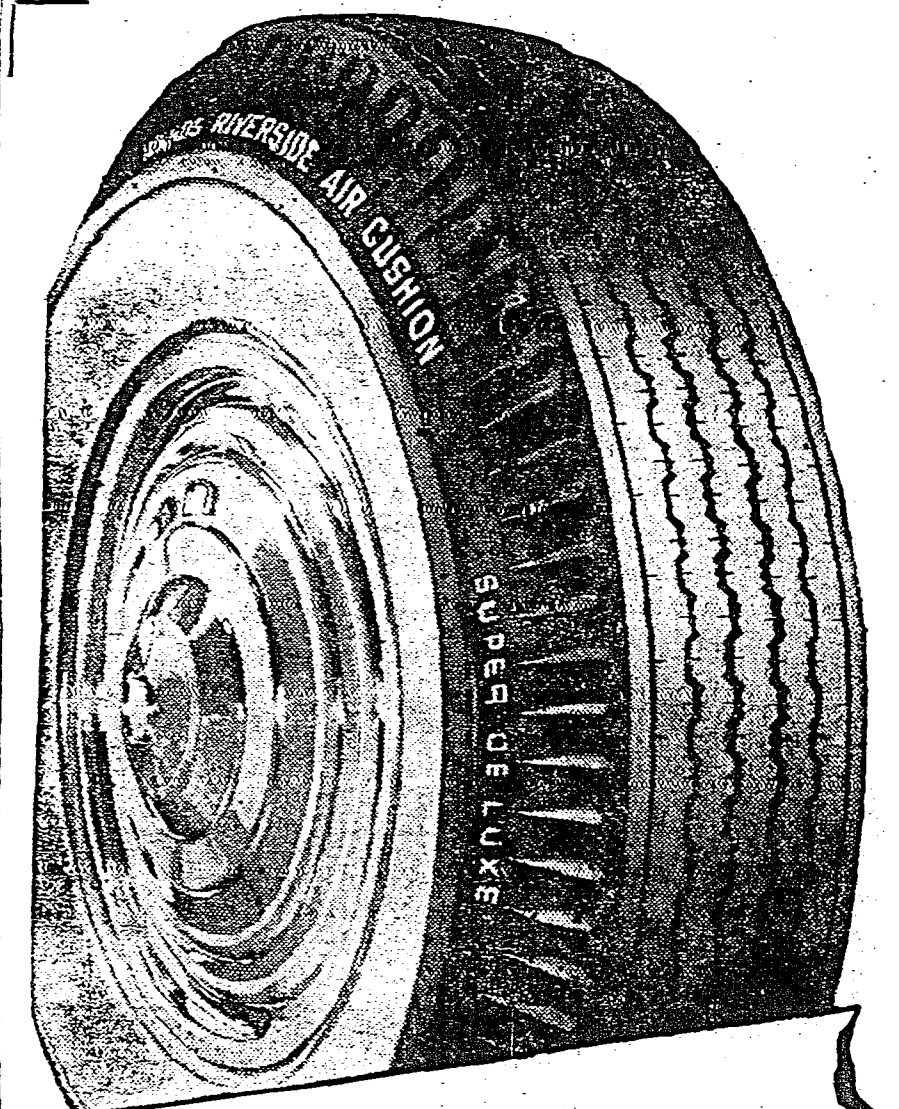

Burlington...

SERVING THE MIDDLE WEST

The BURLINGTON... one of the nation's great transportation systems, with 11,000 miles of railroad in 14 states... has been providing the Middle West with dependable, low-cost transportation for over 100 years.

South Korean Sees Far East War by 1958

SEOUL (AP)—South Korea's military chief predicted today the Communists will launch a new Far Eastern war by 1958—"probably in Korea."

"And when it comes, it will be worse than June 25, 1950," said Gen. Lee Hyung Keun, chairman of the Joint Chiefs of Staff.

That was the day North Korean tanks rumbled across the 38th Parallel in an attempt to smash the Republic of Korea in one lightning blow.

Lee said in an interview his nation now fears airplanes, not tanks.

"North Korea has seven air divisions and 40 air bases," he said, charging they were built up in violation of the armistice agreement.

The Communists had no air force and only two usable fields at the end of the war, he said.

Lee raised substantially figures on North Korean strength obtained from two Red pilots who defected to the South last Tuesday. The government released their testimony yesterday. They listed four air divisions and 15 bases in North Korea.

"Everything else checks with what our intelligence has learned," Lee said.

Smoking Decline Blamed on Taxes

VIRGINIA BEACH, Va. (AP)—The sharp drop in cigarette consumption in the last two years is due to "ever increasing taxes" rather than fear of a link between smoking and cancer, representatives of the tobacco industry were told here yesterday.

F. M. Parkinson, of Richmond, Va., director of the Tobacco Council, said the council had "ample statistical data" to support such a claim. He called for a halt in the imposition of additional taxes by states or municipalities.

Federal taxes on cigarettes average about 8 cents per pack. Taxes imposed by states and municipalities vary widely.

Parkinson spoke at a convention of bright belt warehousemen.

Miss Elaine Grulkowski, 21, daughter of Mr. and Mrs. Anton Grulkowski, Arcadia, who graduated his month from the Art Institute, Chicago, received \$1,500 as first place prize for the sculpture she is shown working on. The sculpture was life size. The model is at the right of the picture.

Miss Grulkowski is a graduate of St. Thomas Apostle High School, Chicago, and at the present time is attending the Black Mountain College, Black Mountain, N. C., where she is taking post-graduate work and also a course in Spanish. Following the completion of her courses, she will go to Spain to view art museums. The trip will take about six months.

Kangaroo Leads Handlers Chase Through Baltimore

BALTIMORE (AP)—A mother kangaroo broke loose from its handlers after a television appearance and went bounding about the city for a full hour Sunday night.

Once she cleared the hood of an automobile with a beautiful leap. Everywhere she went traffic was disrupted. Children leaned goggle-eyed out of car windows. Women screamed.

Three attendants from the zoo, well past the age for sprinting, were in valiant pursuit. They were joined by six policemen.

From the television station through the busy Malden avenue traffic went the chase. It was a zig zag course through the Sunday traffic to Druid Park Drive, into a gully, down a street, through the woods, across the park, uphill, downhill, hop, hop . . .

After five miles of this, the mother kangaroo from down under was finally cornered in a piece of undeveloped real estate.

Arthur Moore of the Baltimore zoo was kicked in the stomach and his colleague, Ben Geary, was bitten on the arm.

Finally she was subdued. The kangaroo was appearing on the "This Is Your Zoo" show. She recently kicked her baby out of the pouch and abandoned it to the care of humans.

Badger Farmer Held for Theft Of Furs, Car

MADISON (AP)—Preliminary hearing for a farmer charged with theft of furs and a car, who said he needed money to pay mortgages on cattle, will be held here July 6.

Ralph A. Girono, 29, Whitewater, was charged in Superior Court late Monday with stealing a salesman's car and \$25,999 in furs in Madison Friday night.

Girono pleaded innocent to grand larceny. A grand larceny warrant also was issued for an alleged accomplice, Chester Majewski, 41, Whitewater, who is missing.

Asst. Dist. Atty. Arthur Schumacher said none of the sable, mink and marten furs had been located.

Girono was arrested with the stolen car, owned by Aaron Rubenstein, 40, St. Paul fur salesman, near East Troy two hours after a police alert was sounded.

The accused told police he and Majewski had plotted the robbery after seeing Rubenstein display the furs to a Fort Atkinson merchant Friday afternoon.

The greatest number of immigrants arriving in the United States in any one year was 1,285,000 in 1907.

Program Ready For Witoka Calf Show on Sunday

Committees for the annual Witoka Calf Show, which this year will be held at Farmers Community Park Sunday, were announced today by Halvor Lacher, Rushford, general chairman.

Judging in both the home economics exhibits and calf classes will start at 10:30 a.m. with a lunch to be served at noon at Green Lodge. The afternoon program will feature the Lewiston High School band under the direction of Harold Jackson, a Winona square dance group and 4-H talent.

To provide more space for exhibitors and spectators the show is being held outside Witoka this year as an experiment. More than 2,000 attended in 1954.

Home Economics Exhibits—Home economics exhibits will be displayed in the Women's Lodge with demonstrations to be given in front of the building. Judges will be Mrs. Erwin Richter and Mrs. Edmund Luehmann, Lewiston.

Calfes will be shown at the north end of the park where a loud speaker system will be used to regulate the show ring and for announcing winners. Judges will be Russell Wirt, Lewiston, and Frank Tolmie, St. Charles. There are 25 entries to date.

Assisting Lacher with the planning are the following committees: Kitchen and outdoor stands—Mr. and Mrs. Walter Clow, Wilson; home economics exhibits and demonstrations—Mrs. Paul Kinstler, Dakota; grounds—Ben Roling, Wilson and Paul Kinstler, calves—Ewald Gaeby and William Geller, Ridgeway; program—Mrs. Halvor Lacher and Mrs. Gerald Christopherson; librarian—Mrs. William Geller, Ridgeway; Sports—Gerald Christopherson; secretary—Mrs. George Koenig and treasurer—George Schmidt.

Other Assistance—Members of the Winona Chamber of Commerce agriculture committee and area farmers who are aiding with the plans include George M. Robertson, Clarence Totman and Harold Schultz, Winona; Mr. and Mrs. Ray Hackbarth, Ridgeway; Mr. and Mrs. Francis Quinn, Ridgeway; Mr. and Mrs. John Ford, Witoka; and Mr. and Mrs. Victor Papenfuss, Wilson.

Exhibitors have been asked to have entries ready for judging by 10 a.m. The afternoon program will start at 1:30 p.m. Events may include a baseball game with definite plans not yet announced.

AT VFW CONVENTION—TREMPEALEAU, Wis. (Special)—Attending the state Veterans of Foreign Wars encampment at Eau Claire last weekend from Trempealeau were Mrs. Robert Coyle, Mrs. Irvin Wagner, Mrs. Howard Coyle and Oakley Parkhill.

Legislator Knows When He's Beaten

INGLEWOOD, Calif. (AP)—Assemblyman Charles E. Chapel, with an adhesive tape patch on his head, kissed his wife, pooh-poohed the idea of any prosecution and said "she won."

The 51-year-old state legislator was hospitalized Sunday after, detectives reported, Mrs. Dorothy Chapel, 42, told them she bopped him with a glass lampshade amid a family argument.

He left the hospital unannounced yesterday, then appeared with Mrs. Chapel at the police station to announce: "I'm crazy about my wife. Always have been. This was just a little family argument, and she won." He kissed her, and kissed her again for photographers.

Switchman Wears Bermuda Shorts

OMAHA (AP)—"They really razz me."

That's what Edward Zemanek, a husky freight car switchman, said yesterday about the Bermuda shorts he wears on the job.

"They laugh and holler and whistle," he said. "I get a big kick out of it. It doesn't bother me a bit."

The big brakeman related he came to shorts gradually. He started out by rolling up his overall legs. But that still proved too hot so, he said, "I just decided to wear shorts and be done with it."

2 Gambling Clubs, 3 Cafes Burn In Nevada Town

ELY, Nev. (AP)—Two gambling clubs and three cafes were destroyed last night in a fire that spread so swiftly the game operators couldn't grab currency on the tables.

Mayor N. E. Broadbent estimated the building and equipment loss at between \$500,000 and \$750,000. An undetermined amount of currency was lost by the Capitol and the Alpine clubs.

The four-story brick wall of the Ely Theater building stopped the fire's sweep westward across the business district of this copper mining and milling town of about 4,000.

"If that brick wall hadn't been there, we'd have lost half the town," Broadbent said.

Fire Chief Pete Popholm said the fire was started by defective wiring or in the air conditioning equipment of the Capitol Club.

TREMPEALEAU CO. GROUP

WHITEHALL, Wis. (Special)—H. M. Johnson, Lester Brennom, Ernest Axness and Mrs. William Lietz, Whitehall; Dr. A. O. Torsion, Independence; Elwood Carter, Osseo, and Mr. and Mrs. C. E. Fugina, Arcadia, attended the Wisconsin state Republican meeting at Ripon Saturday from Trempealeau County.

Although meteors often have large amounts of nickel and iron, a number are composed wholly of stone.

Donna Fenner Wed in Ceremony At Lewiston

LEWISTON, Minn. —Miss Donna Fenner, daughter of Mr. and Mrs. Gordon Fenner, Lewiston, and Donald E. Christopherson, son of Mr. and Mrs. Louis Christopherson, Homer, Minn., who were married by the Rev. J. Allen McShane at a nuptial low Mass at St. Rose of Lima Catholic Church at 10 a.m. June 11, will make their home in San Diego where the bridegroom who is in the U. S. Navy, is stationed.

Pink, red and white peonies decorated the church. The Misses Carol Lehnner, Teresa Degnan, Donna Lingenfelter and Jeanette Ellinghousen, accompanied by Mrs. John Daley, sang "On This Day Oh Beautiful Mother" and "Pans Angelicus."

The bride wore a ballerina-length gown of nylon and Chantilly lace made with sweetheart neckline and full skirt encircled by three lace ruffles. A crown of seed pearls held her veil, and she carried a white orchid on her prayer-book. She was given in marriage by her father.

Her maid of honor, Miss Mary Lou Christopherson, Homer, wore a pink nylon and Chantilly lace, strapless, ballerina-length frock with matching jacket, and with full skirt encircled by ruffles. Matching flowers were used in the wreath she wore on her head.

Carl Christopherson, Utica, was best man and Larry Christopherson, Lewiston, and Warren Seavey, Hayfield, ushered.

A wedding dinner was served to 60 in the church parlors where peonies were decorations. The wedding cake was served by Mrs. Carl Christopherson and Mrs. Daryl Ruser. Miss Phyllis Kraft, Chicago, was in charge of the guest book and serving were Miss Shirley Vail, Miss VeAnn Pyle and Miss Judy Christopherson.

The bride chose a blue linen suit and white accessories for the couple's wedding trip. They will take the northern route to San Diego.

Both attended Lewiston High School and the bridegroom attended a metalsmith school at San Diego. He joined the Navy in 1952. Members of the family entertained at a shower at the St. Rose of Lima Church parlors prior to the wedding, and Miss Lehnner and Miss Degnan entertained at a personal shower for the bride-to-be at the home of the former.

DENZER FAMILY REUNION

The Denzer family's 32nd annual reunion Sunday at Farmers Community Park was attended by 104 members of the family and friends. A picnic dinner and light supper were served. Games and races were enjoyed by the children. At a brief business meeting the officers retained were Mrs. Henry Whitestone, president; Burl Harris, vice president, and Mrs. Alvin Denzer, secretary-treasurer. During the past 12 months three marriages and 13 births were recorded. There were no deaths. The oldest member present was Albert Denzer, 77, Winona. The oldest guest was Mrs. Minnie Schumacher, 78, Rollingstone. The youngest member was Brian Ward Whitestone, 3 months, son of Mr. and Mrs. Allen Whitestone, Minnesota City. The families attending from the greatest distance were Mr. and Mrs. George Harris, Mr. and Mrs. Burl Harris and family, Mr. and Mrs. Berwyn Jeffries and family, Hillsboro, Wis., Mr. and Mrs. Earl Brey and family, Ontario, Wis., Mr. and Mrs. Vilas Smith, Merrillan, Wis., and Mr. and Mrs. Romeo Denzer and family, La Crosse, Wis.

Donald E. Christopherson And His Bride, the former Donna Fenner, daughter of Mr. and Mrs. Gordon Fenner, Lewiston, Minn., will make their home in San Diego, Calif. He is the son of Mr. and Mrs. Louis Christopherson, Homer, Minn., and is serving in the U.S. Navy.

Curved Bars Awarded Eight Rushford Scouts

RUSHFORD, Minn. (Special) — Curved bars, highest Girl Scout award, were presented to eight girls at the Court of Awards program at the school auditorium June 22.

Mrs. Kathleen Habberstad, troop committee member, presented the awards to Gail Boyum, Joan Leuchtenberg, Nancy Miller, Randi Held, Patricia Leuchtenberg, Bethy Morken, Rebecca McDaniel and Maurine Quale. This is the first time the award has been given in Rushford.

Mrs. Robert Betz was mistress of ceremonies. The court of award opened with a flag ceremony by the brownie scouts under the direction of Mrs. D. T. Rollefson, leader.

The intermediate scouts under the leadership of Mrs. Elvin Dubbs were presented badges by Mrs. Leonard Skallen, representing the American Legion Auxiliary, sponsors of the scouts.

The senior patrol of the intermediate under the leadership of Mrs. Morris Quale, were presented their badges by Mrs. Skallen and the curved bars by Mrs. Habberstad. The girls each gave a short talk on "What Scouting Means to Me." The program concluded with the saying of the Girl Scout promise and laws.

Mrs. Habberstad was presented with a corsage by Mrs. Betz in appreciation of her work.

Following the program lunch was served with the mothers of the scouts in charge.

FROM FLORIDA

Donna Nelson, Altura, Minn., and Judy Murtlinger, 666 Washington St., returned June 24 from a vacation trip to Miami Beach, Fla. En route home, they visited friends at Jensen Beach, Fla., and Chicago.

ANNOUNCE MARRIAGE

PEPIN, Wis. (Special) — Mr. and Mrs. Richard O. Hem received announcement last week of the marriage of Mary Margaret Portmann and Arlin Young Sturdivant at Austin, Texas, June 3. The bride is the daughter of the former Pepin Herald editor, Robert Portmann, and his wife.

Jean Roerkohl, Andre Patnode Wed at Caledonia

CALEDONIA, Minn. (Special) — In St. John The Baptist Church, Caledonia, Miss Jean Ellen Roerkohl, Caledonia, daughter of Mr. and Mrs. Howard Roerkohl, Albuquerque, N.M., and Andre Patnode Jr., La Crosse, son of Andre Patnode Sr., Minneapolis, and Mrs. Grace Forde, La Crosse, exchanged wedding vows Saturday at 9 a.m.

Before an altar decorated with lighted candles and garden flowers, the Rev. Thomas E. Duane was celebrant of the nuptial high Mass, and received the marriage vows. Mrs. L. L. Roerkohl, Caledonia, aunt of the bride, played the traditional wedding march, and the church choir sang.

The bride wore a floor-length gown of white Chantilly lace and net over satin. Her veil of illusion net was held in place by a pearl and rhinestone crown and she carried red roses and stephanotis.

The bride was attended by her sister, Miss Kay Roerkohl, Albuquerque, as maid of honor. She wore a floor-length gown of light green lace and net over taffeta with fitted bodice, bouffant skirt, and lace bolero jacket.

The Misses Marianne and Marcie Roerkohl, Caledonia, were their cousin's bridesmaids in shrimp net over taffeta and rhinestone crowns. A maid of honor's gown. All wore matching headresses, and carried carnations and daisies.

Edward Murphy, La Crosse, was best man. Groomsman were Jack Adams and Jerry Ruoff, La Crosse, and ushers were John Kennedy and Paul McCauley, Caledonia, cousins of the bride.

A breakfast for the bridal party and immediate relatives was served at the home of the bride's uncle and aunt, Mr. and Mrs. Roerkohl. A reception for 200 was held at the RC Club in La Crosse from 4 to 9 p.m.

Mr. and Mrs. Patnode later left on a trip to northern Minnesota. For travel the bride wore a blue paisley print, with white accessories. After July 1 they will make their home in La Crosse.

The bride is a graduate of Loreto High School, Caledonia. The bridegroom is a graduate of Aquinas High, La Crosse, and is a student at the La Crosse State Teachers' College.

Prenuptial hostesses were senior girls at Loreto High School, Mrs. Arthur Kennedy, Mrs. Edward McCauley, Mrs. Maurice McCauley and the Misses Mary McCauley and Mae Murphy.

BIRTHDAY CLUB

LEWISTON, Minn. (Special) — Mrs. Harry Schott will entertain the Wyattville Birthday Club Thursday afternoon and for supper. Plans will be made for the annual picnic.

SURPRISE PARTY

About 45 friends and relatives gathered for a surprise dinner party Saturday night at the home of Mr. and Mrs. Delo Bundy, 1265 W. 2nd St., who are moving to Minneapolis. Out-of-town guests included Mr. and Mrs. George McGuire, Rochester; Mr. and Mrs. August Fabian, St. Charles, and Mr. and Mrs. Larrell Dahl, Galeville, Wis. Mrs. Louis Doebbert and Mrs. Howard Byrne were hostesses. Mr. and Mrs. Bundy received a number of gifts.

WOMEN'S GOLF

WHITEHALL, Wis. (Special) — Twenty-eight women turned out for Ladies' Night at the golf course Wednesday, the largest number to date. Mrs. Al Mattson received the prize for playing low on the even holes. Mrs. Lyle Pavcek received the prize for high on No. 6, and Mrs. L. D. Anderson received the door prize. The Misses John Q. Gilbertson, S. W. Simonson, Norman Anderson and E. L. Gilbertson attended guest duty at Durand Wednesday. Mrs. John O. Gilbertson played low for Whitehall.

TO HAWAII

ARCADIA, Wis. (Special) — Mrs. Agnes Bohnstedt and son George have left by car for a trip that will take them to the Hawaiian Islands. En route they will stop at a number of the national parks before visiting for a short time at San Gabriel, Calif., with Mr. and Mrs. Earl Henley, former Arcadia residents where they will leave their car. June 29 they will leave by plane from Los Angeles for Hawaii where they will spend a week with their son and brother, A/2c David Bohnstedt, who has been based the past year at Hickam Field, Honolulu. They expect to visit all the islands in the Hawaiian group in the week they will spend there. Returning to the states by plane, they will pick up their car at San Gabriel and drive back home via Texas and Independence, Mo., where they will visit relatives. They expect to be gone between three and four weeks in all.

We Will Be Closed For Our Annual Vacation JULY 16 to AUGUST 1 Please Make Your Apointments Accordingly

Grukowski Beauty Shop 677 East Broadway Phone 5651

Mr. and Mrs. Orson Hempstead, Houston, Minn., announce the engagement of their daughter, Carol Jean, above, to Dr. L. Lynton Goulder Jr., son of Mr. and Mrs. Lloyd L. Goulder, Petersburg, Va. Miss Hempstead is a graduate of Houston High School, and is now a senior in the collegiate nursing program at Hamline University, St. Paul.

Dr. Goulder is a graduate of Virginia Polytechnic Institute, Blacksburg, Va., and Medical College of Virginia, Richmond, Va. After completing his internship at the University of Minnesota Hospitals, Minneapolis, Dr. Goulder will serve with the U.S. Army for two years.

DANIELSON REUNION

The annual Danielson reunion was held at the Lanesboro Community Park June 12. The next reunion will be held at the Spring Grove Park the second Sunday in June, 1956.

FAREWELL PARTY

STOCKHOLM, Wis. (Special) — A farewell party was held Friday evening at the Elwin Rundquist home near Lund for Airman Palmer Rundquist, who will report soon to San Francisco for overseas duty. Rundquist has been stationed at Foster Air Force Base at Victoria, Texas.

ATTEND CELEBRATION

CALEDONIA, Minn. (Special) — The Rev. John Gengler accompanied by his sister, Margaret, and niece, Fay Gengler, returned June 23 from Aurora, Ill., where they attended the golden wedding celebration June 19 of their uncle and aunt, Mr. and Mrs. Paul Hettinger. Mrs. Hettinger is the former Anna Gengler of Caledonia. Mr. Gengler was celebrant at the high Mass in their honor at St. Joseph's Church. Their pastor was the speaker. They also visited Mr. and Mrs. Peter Steffens and family, Mrs. Rose Napier and Mr. and Mrs. John Froelich and family, Wilmette, Ill., and Mrs. Helen Werner, Milwaukee.

Nordahl Thomleys Celebrate 25th Anniversary

WHITEHALL, Wis. (Special) — Mr. and Mrs. Nordahl Lester Thomley of Timber Creek, north of York, were honored by relatives and friends Sunday afternoon on their silver wedding anniversary. The event was planned by their children together with the Mmes. Edwin Thomley, Howard Jermstad, Martin Jermstad, Peter Jermstad and Bernard Colby.

Mrs. Thomley received her guests in a powder blue afternoon frock to which a corsage of white carnations, gift of her children, was pinned. Her attendant, Mrs. L. J. Alstad, West Allis, wore a green afternoon dress with a corsage of pink carnations. Lawrence Thomley, Colfax, was his brother's attendant.

Mrs. Thomley is the daughter of Mr. and Mrs. Martin Jermstad, Osseo, who were among those present Sunday. She was born in the town of Garfield, Jackson County. Mr. Thomley, born in Timber Creek, is the son of the late Martin and Mary Thomley.

The couple was married June 26, 1930, at the South Beef River Lutheran Church by the Rev. E. B. Christophersen. They were attended by her sister, Ethel Jermstad (Mrs. L. J. Alstad) and his brother Lawrence. Cora Thomley, a niece of the bridegroom, now Mrs. Myron Robinson, Delavan, present Sunday, was flower girl at the ceremony.

They established their home on the farm in Timber Creek where they now reside. They have three children, Pvt. Nordahl Lester Thomley Jr., who entered service last February and is now with an infantry company at Ft. Lewis, Wash.; Charles, junior at Luther College, Decorah, Iowa, and Mary Ellen who will be a senior next fall at Hixton High School.

Besides her sister Mrs. Alstad, Mrs. Thomley has one brother, Howard Jermstad, Timber Creek. Mr. Thomley has one sister, Mrs. C. J. Johnson, Fond du Lac, and five brothers, Edwin, Timber Creek, Clarence, Strum; Lawrence, Colfax; Arthur, Eau Claire, and Julius, Osseo.

Besides keeping house, Mrs. Thomley is a teacher and will return to the Schimmerhorn school the coming fall. She is attending summer school at the Wisconsin State College, Eau Claire, working toward her degree.

'Stay-at-Home' Camp Program Listed at YWCA

Registrations for the YWCA "Stay-at-Home" Camp are being taken now at the YW. This popular activity will be conducted July 11 to 22.

Girls who are 9 and over, will register for the first week, July 11 through 15, and girls seven and eight, will attend July 8 through 22.

The girls will enjoy many regular camp activities such as sports, handicraft, singing, movies and parties and there will be swimming every day. The girls will bring their lunch and milk and candy will be sold during the lunch hour.

Girls are also reminded that everyone who swims at the YW must have a medical on file in the office. Any girl seven and over may attend the camp for which there is a nominal fee.

The camp will open at 10 a.m. each day and will close at 3 p.m. The activity will be under the direction of Miss Elaine Getche, program director at the YWCA, which is a Red Feather Agency of the Winona Community Chest.

WED IN ST. PAUL

PEPIN, Wis. (Special) — Married in St. Paul June 17 were Miss Joanne Darlene Melroy, daughter of Mr. and Mrs. Robert Melroy, St. Paul, and Leonard Andreen, son of Mr. and Mrs. Rudy Andreen, St. Paul, formerly of Pepin.

CEDAR VALLEY AID

CEDAR VALLEY, Minn. (Special) — The July meeting of the Cedar Valley Lutheran Ladies Aid will be held in the church parlors July 5 at 8 p.m. A film will be shown. The meeting is open to the public. The Mmes. B. N. Anderson and Norton Hanson will be hostesses. Approximately 160 attended the joint vacation Bible School picnic of Central Lutheran Church, Winona, and Cedar Valley Lutheran congregation at the park area of Cedar Valley Church Sunday.

Swimming Class Registration Under Way at YW

Registrations for the second in a series of swimming classes for girls at the YWCA pool are being made now. The ten-lesson series will start July 13, and will be completed Aug. 3. The final series will start Aug. 5.

The classes meet Mondays, Wednesdays and Fridays. The tiny tots class for girls to the age of seven meets at 1 p.m.; beginners at 2 p.m., and the intermediate and advanced class at 4 p.m. Plunge periods for recreational swimming are held every day at 3 p.m.

Each class will be limited to 20 pupils and registration will be closed when that number has enrolled. The classes that would meet July 4 will meet July 9.

The class for women will start a new 10-lesson series July 19. This class meets at 7:30 p.m. Tuesdays and Thursdays. The adult plunge period is at 8:30 p.m. the same days. Both beginning and advanced swimmers are eligible for the instruction class and the plunge.

The swimming program is under the direction of Daniel Richter. Any further information about any of the classes may be obtained at the office of the YWCA which is a Red Feather Agency of the Winona Community Chest.

FROM MEXICO

PLAINVIEW, Minn. (Special) — Mr. and Mrs. Myrl Buckingham returned home last Thursday from a trip to the southern states and Mexico City.

TO GEORGIA

STOCKTON, Minn. (Special) — Mrs. Philip Bates and son Benjamin who have been visiting at the Richard Mademann home, left Tuesday morning for Ft. Benning, Columbus, Ga., where she will join her husband. She will be accompanied by her mother, Mrs. Grace Mademann. Mrs. Mademann who has taught school in Fairbairn the last 10 years, has accepted a position in a school at Elwood, Calif.

Hardware, Paint, Linoleum Dealers Are Headquarters For Summer Fix-Up Needs

These dealers have innumerable Do-It-Yourself Items. "Beacon Wax" is highly recommended.

The local hardware, paint and linoleum dealer swings into the national spotlight this week. The July 4th holiday season is historically the time that the biggest summer fix-up is done. This is especially true this year with the holiday coming on the week end.

The growth of the Do-It-Yourself vogue has made these neighborhood dealers, more than ever, the fountainhead of knowledge for so many home repairs and improvements. These dealers are experts with long years of experience on all home supplies. It is because of their unexcelled experience in all household lines, in which waxes are such an important part, that Beacon Wax likes to sell its products through this type of dealer.

Beacon Wax Company is world renowned as the makers of one of the world's largest selling floor waxes, "Beacon Wax." Beacon is also the maker of the amazingly new remover for every brand of floor wax - all without any scrubbing; this product, aptly called "Beacon All Brands Wax and Dirt Remover," gives fine results. When it comes to paste wax, Beacon Paste Wax is a tremendous favorite amongst paste wax devotees.

"Thrill" is Beacon's new furniture wax that comes in two different shades: dark for dark furniture, light for light furniture. Without any rubbing, "Thrill" shines all furniture to a new-like appearance. All these four Beacon products are available at hardware, paint, department and linoleum stores.

Do You Read Them?

Many readers of The Daily News turn to the classified
pages before anything else. Some are watching for bargains,
others have something to sell and are looking for good buyer-
prospects, others are thinking of changing jobs or need help,
and there is the host of in-born shoppers drawn by some
mysterious power to the classified section. The important
thing to remember is that this is a big clearing house for
the farmer and the city folk. And the nice thing about it,
when you have something to sell, is that you can depend on
a big reader audience each day. So, when you have some-
thing to sell to farmers or to city folks, depend on The
Daily News classified section to find the buyer. And when
you're in the market for supplies, equipment or other goods
or services, look first to these pages to fill your need.

Benson Foresees Price Cut in Low Quality Wheat

WASHINGTON (AP)—Secretary of Agriculture Benson said Monday the time is coming when low quality wheat must be sold at reduced prices for livestock feed.

He told a news conference that such wheat would have to be priced around 65 per cent of parity to be competitive with corn and other feed grains.

By comparison, this year's wheat crop is being supported at \$2.5 per cent of parity. Next year's crop will be supported at 75 per cent. Parity is a standard for measuring farm prices declared by law to be fair to farmers in relation to prices they must pay.

Most of the low quality wheat is produced outside the commercial wheat areas of the Great Plains and the Northwest.

Benson made it plain he was talking not only about low quality wheat produced in the future, but also the low quality supplies now in government surplus stocks.

Benson did not indicate, however, whether the department would undertake to sell wheat for feed in the near future. At present the government has more than 2 1/2 billion dollars invested in surplus wheat totaling more than a billion bushels—more than a year's supply. It was taken off farmers' hands under price support operations.

Benson was asked if such a change in the support program would not become, in effect, "a change in the rules after the game has started." The questioner said growers had approved marketing quotas on the 1955 wheat crop in a referendum Saturday on the basis that wheat would be supported at 75 per cent of parity.

The secretary said that he believed such a change in the support program could not be characterized in such a manner, providing the change had the general approval of farmers. He said many farm leaders as well as farmers believe such a change to be necessary for the wheat support program as well as for the cotton support program.

WSCS SUPPER

STOCKTON, Minn. (Special)—At the meeting of the WSCS last Thursday, a barbecued hamburger supper was planned for July 24. On the committee are the Misses Arthur Ziebell, Roger Schultz, Roger Fakler, Dora Ozrosky, Mose Henderson, Odean Goss and Russell Phillips.

RETURN HOME

CEDAR VALLEY, Minn. (Special)—Mr. and Mrs. Hans Zenke who have been spending three weeks at the Norton Hanson and Earl Papefus homes and with other relatives and their son who arrived here by plane June 20, left for their home at Los Angeles, Calif., Sunday morning.

LUTHERAN AID

STOCKTON, Minn. (Special)—The Grace Lutheran Ladies Aid will meet July 2 at 2 p.m. in the church social rooms. Mrs. Raymond Ledebuhr and Mrs. Oswald Rusert will be hostesses. On the July flower committee are Mrs. Herman Burfield and Mrs. Leonard Burfield.

LIBRARY PROJECT

ARCADIA, Wis. (Special)—Miss Erna Mathys, librarian at the public library, has planned a formal flower garden on one of the library tables for the summer months. Each time a child reads four books he is given a flower which he may "plant" in one of the beds. After he has planted five flowers, he is given a bird which he may put in one of the shrubs that border the garden.

DAY CAMP

DURAND, Wis. (Special)—Thirty-six Girl Scouts and brownies are attending day camp at the Menominee Golf Course grounds this week. Leaders helping with the program are Mrs. Ray Notham, Mrs. Carl Fedie, Mrs. Harvey King, Mrs. Bernard C. Carlisle, Mrs. Harry Kirk, Mrs. Douglas Wadley, Miss Joan Ullwelling and Mrs. Ralph Blair, day camp chairman.

LEBAKKEN REUNION

WHITEHALL, Wis. (Special)—The fifth annual Lebakken reunion was held at the Galesville park Sunday with a total of 253 present. Secretary was Clarence H. Johnson, Whitehall, and president, Lawrence Parks, Galesville. The yearly event was started by Otto Madland, Madison in 1939. Officers chosen for next year were Lawrence Martinson, Galesville, president; Orville Mahlum, Ettrick, vice president; Melvin Daffinson, La Crosse, treasurer, and Clarence H. Johnson, Whitehall, secretary. Prizes were awarded to Lawrence Madland for coming the longest distance, Milwaukee; Chris Martinson, Galesville, the oldest, 84; Mr. and Mrs. Maynard Lebakken, Galesville, the most recently married, June, 1954; their daughter Barbara, born June 7, the youngest child, and Mrs. Thea Lebakken for having the largest family present, nine.

Dorothy Lisowski Wed in Ceremony At Independence

INDEPENDENCE, Wis. (Special)—St. Peter & Paul's Catholic Church, Independence, was the scene of an attractive wedding when Miss Dorothy Lisowski, daughter of Mrs. Gertrude Lisowski, Independence, and the late Paul Lisowski, and Andrew Baeker, son of Mr. and Mrs. Philip Baeker, Alma, Wis., exchanged vows June 20. The Rev. Lucian J. Kufel performed the single-ring ceremony at 8:30 a.m., and celebrated the nuptial high Mass at the altar which was decorated with fresh flowers.

The bride given in marriage by her brother, Ray Lisowski, was attired in a waltz-length gown of embroidered nylon tulle over taffeta, made with a high sweetheart neckline and fitted bodice. The bouffant skirt was finished with a scalloped hemline. Her veil was held in place by a plateau bonnet of imported Chantilly lace with illusion pleating trimmed with circles of pearls. She wore gold earrings, gift of the bride, and a cameo brooch belonging to the bridegroom's grandmother. She carried a cascade bouquet of white double daisies.

Miss Eileen Baeker, sister of the bridegroom, as maid of honor and Mrs. Edward Baeker, sister of the bride, as bridesmaid, were attired in identical dresses in maize. The ballerina-length dresses had strapless embroidered bodices with bouffant skirts of nylon net over taffeta and apron point overskirts. A short-sleeved embroidered jacket completed the costumes. Their headresses of matching caps were fashioned with scalloped edges and pearl-trimmed nose veils. They wore white and gold chokers and earrings, gifts of the bride, and carried cascade bouquets of white daisies.

The bridegroom was attended by his brother Edward Baeker. The bride wore a beige linen suit on their wedding trip to the northern part of the state.

The bride's mother wore a pale yellow sheer dress with white accessories and the bridegroom's mother a two-piece rose colored frock. They wore yellow flower corsages. A breakfast for the bridal party was served at the Coffee Shop where the bride had been employed. A reception was held at Club 186 at 2 p.m. or friends and relatives.

A prenuptial shower for the bride-elect was given by her sister, Mrs. Edward Baeker, at Club Midway.

FROM MONTANA

Mr. and Mrs. J. C. Irwin have returned from Glendive, Mont., and are staying at the Merchants Hotel, and spending part of their time at Chippewa Falls, Wis.

NORTH DAKOTA GUESTS

Mr. and Mrs. Jerome J. Hoepner and son Jerome J. III, Grand Forks, N. D., are visiting the former's parents, Mr. and Mrs. J. J. Hoepner Sr., 258 E. King St.

Y-WHIRLERS

The Winona Y-Whirlers will meet at 8 p.m. Wednesday at the YMCA. Ray Benedetti will be caller for the square dancing. All interested may attend.

SOUTH DAKOTA GUESTS

PLAINVIEW, Minn. (Special)—Mr. and Mrs. Paul Schmover, Aberdeen, S.D., visited last week with Mrs. Ernestina Missell, and other relatives.

SILVER ANNIVERSARY

Mr. and Mrs. Ray C. Crouch, 708 W. King St., will celebrate their silver wedding anniversary at an open house for relatives and friends at their home July 3 from 2 to 5 p.m. No formal invitations are being issued.

RIVER FORECAST

(From Hastings to Guttenberg)
There will be very little change in the river stages in this district for the next two days. Tributaries will remain very low.

There have been more than a million traffic fatalities in the United States.

Two-State Deaths

James Greener

RENO, Minn. (Special)—Funeral services for James Greener, 20, Reno, who drowned near Hokah Sunday night, will be held at 9:30 a.m. Wednesday at St. Nicholas Catholic Church, Freeburg, the Rev. J. J. Donahue officiating. Burial will be in the church cemetery.

Rosary services will be held at the Potter-Haugen Funeral Home, Caledonia, at 8 p.m. today.

Greener, son of Mr. and Mrs. Clyde Greener, Reno, fell into a pothole 26 feet south of the junction with Highway 16 at Miller's Corner and drowned about 7 p.m. Sunday.

Frank Keeville

ST. CHARLES, Minn. (Special)—Funeral services for Frank Keeville, 92, who died Monday morning at Winona General Hospital after a three-week illness, will be held Wednesday at 1:30 p.m. at the Seltner Funeral Home. Burial will be in Hillside Cemetery with the Rev. George W. McNary officiating.

Keeville was born Nov. 17, 1862, in Michigan and ran a livery here for years. He married Mary Ebbesen in September 1907. She died on his birthday in 1941.

The lone survivor is a nephew, Jay Keeville, St. Cloud, Minn. Two sisters and two brothers are dead. Friends may call at the Seltner mortuary after noon today.

WINONA DAM LOCKAGE

Monday

11:45 a.m. — Manitowish and five barges, upstream.

12:32 p.m. — Carpaull and three barges, upstream.

3:07 p.m. — Nita Dean and three barges, downstream.

8:50 p.m. — Southland and eight barges, downstream.

Today

7:20 a.m. — Gona and eight barges, downstream.

9 a.m. — Huck Finn and eight barges, downstream.

FIRE CALLS

Firemen were called to extinguish a grass and rubbish fire at the corner of King and Louisa streets at 3:52 p.m. Monday.

Today, firemen were called out three times this morning. At 2:46 a.m. minor damage resulted from a fire at the Diamond Huller Co., 3rd and Gould streets. The fire started near a smelter. A false alarm was turned in at 7:16 a.m. when a sprinkling system was

Winona Deaths

Harry L. Freeberg

Funeral services will be conducted at the Bowman Funeral Home, Mankato, Minn., Wednesday for Harry L. Freeberg who died suddenly Sunday afternoon at St. Mary's Hospital, Rochester. Freeberg was a former Winona resident who has been living near Mabel.

Municipal Court

William Lawrence, 32, Dresbach, forfeited a \$10 deposit on a charge of having illegal license plates. He was arrested by police at 1:28 p.m. Thursday on West Broadway. Arraigned in court last week, he entered a plea of not guilty, but was not present for trial this morning.

Parking deposits of \$1 each were forfeited by: Herbert Lea, Flossie Kiefer, Home Furniture Co., Frank Sheehan, R. E. Stanley, Paul Berry, Richard Weaver, Gerald Tobin, Sylvester Pabicki, Everett Caldwell, Henry Strand (two counts) and Winona Sales & Engineering Co. (three counts), all for meter violations, and Miller-Felpax Co., for parking in a no-parking zone.

Mankato Installs Curfew Ordinance

MANKATO, Minn. (AP)—The City Council passed a curfew ordinance Monday night.

It provides that all youngsters under 16 must be in by 10:30 p.m.; those 16 and 17 may be out until midnight.

There are two exceptions, the nights of the junior-senior prom and homecoming nights at all schools. Youngsters may be out until 2 a.m. those nights.

The ordinance does not affect private parties, which according to the city attorney include school parties and dances. Youngsters under 16 at such events may be out later than 10:30 p.m. if they have a ride home or are accompanied by an adult.

TO CALIFORNIA

PLAINVIEW, Minn. (Special)—Mrs. Maybelle Bates left Thursday to visit her daughter, Mrs. H. J. Barnickol, and family, Placerville, Calif., for several weeks.

activated at the Vulcan Manufacturing Co., West 3rd and Wilson streets. Firemen were called to the Kenneth Kinowski property in Sugar Loaf to extinguish a grass fire at 10:58 a.m.

Molotov Tries To Redeem Self With Chicago

CHICAGO (AP)—Russia's Foreign Minister Molotov, who jarred Chicago's civic pride 12 days ago, gave the city a second look yesterday and insisted he liked what he saw—both times.

Molotov, on his first stopover in Chicago while en route to the United Nations meeting in San Francisco, took a quickie sight-seeing tour of the South Side and commented:

"Can't Chicago get a prettier lake shore?"

This remark touched off a flood of local discussion.

On his way back from the U.N. meeting, Molotov visited the Chicago Museum of Science and Industry and was interviewed by newsmen.

One of them, Patrick McGrady Jr., Russian-speaking reporter for the Sun-Times, said to Molotov: "How does Chicago look the second time around?"

McGrady: "Very good."

McGrady: "Better than the first time?"

Molotov: "The first time was good too."

Superior Pharmacy Looted by Bandits

SUPERIOR, Wis. (AP)—Mrs. Kenneth Fossum told police she was locked in the basement of the drug store where she worked while bandits looted the pharmacy.

Mrs. Fossum reported \$35 was taken from the cash register and that the narcotics drawer had been rifled, but she did not know immediately whether drugs had been taken.

It was the third drug store robbery reported in three days in northwestern Wisconsin.

A pharmacy at Siren was robbed of \$600, and merchandise and drugs and a drug store at Webster lost \$15 and drug goods in burglaries Saturday night.

A vast belt of asteroids revolves around the sun in orbits between those of Mars and Jupiter.

Blast, Fire Sink \$225,000 Tuna Boat

SAN DIEGO, Calif. (AP)—A tuna clipper valued at \$225,000 by its owners was lost in an explosion and fire yesterday 20 miles southwest of here. The eight crewmen were rescued unhurt.

The Northern Light broke in two after the blast. The stern half sank first. The bow half sank later while a Coast Guard plane circled.

Crosby Stage Benefit For Town Hospital

MCARTHUR, Calif. (AP)—Bing Crosby and son Gary, on a fishing trip, learned this little town had no hospital—and was having trouble raising funds to build one.

Yesterday the Crosbys returned. They brought band leader Phil Harris, comedian Jerry Lester,

dancer Donald O'Connor, Red Nichols and his band, singer Peggy Connolly and others to give a benefit show.

More than 5,000 persons—10 times McArthur's population—paid \$20,000 for tickets.

That, plus funds already acquired, assured a start soon on a \$68,000 hospital building.

MISSISSIPPI VALLEY PUBLIC SERVICE CO.

Braves Open Set Against Chicago For Second Place

MILWAUKEE (AP)—The Milwaukee Braves fight it out with the Chicago Cubs tonight in the first tilt of a three-game series for second place in the National League. Chicago is in second place, a half game ahead of Milwaukee. Veteran southpaw Warren Spahn (5-7) will start for the Braves against Sam Jones (7-9) at 8 p.m. CST. The Braves beat Brooklyn two out of three here over the weekend. Before that they swept a series against New York as part of a seven-game winning streak. But in winning eight of their last nine games, the Braves have gained only a game and a half on Brooklyn. You can't spot a tough outfit like the Dodgers that much leeway and expect comfortable going in the second half of the season. And it's likewise true that no one team can overtake the Dodgers all alone. It has to have help from the rest of the league. Braves Need Help Braves' manager Charlie Grimm says, "The other teams are going to have to start helping if we or anyone else is going to catch them. They lost this series but they're going to have to lose some more. We did a good job on them but it isn't enough. I think we'll do all right from now on but we won't get anywhere unless those other clubs start taking a whack at them too." Naturally, this is not startling intelligence to the Dodgers — a somewhat militant crew, indeed — and they doubtless intend to thwart

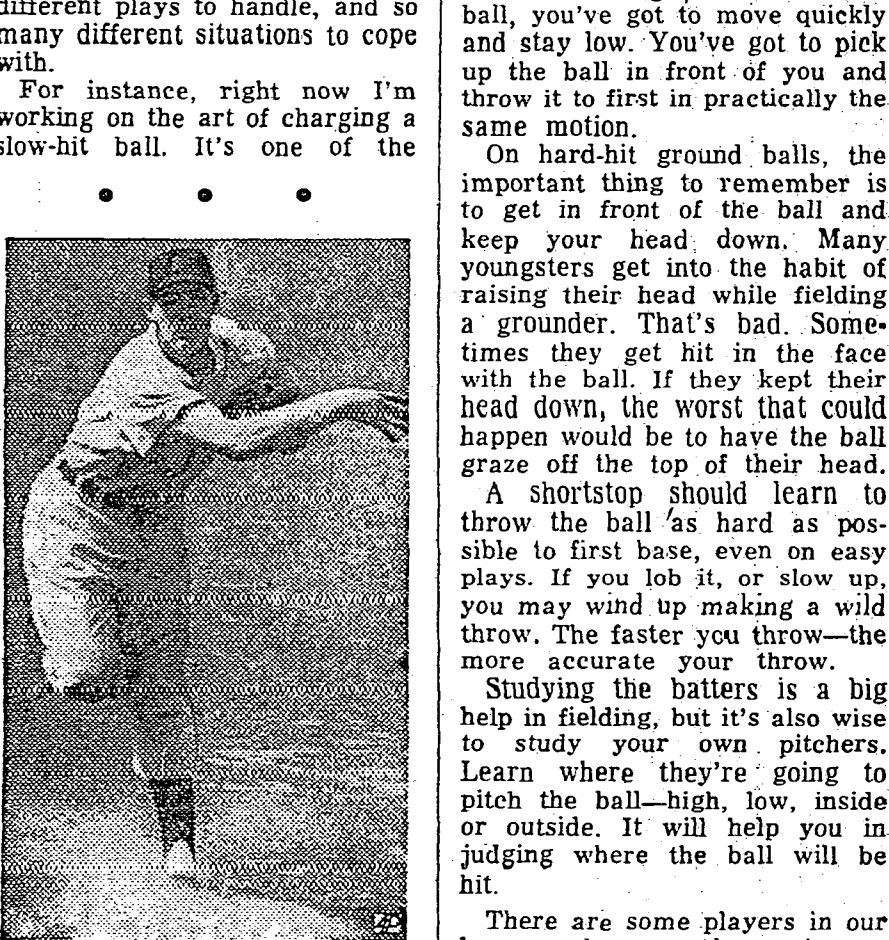

CANINE CADDY . . . "Jupiter," half Newfoundland and half Old English sheepdog, appears to be offering advice to owner Paul Bovey of Jerome, Idaho, as he practices an iron shot at the Wandermere course in Spokane, Wash. The dog has been Bovey's caddy since 1952, seems to enjoy it, and has gone as many as 40 holes in a day. And he knows not to stop on the green. (AP Wirephoto)

PLAY BALL!

Keep Body Low, Kuenn Advises

By HARVEY KUENN
Detroit Shortstop
(This is the second of six PLAY BALL stories written by American League stars especially for AP Newsfeatures.)
DETROIT — You can never stop learning when you're playing shortstop. There are so many different plays to handle, and so many different situations to cope with. For instance, right now I'm working on the art of charging a slow-hit ball. It's one of the

HARVEY KUENN

Ulrich Wins State Open, 13 Under Par

MINNEAPOLIS (AP)—A sizzling 13-below-par 203 gave Wally Ulrich of Austin his fourth Minnesota Open golf tournament championship Monday. After shooting 68 Sunday, he turned in a 69 and a 66 Monday on the par-72 course to take the title. A 209 total for the 54 holes gave Neil Croonquist of Minneapolis runnerup honors. He shot 67, 72 and 70 over the Midland Hills layout. Ulrich got \$287.50 and a portable television set along with the title. Finishing in a sixth place tie was Gordon Haberkorn of St. Paul, who led the qualifiers Sunday with a 66. He totaled 215 after Monday scores of 75 and 74. Pat Sawyer took third place honors after shooting 71-69-72 for a 212 total. Clayton Johnson was next at 73-71-69—213. Bill Waryan and Harry Cooper tied for fifth with 214 each. Sharing sixth place with 215 each were Haberkorn, Ade Simonsen, Tom Hadley and Len Mattson.

Killebrew Kindles Washington Hopes At First Base

WASHINGTON (AP)—Harmon Killebrew, one of the greenest major league bonus players, is beginning to show a bit of the promise that led the Washington Senators to give \$30,000 to sign him up. Manager Chuck Dressen said today Killebrew's two long home runs last week convinced him Killebrew "has got the power we thought he had." A persistent tonsil infection which has sidelined Eddie Yost has given 19-year-old Harmon his chance. Club officials measured off 472 feet for Killebrew's first major league home run, socked Friday night against Billy Hoelt of the Detroit Tigers. On Sunday Killebrew whacked another for 420 feet off another Detroit lefthander Al Aber. In 29 times at bat he has also singled for a batting average of an uninspiring .103. Killebrew's play at third has improved somewhat, but he still is unsteady in the field. Dressen said he intends to give him a lot of work at first base next year as the Senators seek a replacement for Mickey Vernon, who is 37,

Sports World Saddened Over Agganis Death

BOSTON (AP)—The sports world was shocked and saddened today by the unexpected death of Harry Agganis, the "golden Greek" who passed up tempting pro football offers for a baseball career with the Boston Red Sox.

The 25-year-old first baseman and former Boston University football great succumbed Monday to a lung ailment. Agganis apparently had been making a successful recovery from his second bout with a virus infection since mid-May.

Red Sox owner Tom Yawkey said: "The Red Sox, baseball and the world of sport . . . have lost an outstanding athlete and a young man of great character."

Boston Gen. Mgr. Joe Cronin said the Red Sox will wear black mourning bands on the left sleeves of their uniforms for 30 days.

The "Golden Greek", so-called for his glittering performances in baseball, football and basketball while a student, was hospitalized for 10 days in May, but returned to the lineup and played in two games at Chicago June 1 and 2. He was stricken again while in Kansas City June 5 and flew home to enter the hospital.

On June 6 it was announced he was suffering from virus pneumonia in the right lung. Dr. Eugene E. O'Neil said then that Agganis apparently started playing too soon after his first hospitalization.

Doctors said in a statement they believed his death was due to "a massive pulmonary embolism." A loose definition would be death caused by a clot or obstruction in the flow of blood in the lung.

Harry hit 23 homers and drove in 108 runs for the Louisville Colonels of the American Assn. in his first year of pro baseball. In his major league freshman year last season he had 11 homers and 57 RBIs on a .251 average. He was hitting .313 when forced out of the lineup for the last time.

Dodger Win Pace Normal for June

By ED WILKS
The Associated Press
If it's any consolation to the rest of the National League, Brooklyn is back to normal again. The Dodgers aren't winning any more games these days than they did in the past three seasons.

Trouble is, of course, that the Brooks won the pennant in two of the last three years. The Dodgers have been playing .720 ball for June. That's about the same winning percentage they enjoyed in 1952, when they won, and in '54, when they lost. They traveled at a .724 clip for June in both years.

Last year it proved too slow a pace. The New York Giants raced along at an .857 clip, taking the lead for good in June. In '52, the Brooks moved past the Giants into first place during June and had a 3 1/2-game lead at the end of the month. They made it two straight the following year, although barely above .500 for June. Neither of the contenders at the time—Milwaukee and St. Louis—did much better, however.

This time, though, the Brooks have that big edge they piled up in April and May to lead the second-place Chicago Cubs by 12 1/2 games. The Cubs, incidentally, have played just 444 ball for the month yet have stayed a half game up on Milwaukee.

The Braves have been winning at a .640 pace—their best June since shifting to Milwaukee—but they've had to come from way back. In the American league, the second-place Chicago White Sox and the Boston Red Sox have been the winners' teams this month—each with a .708 percentage. But they haven't been able to make up for a bad start and still have ground to close on the New York Yankees.

The Yanks have been winning at a 2-out-of-3 pace for the month (.667), making sure to grab the big ones. They have a three-game lead on the runner-up White Sox. The Red Sox, much like the Braves in the National, were back in the next county when they started to pick up and are 11 games back in fifth place.

The Cleveland Indians have their 28 June games and trail the Yanks by six. By comparison, the Tribe played 690 ball in June when they set the league record with 111 victories last season to take the flag. No games were scheduled yesterday.

Lanesboro Golfer Wins Whitewater Open Tournament

ST. CHARLES, Minn. — Keith Burmeister of Lanesboro won the annual Whitewater Valley Open Golf Tournament here Sunday by firing 111 over the 27-hole distance. Burmeister beat fellow-townsmen L. J. Scanlon by a single stroke.

Scanlon took second in the championship flight with a 112 total, a stroke ahead of Marty Beyer, Elgin, and Jerry Pease, Chatfield, who tied for third with 113.

Flight winners were Joe Burke, Winona; Bart Kahring and Charles Fozzie, St. Charles; John Schlund, Lake City; Howard Johnson, Har-; and Everett Drewes, Chatfield.

Eighty golfers entered the tournament. Prizes were issued in each flight and a trophy went to winners in the championship, first, second and third flights.

Results are as follows:

Zaharias Perky After Operation, Eyes Golf Return

GALVESTON, Tex. (AP)—Baba Zaharias, 42 and recovering from her second operation in a little more than two years, looked toward a return to golf today. Her doctors think it will be three months but the way the great woman athlete operates it'll probably be sooner.

"I don't intend to retire until I meet somebody who is better than I am," she said with the same confidence that has marked her fabulous career in sports over a period of 25 years. She added thoughtfully: "I haven't found that person yet."

In 1953 the indomitable Babe underwent an operation for cancer. In four months she was back in golf and winning. Then last Wednesday she had another operation, this time to correct a ruptured spinal disc. The Babe got it while trying to jack a car out of the sand.

Surgeons removed stitches from the incision Monday and she said she would be using her golf clubs again "as soon as my doctors say I can."

Newcombe Tops NL Flingers With Control

NEW YORK (AP)—Brooklyn's Don Newcombe has replaced Robin Roberts of Philadelphia as the National League's top control pitcher. Figures compiled by The Associated Press revealed today that Newcombe has given up only 16 bases on balls in 115 innings for a per-game average of 1.25.

Roberts, usually the stingiest pitcher in either league when it comes to allowing walks, has given up 1.60 bases on balls a game. He has passed 25 in 141 frames. Robin only walked 56 in 337 innings in 1954.

Newcombe, who shows a sparkling 13-1 won-lost record, previously had his most productive year in 1951 when he won 20 games and lost nine while issuing 91 walks in 272 innings.

In the American League, relief expert Sandy Consuegra of the Chicago White Sox has the most impressive bases on balls percentage, 1.23 a game. The crafty right-hander has passed only 10 batters in working 73 frames. He has won five games and lost two.

Eddie Lopat of the Yankees is runnerup to Consuegra. He has issued 12 walks in 70 innings for a per-game average of 1.54.

Jackson Seeks Valdes Fight After Victory

NEW YORK (AP)—"Now I want Valdes (Cuban Nino Valdes). That's my last trouble—my last headache," said Tommy Hurricane Jackson after he had evened an old score Monday night with Jimmy Slade who ended his hot streak a year ago.

A technical knockout by Valdes last July is the most damaging blot on the Hurricane's record, 22-3-1 for 26 fights. Jackson overwhelmed Slade with his nonstop attack. Judge Bert Grant had it 6-4, judge Leo Birnbaum 6-3-1 and referee Barney Felix 5-4-1 all for the Hurricane. The AP card was 6-3-1 for Jackson.

Jackson at 195 1/2 had 12 pounds on Slade. There were no knockdowns, although Slade slipped and fell in the eighth.

Defeatism Hangs Over N. Y. Giants

By JOE REICHLER
NEW YORK (AP)—The New York Giants had just won a pregame homer-hitting contest from the Yankees when a Giant player muttered half under his breath, "That's about the only thing this club can win."

It is an opinion shared by many Giants who, individually, are trying as hard as ever but collectively have given up and conceded the 1955 flag to the Brooklyn Dodgers.

The opinion was confirmed when the Yankees went on to win the exhibition game with the Giants 4-1.

The Giants may not be dead but they are through. The players know it and so does Manager Leo Durocher. The worst part of it, the players have become resigned to it. They can't wait for the season to come to a merciful end.

Durocher stubbornly refused to admit it before last night's game. For the record, he pointed out that the season had not even reached the halfway mark but he shook his head sadly when asked whether the team was capable of pulling off another miracle such as that of 1951.

"The club is at its lowest ebb right now," he said. "Everything is going wrong for us. Nothing we do turns out right. When the players don't foul it up, I do."

"Right now I'd have to say we're as bad as in our worst days in 1953 (when the Giants finished in the second division). Nobody is hitting. Our defense is terrible and our pitching, except for Sal Maglie, is bad. What mystifies me the most, however, is our total futility at the plate. The only guys who are doing any hitting at all are Whitey Lockman and Don Mueller. If it weren't for them, I'd be damned if we'd made more than three hits a game."

Lefty Charles Templeton allowed Toledo only five singles. Gip Dickens was the big gun for Minneapolis as he batted in five runs with a homer and a single. The Millers rapped Charleston pitching for three clusters of runs—three in the third and sixth and four in the eighth—and a single tally in the fourth.

Billy Gardner also had a homer for the winners, as did Don Leppert for Charleston. The victory went to Bobby Hogue in relief, though he needed help from Jim Constable.

Fight Results

NEW YORK (AP)—Tommy (Hurricane) Jackson, 195 1/2, New York, outpointed Jimmy Slade, 185 1/2, New York, 10, 10.
PARIS — Miffie Pratesi, 121 1/2, France, stopped Nate Brooks, 121 1/2, Cleveland, 5.
BROCKTON, Mass. — Johnny Hove, 200, Taunton, Mass., outpointed Leon (The Mule) Johnson, 189, Charlotte, N. C., 8.
FLORENCE, S. C. — Pappy Gault, 120 1/2, Spartanburg, S. C., stopped Jimmy Calcutt, 125 1/2, Florence, 3.
SAN ANGELO, Tex. — Red Worley, 185, San Angelo, outpointed Ponce De Leon, 185, Washington, D. C., 10.

He's a well-known WINONA barman. He'll tell you PAUL JONES is a great whiskey!

He says that Paul Jones is a mighty smooth-tasting whiskey whether you take it straight or in a mixed drink. It's a favorite with his customers, too!

BLENDED WHISKEY, 86 PROOF, 72 1/2% GRAIN NEUTRAL SPIRITS, FRANKFORT DISTILLERS COMPANY, N. Y. C.

New Sidewalk Work Bannered

Members of two AFL locals today continued to carry "unfair" banners on Pelzer street where construction of new sidewalks has stopped.

About six men, members of Cement Finishers Local 81 and Laborers Local 1316 are involved in the dispute with the Readymix Concrete Co., Wausau, Wis.

The unions are asking a union contract with the firm that has been contracted by the city for extensive sidewalk construction. A union spokesman said today that no negotiations have been scheduled.

Library Board Rejects Two Fuel Oil Bids

The two bids submitted to the Winona Free Public Library Board

for 10,000 gallons of fuel oil were rejected by the board in monthly session Monday afternoon.

Both bids were subject to price changes and the board desires a firm bid. New bids will be asked later.

The board also approved bills to

NEWS

\$25 1st PRIZE **\$10 3rd PRIZE**
\$15 2nd PRIZE **5-\$5 4th PRIZES**
For Best Pictures Submitted

This year marks the 100th Anniversary of The Daily News. In November you'll see what we believe will be one of the best anniversary editions ever published by an American newspaper. To make it "one of the best," we're staging a Centennial Edition Picture Contest in hopes that you will look into your attic and dig up those old pictures that might be of interest to everyone in the Winona area.

We assure you that we will take the best possible care of your pictures while they are in our possession. Every picture will be encased in a special envelope properly filed with your name and address. At the end of the contest, we'll return your pictures to you by mail. A guide to the kind of pictures we want and **DON'T** want is shown below.

WHAT WE WANT!

- Pictures relating to outstanding early local news events such as floods, fires, railroad and steamboat wrecks.
- Pictures of early Winona city and farm life, showing street scenes, early automobiles, horse cars, important buildings, etc.
- Pictures of individuals who were important in the pioneering and later development of the community.
- Pictures showing the wearing apparel worn by local men, women and children through the years.
- Pictures of Winonans who held important offices at the state and national levels.
- Pictures of Winonans who held important local offices—mayors, police chiefs, educators, etc.

WHAT WE DON'T WANT!

- Pictures of large groups of people such as graduating classes, etc., unless they are of outstanding historical value.
- Pictures found in old newspaper clippings. (While many of these might be interesting, it is virtually impossible to reproduce them for printing today.)
- Faded snapshots. In general, snapshots must show the subject in clear detail to be printable.
- Pictures printed in books, unless you are willing to clip them from the book. Some of these are printable and some are not. We suggest you show them to us before you clip them.
- Pictures in frames. It is impossible for us to reproduce pictures for printing unless they are removed from frames.

SPECIAL \$25 AWARD

To first person who submits a reproducible picture of Captain Sam Whiting, first editor of The Republican!

CONTEST RULES

1. Send all pictures to CENTENNIAL PICTURE CONTEST, Winona Daily News. To assure proper care in the mail, guard your pictures with pieces of cardboard and mark DO NOT BEND on the outside of your envelope before mailing.
2. Using scotch tape, attach a slip of paper to the bottom of each picture you send and print the following information on it legibly:
 - a. Your name and address.
 - b. A brief description of the subject matter of the picture, identifying persons, places or events.
3. You may enter as many pictures as you wish.
4. The Daily News reserves the right to publish any pictures entered in the contest.
5. The deadline for entry in the contest is July 1, after which your picture will be returned to you. The deadline is necessary since the various sections of the edition must be prepared in advance.
6. Contest winners will be announced in the Centennial Edition of The Daily News, to be distributed November 19.
7. Some pictures already have been received from persons and organizations. These will be automatically entered in the contest.

THE WINONA DAILY NEWS

Leirfallom Blasts Tactics of DFL

LINDSTROM, Minn. (P) — The Democratic-Farm-Labor party was accused Tuesday of building a political machine "with emotion and appointments" and employing an army of paid political organizers to do its campaigning.

Jarlie Leirfallom, executive secretary of the state Republican organization, said the DFL was making "unscrupulous use" of contributions by Republican union members, farmers and co-op shareholders to help finance its "army of mercenaries."

Leirfallom's remarks were contained in a speech prepared for the 3rd District Republican rally here. He said the present DFL administration "is beginning to look like its parents," the Olson-Benson regime in the "30s."

"It uses demagoguery and clichés like 'steel corporations' and 'vested interests' as stock answers to everything," Leirfallom said. "It plays politics to the hilt, building a political machine with emotion and appointments. This reminds us of Olson."

"Meanwhile it bungles state administration. That reminds us of Benson."

Towns Can't Ban Low-Flying Planes

NEW YORK (P) — A federal judge has ruled that communities bordering an airport have no right to ban low-flying planes as they approach or take-off from the landing field.

The decision was made yesterday in a case brought by 10 airlines and other organizations to test an ordinance adopted by the Nassau County village of Cedarhurst, which lies next to Idlewild airport on Long Island. The ordinance had prohibited planes from flying at less than 1,000 feet over the village.

PRODUCE

NEW YORK (P) — (USDA) — Dressed poultry, turkeys firm; squabs steady; ducks about steady. Turkeys, fresh, ice packed, young hens 10-14 lbs 41-42; young toms 20-26 lbs 34-42; 26 lbs and up 44-45.

If Leaping Leo Wins, It'll Be Just Ducky!! Quacking Mascot Soothes High-Strung Horse

By Bettina Kettner

Winona's feature editor, Betty Kettner, says that if the quacking mascot, Leo, wins the high-strung horse, it'll be just ducky!!

Leo, the quacking mascot, is a small, black and white, spotted horse. He is owned by the Winona Daily News and is the mascot of the newspaper.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

Leo is a very smart horse and is very well trained. He is a very good horse and is a very good mascot.

LET'S EXPLORE YOUR MIND

By ALBERT EDWARD WISDOM, D. Sc.

1. SHOULD YOU TELL FEARFUL, NEUROTIC PEOPLE TO SNAP OUT OF IT?
YES ☐ NO ☐

2. TEENAGERS ARE FED UP WITH BEING CONSIDERED CRIMINALS. TRUE OR FALSE?
TRUE ☐ FALSE ☐

3. IS IT GOOD PSYCHOLOGY TO MARRY YOUR OPPOSITE?
YES ☐ NO ☐

Answer to Question No. 1
1. No. This attitude is a relic of the Dark Ages. Dr. Stanley Cobb, in his "Borderlands of Psychiatry," said that the first world war shattered the belief that patients with fear, anxieties, neuroses, and obsessions are "weak" and "could snap out of it if they had the guts." When people say of a problem child, "If I had that kid, I'd show him mighty quick," they adopt the same silly attitude. Neurotic persons need psychological help—so do their critics.

Answer to Question No. 2
2. Lester Rand, head of the Youth Research Institute, says (paraphrasing): "A study of teenagers' reaction to 'juvenile delinquency' shows the term is too all-encompassing, giving the impression that every teenager either is delinquent or has criminal tendencies." The Institute works exclusively with teen-agers, studying their opinions, habits, and tastes. Juvenile authorities estimate only about 3 per cent of the national teenage population has been involved in an act of delinquency. Since delinquency has been found on all economic levels, the entire teenage set is under a cloud.

Answer to Question No. 3
3. No. Most people imagine because there is a North and a South Pole, an up and a down, an east and a west, a positive and negative electricity, that people must seek their "opposites," in friendship and marriage. We like people who are like us. Lovers, and husbands and wives tend to be alike, physically and mentally. That is why cousins so often fall in love and, in many cases, would do well to marry.

BEDTIME STORIES

By HOWARD GARIS

Uncle Wiggly and Bosun, the old sea dog, were rowing across Frog Pond in the small boat from the rabbit gentleman's Amusement Raft. Bosun was doing the rowing. Uncle Wiggly, as the captain, or skipper, of the raft, sat in back of the small boat. He sat in the stern, on a small seat and steered the boat with the rudder. Bosun, like the sea dog that he was, did the rowing.

"Where do you think we had better look for Grandpa Whackum, sir?" asked Bosun as he dipped the oars into the water, pulled on them, lifted them out of the water, dipped them in again and pulled on them once more. "Where can we find that old beaver gentleman to have him dive down and find our cannon that rolled off the port side of your raft deep down into Frog Pond? Where can we find Grandpa Whackum?" asked Bosun.

"We must first row to Beaver pond," answered Uncle Wiggly as he steered the small boat a little to the port side to keep from running down a duck who was practicing his paddling lesson.

"Right, Cap'n Wiggly, sir! First
