U.S. Women, Children Flee From Cyprus

Johnson Asks Law On Phony Packaging

By FRANK CORMIER
WASHINGTON (AP) — President Johnson asked Congress today for new laws to protect consumers against phony packaging and disguised interest charges. And he suggested possible use of federal experts to help low-income families prepare household budgets.

Johnson, in a special message on consumer interests, endorsed nine specific pieces of legislation including pending bills to ban deceptive packaging and to require full disclosure of interest rates on installment purchases.

"For far too long," Johnson

said, "the consumer has had too little voice and too little weight in government." The President said that while labor, business, farmers and professional groups have been well represented, the consumer "has had to take a back seat."

The most novel idea in the message — the use of trained

government workers to help low-income families learn more about budgeting and how to "get the most for their money" — was not put forward in the form of legislation.

Instead, Johnson said he was asking all federal agencies interested in consumer education to explore fully the possibility of adapting the Agricultural Extension Service concept, "so successful in rural areas," to cities and towns.

The President also said the government would try to promote consumer education in the schools and encourage more young people "to seek instruction in the fundamentals of budgeting, buying and borrowing."

He said his committee on consumer interests soon will begin a series of regional conferences to explore "the problems of adequate consumer information."

Johnson devoted most attention to truth-in-packaging proposals.

"I recommend legislation to insure that the consumer has access to the information necessary to make a rational choice among competing package products," he said.

As for truth-in-lending, he called for a new law that would require lenders to disclose in advance the total amount of interest to be paid and the annual rate of interest.

Other legislative recommendations were: A requirement that cosmetics be proved safe before marketing and that federal inspection of foods, drugs and cosmetics be expanded.

Require inspection of all meat and poultry sold in the country, whether or not it crossed state lines. Johnson noted that present federal law requires inspection only of these items when they cross state lines.

Grant subpoena authority in administrative hearings under the Food, Drug and Cosmetic Act.

Require warnings of accident hazards on labels for drugs, cosmetics, and pressurized containers.

End the practice of allowing pesticide manufacturers to market their products before they have been certified as safe by the Agriculture Department.

Grant the Federal Trade Commission authority to issue temporary cease-and-desist orders, subject to court review, when the FTC believes continuation of alleged false advertising or other unfair practices would irreparably injure the public.

Extend to over-the-counter stocks and bonds the same full disclosure requirements that now insure public release of financial data about securities traded on the stock exchanges.

Goldwater, Judd Forces Disagree

By THE ASSOCIATED PRESS

Supporters of Sen. Barry Goldwater of Arizona, an announced candidate for the Republican nomination for

and former Rep. Walter Judd, Minnesota's favorite son candidate, claimed victory in Hennepin County caucuses Tuesday night.

A Goldwater spokesman said an overwhelming vote in 3rd District caucuses will apparently assure sending Goldwater delegates to the state convention from Hennepin County, regardless of the outcome in the 5th District.

The 3rd District position apparently means the two national convention delegates to be chosen when the district convention is held will be pledged to Goldwater.

A 13th Ward Judd Committee worker said the Minneapolis Goldwater forces suffered a "smashing defeat." She said both Richard LeRoy and Rosemary Bauder, Goldwater leaders, were defeated in delegate races by Judd backers.

Both sides also claimed victory in Ramsey County, where caucuses were held Monday night.

France Refuses Troops for Cyprus Guard

PARIS (AP)—France refused today to join an international peace-keeping force on Cyprus as proposed by Britain.

The French Cabinet spokesman announced this following a Cabinet session with President De Gaulle.

Foreign Minister Maurice Couve de Murville reported on developments on the eastern Mediterranean island, and on the British proposal for a North Atlantic Alliance force of about 10,000 men to maintain peace between Cyprus' Greek and Turkish populations.

Information minister Alain Peyrefitte, the Cabinet spokesman, said the legal basis for a peace-keeping force would be the 1959 Statute of Zurich concerning Cyprus.

Peyrefitte was referring to the conference at Zurich in 1959 between the Greek and Turkish premiers which ended fighting between the two Cypriot communities.

The minister said France has not participated in drafting the Zurich agreement, and hence did not feel herself involved.

SAFE ARRIVAL IN BEIRUT . . . Wives and children of American personnel leave plane today at Beirut, Lebanon, after first contingent arrived safely from Nicosia, Cyprus, following evacuation from the strife-torn Mediterranean island. U.S. Ambassador Fraser Wilkins has ordered a "voluntary" evacuation of American dependents from Cyprus, explaining he no longer had confidence in the ability of Greek Cypriot police to keep order following anti-American violence there. (AP Photofax via cable from Beirut)

Embassy Is Bombed by Terrorists

By HAL MC CLURE

NICOSIA, Cyprus (AP)—An emergency airlift began removing hundreds of American women and children from this Mediterranean trouble spot today as anti-American violence continued on Cyprus.

Terrorists bombed the American Embassy in Nicosia Tuesday night, slightly injuring a Marine guard, then set ablaze two cars owned by U.S. government employees.

U.S. Ambassador Fraser Wilkins ordered a "voluntary" evacuation of American dependents to Beirut, Lebanon, explaining he no longer had confidence in the ability of Greek Cypriot police to keep order.

Archbishop Makarios, the Greek Cypriot president, inspected damage to the embassy and denounced the bombing as the work of "heinous criminals."

The terrorism appeared designed to demonstrate Greek Cypriot opposition to an American-British plan to assign a North Atlantic Treaty Organization peace force to enforce the truce between the island's warring Greek and Turkish communities.

Makarios, in effect, rejected such a force Tuesday by demanding that it be answerable to the U.N. Security Council. The United States and Britain say such a condition is unacceptable because it would give the Soviet Union a chance to interfere.

In Washington, the State Department expressed shock at the "irresponsible" attack on the U.S. Embassy and urged Makarios to restore order and catch the culprits.

The United States took up its peacemaking role on Cyprus at the request of Britain, which has been unable to work out a solution to prevent revival of the communal violence in its former colony.

Wilkins said the burning of the cars appeared to be part of a "hit-and-run campaign." There were no reports of any further injuries.

Cpl. Henry Theriaque, 28, of North Windham, Conn., an embassy Marine guard, was cut slightly in the leg by one of the embassy blasts Tuesday night.

Two bombs exploded just under the windows of Wilkins' apartment in the modern, six-story embassy. The blasts knocked out part of the wall and disrupted the embassy's telephone system.

U.S. Consul George McFarland said he saw a man get out of a car, drop a package near the embassy wall and then speed off in the vehicle. The embassy was evacuated after McFarland's alert.

Theriaque was knocked off his feet by the second blast as he walked around the corner of the building to inspect damage from the first explosion.

Pan American World Airways sent two jetliners to Nicosia to make shuttle runs across the Mediterranean to Beirut, 160 miles away. The first plane to depart carried 57 women and children.

The evacuation was expected to be completed by Thursday. The American community on Cyprus numbers about 1,700 persons, about 1,200 of them dependents. It was not known how many of the latter would leave.

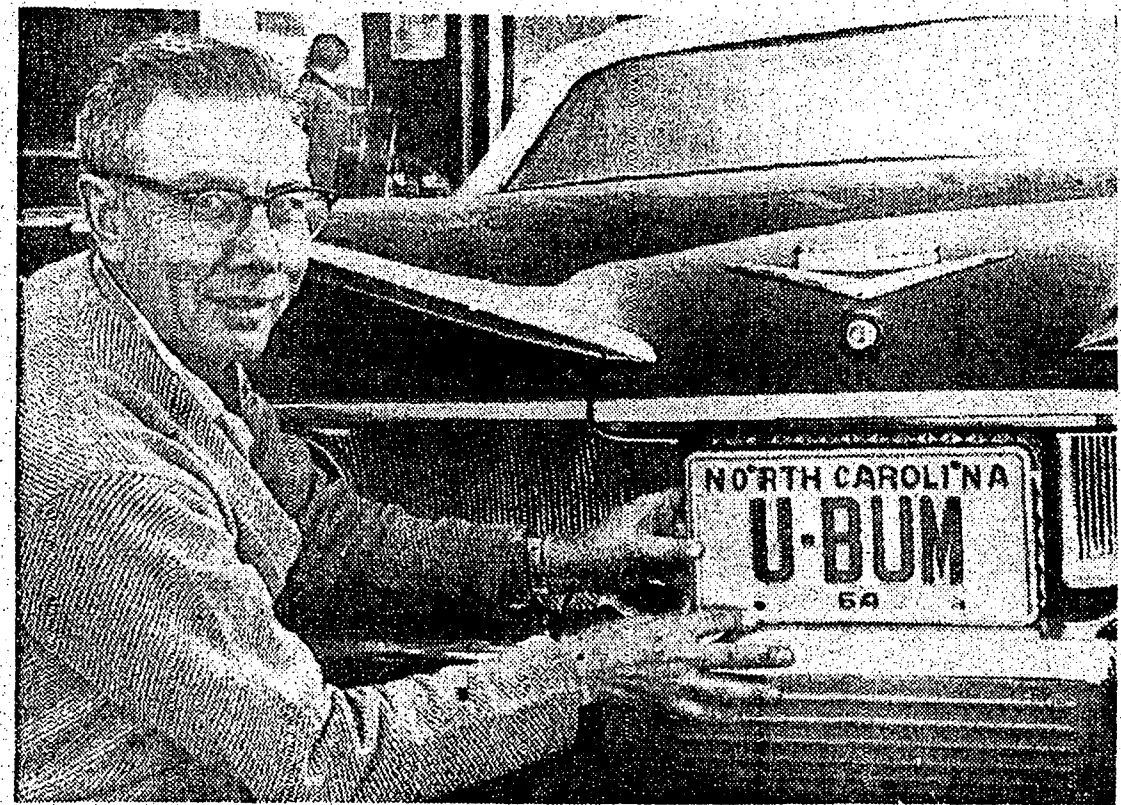

Bombs also were exploded Tuesday night at a Greek-owned hotel where Britons were staying. None of the guests or employees was injured.

Makarios' rejection of the NATO peace force was disclosed in London by Greek Cypriot Foreign Minister Spyros Kyprianou.

WEATHER

FEDERAL FORECAST
WINONA AND VICINITY — Variable cloudiness tonight and Thursday with chance of scattered light snow flurries late tonight and Thursday. Colder Thursday. Low tonight in 20s, high Thursday 35.

LOCAL WEATHER
Official observations for the 24 hours ending at 12 m. today: Maximum, 51; minimum, 25; noon, 30; precipitation, none.

WHAT'S THAT AGAIN? . . . A 1964 North Carolina motor vehicle tag turned up in Franklin, N. C., with this unusual lettering, "U-BUM." The tags are made by the North Carolina Central Prison in Raleigh and prison officials haven't quite figured out how the unusual tag got into the hands of distributors. Pictured with the tag is Verlon Swafford, Franklin, manager of the Western Auto store where the tags are sold. (AP Photofax)

10-FOOT DRIFTS IN SOUTHWEST

Scores of Towns Isolated in Storm

By THE ASSOCIATED PRESS

Scores of towns and cities were isolated and traffic was paralyzed as a near blizzard swept ponderously through portions of five southwestern states Tuesday.

Snowfalls of 6-25 inches were whipped into drifts of up to 10 feet in eastern New Mexico, southeastern Colorado, southwestern Kansas and the Texas and Oklahoma panhandles.

Thousands of cars and trucks and some buses dotted the sides of the highways and streets, abandoned by occupants now snowbound in motels and hotels waiting out the storm.

Schools, offices and stores remained closed in many cities, and towns, except for emergency use.

Texas Gov. John Connally put Amarillo on an emergency basis and mobilized the National Guard for duty. The snowfall ranged between 10-15 inches in the area.

The heaviest snow was 25 inches in Borger, Tex.

The weather was blamed for four deaths in New Mexico and three in southeastern Texas.

Helicopters stood by today waiting for the weather to clear to join a search for two cowboys missing in the Texas Panhandle since yesterday.

Liberal, Kan., had 10 inches of snow; Buymon, Okla., and Trinidad, Colo., 12; Boise City, Okla., reported 15; Ruidoso, N.M., 16; and Panhandle, Tex., 19.

A tornado struck near Eagle Lake in the Houston area, injuring a railroad worker when his trailer house was overturned.

Five inches of hail fell in Chesterville, a community in the same general area.

Farmers welcomed the moisture, but stockmen were concerned about getting feed to their cattle. However, temperatures generally did not fall below the 20s and livestock losses were expected to be light.

Generally clear and fairly mild weather prevailed in most other parts of the nation. Rain fell in parts of Florida and in sections of the lower Mississippi Valley. Skies were cloudy in parts of the Gulf Coast States and in northeastern areas.

Civil Rights Progress

House Near Agreement

WASHINGTON (AP) — One final challenge remains today to House approval of a strong public accommodations section in the civil rights bill.

A Republican-sponsored amendment that would severely limit its application posed the last threat to a bipartisan coalition that easily turned back Southern attempts to weaken the section Tuesday.

Still ahead are fights over other sections of the 10-part bill, but many Negro leaders regard the public accommodations provision as its heart.

It would prohibit discrimination against Negroes by hotels, motels, restaurants, theaters or other places open to the general public, a type of discrimination that sparked many Negro demonstrations last year and helped generate pressure for a strong bill.

Southern opponents took a shot at cutting down the coverage of the section Tuesday but were badly beaten in an impressive display of strength and cohesion by Democrats and Republicans supporting the bill.

As amendment by Rep. Edwin E. Willis, D-La., the Southern floor leader, to cover only hotels and motels serving mostly interstate travelers, was defeated 165 to 93. And one by Rep. Howard W. Smith, D-Va., that would have completely nullified the provision, went down 149 to 107.

The amendment to be offered today by Rep. George Meader, R-Mich., poses a more serious problem for the bill's supporters.

Meader, a member of the subcommittee that helped shape the bill and a strong supporter of many of its provisions, favors limiting federal action solely to facilities used by interstate travelers. His amendment would cover only hotels, motels, eating places and service stations on interstate highways.

House leaders hope consideration of the bill will move along faster starting today. After two days, action still has not been completed on two titles and there are eight to go.

THE BEATLES ARE COMING AND WE'VE NO PAUL REVERE . . . Wearing the black thatch haircuts while nuzzling the eyebrows are the Beatles, Britain's top vocal-instrumental group, who are heading for the United States. They are, from left, Paul McCartney, George Harrison, John

Lennon and Ringo Starr, whose Beatle sound has been grossing half a million pounds (\$1,400,000) monthly while the press has deliberated the problem of why the girls scream and faint at their performances. (AP Photofax)

Rochester Dog Hero for 1963

ROCHESTER, Minn. (AP) — Fatso, a droopy-tongued part Beagle with high blood pressure, is medical research's Dog Hero of 1963.

He was named today by the National Society for Medical Research.

Fatso, a portly 10-year-old, is a member of Abbott Laboratories permanent dog colony and has helped scientists develop new drugs to control high blood pressure in human beings.

Fatso was selected by the society board of directors from a field of nine, all of which have contributed to science. The society, with headquarters in Rochester, considers the award the "Nobel Prize of Dogdom."

The two conservatives said they got their information from the state auditor and the state treasurer.

Rolvaag, DFL, has blamed Tax Commissioner Rolland Hatfield for giving the Legislature faulty estimates of income.

Hatfield was appointed by former Gov. Elmer L. Andersen, a Republican.

Duxbury said "I don't think the governor was genuinely concerned," when he ordered the cutback.

DEAR ABBY:

Daughter Is Not Rejecting Mother

By ABIGAIL VAN BUREN

DEAR ABBY: Our only child, who lives 2,000 miles away, is expecting her first child this summer. Today we received a letter from our daughter, telling us that she had lined up a nurse for the first three months, and that her mother should not plan on flying out for the birth of the baby, but to wait until three or four months after. We were shocked and hurt as we have always had a perfect relationship with our daughter, and we love her husband as we would a son. My wife is ashamed to tell our friends that she was asked to stay away for three or four months. Can you explain the psychological reason behind our daughter's rejection of her mother at this time?

HURT

DEAR HURT: Why assume that there is a "psychological reason" behind your daughter's decision, and that it is a "rejection" of her mother? Perhaps your daughter does not want to burden her mother with the hard work of caring for a newborn baby, but prefers that she come after the baby has grown a little so that she can fully enjoy her visit.

Abby

DEAR ABBY: I went with a man for five months before he admitted that he was married and had a family. I saw him only once after that to say my final goodbye. His wife found out about us and now I am afraid she is going to sue me for alienation of affections. I have some money, but I can't afford a suit of that nature. I even suspect collusion on the part of the man and his wife. They have evidence which could win for them if such is the case. I need help.

WORRIED

DEAR WORRIED: You need a heap of help. The kind that only a good lawyer can provide. What are you waiting for?

DEAR ABBY: My husband and I were both born in France, but are now American citizens. We have a three-year-old daughter, and we are teaching her to speak French by speaking it in our home. Thus far she is speaking French as well as she does English. We felt this would be an advantage to her later on, but many of our friends have planted some doubts in our minds. They say that when she starts to learn English in school she will have a difficult time because she will confuse it with French. Could you please advise us of the validity of this viewpoint?

MRS. D.

DEAR MRS. D.: Children learn languages very easily. It is an advantage for youngsters to learn a second language while growing up, so don't be concerned about "confusing" your daughter by speaking French at home. But speak English, too, for obvious reasons.

CONFIDENTIAL TO "IN TROUBLE IN COUNCIL BLUFFS." TELL YOUR PARENTS AT ONCE! YOU ARE UNDER AGE BUT HE ISN'T.

Get it off your chest. For a personal, unpublished reply, write to ABBY, Box 3365, Beverly Hills, Calif. Enclose a stamped, self-addressed envelope.

Eyota Firemen Out; Officers All Renamed

EYOTA, Minn., (Special) — The Eyota fire department was called Tuesday at 9 a.m. to extinguish a fire at the farm home of Wilmer Fiesler. The fire was confined to the wash-

room, an entry way into the house. The rest of the house was damaged by smoke.

When Eyota firemen held their annual meeting, all officers were re-elected: Melvin Jones, president; Gordon Herick, secretary; Russell Jensen, treasurer; Richard Asleson, assistant chief, and Rodney Curran, chief.

Johnson Goes To N.Y. for Pair of Talks

WASHINGTON (AP) — Lyndon B. Johnson makes his third trip to New York as President today to take over for the man he succeeded in a pair of speeches and to make a political talk on his own behalf.

He will be landing at the John F. Kennedy Memorial Airport at 4:30 p.m. after a 45-minute jet flight from Andrews Air Force Base in Washington.

Tonight and Thursday night Johnson speaks at dinners at which Kennedy would have spoken. The first is for the presentation of awards for contributions in the field of combating mental retardation—Awards given by the Joseph P. Kennedy Jr. Foundation.

The Thursday night affair is a dinner which the American Committee for the Weizmann Institute of Science planned in Kennedy's honor. Now the proceeds of the dinner will go into the establishment of John F. Kennedy Memorial Fellowships at the institute's graduate school in Israel. There will be 46 of these—one for each year Kennedy lived.

In the political appearance Thursday afternoon, Johnson speaks to 400 members of the President's Club, an organization of heavy contributors to the Democratic party war chest.

Mrs. Johnson canceled plans to go to New York with her husband.

Mrs. John F. Kennedy is not expected to attend the Kennedy Foundation dinner, either. But other members of the late President's family are expected to be present—the brothers and most of the sisters and possibly the late President's mother.

Prime Minister Lester B. Pearson of Canada also will attend, enter the banquet chamber with Johnson, and speak.

Republicans Caucus In Wabasha County Next Tuesday Evening

WABASHA, Minn. — Republican party caucuses will be held by commissioner districts in Wabasha County Tuesday at 8 p.m.

Meetings are scheduled at the city halls in Wabasha and Lake City; the Plainview Village hall, and the Millville and Mazeppa schools.

Officers will be elected plus delegates to the county convention.

Mabel Honors Odell Lee Sr.

MABEL, Minn. (Special)—A Mabel man was honored at the annual meeting of the Business Association held in connection with a banquet and dance at Elmer's Club, Caledonia.

Odell Lee Sr. was presented a plaque for outstanding and untiring service to the Mabel community. Alvin Redwing, outgoing president, in making the presentation, cited Lee for the many projects he has inspired and the time and energy given to carrying them out.

Lee, village clerk, also is in the investments and insurance business and has an income tax service. He established the Odell Lee Agency here in 1932 and sold it to his son, Odell Jr. in 1951.

Another son, James, is associated with a brokerage firm in Denver, Colo.

Odell Lee Jr. was elected association president; Glennis Wold, vice president; Kenneth Herzog, secretary - treasurer, and Nansen Spande, F. J. Shorter, Norvel Tranaas and Harold Karli, directors.

Nearly 100 Mabel merchants and guests attended and discussed plans for the fifth annual Hesper-Mabel Steam Engine Days in September.

Winonans on State Young Adult Council

Two Winona-area Young Adult Citizens have been named to the organization's state council.

They are Joseph Speltz, Minneka, who was elected treasurer, and Joanne Albee, Caledonia, who was named council member for the southeast district.

The organization is an outgrowth of the Rural Youth Young Men and Women's groups. All single adults 17 to 27 are eligible for membership.

Moscow, Peking Product Stirs Up Congo Riots

LEOPOLDVILLE, the Congo (AP)—A witch doctor's brew of tribal magic, terror, antiwhite hatred and crude Communist slogans is the latest formula for subversion and revolt in the Congo.

The bloodstained rebellion in Kwilu Province is led by Pierre Mulele, 34-year-old former education minister who has visited both Moscow and Peking.

Mulele's Chinese-backed uprising started six months ago with fewer than 75 men. Today he has several thousand fanatical warriors who control a region half the size of Belgium.

His soldiers say the white man stole their land and enslaved them. They believe the Communists will bring them "wonderful things."

American missionaries who survived attacks by Mulele's warriors reported hearing cries

of "Russia" and "Moscow" as the terrorists closed in.

The warriors told the missionaries their chiefs promised the Russians would give them things possessed only by white men, and also would give them the land.

Captured documents, however, told of support from Peking for Mulele's revolt.

Western experts say someone well versed in guerrilla tactics is behind the assaults on missions in which an American woman missionary and three Belgian Roman Catholic priests have been killed.

Government forces have captured the notebook of a man who attended a guerrilla school. It is believed to be Mulele's.

"It's the sort of stuff the Communists crib from each other," U.S. Ambassador Edmund Gullion said after a trip to Kwilu. He said the notebook contained ideas from Cuban guerrilla specialist Ernesto Guevara and China's Mao Tze-tung.

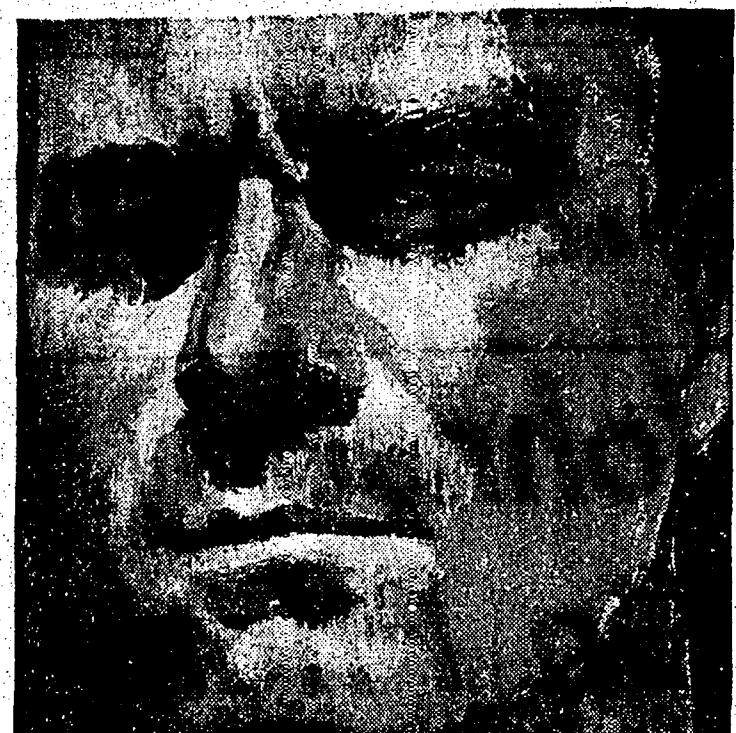

Grand Forks to Get Voting Machines

GRAND FORKS, N.D. (AP)—Grand Forks will become the fifth North Dakota city to vote by machines under a contract

approved by the City Council. The council approved a contract with Automatic Voting Machine Co. of Jamestown, N.Y., to purchase approximately 60 machines at a cost of \$1,850 each. The contract is contingent upon approval of an

agreement by the Grand Forks county commission to pay two-thirds of the cost through rentals over a 10-year period.

Cities which already had voting machines in North Dakota are Bismarck, Jamestown, Minot and Williston.

Why wonder, fret or worry if you need a hearing aid?

Talk soon to a Benson's qualified hearing aid consultant . . . in the privacy of his office or at your home. His experience and training enable him to answer your questions honestly and with dignity. And he'll explain how Benson's takes the risk out of buying a hearing aid.

NSP CUTS ELECTRIC RATES AGAIN!

Reduction will mean \$2.4 million annual savings for residential, farm and commercial customers in Minnesota, North Dakota and South Dakota

For the seventh time in less than three years, NSP is announcing good news for electric customers.

A new electric rate cut—effective on bills based on regular meter readings made on and after March 2, 1964—will save an estimated \$2.4 million annually for residential, farm and commercial customers in Minnesota, North Dakota and South Dakota.

This new rate cut brings to \$8,800,000 the total annual savings for NSP customers announced by the company just since September, 1961. Naturally, the biggest savings will be made by those who use the most electricity.

A further electric rate reduction is already being planned by NSP.

This reduction will be made when and if the impending tax cut is passed by the U.S. Congress.

All these recent rate reductions and changes in operating procedures, which are saving NSP customers millions of dollars annually, are continuing proof of our policy of bringing you the best possible electric service at the lowest possible rates.

It's another reason why average home electric rates from NSP are 50% lower today than just a generation ago. Another reason why . . .

3 Nominated For County Welfare Board

A panel of three names was submitted Tuesday by the Winona County Board of Commissioners to Morris Hursh, state commissioner of welfare.

Hursh will select one of the three persons named for a term on the Winona County Welfare Board. The person selected will fill the place now held by Mrs. Paul Michalowski, 103 Chatfield St., whose term expires July 8.

The board-nominated for the two-year term Mrs. Michalowski; Mrs. P. Earl Schwab, 632 Clark's Lane, and Mrs. Severt Tindal, 460 Wilson St.

COMMISSIONERS voted to renew the county's Blue Cross, Blue Shield insurance contract for its employees. No other companies submitted hospital and medical insurance plans to the county board. Monthly premiums on the renewed contract are \$5.85 for each employee, paid by the county. An employee desiring coverage for his dependents pays an additional \$11.70 a month himself.

Acting on a request from Gordon M. Fay, county highway engineer, the board authorized County Auditor Richard Schoonover to advertise for bids on two 2½-ton dump trucks equipped with snowplows and sanders.

The board voted to pay real estate taxes of \$257.16 for the former county garage building and lot, 265 W. 3rd St., which was bought in October 1963 by Chris Keller, Winona, and George Schibye, Bluff Siding, Wis.

The county had to pay taxes on its own property because it had rented it to a private firm during most of 1963, and it was not being used for public purposes at the time of the assessment for taxes payable this year.

The taxes had to be paid before the county could give a deed for the property to Keller and Schibye.

AFTER discussing the matter for the second consecutive month, the commissioners again postponed taking any action on a request from Mrs. Teresa Curbow, county treasurer, to buy a postage meter for her office. The machine also would be used by other offices in the courthouse, the board was told.

Last month the board postponed action because it wanted to find out the cost of the meter. This month — after being told that the machine (which has an average lifetime of 10 years) would cost \$940, and that the monthly rent or service charge for the meter itself would be no more than \$13.70 — the commissioners decided to wait for more detailed information about how the service charge is determined.

THE BOARD received and placed on file:

A copy of an order issued by the state highway commissioner, making official a change in the location of County State Aid Highway 26 near Elba, brought about by a construction project in 1963.

A letter from Minnesota Good Roads, Inc., an organization promoting highway construction in the state, asking for a contribution.

The routine monthly reports from county officials.

Board Doesn't Like Bid Form; City Cost: \$348

A bid by Winona Rambler, Inc., for sale of a new police patrol car to the city was rejected Tuesday in a special meeting by the Board of Fire and Police Commissioners. Bids were opened Jan. 22, then held over for examination.

The bid was rejected on the grounds that the proposal had not been submitted on the prescribed bidding form. The firm's net bid had been lowest of three submitted, \$1,061.39, after deduction of trade-in allowance on a 1963 Chevrolet. The firm made the offer on a specially equipped 1964 Dodge car.

Second lowest net bid, that of Quality Chevrolet Co., was accepted Tuesday by the commissioners. Net price, after trade-in, for a 1964 Chevrolet was bid at \$1,403.25.

Country Kitchen To Build 2nd Unit

Construction of a new downtown restaurant will begin early in March when Winona's second Country Kitchen will start to rise on the former county lot, West 3rd and Huff streets.

The plan was announced today by Robert Massie, 524 Lake St., owner of the Country Kitchen at 1611 Service Dr., and president of the corporation which holds the Country Kitchen franchise for a five-state area.

The new restaurant, to be built in the newest plan for such facilities, will be a model for future Country Kitchens and will be a training center for new managers employed by the corporation.

It will employ from 35 to 40

persons, Massie said. There will be a 30-car radio communication system for drive-in customers, as well as counter and booth facilities inside the building.

The lot measures 150 feet on 3rd Street and 180 feet on Huff. His corporation now operates five Country Kitchen restaurants, Massie said. They are in Rochester, La Crosse, Markato and Sparta as well as here.

Six new restaurants will be opened this summer, he went on. In addition to the second one here, his firm will open a second restaurant in Rochester, two in Minneapolis, one in Madison, Wis., and one in Appleton, Wis.

EXCHANGE INSTALLATION . . . James K. Carlson, left, passes the gavel of the Exchange Club president to Dr. Daniel Degallier. Installing officer and toastmaster was Leroy Backus, right. Forty attended the ladies night dinner Tuesday at the Williams Hotel. Dr. Roger Hartwich is vice president. Walter Dopke was re-elected secretary and Warren Wunderlich was re-elected treasurer. Kermit Bergland and Walter Thompson are new on the board of control, replacing Paul McJames and John Wildenborg. Holdovers are the Rev. James McCauley, Edward Jacobsen, John Breidlow and James T. Robb. Breidlow presented a wine tasting program. (Daily News photo)

Boy, 5, Throws Brother Out of Burning House

EYOTA, Minn. (Special) — A quick thinking 5-year-old boy is a hero today. He threw his 3-year-old brother out of a second-story bedroom and then jumped out himself after their farm home caught fire here Monday morning.

THE BOY, Billy Fiesler, son of Mr. and Mrs. Wilmer Fiesler, who live two miles south of here, was credited today with saving his own and his brother's lives.

The two boys were in their upstairs bedroom while Mrs. Fiesler was in the chicken coop collecting eggs at 8:30 a.m. Monday. Fiesler, a school bus driver, was on his route.

The fire started in an entry way-washroom area and quickly filled the house with dense smoke. Apparently the smoke came pouring into the upstairs bedroom and Billy tried to take his younger brother down the steps.

"I tried to get down the steps. Mommy," he told his mother afterward. "But it was all smoke."

Student Defends Himself; Judge Says Not Guilty

A Winona State College student defended himself successfully today in municipal court against a charge of parking his car by a fire hydrant.

William G. Pepper, 19, Zumbrota, said his car was pushed into a hydrant zone by another car while he was in class Jan. 26. He called Darrell Schuster, also a WSC student, who testified the car was properly parked ahead of the hydrant on Sunborn Street at 9 a.m. It was later shoved backward about 15 feet by another car trying to get away from the curb, Schuster said.

Judge John D. McGill said he found reasonable doubt that Pepper was guilty as charged and ordered Pepper's \$10 deposit refunded.

JOHN M. ROZEK ADDRESS

The correct address of John M. Rozek, who signed a complaint against James Ramm, 826 E. 5th St., after he was struck in the face with a penny, is 618 E. 2nd St.

Special Verdict Asked Jury in \$37,000 Suit

District Court Judge Leo F. Murphy asked the jury this morning for a special verdict in a \$37,000 personal injury suit resulting from a 1961 automobile accident.

Andrew Snyder, 970 W. 3rd St., is suing John Fitzgerald and his son, David Lee. Peter Wachowiak is the third party defendant in the three-car collision Dec. 18, 1961.

THE JURY was asked to give answers to seven questions.

The jury is asked to determine if David Lee Fitzgerald, Andrew Snyder of Joseph Wachowiak was negligent in operating his automobile. If the jury finds any party guilty of such negligence then it is to determine whether that negligence caused the collision. Finally, the jury is to determine what sum of money would compensate Snyder for his injuries.

Earlier testimony established that Snyder, traveling east on 3rd Street between Market and Franklin streets, had stopped in the traffic lane to pick up his wife.

David L. Fitzgerald, 64 Lenox St., who testified that Snyder's car lights were off, hit Snyder's car from the rear and subsequently was hit himself by a car driven by Joseph Wachowiak, 1740 W. Wabasha St., and owned by his father Peter.

Snyder charges Fitzgerald with negligent operation of his automobile on the slippery streets resulting in permanent damage and pain to his neck. Fitzgerald accuses Wachowiak of similar negligence.

FINAL TESTIMONY brought two boys to the stand who had witnessed the accident. LeRoy Decker, 20, 578 E. 3rd St., appearing as witness for the defendant, and James Ramm, 826 E. 5th St., appearing as rebuttal witness for the plaintiff, were walking together the night of the accident. They gave conflicting testimony.

Decker said he saw the Snyder car before the accident double parked without a n y lights on. He said they had talked with the drivers.

Ramm said the Snyder car was parked with car lights on, and he testified that he and Decker had not talked to the drivers.

DR. C. W. GRULER, Winona chiropractor, took the stand Tuesday afternoon and gave the District Court jury an anatomy lesson as the sixth plaintiff's witness.

Dr. Gruler said Snyder first visited his office Jan. 22, 1962, 35 days after the accident. At that time, he said, Snyder could move his neck only 22 degrees to the right and 26 degrees to the left. Normal rotation for a man Snyder's age would be 60 degrees, Dr. Gruler said.

With the aid of X-rays, charts and a human spinal skeleton, Dr. Gruler explained that Snyder received a mild neck sprain as the result of the automobile accident. Dr. Gruler said the X-rays show a 5- to 10-year history of arthritis and that a jolt such as Snyder received in that automobile accident would do greater damage to arthritic than normal joints.

Dr. Gruler said he prescribed heat and mild traction for 13 months. He explained that subluxation, less severe than dislocation, had occurred between the vertebrae and he was attempting to put the vertebrae back into proper relation to reduce pain. To accomplish this he used ultra-sound and infrared treatments in addition to a neck "collar" and massage.

EDWARD J. LYNCH, 129 E. 3rd St., testified that he had seen Snyder earlier in the day and noticed no sign of intoxication.

Ernest H. Steneroden, St. Paul attorney for Fitzgerald, called

SNOW ALMOST GONE . . . Most of the snow along this little creek near Pickwick, Minn., has succumbed to the warm sunshine of the past few days, giving the scene a spring-like touch. The temperature rose to a pleasant 51 Tuesday afternoon, only two degrees from the all-time high for Feb. 4 set at 53 in 1890. (Daily News photo)

WHEN WILL IT END?

51 Near Record; It'll Stay Warm

A near-record breaking temperature prevailed in Winona Tuesday when the temperature rose to a pleasant 51, only two degrees under the record of 53 for Feb. 4, set in 1890.

And with the exception of a prediction of a chance of scattered light snow flurries late tonight and Thursday, no really bad weather is expected for the rest of the week.

THE EXTENDED forecast

treated at the Mayo Clinic, Rochester.

Mrs. Snyder also testified Tuesday. She said that following her husband's heart attack in 1955 she worked at Schuler Chocolates, Inc. About 6:30 p.m. the night of the accident, she said she came out of the Teamsters' Club and was waiting to cross 3rd Street to get into her husband's car which was approaching from the west. Not noticing whether her husband's car lights were on she looked to her left before crossing the street, heard the crash and turned in time to see a third car join the impact.

Mrs. Snyder said she knew her husband's neck pained him in the following months because he held it stiffly, was careful in turning his head and showed pain in his facial expression.

EDWARD J. LYNCH, 129 E. 3rd St., testified that he had seen Snyder earlier in the day and noticed no sign of intoxication.

Ernest H. Steneroden, St. Paul attorney for Fitzgerald, called

for the next five days: says temperatures will average 8 to 15 degrees above normal through Monday. Normal daytime highs this time of the year range from 21 to 27 and nighttime lows are zero to 8 above.

A little cooler Thursday but then warmer over the weekend and slightly colder again early next week is the general expected pattern. Precipitation is expected to average one-tenth of an inch or less in scattered

light rain or snow at the beginning of the period and again about the first of next week. A low in the 20s is expected tonight and a high of 35 Thursday.

After reaching a near record Tuesday, the mercury dropped to 25 during the night but was rising rapidly today and was 39 at noon.

A YEAR AGO today the Winona high was 43 and the low 12. Four inches of snow lay on the ground at that time. All-time high for this day was 54 in 1878 and the low -24 in 1895. Mean for the past 24 hours was 38, contrasting with a normal figure of 17 for this time of the winter.

The majority of Minnesota points reported clear weather today and fairly mild temperatures. Lowest morning reading was 7 at Bemidji and 9 at International Falls.

Rochester had 26 after a Tuesday high of 49 and La Crosse posted 30 and 51 for the same time.

It's still a long way to spring, but in WISCONSIN today that season seemed just around the corner.

Skies were sunny and the mercury pushed into the low 50s and high 40s—about 20 degrees above normal for early February.

The fact that winter still has a long way to go was indicated in the forecast, which called for snow in the northern part of the state by late Thursday. Snow mixed with rain was predicted for the southern area.

Lone Rock set the Wisconsin high of 54 degrees Tuesday. A cool 12 degrees was recorded in the Hurley area early today.

Heavy fog covered the Wausau region early today.

KEY WEST, Fla., topped the country Tuesday with 75 degrees and Craig, Colo., set the low of 12 below early today.

Paul Baer, 4th District (defeated by Peterson in the November 1962 election) — Salary, \$51.75; welfare board per diem, \$30; board of audit, \$210; reimbursement for expenses, \$130. Total—\$411.55.

OTHER OFFICIALS
E. D. J. Libera, probate judge—salary, \$13,925.44. Jesse B. Jettus, superintendent of schools — salary, \$9,450; mileage and expenses, \$491.14. Total—\$9,941.14. Tottle D. Tust, registrar of deeds — (no salary) fees, \$10, 154.70. S. A. Sawyer, attorney—salary, \$9,000. Richard Schoonover, auditor — salary, \$8,600; fees, \$3,459.87. Total—\$12,059.87. Mrs. Teresa M. Curbow, treasurer — salary, \$7,500; fees from Winona County Abstract Co., \$835.50. Total—\$8,335.50.

The following collected no salary or fees in 1963: Dr. Robert B. Tweedy, coroner; Loren W. Fargerson, court commissioner, and J. J. Kleinschmidt, surveyor.

Inquest Set Into Death Of Woman, 25

An inquest will be conducted into circumstances surrounding the death early Tuesday of Mrs. George Pippenger, 25, 220 W. 2nd St., according to Winona County Coroner Dr. Robert Tweedy.

Mrs. Pippenger, who lived with her mother, Mrs. Bertha Polzin, was pronounced dead on arrival at Community Memorial Hospital Tuesday at 4:45 a.m. Dr. Tweedy said death was due to peritonitis, an infection of the peritoneum, or diaphragm.

POLICE SAID an unidentified neighbor had called headquarters at 4:26 a.m. with the information that a woman was sick at the above address. Officers called an ambulance almost immediately and Mrs. Pippenger was taken to the hospital. She was semi-conscious when placed in the ambulance but died before arrival at the emergency ward of the hospital.

The coroner said a jury would be called shortly and the inquest scheduled for a later date. An autopsy was performed. Dr. Tweedy said pathological tests would be made to determine the cause of the infection. No drugs or chemicals appear to be involved, he said.

THE FORMER Shirley Ann Tofstad, she was born July 12, 1938 to Oleo and Bertha Halverson Tofstad of Rushford. She was a lifelong area resident.

Survivors are: Her mother, Mrs. Bertha Polzin, Winona; her husband, George, Phoenix, Ariz.; a son, Steven, at home; three daughters, Doreen, Brenda and Desi-Eae, at home; two brothers, Searle Tofstad, Vandalia, Ohio, and Carroll Tofstad, Altura, Minn.; and one sister, Mrs. Wilmer (Arlene) Gile, St. Paul.

Funeral services will be Friday at 2 p.m. at Breilow Funeral Home, the Rev. N. E. Hamilton, Calvary Bible Church, officiating. Burial will be in Woodlawn Cemetery. There will be no visitation.

Jackson County Clerk Appointed

BLACK RIVER FALLS, Wis. (Special) — The Jackson County Board of Supervisors Tuesday unanimously elected Mrs. Virginia Emerson, who has been acting county clerk, as official county clerk for the unexpired term of Mrs. Alpha Larvick, who died in December.

The term will expire Jan. 1. County officers will be elected in November.

Mrs. Emerson had been acting clerk since Mrs. Larvick's death. She has been deputy 11 years under four county clerks. There were no other applicants.

The board voted up to \$1,600 for a survey of county employees, salaries and qualifications by state specialists. Some deputies receive higher salaries than elected officials.

A suggestion that the county department of welfare have complete authority in granting general relief was defeated. Supervisors will continue having considerable jurisdiction in general relief cases.

The board voted to discontinue paying fox bounties, effective Jan. 31.

Liability Insurance Costs to Increase About \$1,500 Annually

Liability insurance premiums paid by the city will be approximately \$10,000 a year when new coverage, ordered Monday by the City Council, is added. A story in Tuesday's Daily News erroneously gave the figure as \$1,500. Present premiums for this coverage are about \$8,500 and are expected to go up about \$1,500.

County Officials Report 1963 Fees and Salaries

Highest total 1963 income of any Winona County official was reported Tuesday by Joseph C. Page, clerk of District Court. His report was submitted along with those of other county officials to the county board of commissioners. The board placed all the reports on file.

COMMISSIONERS

Leonard J. Merchewitz, Winona, 1st District — Salary, \$2,750; welfare board per diem, \$320; nursing advisory committee, \$30; road and bridge per diem, \$170; forfeited tax sale, \$20; board of equalization, \$5; reimbursement for expenses, \$490.82. Total—\$3,783.82.

Leo J. Borkowski, Goodview, 2nd District — Salary, \$2,600.25; welfare board per diem, \$270; road and bridge per diem, \$150; forfeited tax sale, \$20; board of equalization, \$5; reimbursement for expenses, \$197.15. Total—\$3,340.40.

Adolph Spitzer, St. Charles, 3rd District — Salary \$2,750;

welfare board per diem, \$320; nursing advisory committee, \$60; board of equalization, \$5; road and bridge per diem, \$150; forfeited tax sale, \$20; reimbursement for expenses, \$435.17. Total—\$3,740.17.

Carl O. Peterson, Fremont Township, 4th District—Salary, \$2,600.25; welfare board per diem, \$260; extension committee, \$40; board of equalization, \$5; forfeited tax sale, \$20; road and bridge per diem, \$150; reimbursement for expenses, \$471.89. Total—\$3,645.14.

James Papenfuss, Dakota, 5th District — Salary, \$2,750; welfare board per diem, \$290; board of audit, \$200; extension committee, \$40; road and bridge per diem, \$170; board of equalization, \$5; forfeited tax sale, \$20; reimbursement for expenses, \$604.45. Total—\$4,159.45.

Ray G. Kohner, 2nd District (defeated by Borkowski in November 1962 election) — Salary, \$51.75; welfare board per diem, \$30. Total—\$81.75.

Paul Baer, 4th District (defeated by Peterson in the November 1962 election) — Salary, \$51.75; welfare board per diem, \$30; board of audit, \$210; reimbursement for expenses, \$130. Total—\$411.55.

OTHER OFFICIALS

E. D. J. Libera, probate judge—salary, \$13,925.44. Jesse B. Jettus, superintendent of schools — salary, \$9,450; mileage and expenses, \$491.14. Total—\$9,941.14. Tottle D. The following collected no salary or fees in 1963: Dr. Robert B. Tweedy, coroner; Loren W. Fargerson, court commissioner, and J. J. Kleinschmidt, surveyor.

PRACTICE THESE RULES FOR GOOD DENTAL HEALTH . . .

1. A well-balanced diet with few sweets included.
2. Proper toothbrushing habits started early in life. The teeth should be brushed immediately after eating.
3. Early detection and treatment of dental disease. This will prevent more extensive dental illness later on.
4. Use of drinking water containing the proper amount of fluorides for the prevention of tooth decay. Support fluoridation of our Winona water supply.

Greg Peck or Dr. Schweitzer?

By EARL WILSON

NEW YORK — This is just a little love story about Greg Peck and his French wife Veronique . . . who used to be a reporter in Paris . . . and if you don't like it . . . well, maybe you're an old Scrooge.

Everything happened to the Pecks the last few days. They were invited by President Lyndon B. Johnson to drop into the White House . . . and did . . .

St. Paul Youth Faces Murder Trial March 23

ST. PAUL (AP)—David Oehrlein, 20, will face trial for murder March 23 in the hammer killings of two St. Paul children. Judge Edward Mulally set the date Tuesday after Oehrlein's indictment by the Ramsey County Grand Jury.

The suspect is accused of first degree murder in the killing of Bonnie Lou Brindamour, 13, and murder in the third degree in the slaying of her brother Gary, 14.

Police said Oehrlein had admitted battering the boy to death in an argument over some damaged bongo drums, and then killing the sister because he was afraid she would tell on him.

The killings occurred in the Brindamour home in the absence of the victims' mother, Mrs. Archie Brindamour, on a babysitting job the night of Jan. 23.

Trempealeau School Administrator Named

TREMPEALEAU, Wis. (Special)—Lloyd Anderson, administrator of the Trempealeau High School District, has been elected to the board of directors of the Wisconsin Association of School District Administrators.

Anderson will represent school systems having fewer than 50 professional workers. He attended his first meeting at the January convention of the association in Milwaukee.

Trout Contest

Old Bugler escaped 4,000 trout fishermen who tried to catch him at the annual trout fishing contest of the Elk Rod and Gun Club on Bugle Lake, Independence, Wis., Sunday. However, they did catch 250 of the 640 trout planted especially for the contest. Of course, there was a carry-over of trout from earlier plantings.

Old Bugler, monarch of the lake, tipped the scales at seven pounds when planted recently. A reward of \$100 was placed on it, to be paid to any fisherman who caught it during the contest. Most of the planted trout came from the Stockton Trout Farm or from the club's rearing pond.

All of the 15 prize-winning fish went over one pound. The largest, 1.6 pounds, was caught by Anita Bartos. Darlene Timm got second with a 1.5-pounder. Other winners were Robert George, Selmer Omdahl, John W. Marselock, Henry Redsten, Albert Smith, Tom Fellers, Dean Luneman, Don Comer, Sharon Nichols, Earl Ryder, Lu Paroli, Allan Omdahl and Gary Shaffer.

The top view shows part of the 4,000 crowd on the ice during the contest. The lower picture is the board with more than 150 trout on it, all weighing over one pound. The photos are by Aubyn Smith, Independence.

Spring Fever
Mild weather in January apparently has affected the promoters of boating and their boat shows. During the past couple of days we have received a dozen boating publicity letters. Of interest are the dates of the big shows. Here are a few of them:

Milwaukee Sport and Boat Show, March 14-22.
National Boat Show — McCormick Place — Chicago, March 21-29.
Northwest Boat Show — Minneapolis, March 27-April 5.

There are numerous small boat shows, including ones at Madison, La Crosse and Rochester.

Lake Fish Safe
Oxygen tests made by the Park Recreation Department in Lake Winona this week show that the fish in both the west and east section of the lake

have sufficient oxygen in the water for normal living.

However, the content in the area above Huff Street is just about half that of the area below the bridge. The west reading was 7 parts oxygen and the east 13 parts. The safe line is 5 parts and fish begin to die at 3 parts.

Lake Winona had limited winter kill, largely shad and crappies, the past two winters. Pumps were used to freshen the water. A favorable factor, M. J. Bambeck, Park Recreation director, points out, is the lack of snow on the ice. It is pretty well melted off and there has been some run off of water from melting snow into the lake. Sunlight is getting through on bright days.

Fishing so far has been slow on the lake. There are a few fish houses and an occasional car on the ice. Incidentally, Lake Winona is one of the bodies of water in this area where north-erns may be speared from dark houses. There is one such house on the lake.

U.S. Urged to Keep Interest Up in Space

MILWAUKEE (AP)—The manager of the nation's moon probe program said Tuesday night the United States must maintain an excited interest in space if a manned flight to the moon is to be launched before 1970.

Dr. Joseph F. Shea, who directs the Apollo Spacecraft program for the National Aeronautics and Space Administration, spoke at the awards banquet of the Billy Mitchell Squadron of the Air Force Association.

The squadron's Gen. Billy Mitchell memorial award was presented to Maj. Gen. Leighton I. Davis, Air Force commander of the Atlantic and Pacific missile ranges. Davis, 53, is a native of Sparta, Wis. He was honored for his contributions to aviation and aerospace.

Shea said the goals, schedules and budget of the Apollo program were the same as when the lunar project was established in 1961. "The question is whether this country can maintain an intellectual conviction for a decade."

But he said "it is hard to sustain an intellectual conviction in the face of political and budgetary pressures—the reality of today crowds in on the promise of tomorrow."

At an earlier news conference, Shea said the most likely date for sending three Americans to the moon falls late in 1963 or early in 1969 — nearly two years earlier than the date usually mentioned.

Reds Not on Arizona Ballot, No Zip Code

NEW YORK (AP)—The Communist party's chances of getting on the election ballot in Arizona have gone ZIP-out the window.

Arnold Johnson, the party's public relations director, said Tuesday Asst. Atty. Gen. Philip M. Haggerty of Arizona had written him that a 1961 law bars Communists from the state's election ballots.

Haggerty, replying to a party query on the matter, added: "The subversive nature of your organization is even more clearly designated by the fact that you do not even include your ZIP code on your letter."

Edward Kennedy to Talk in Minneapolis

MINNEAPOLIS (AP)—Sen. Hubert Humphrey, D-Minn., disclosed Tuesday that Sen. Edward Kennedy, D-Mass., younger brother of the late President John F. Kennedy, will speak in Minneapolis March 14.

Kennedy will be the principal speaker for Minnesota's annual Jefferson-Jackson Day dinner sponsored by the State Democratic-Farmer-Labor Party.

Trempealeau County Board Meets Feb. 19

WHITEHALL, Wis. (Special)—A special meeting of the Trempealeau County Board of Supervisors will convene Feb. 19 at 10 a.m. at the courthouse in Whitehall.

Pentagon Group Arrested in Numbers Raid

WASHINGTON (AP)—Treasury agents have arrested eight civilian Pentagon employees on charges of operating a numbers game.

They swooped down on the Pentagon Tuesday. The arrests were similar to a series made in the Pentagon three years ago.

Besides those arrested in the Pentagon, two others were picked up in Washington, including someone described as being high up in the ring and "loaded with slips."

A Treasury agent estimated the daily gross collection by the alleged ring was about \$1,000. He said some of those arrested were employed in the office of the Navy judge advocate general.

First of JFK Half Dollars Ready by April

WASHINGTON (AP)—The first of the new John F. Kennedy half dollars are expected to be available to the public in late March or early April.

Some 90 million coins will be sent into general circulation—the first to be struck next week in mints at Philadelphia and Denver.

In announced this Tuesday the White House said actual distribution will not begin until 26 million half dollars are made. They will be distributed through Federal Reserve banks.

The face of the coin bears a likeness of Kennedy facing left. The word "liberty" is above and around the border, and the date is below. Beneath the picture is the motto "In God We Trust."

The presidential coat of arms appears on the other side of the coin.

Cochrane-FC Filing Deadline on Feb. 22

FOUNTAIN CITY, Wis. (Special)—Persons wishing to file for two vacancies that will occur on the Cochrane-Fountain City school board this spring may do so until Feb. 22. The election will be April 7.

Terms of William Krause, Fountain City, and Henry Zeichert, Buffalo City, will expire. Holdover board members are Loyal Hauser, Elmer Multhaup, Kenneth Kauer and Norbert Litcher, Fountain City, and area, and Kermit Spieth, Cochrane.

Now Many Wear FALSE TEETH

FASTTEETH, a pleasant alkaline (non-acid) powder, holds false teeth more firmly. To eat and talk in more comfort, just sprinkle a little FASTTEETH on your plates. No gummy, goopy, pasty taste or feeling. Checks "plate odor" (denture breath). Get FASTTEETH at any drug counter.

OUR BRANCH STORE

IN MENOMONIE

• CLOSED •

ALL MERCHANDISE MOVED TO KELLY'S IN WINONA FOR QUICK DISPOSAL!

HERE IS THE REASON

Our branch store in Menomonie was opened March 10, 1947 and for years did a thriving business serving the Menomonie area. During that time, major highway changes in Dunn County made it impractical to maintain our branch store in Menomonie. The stock of fine furniture, appliances and carpet is being moved to Kelly's in Winona for fast disposal. We're Crowded — stock must go in 10 days! If you need furniture and need to save money — now is the time to buy!

L. J. Kelly
President

The entire stock of home furnishings, appliances and floor coverings is being brought to Kelly Furniture Company in Winona for complete and quick liquidation. All goods must be disposed of in 10 days. The dead-line is February 15th. We must vacate the building in Menomonie. Thousands of dollars sacrificed!! We don't need profit - just room! You can save now like never before on furniture, appliances & carpets!!

Thoughts at Random — From Editor's Notebook

YOUTHFUL DRIVERS planning to visit the New York World's Fair this summer should be forewarned that New York City has a minimum age — drivers must be at least 21.

Even though young drivers may have a valid driving license from their home state, out-of-state motorists under 18 are forbidden to drive in New York State. So you young guys and girls who are planning the trip, plan also to have an adult along to do the driving while you are in the Big City.

★ ★ ★
WHO IS responsible for auto accidents on winter highways?

Garnet E. Hall, safety director of the Minnesota Highway Department, says the operator of any moving vehicle holds in his grasp the power to control his machine, and therefore he must accept major responsibility for its safe operation.

"It's not the icy road so much as indifference on the part of the driver toward safe driving rules that often leads to a skid," he said. "The man who barrels along at summer speeds on wintry roads is asking for trouble sooner or later, and the chances of mishap will be sooner if he has failed to switch to snow tires or laughs at the need for tire chains in deep snow or on glare ice."

A study of wintertime accidents has brought home again and again the fact that in virtually every instance there has been a violation of law, such as driving too fast for weather and road conditions, failure to yield right of way, or driving an unsafe or defective vehicle.

But over and above these legal responsibilities, we all have a more fundamental moral responsibility to care for ourselves as well as our neighbors. The man who doesn't take care of his car or the man who doesn't take care of his driving practices is surely morally guilty, even if not legally guilty.

NEW YORK became the fourth state recently to receive an initial bonus payment for controlling outdoor advertising adjacent to the Interstate highway system.

Other states receiving bonus payments are Kentucky, Virginia and Maine. Sixteen others have entered into agreement with the U.S. Bureau of Public Roads.

The bonus represents one-half of one percent of the cost of constructing the rural portions of the Interstate system, and is offered as an incentive by Congress to states which will restrict display signs along the Interstate.

The agreement into which the states enter with the government provides for limiting displays to on-premise signs advertising activities being conducted on the property, and off-premise signs advertising activities being conducted at a place within 12 miles from where the displays are located. Informational signs authorized by law and informational signs in the interest of the traveling public are also permitted.

The 16 other states that have billboard control agreements with the government are Connecticut, Delaware, Hawaii, Maryland, Nebraska, New Hampshire, New Jersey, North Dakota, Ohio, Oregon, Pennsylvania, Rhode Island, Vermont, Washington, West Virginia and Wisconsin.

Legislation was recently enacted by Congress giving other states, which have not yet acted, until July 1, 1965 to take advantage of the bonus offer. Minnesota had better wake up.

★ ★ ★
BECAUSE WORLD WAR II is so recent it is hard to realize that, despite its shorter length and narrower geographical range, World War I was really the bloodier. Alastair Cook, U.S. correspondent of the Manchester Guardian, brings this out clearly in a recent article.

The two wars mobilized nearly the same number of men, 53 million in the first war, 56 million in the second. The recent war's casualties seemed bad enough, 8,500,000 dead or wounded, roughly one seventh of the number mobilized. Much more horrifying are the figures for the earlier war—more than 28 million, or above half of the total mobilization.

Only the Russian losses were anywhere near the same in 1914-18 and 1939-45. The earlier cost Russia 9,000,000 casualties as against 7,500,000 in the later. World War I also instanced the special horror of poison gas, which we were fortunately spared in World War II.

Bad British and French generalship caused much of the heavy losses. The commanders knew no other strategy than ramming their way through the enemy trenches, where mud was a worse foe than the Germans.

THE APPALLING SLAUGHTER of World War I cost Britain the flower of her youth. It reduced the French army to mutiny, restrained only with great difficulty. The losses made understandable France's quick surrender in 1940. And the war overturned the Russian tsardom. The Soviet Union might never have been born, but for the terrifying slaughter of Russia's ill-armed troops.

An actress says Cleopatra was really remarkable for personality rather than looks. Well, maybe — but that wasn't the way Liz portrayed her.

And he ordained twelve . . . that he might send them forth to preach. Mark 3:14.

WASHINGTON CALLING

Ranch, Cattle Touch Texan

By MARQUIS CHILDS

WASHINGTON — What touches the heart of a Texan far more deeply than oil is the ranch home and the cattle on the range. This is both a reassuring link with the free-wheeling past and a source of pride, profit and, for the very rich, a useful tax-deduction device.

The stream of officials who visited President Johnson on his LBJ Ranch during the holiday interval included two top economic counselors, Walter Heller, chairman of the Council of Economic Advisers, and Budget Director Kermit Gordon. The President had asked for a memorandum on the imports on beef from abroad.

As the two advisers sat down to a hearty meal at the ranch table that memorandum was Topic No. 1. What is more, the President had invited several neighboring ranchers as guests. Heller and Gordon have since said that rarely had they come under such concentrated fire.

Their memorandum concluded that the decline in beef prices in 1963 had resulted not from the growing scale of imports but from greatly increased cattle feeding here at home. Therefore, a so-called voluntary agreement to restrict imports from Australia and New Zealand would serve little purpose.

THE PRESIDENT is said to have contented himself with a sharp dissent from the conclusion. But the tough-talking ranchers let the economists have it. Economic theories were all right but if you allowed beef from outside to pour in here then America's ranchers faced ruin.

The Department of Agriculture, which compiled the facts for the Gordon-Heller memorandum, shows that beef supplies last year increased by 1,300,000,000 pounds over 1962. But of this increase all but about 200,000,000 pounds was in home production.

Imported beef accounted last year for about 10 percent of the market in this country. Of this two-thirds came from Australia and New Zealand with the balance from Ireland, Mexico and small amounts from Argentina and other countries.

EVEN THOUGH there is a 10 percent American tariff, Australia sends beef into this country, and sells it at several cents a pound more than on the London market. Australian beef is from range cattle that are not fattened just before market on grain. In this country it is mostly manufacturing beef used in the canning industry. But it is also found in lower-priced restaurants where a \$1.29 sirloin platter is the specialty. There is no requirement that imported beef be labeled as such although certain states — Wyoming and South Dakota — have passed labeling laws.

What disturbs the ranchers is the rapid rise in the volume of beef imports. Five years ago only three percent of the American supply came from abroad. And with Australia having vast empty spaces that can be opened up to ranching another five years could see the volume at 15 or 20 percent of the U.S. market.

IN YEARS GONE BY Ten Years Ago . . . 1954

Seniors who were elected to the Inner Circle second semester council are Joan Babcock, Diane Davis, Jacqueline Douglas, Bonnie Friederick, Beverly McElmury, Mary Morcomb, Dorothy Mosiman, Connie Pfeiffer, Janis Simon, Lavonne Smith and Phyllis Tewes.

Miss Margaret Mattison, daughter of Mr. and Mrs. P. A. Mattison, student at Iowa State College, Ames, Iowa, has been named chairman of the art committee for Veishea, the annual spring open house at the college.

Seat of His Troubles

THE WASHINGTON MERRY-GO-ROUND

Key Witness Against LBJ Called Unreliable Informer

By DREW PEARSON
and JACK ANDERSON

WASHINGTON — Don E. Reynolds, the star witness against President Johnson in the Bobby Baker case, has brought reckless charges in the past against people who crossed him, accusing them of being Communists and sex deviates.

He went to the FBI on Oct. 9, 1952, with a list of alleged spies. After a costly investigation, the FBI cleared them all and concluded that Reynolds merely had been taking out his "personal grievances" against the accused.

Indeed, he made so many false accusations that the FBI in May, 1953, turned the tables on him and began an investigation of his own activities. The FBI found that Reynolds, as an American consular official and later an Air Force officer had not only furnished false information to the government but had also:

1. Sold wrist watches, jewelry, cognac, and perfume on the black market in postwar Germany;

2. Indulged in promiscuous sex relations with German girls, using his position as a consular official to persuade pretty visa applicants to submit to him;

3. Used his influence to get a visa for Hildegard Buchal, a German beauty, with whom he had been living in adultery;

4. Made anti-Semitic and anti-Negro remarks as a consular official in Berlin at a time when the United States was trying to stamp out anti-Semitism in Germany.

AS A RESULT of the FBI findings, the Air Force ironically began proceedings against Reynolds on the same charge that he had brought against so many others — namely that he was a "security risk." He was accused by the Air Force of "lacking morality, discretion, reliability, and trustworthiness."

Reynolds promptly went over the heads of the Air Force and FBI to Capitol Hill. He became an informer for the late Sen. Pat McCarran, D-Nev., who was trying to block the admission of immigrants to this country.

At one closed-door session, Reynolds launched into charges that the Immigration Bureau staff which screened immigrants into this country was loaded with Communists, sex deviates and Jews.

As he started reeling off the names of staff mem-

bers he regarded as sex deviates, Chairman Arthur Watkins, R-Utah, indignantly called a halt on the ground that the names were hearsay.

BUT REYNOLDS ingratiated himself with McCarran, who brought pressure on the Air Force to drop the "security risk" charges. Instead, the Air Force quietly hustled Reynolds out of the service with an honorable discharge.

Reynolds admitted to government investigators in May, 1953, that he had engaged in black market activities in Germany and that he had used his post as a consular officer to arrange sexual relations with girls seeking visas.

He also admitted that he had arranged a visa for his girl friend, Hildegard Buchal, to enter Switzerland, then had tried to get her admitted into the United States from Switzerland in order to circumvent the emigration regulations in Germany.

Under FBI cross-examination, Reynolds also confessed he had threatened a German girl that he would use his "connections" to get her deported if she testified for his wife in a divorce suit.

WHEN THE FBI inter-

viewed Reynolds' associates, they described him as "vicious and malicious," quick to take revenge against anyone who crossed him. He was also described by them as "deceitful and untrustworthy."

The FBI also discovered that he had made false statements to the government on many occasions.

In his personal history statement, submitted March 29, 1951, Reynolds claimed to be an outstanding student at Georgetown University's foreign service school.

However, the FBI learned from the university's records that Reynolds hadn't completed his requirements for a BS degree but was granted a degree on June 9, 1941, because he was going into the Army.

On another government form, he listed attendance at Georgia Tech, though there is no record at the school of his enrollment.

IN MAY, 1933, he told the FBI that he had been "turned back" from the military academy at West Point after contracting pneumonia. The academy's records showed that he was dropped in January, 1938, for academic deficiency, but he gained readmission that he gained readmission in 1940 for failing in chemistry.

The Girls

"We have anywhere from \$65.42 to \$126.90 in the treasury. What with cats, puppies and canaries flying around the house, that's as close as I can come."

TODAY IN NATIONAL AFFAIRS

GOP Aspirants Missing Boat

By DAVID LAWRENCE

WASHINGTON — Maybe all those would-be nominees for the presidency in the Republican party who believe in "me-tooism" had better announce themselves for the election of President Johnson and call it a day. For the Republican aspirants — with one exception — have missed the boat. They have failed to tell the country in a comprehensive manner what's wrong with the Democratic administration and have preferred instead to espouse some of the same vague doctrines of utopianism championed by President Johnson himself.

With the exception of Sen. Goldwater — who has been floundering somewhat lately — the Republican aspirants are ignoring the most significant factor in American presidential elections, namely, the emphasis on the grievances and discontent of the voters. Theoreticians imagine that presidential campaigns are won by the specific programs which the candidate outlines in his speeches or by his personal popularity, such as is supposedly derived nowadays from television appearances.

But not a single presidential campaign in 50 years has been won on that basis. Victory has come primarily by convincing the voters that the incumbent administration is either corrupt or inefficient or weak-kneed or just plainly incompetent to deal with economic troubles that may prevail. Only when the voters are persuaded that they had better get rid of the administration or party in power and take a chance on a new leadership is there a change in the White House. If the party in power cannot be proved as bad as the spokesmen of the other party claim, then all the arguments and personal appeal of the opposition nominee will be of no avail and the incumbent party will win out.

JOHN F. Kennedy didn't win in 1960 because of personal popularity but because of the adverse economic conditions in some of the big states beginning in 1957 during the Eisenhower administration. Mr. Kennedy didn't really offer any solutions and spoke in general terms. There were, of course, other factors in his favor, but the unemployment figures were of real consequence.

Dwight Eisenhower didn't win in 1952 because of personal popularity but because of the discontent over the Truman administration — expressed in the slogan "Corruption, Korea, and Communism." The Republican victory in 1956, on the other hand, was due primarily to a business boom.

Harry Truman didn't win in 1948 because he had a more progressive platform than Thomas E. Dewey, who was accused of "me-tooism" in that campaign, but because the economic conditions of the country were relatively stable and the opposition argument for a change in the White House was weak.

FRANKLIN D. Roosevelt didn't win against Herbert Hoover in 1932 because of the Democratic platform or campaign speeches — for these were rather conservative and promised a 25 percent cut in government spending. Mr. Roosevelt won because the country was in the midst of the severe depression that was touched off by the stock-market crash in October 1929. He was re-elected each time thereafter because the opposition argument was not persuasive. Though the unemployment figures continued sensationally large, the Republican nominees lost in 1936 and 1940 because they didn't capitalize on the discontent that swept the country. In 1944, the war was on and domestic issues were irrelevant, so the Democratic administration continued in power.

Today there is a growing discontent in America. The economic situation has been publicized as rosy, but there are serious defects in it on which the Republican nominees are strangely silent. They prefer instead to attack each other — particularly Sen. Goldwater. None of them has made a case on the "mess in Washington." Since Mr. Johnson's accession, the would-be Republican nominees have been accused in political circles of a kind of campaign lockjaw.

SEN. GOLDWATER'S position is anomalous. He started off with a spectacular series of attacks and won widespread support. Then Republican "me-toosers" began to enter the race — stimulated by the applause of the Democrats, who welcome with perceptible enthusiasm every new entry into the race for the Republican nomination. Now the Arizona senator, who is almost alone in his militancy on the opposition front, has made the mistake of trying to tell what he would do if elected. No candidate with political acumen does any more than promise utopia and a balanced budget and prosperity and peace. In the last several weeks, Lyndon Johnson has given a good example of how a politician can promise everything and yet not tell how he intends to achieve his goals.

There is, to be sure, an opposition case. Secretary of Defense McNamara has revealed to a House committee that "there is now solid evidence that weapons are being sent from Cuba to dissident groups in other Latin American countries." He referred, moreover, to "the recent discovery of a cache of Cuban-supplied arms in Venezuela."

P.L.E.N.T.Y. of evidence has been accumulated in the last three years that the Monroe Doctrine has been flouted and that the administration has declined to assert itself on the issue. The political cry is heard that to take positive action could mean war, but the political answer is that the policy of appeasement is an even more certain way to bring on the war that nobody wants.

Judging by the way the Republican presidential campaign is going today, it might be thought that victory can be won only by "me-tooism," though millions of voters doubtless would like to have at least one candidate articulate the mistakes in the foreign and domestic policies of the incumbent administration during the last three years.

To Your Good Health

Answers To Your Questions

By J. G. MOLNER, M. D.

DEAR DR. MOLNER: I have been counting calories to reduce weight. I notice that liquid diet foods and low calorie beverages have cyclamate calcium or saccharin, and the labels state that they are artificial sweeteners and should be taken only by persons who must restrict intake of ordinary sweets. Does this mean that everybody should not use these sweeteners? — C. C.

Did the labels state "only," or did they just state that these artificial sweeteners are for people who must reduce sugar intake? Artificial sweeteners are for anyone who wants to use them.

Roy Prentis
Dies at 48

Roy Prentis

Roy Prentis, a Winona State College graduate and the first and only executive director of the State College Board, died of a heart condition in a St. Paul hospital this morning. He was 48.

Dr. Prentis had been hospitalized more than two weeks under treatment for what doctors described as an arterial blockage. He had suffered a heart attack last summer.

A 1935 graduate of Winona State, he married the former Virginia Brightman, daughter of Mr. and Mrs. Arthur C. Brightman, 1031 W. Wabasha St. One of their children, John, is a freshman this year at Winona State. There are two other children.

In 1960 Dr. Prentis received a distinguished alumni award from Winona State.

Dr. Prentis, a native of Le Roy, Minn., earned his doctor of philosophy degree at the University of Minnesota.

He taught at a number of schools and was principal at Mound High School before joining the bureau of field studies at the university. He was an associate professor there when he was named to the new state post in 1956.

He was a Navy veteran of World War II.

Mayor, Council
Races Develop
At St. Charles

ST. CHARLES, Minn. (Special)—The mayor of St. Charles will be opposed at the spring election March 3, and there are eight candidates for two positions on the council. Filing deadline was Tuesday noon.

Mayor Donald Hankerson will be opposed by Perry Jenks of O & J Motor Co. Hankerson, co-owner of the St. Charles Condensery, has been mayor five years.

James Wilson and Dean Gaulke are the council members opposed for four-year terms by Walter Wilson, Mrs. Albert (Jim) Fix, Gerald Haas, Kenneth Millard, Floyd Pierce and Willard Case.

Candidates without opposition are the following incumbents: Louis Wilkins, recorder; Roy Wiskow, treasurer, and Archie Cocker, assessor. No one filed for two justice of the peace positions now vacant.

Prior to filing spokesmen said that the city election was expected to reflect the school controversy in St. Charles.

Blair Honor Roll

BLAIR, Wis. (Special)—The honor roll for the second quarter at Blair High School has been released by Gerald Sisko.

Achieving the A roll were: Leone Erickson, Sonia Lee, Joann Schultz, Ellen Knutson, Martha Engstrom and Joann Thompson, seniors; Marie Engstrom, Ronald Weisner, Theresa Shay, Marie Engstrom and Delpha Johnson, juniors; Cynthia Berg, Joy Johnson, Larry Erickson, Thomas Hanson, James Weisner and Mary Shay, sophomores; and Gerda Engstrom, Cathy Melander, Jerome Hanson and Lenny Moen, freshmen.

Lewiston Creamery

LEWISTON, Minn. (Special)—William H. Danks, marketing extension economist from the University of Minnesota, will be the guest speaker at the annual meeting of the Lewiston Creamery at 1 p.m. Thursday at the village hall.

Two directors will be elected to three-year terms. Patrons will vote on amendments to the articles of incorporation.

Teresan Gets
Doctors Degree

Norbert J. Geier, associate professor of English at the College of Saint Teresa, received the degree of doctor of philosophy from the University of Wisconsin at the January commencement.

Dr. Geier's major field of study is modern British and American literature, and his doctoral dissertation examines a problem in contemporary critical theory: "The Problem of Aesthetic Judgment and Moral Judgment of Literary Value in the Critical Theories of Irving Babbitt, Paul Elmer More, Yvor Winters and T. S. Eliot. The dissertation was written under the direction of Prof. Paul L. Wiley.

During World War II Dr. Geier attended the University of Notre Dame as a cadet in the Naval Reserve Officers Training Corps, receiving a commission as ensign, the J. Hugh O'Donnell Memorial Trophy award for excellence in naval studies, and the bachelor of naval science degree in 1946. He attended the Naval Supply Corps School at Harvard University and served at Great Lakes, Ill., and at Camp Perry, Va.

Following his release to inactive duty, Dr. Geier returned to the University of Notre Dame and received the bachelor of arts degree, magna cum laude, in 1948. He received the master of arts degree from the University of Wisconsin in 1949. He also has attended the University of Minnesota.

A native of Cashton, Wis., and an instructor at the College of Saint Teresa since September 1950, Dr. Geier is a member of the Alpha Psi Omega dramatic fraternity, the Minnesota Council of Teachers of English, the National Council of Teachers of English, the Modern Language Association and the American Association of University Professors. He lives at Dakota Rt. 1.

Judge Continues
Rubbish Case;
One Found Guilty

Trial on a rubbish ordinance violation for Miss Lois Gensmer, 977 1/2 W. 5th St., was continued today until Feb. 14 by Municipal Judge John D. McGill.

Continuance was granted to allow her to secure an attorney.

A NEIGHBORING tenant in the same apartment house, Wayne Noeske, tried on the same charge, received a suspended sentence from Judge McGill. Both had been charged with allowing garbage and rubbish to accumulate in unauthorized containers or on the ground after neighbors complained to the city sanitary inspector about alleged rat infestation in the area.

City Prosecutor called Roy Vose, sanitary inspector, and Frank Drexel, 618 Grand St., as witnesses. Vose said three separate cleanup orders, issued in December and January, were not observed. Garbage was placed in fiber barrels, he said, which were not waterproof or rodent proof, in violation of the ordinance and subsequent abatement orders.

Drexel, caretaker of an automatic laundry below the apartments, said the laundry had barrels for its own dry trash but these were used by tenants for unauthorized disposal of garbage.

Noeske, who had no attorney, called his wife to the stand. She testified they had no complaints for the three years they lived in the apartment until last fall when Miss Gensmer moved in next door. A. L. Kitt, owner of the building, corroborated this testimony when questioned by Noeske.

Judge McGill, finding Noeske guilty, ordered a fine of \$15 or five days in the city jail. He suspended it on condition that the area around refuse barrels be kept clean and that no similar violations occur within six months.

He also ordered Kitt and Mr.

and Mrs. Noeske to appear as material witnesses at Miss Gensmer's trial next week.

Pigeon Falls
Man Killed in
Hunting Accident

PIGEON FALLS, Wis. (Special)—A 53-year-old area farmer accidentally shot and killed himself while hunting rats Tuesday afternoon, according to Dr. John Noble, Jackson County coroner.

Oscar Hagen had left home about 2 p.m. to hunt. When he hadn't returned by 7 p.m. his son Orville started a search. Walter Hanson, a neighbor, found him hanging over a board fence. He had been shot through the neck by the .22 rifle he was carrying, Jackson County authorities said. They were called at 8:55 p.m.

Hagen lived on a farm in Schimmerhorn valley southeast of here, about four miles from Northfield, but the accident occurred on his other farm in the York area; it was reported.

Survivors are: His wife; four daughters, Mrs. Merle (Elaine) Schulze, Helmet, Calif.; Mrs. Jerry (Delores) Knight, Goldfield, Iowa; and Marlene and Marsia, at home, and four sons, Orville, Orland, Juell and Roger, all at home.

The funeral service is tentatively set for Saturday at 2 p.m. at Northfield Lutheran Church, the Rev. David M. Bey officiating. Burial will be in the church cemetery.

Two-State Deaths

Mrs. Irwin J. Smith

CHATHFIELD, Minn.—Mrs. Irwin J. Smith, 51, a Chathfield native and longtime resident, died Monday of leukemia in St. Mary's Hospital, Rochester, following an illness of one week. The former Mary Audrey Julian, she was born Nov. 14, 1912.

On July 1, 1939, she was married to Irwin J. Smith who died in 1961.

Survivors are: Her father, John Julian, Chathfield; two daughters, Sister Mary Donall and Helen, Rochester; two sons, Donald, Faribault and Gary, Austin; one stepson, Joseph, Sierra Vista, Ariz., and two sisters, Mrs. Leonard Chase, Chathfield, and Mrs. Cyril Manahan, Rochester. Funeral services will be in Austin.

Mrs. Louis Helm

HOKAH, Minn. (Special)—Mrs. Louis Helm, 83, died at 2 p.m. Tuesday at her Hokah farm home.

Mrs. Helm, who had been ill about one year, was born here Aug. 4, 1880, to Mr. and Mrs. Frederick Bolduan, pioneer settlers. She was married in Hokah Nov. 11, 1903.

Surviving are: A son, Clarence, and a daughter, Erma, both at home, and a sister, Miss Hulda Bolduan, Hokah. Her husband, parents, three sisters and four brothers have died.

The Rev. S. E. Birkner will officiate at services Friday at 2 p.m. at the United Church of Christ. Burial will be in Mt. Hope Cemetery. Friends may call at Potter and Haugen Funeral Home, Caledonia, Thursday afternoon and evening and at the church after 1 p.m. Friday.

Thomas Swenson

RUSHFORD, Minn. (Special)—Thomas Swenson, 78, former Rushford resident, died of a heart attack Jan. 23 at his home at Glenwood, Minn.

He had been hospitalized 1 1/2 weeks but was recuperating at his home.

He was born here Oct. 25, 1885, to Mr. and Mrs. S. T. Swenson. He homesteaded in North Dakota, farmed in Saskatchewan, Canada, and after retiring from farming, became a real estate agent. He was a member of the Glenwood Lutheran Church.

He never married. Survivors are: One sister, Mollie, Glenwood; one brother, Alfred, Rushford; seven nieces and nephews. One sister, Martha, and two brothers, Samuel and Barney, have died.

The funeral service was held Jan. 27 at Glenwood Lutheran, the Rev. Kenneth Kramer officiating. Burial was in the church cemetery.

Mrs. Louise Elmes

LA CROSSE, Wis.—Mrs. Louise Elmes, 72, former La Crosse resident and a native of the Pickwick area in Winona County, died Tuesday morning in Mulder Nursing Home, West Salem. She was born May 16, 1891, at Lamolite.

She is survived by four daughters, Mrs. Charlotte Halverson, Houston; Mrs. Harlan (Clara Belle) Marconi, Healdsburg, Calif.; and Mrs. Robert (Betty) Swanbeck and Mildred Elmes, La Crosse; one sister, Mrs. Thomas (Mathilda) Olson, Regina, Sask., Canada; one brother, Carl Olson, Winona, and 11 grandchildren. Her husband died in March 1963.

Services will be Thursday at 2 p.m. in Bethel Lutheran Church, La Crosse. The Rev. Leland Evenson will officiate and burial will be in Oak Grove Cemetery. Friends may call at Dickinson Caledonia St. Chapel today and at the church Thursday after 1 p.m.

Two-State Funerals

Mrs. Henry Gosse

WABASHA, Minn. (Special)—The funeral service for Mrs. Henry Gosse, 31, who died of cancer at St. Elizabeth's Hospital Tuesday, will be Thursday at 9:30 a.m. at St. Felix Catholic Church, the Rt. Rev. Msgr. John A. Mich officiating. Burial will be in the church cemetery.

Friends may call at Abbott-Wise Funeral Home this afternoon and evening. The Altar Society will recite the Rosary at 3 p.m. and Msgr. Mich at 8 p.m.

The former Dora Budde, she was born Feb. 6, 1892, at Wabasha, daughter of Mr. and Mrs. Gerhard Budde. She was married to Henry Gosse Nov. 16, 1926. He survives as do nephews and nieces.

any other survey.

"Since we have such need of facilities and since we have the ability to build properly and immediately since we have in the past and can in the future maintain a proper school system, it is difficult to understand why certain members of the board are always in direct opposition to any program.

"In view of these facts it seems almost impossible that these three members of the board would refuse to vote to submit a bond issue to the people. This action would clear all uncertainty and the ballot box in this one action would decide the school issue and would very definitely show the will of the people.

"The political campaign begins in earnest here tonight as GOP precinct caucuses begin at 8 p.m. at 32 locations in Winona County.

Delegates will be chosen at these caucuses. They will attend the county convention, to be held in about a month.

James Goetz, 557 W. 5th St., county Republican chairman, said he expected high levels of interest in this campaign. Voters will be interested in the races for the presidency and the U.S. Senate seat now held by Democrat Eugene McCarthy, as well as in balloting on the proposed taxonite amendment to the state constitution.

Goetz said.

These issues will furnish ready-made agenda for precinct caucuses, Goetz asserted. He described the precinct caucus as the place where citizen participation in government begins.

State law dictates that a person may take part in a precinct caucus if he is a qualified voter in Minnesota, agrees with the party's principles, supports its aims and intends to vote for its candidates.

Democratic Farmer-Labor caucuses on the precinct level will be held March 3. The party's county caucuses will be in April.

CD Economic
Setup Approved

Ray Johns, county Civil Defense director, was given permission Tuesday by the Winona County Board of Commissioners to appoint a chief for a proposed county economic stabilization service.

The service, a CD measure which would go into operation in time of emergency, such as after a nuclear attack, would indirectly control wages, salaries and financial policies, and would directly control prices and rents.

It also would ration essential consumer goods in the undamaged areas after an attack.

Johns, Lewiston, told the board that he, as CD director, and it have the responsibility for naming the chief, who with two deputies would supervise price control, rent control and consumer rationing divisions.

The board's approval gave Johns the go-ahead signal to select the chief himself. The chief in turn will name those who will work under him. In all, 21 positions need to be filled. All personnel will serve without pay.

Johns estimated that it would be at least a year before the service would be operative.

The board's approval gave Johns the go-ahead signal to select the chief himself. The chief in turn will name those who will work under him. In all, 21 positions need to be filled. All personnel will serve without pay.

ARTHUR DERNER, Breda, Iowa, announces the engagement of his daughter, Miss Jane Derner, Rochester, to Frank Schloegel, Rochester, son of Mr. and Mrs. Michael Schloegel, 466 Vine St. Miss Derner is employed at the Mayo Clinic. Mr. Schloegel is with the Minnesota Department of Highways. The couple will be married April 11 at St. John's Catholic Church, Rochester.

St. Agnes Parish Council Women Meet At Kellogg Church

KELLOGG, Minn. (Special)—The St. Agnes Parish Council met Thursday evening in the church hall. Mrs. Bernard Hager, council president, conducted the meeting and led the prayers.

She named Mrs. Cabel Tentis the new parish committee chairman for Family Life, a recently added committee on the parish council.

Mrs. Hager presented a calendar of parish events for future reference for 1964 which also included parish committee chairmen and unit chairmen.

MRS. CLAIR Hall, Unit 3 co-chairman, gave the report on the card party and supper Jan. 10.

Catholic Relief Charity chairman, Mrs. Martin Kennebeck, spoke on foreign relief, the Madonna plan and the china doll program. She said all-wool, hand-woven stoles are available in five colors and can be ordered and sold. The proceeds go to the support of the listed charities.

MRS. JOSEPH Wallerich and **Leo Kraus** reported jointly on the deanery meeting held here the previous Sunday.

Mrs. Tentis announced a public card party to be sponsored by Unit 7, Feb. 16 in the church hall.

Apostolate for the aged co-chairman, Mrs. Lawrence Passee, announced Unit 7 is arranging a party for Golden Agers.

The members voted to have members of each unit visit local shut-ins, patients in hospitals and rest homes, instead of named individuals as in the past.

Mrs. Gladys Rentmeester received a prize.

Following the meeting white material strip bandages were rolled for medical mission hospitals.

Lunch was served by Mmes. Arthur Hager, Martin Kennebeck, John Hager and Misses Ruth Zable and Marie Kraus.

SECOND HOMER PARTY

HOMER, Minn.—Homer Parent-Teacher Club will give its second card party in a series of three Sunday at 8 p.m. at the Homer City Hall. The game of 500 will be played for prizes and lunch will be served.

Methodist Groups Plan Meetings

RIDGEWAY, Minn. (Special)—A mother and daughter banquet is scheduled for mothers and daughters of the Methodist congregation at the church parlors Saturday at 8 p.m.

The Women's Society of Christian Service of the church will meet Feb. 13, starting with a cooperative fellowship dinner at noon. The work project for the month is clothing for the Indian Mission in northern Minnesota.

Spring Grove Native Wins Poetry Award

SPRING GROVE, Minn.—Joseph Langland, a native of Spring Grove, recently was awarded the \$500 Melville Cane poetry award by the Poetry Society of America.

He received the award at a banquet in New York for his outstanding book of poems published in 1963. The book, his second on poetry, is entitled, "The Wheel of Summer" and was published by Dial Press.

Mr. Langland is a professor of English at the University of Massachusetts at Amherst and is poetry editor of the Massachusetts Review, a professional magazine of the arts and literature.

He received his B.A. and M.A. degrees at the State University of Iowa and studied under a scholarship at Bread Loaf and under fellowships at Harvard and Columbia Universities.

He has been at the University of Massachusetts since 1959 and prior to that was at the University of Wyoming, the State University of Iowa and Dana College. He has been guest lecturer at the University of British Columbia and the Poetry Center of San Francisco State College.

Bride-Elect Given Shower

EITZEN, Minn. (Special)—Miss Marion Schutteimer was honored at an open house bridal shower at the Caledonia State Bank basement Friday evening.

Miss Schutteimer and Ronald Nerstad of Spring Grove will be married Saturday at St. Luke's United Church of Christ in Eitzen.

Hostesses were Mmes. Walter Beneke, Guy Hedington, Armin Schutteimer, William Schutteimer, Fremont Schutteimer, Elmer Schutteimer, Bonnie Peters and Albert Meyer.

MRS. SENTRY HONORED
INDEPENDENCE, Wis. (Special)—Mrs. Anton Senty celebrated her 85th birthday with a dinner party at her home Saturday. Mrs. Roland Frey, Whitehall, Wis., and Mrs. August Killek, Independence, daughters of Mrs. Senty, assisted. Out of town guests were from Madison, Rice Lake and La Crosse, Wis.

Tickets Selling For Woodmen's Carnival Ball

ARCADIA, Wis. (Special)—An advance sale of tickets to the 63rd annual carnival ball of the Woodmen of the World is now being conducted in Arcadia. The event will be held at the Old Armory, Monday evening, with dancing beginning at 9 p.m.

Clifford Axness, council commander is honorary chairman and Albert Galuska and Howard Knutson are co-chairmen. Others heading committees are Ignatius Sossalla, Albert Galuska, Peter Pyka, Clarence Misch, Joseph Grossman, Warren Shankey, Joseph P. Klonecki, and Robert Gilbertson.

Tickets may be obtained from any member of the Woodmen and at all cafes in the city, and also will be sold at the door the night of the dance.

The Rhythm Playboys will furnish the music for dancing and a carnival theme will be carried out. A waltz will be played every second dance.

Each year proceeds from the dances have provided funds used by the Woodmen to promote worthwhile civic causes. They have contributed money to furnish a hospital room; invested \$500 in both Arcadia projects and the Arcadia Medical Center; presented American flags and flag poles to all civic buildings within the city and to country schools; and each year presented history medals to honor students in the Arcadia High School. Each year the Woodmen sponsor a bowling team, juvenile Christmas party and adult picnic for members.

Past Presidents Parley Elects Head

LA CRESCENT, Minn. (Special)—Mrs. Ralph Timm was elected chairman at the first meeting of the Past Presidents Parley of the Gittens Leidel Unit 595, American Legion Auxiliary, Monday.

Past presidents attending the meeting were Mmes. Timm, Charles Gavin, Arthur Jansen, Wayne Lottes, Ed Wimerslage, Robert Boehm, Dallas Ames and Alvida Anderson.

The group will assist the president when she calls on them and help with the annual reports. The parley holds meetings following the regular meeting of the unit on the second Tuesday of each month.

Lions Sponsor Games Party

ST. CHARLES, Minn. (Special)—The St. Charles Lions Club will sponsor a games party at the Catholic school hall Sunday at 2 p.m. Proceeds of the party will be used for providing a deserving senior with a scholarship for further education.

Donation tickets, entitling purchasers of 20 free games, may be bought from any Lion or at the school hall.

FUN FEST CROWNING... A highlight of the excitement at Cotter High School's annual Fun Fest Tuesday was the crowning of a sophomore king and queen. James Blank, left, son of Mr. and Mrs. Richard Blank, was given his royal king's crown by Arnold Stenehem, Jack Frost of the Winona Winter Carnival, while Carol Kohner, second from right holding the sheaf of roses, was crowned by Miss Snowflake

of the Winter Carnival, Donna Stead. Carol is the daughter of Mr. and Mrs. Cyrus Kohner. The young people of the school entered into the Valentine Fiesta motif of the Fun Fest as they patronized booths set up in the Catholic Recreation Center, were served a special lunch at noon and in the evening had dinner at Cathedral Hall. (Daily News photo)

MR. AND MRS. RALPH Thompson, Whitehall, Wis., announce the engagement of their daughter, Miss Vivien Thompson, to Richard Angelo, son of Mrs. Vera Angelo and the late Edwin Angelo, Phillips. A June wedding is planned. A 1960 graduate of Whitehall High School, Miss Thompson attended Northwestern College, Minneapolis, two years, and is now employed by Minneapolis House Furnishings Co., Minneapolis. Mr. Angelo is a 1959 graduate of Phillips High School. He attended Northwestern College, Minneapolis, two years, and is now studying aviation mechanics at Minneapolis Technical Institute, his second year.

Arcadia Auxiliary To Host County Auxiliary Members

ARCADIA, Wis. (Special)—The auxiliary to the Ticker-Erickson American Legion Post will be host for the County Auxiliary at 8 p.m. Monday at the Trempealeau Electric building.

Hostesses will be Mmes. Donald Glanzner, Paul Sobotta, Omer Fugina, Grant, Pahl and Luella Severson.

Entertainment is being arranged by Mmes. Jean Everson and Ignatius Sossalla.

The regular meeting of the local auxiliary will be held prior to the county meeting, beginning at 7:30 p.m.

BRIDAL PAIR HONORED

INDEPENDENCE, Wis. (Special)—About 50 persons attended the pre-nuptial shower Sunday honoring Miss Ellen Girtman, Independence, daughter of Mr. and Mrs. Boardaus Girtman, and Jerry Holstad, Whitehall, Wis., at the Chimney Rock Church parlors. The couple will be married Feb. 15. Hostesses were Mmes. Leslie Klevgard and Ernest Jacobson.

Garden of Eden Club Plans Meeting

GALESVILLE, Wis. (Special)—The program for the Garden of Eden Club will be in charge of Mrs. Dea Fraust, Ettrick, Wis., when a film will be shown at the meeting of the club Tuesday at 8 p.m. in the Isaac Clark room of the Bank of Galesville.

St. Charles gladioli gardens will be the feature with scenes and arrangements. An open discussion will be held on bulb planning for spring planting. Hostesses will be Mmes. Elsie Server and Leo Betz.

NO MEETING

There will be no meeting of Degree of Pocahontas tonight. Regular meetings of the group are held on the second and fourth Wednesdays of each month unless otherwise stated.

PICKWICK CARD PARTY
PICKWICK, Minn.—Pickwick Volunteer Fire Department will sponsor a series of card parties at the Pickwick School. The first will be Saturday evening and others will be Feb. 15 and 22. Starting time is 8 p.m. each evening. A grand prize will be awarded at the end of the series.

Auxiliary To Meet Tuesday

LA CRESCENT, Minn. (Special)—Gittens Leidel Unit 595, American Legion Auxiliary, will meet Tuesday at 8 p.m. in the clubrooms. Final plans will be made for the annual spaghetti and meatball dinner Feb. 15. Tickets are on an advance sale basis only. Mrs. Robert Johnson, chairman of the unit's style show to be held March 2 in the Crucifixion auditorium, will report on the progress of the event.

Auxiliary Sponsors Americanism Contest

ST. CHARLES, Minn. (Special)—American Legion Auxiliary to Post 190 is sponsoring an essay contest in the interests of Americanism.

"Why I Am Proud of My American Heritage" is the topic chosen. Essays are to contain 1,000 to 1,200 words and will be judged on format and content. The contest is open to senior high students of St. Charles.

Deadline date is Feb. 24, by which time the papers are to be given to J. G. Karakas at the school.

Judges will be Dr. Martha Seeling, Dr. Helen M. Kepler and Harold Hayes, all of St. Charles.

GREEN THUMB CLUB

LEWISTON, Minn. (Special)—The Green Thumb Club will meet at the home of Mrs. Hilda Judd Friday at 2 p.m. Mrs. Harold Richter, Winona, will show slides of her western trip.

400 Persons Attend Firemen's Dance

LA CRESCENT, Minn. (Special)—Over 400 persons attended the La Crescent Volunteer Fire Department's annual ball Saturday at the Crucifixion auditorium. A display of the department's new fire fighting equipment purchased from the proceeds of former dances was displayed. Prizes were awarded Clarence Vetsch, Gerald Miller, Mrs. Lee Pollack, Earl Welch, Wanda Cluck, Mrs. Jerome Darrelus, Keith Jones, Bruce Nelson, James Rees and Mae Miller.

The use of the auditorium was donated by the Rev. Richard Speltz and the Crucifixion parish. Letters announcing the dance were printed by Principal Arden Hyldahl of the La Crescent public school and the envelopes addressed by Ace Telephone Corp., in a spirit of community effort.

Two Church Groups Plan Day of Prayer

GALESVILLE, Wis. (Special)—Fellowship women of Zion Lutheran Church and Presbyterian Church met recently to plan the annual World Day of prayer observance.

It will be held at 2 p.m., Feb. 14 at the Presbyterian Church and will be open to women of all faiths in the community.

Committee women at the meeting were Mmes. Arthur Kindesky and Harold Hilt of the Judd Lutheran church and hostess church members Mmes. Troy Stellrecht and John Salsman.

WHITE—BLACK—OTTER

Dental Health Films Viewed By PTA Parents

Three dental films were included in the program presented Tuesday evening in Winona Senior High School as part of the observance of National Children's Dental Health Week in Winona.

"Learning to Brush" illustrated the correct method of tooth brushing. It pointed up the fact that "you have to know how to use a tool to make the job easier and to do the job right." The film demonstrated how children in a classroom were given help in learning to handle a toothbrush properly.

"Save Those Teeth" gave help on preventing dental caries—explained how bacteria in the mouth changes sweets to acid which causes decay—showed slides of bacteria under a microscope to illustrate how many millions of bacteria are present in the mouth—illustrated the application of a fluoride solution directly to the teeth—suggested the proper foods to be eaten between meals instead of sweets. The desirability of having two toothbrushes was explained—so that one brush would always be dry.

"Picture Your Teeth" introduced the subject of radiology with a light touch, showing early scenes about Professor Roentgen's discovery of X-rays and how X-rays are produced and controlled.

Present-day radiation protection for the young patient was shown. One episode dealt with an impacted molar which was treated after the radiographs had been taken and examined by the dentist. Other episodes dealt with bridgework, periodontal condition, orthodontic tooth correction, how the pediatrician specializes in the care of children's teeth as the pediatrician cares for the medical needs of the young, and how dental radiography turns attention to the years ahead — the continuing search for ways "to prevent troubles before they start".

Hosts were Lloyd Ferdinandson, president of the Winona City PTA Council, Dr. George P. Joyce, president of the Winona County Dental Society, and Mrs. Joyce, president of the Women's Auxiliary to the Winona County Dental Society.

Eugene Sweeney, audio-visual director, Winona Public Schools, who has been working with the dental film program in the schools this week, ran the projector for the meeting.

HOLY NAME SOCIETY
ARCADIA, Wis. (Special) — The Holy Name Society of the St. Stanislaus Catholic Church will meet at 7:30 p.m. Sunday in the church recreational rooms. Following the meeting a card tournament will be held.

General chairman is Miss Mary St. John, Appleton, Wis., and Miss Donna Finrock, Palatine, Ill., is co-chairman. Chairmen are elected from the junior class by the juniors. Other chairmen are Miss Mary Clare Albrecht, Winona, art; Miss Jo Ann Christopher, Elmhurst, Ill., tickets; Miss Betty McCormick, Harpers Ferry, Iowa, and Miss Patricia McGinnis, Elmhurst, Ill., bids; Miss Mary Catherine Gallagher, Chicago, refreshments; Miss Sheryl Frank, New Prague, Minn., band and the Misses Sandra Costello, Mount Prospect, Ill., and Donna La Rocque, Oak Park, Ill., publicity.

Decorations and theme are not revealed by the class until the night of the Prom. General chairman of the decoration committee is Miss Kathleen Coughlin, La Crosse. Her assistants are the Misses Nancy Rogge, St. Paul; Judith Steinbauer, Owatonna, Minn., and Colette Gibson, Westchester, Ill. Chairman of the invitation committee is Miss Sharon Fritsch, Minneapolis, and the Grand March will be directed by Miss Susan Engemann, Chicago Heights, Ill.

Chairman of the clean-up committee is Miss Maureen Dowling, Chicago, Ill., and Miss Margaret Bulbis, Calumet City, Ill., heads the class breakfast committee.

Miss Ann Pelowski Honored at Shower

ARCADIA, Wis. (Special) — Miss Ann Pelowski was honored at a prenuptial miscellaneous shower, Sunday afternoon in the Legion Clubrooms. Mrs. Eugene Gunderson and Miss Jean Schless were hostesses.

Miss Pelowski, daughter of Mr. and Mrs. Andrew Pelowski, Arcadia, will become the bride of Raymond Lyga, son of Mr. and Mrs. Roy R. Lyga, Independence, Saturday at 9:30 a.m. in Our Lady of Perpetual Help Catholic Church.

The couple was also honored at another miscellaneous shower at Bisek's Hall, Independence. Mr. Lyga's parents were hosts.

SECOND CARD PARTY

MINNESOTA CITY, Minn. — The second in a series of card parties will be held Saturday at 8 p.m. at the Minnesota City School gym. The games of schafkopf and 500 will be played for prizes. The event is open to the public.

FACULTY WIVES . . . The wives of faculty men at the College of Saint Teresa, Winona State College and St. Mary's College met for a pleasant afternoon tea Tuesday at Loretto Hall, Saint Teresa's. Among the more than 60 women attending were, from left, Mmes. E. L. Ragar, Ronald Zwonitzer, Orest Ochymowycz and Oscar Horner. Hostesses at the tri-college event were members of the Women's Club of Saint Teresa's,

headed by Mmes. Paul Koprowski, Horner and Karl Lipsch. Presiding at the refreshment table were Mmes. Robert Orom and Richard Weiland, officers of the club. Entertainment was provided by foreign students. Misses Sue Yeh and Eniko Tamayoma performed a Japanese tea ceremony and Miss Styla Lee sang a Chinese song. This is the second tri-college tea to be given. Last year WSC Faculty Wives were hosts.

Peter Kupka Weds Miss Schaefer at Arcadia Church

ARCADIA, Wis. (Special) — Miss Barbara Schaefer, daughter of Mr. and Mrs. Marvel Schaefer, Arcadia, became the bride of Peter Kupka, son of Mrs. John Hagenbarth, Arcadia, and the late Frank Kupka, Feb. 1 in the Our Lady of Perpetual Help Catholic Church.

The Rev. John P. Trant, officiated at the double-ring ceremony. Sister Mary Alvin was organist and accompanied St. Aloysius Catholic School choir.

THE BRIDE, given in marriage by her father, wore a floor-length gown of slipper satin, fashioned with a fitted bodice, scalloped bateau neckline outlined with Alencon lace and long sleeves. An Alencon lace panel fell from the waistline of her pleated skirt. A border of lace followed the hemline.

A satin rose petal headdress, held her English net veil and she carried a cascade of red rose buds, with satin ribbon streamers.

The bride's sister-in-law, Mrs. Robert Schaefer, Ar. adia, and Miss Sophia Sobczak, Arcadia, were bridesmaids and Miss Ruth Weaver, Winona, was maid of honor.

They were dressed alike in cranberry red slipper satin street-length frocks designed with fitted bodices, scoop necklines and long sleeves. They wore matching face veils held by a satin rose and carried colonial bouquets of split white carnations.

THE BRIDE'S brother, Robert Schaefer was best man and Dennis Schock, Arcadia, groomsmen. Marcel Schaefer, Winona, brother of the bride and Vince Weaver, Winona, ushered.

For her daughter's wedding, Mrs. Schaefer wore a turquoise and beige three piece suit dress with beige accessories. The bridegroom's mother wore a lavender three piece suit dress with winter white and black accessories. Each wore a corsage of pink rose buds, and white carnations.

Following the ceremony the bridal party was entertained at a breakfast at the City Cafe, by the bride's employer, Mrs. Albert Galuska. A noon dinner for the immediate families was served at Club 93, near Arcadia. A wedding cake centered the bridal table.

A RECEPTION was held at Club 93 from 2 to 6 p.m.

Mmes. Rose Kupietz, Albert Klonecki and Aloysius Slaby Sr., were in charge of the kitchen.

The Misses Stella Sobczak, Judy and Bonnie Rehbahn, Donna Greenwald, Arcadia, and Angie Kabus, Independence, Wis., Miss Susan Glemza, Arcadia, and Mrs. Aloizy Saverinski, Independence, sister of the bride, assisted.

Music for dancing during the

Mr. and Mrs. Peter Kupka (King's Studio)

reception was furnished by the Bisek Orchestra of Independence.

Both bride and bridegroom are graduates of Arcadia High School. The bride is employed as a waitress at the City Cafe and the bridegroom is employed by Winona Ready Mix Company. The couple is making their home in Arcadia.

PLEASANT VALLEY CLUB

Pleasant Valley Social Club will meet at 2 p.m. Saturday at the home of Mrs. Irwin George.

ENGAGEMENT ANNOUNCED

ETTRICK, Wis. (Special) — Mr. and Mrs. George Wright, Minneapolis, announce the engagement of their daughter, Rozanne Schwabenhauer, La Crosse, to Norval William Deeren, son of Mr. and Mrs. Norval Deeren Sr., Town of Gale. The wedding will be March 7.

MNC FASHION TIPS

BLAIR, Wis. (Special)—Blair Music, Needlecraft and Culture Club will meet Friday at 2 p.m. at the home of Mrs. R. E. Anderson.

Large Crowd Plays At Homer Party

HOMER, Minn. (Special) — Homer Parents and Teachers Club had a record turnout at the first card party sponsored by the club Sunday evening at Homer Hall. Seated at 16 tables were people from eight communities, who were served refreshments after the game.

Prizes for high scores were awarded, but a grand prize will go to the person with the highest total score at the end of the series of three parties, which will be Feb. 16. The group will sponsor another party Sunday evening.

Members will answer to roll call with a fashion tip. Mrs. Walter Kling from the Blair High School home economics department, will present the topic: "Line and Design in Dress." The program will also include a musical selection.

Yale at New Haven, Conn., will be the scene of the NCAA swimming championships on March 26-28.

Committees Named For Rosary Society

ARCADIA, Wis. (Special) — Mrs. Adrian Lisowski, president of St. Stanislaus Catholic Church Rosary Society appointed program committees to serve for each month at the meeting of the group this week.

Mrs. Warren Shankey is chairman and will be assisted by the Mmes. LaVerne Salsala, Peter Pyka, Thomas Chisholm, LaVerne Lisowski, and Bernard Wozney.

Deanery legislation chairman, Mrs. Emil Glezinski, Dodge, Wis., in a letter, read by the president, requested that members write to their congressmen expressing their views on Civil Rights.

Beginning in March an award will be presented to members having a perfect attendance record for society meetings and

Wednesday, February 5, 1964 WINONA DAILY NEWS 9

who receive Communion, the first Sunday of each month, as a member of the group.

The usefulness of the society was explained in a poem, "The Help of the Ladies Aid," read by the president.

The Rev. Patrick Devine, temporary assistant to the pastor the Very Rev. Msgr. Joseph J. Andrzejewski, was introduced.

Mrs. Aloizy Kulig was awarded the special prize. Group 7, Mrs. Stanley J. Salsala, chairman, was in charge of the social hour following the meeting.

MRS. SCHULTZ HONORED

TAYLOR, Wis. (Special) — About 25 guests attended a pink and blue shower Saturday afternoon at the home of Mrs. Larry Halverson in honor of Mrs. Emil Schultz.

Games Party For March of Dimes

PLAINVIEW, Minn. (Special) — The American Legion and the American Legion Auxiliary, will sponsor a game party at the Plainview Community Building, Sunday at 8 p.m. Lunch will be available.

Proceeds are to go to the March of Dimes. There will be no other solicitations to the public this year in soliciting contributions. The door-to-door envelopes will not be used, as in previous years.

HILEAGUE TO MEET

TAYLOR, Wis. (Special) — Taylor Lutheran Parish Hileague will meet Sunday at 8 p.m. in the Taylor church.

County School Vote Slated 2 to 8 Friday

Qualified voters in eight Ridgeway school districts will vote Friday on the proposed consolidation plan for their districts.

The election will be held from 2 until 8 p.m. Residents of all eight districts will vote at the schoolhouse in Common School District 2602, Ridgeway.

IF THE PLAT is approved by voters in the districts involved, the consolidation will proceed as planned. It already has been approved by Erling O. Johnson, the state commissioner of education.

Plans call for construction of a new elementary school at Ridgeway if the consolidation becomes a fact.

All qualified voters in the eight districts are qualified to vote in Friday's special election, Jesse B. Jestus, Winona County superintendent of schools, explained this week. A qualified voter is defined as a United States citizen at least 21 years old, who has been a resident of Minnesota for at least six months and of the district at least 30 days preceding the election.

Qualifications were more strict last month when petitions asking that the election be held were circulated in the eight districts. Then, a signer had to be a resident freeholder of one of the districts. This is not necessary in order to vote in the election, Jestus stressed.

Districts involved are common school districts 2542 (Whitlock), 2543 (Boynton), 2586 (Cooper), 2601 (Bush), 2602 (Ridgeway), 2614 (Upper Cedar Valley), 2617 (Ireland, excluding 360 acres in Looney Valley) and 2626 (Midway).

UNDER DISCUSSION since last summer, the consolidation proposal received a setback in October when the state commissioner of education rejected a plat because all the land in it was not contiguous. This was because an isolated portion of CSD 2555 was situated within the boundaries of CSD 2614.

Action by the Winona County Board of Commissioners in December, however, attached this tract to CSD 2614, thus removing this impediment to consolidation. The redrawn plat was submitted again to the state commissioner, and his approval was received in January.

Renville GOP Backs Barry

RENVILLE, Minn. (AP) — Republican caucuses in four of the five commissioner districts in Renville County adopted pro-Goldwater resolutions Monday night.

Turnouts were generally poor. A meeting at Franklin avoided endorsing a committed delegate but supported Walter Judd for U.S. Senator or some other office.

"Most of the groups felt it would be a waste to run Dr. Judd as a favorite son," said Dewey Bryan, local GOP chairman at Renville.

Life Sentence Of Wisconsin Man Vacated

MADISON, Wis. (AP) — The Wisconsin Supreme Court Tuesday vacated the life sentence of Clarence Burnett of Racine, who has served 18 years on a murder charge.

The supreme court held Burnett was not given proper defense and ordered that he be released from prison at Waupun and returned to Racine "for further proceedings according to law." The order was interpreted to mean Burnett may be tried.

He pleaded guilty in 1945 to first degree murder in the slaying of Charles DeLuca two days earlier. In a petition, Burnett said he waived the right to have an attorney, on the advice of the district attorney's office.

Burnett said he was told that because of public feeling stirred by the slaying, authorities could not guarantee his safety.

The supreme court said the record indicated inadequate protection of Burnett's rights.

MARATHON SCORES

Scores of players in Round Five of the Portia Club's Bridge Marathon have been announced. They are as follows: Team 1 — Misses. John Grams and Grant Burleigh, 17,730; Team 2 — Misses. B. W. McCarron and H. R. Kalbrener, 14,570; Misses. S. S. Sadowski and Willard Ang-4, 18,610; Team 4 — Mr. and Mrs. L. W. Woodworth, 16,820; Team 5 — Mr. and Mrs. T. H. Underdahl, 20,330; Team 6 — Mr. and Mrs. James G. Elliott, 21,340; Team 7 — Mr. and Mrs. Richard Horst, 19,470; Team 8 — Mr. and Mrs. Henry Hanson, 18,720.

Alma Primary Contests Develop

ALMA, Wis. (Special) — For the first time in its history, Alma will have a local primary election on the same day as the state judicial primary March 10.

There are three candidates for mayor and four for supervisor from the 2nd Ward.

The two candidates receiving the highest number of votes will appear on the April 7 spring election ballot.

RUNNING FOR mayor are

Edmund Hitt, incumbent, Alan Kirchner and Frank Noll.

Candidates for 2nd Ward supervisor are Lutz Ambuehl, incumbent; Gerald Schreiber, who is an alderman from that ward; John Hartman, and Donald Ruben.

Other candidates will be listed on the April 7 ballot only because there are no more than two candidates for any office.

Candidates filing for other offices by the deadline Jan. 28

were Charles J. Zepp, incumbent, and Christian Schultz for 1st Ward alderman, three-year term, and Clarence Clark for one year. Zepp is the only candidate for the office of supervisor he now holds.

Schreiber is the sole candidate for 2nd Ward alderman to succeed himself.

Two candidates filed for alderman in the 3rd Ward. Jerome G. Baeker, incumbent, and Delbert Wenger.

Archie Brovold, who is serving as 3rd Ward alderman by appointment, is running for the office. Kenneth Jackelen is the only candidate for 3rd Ward supervisor. He is the incumbent.

Louis A. Noll, clerk; Mrs. Alvin Kindschy, treasurer, and

Edmund Buehler, justice of the peace, have no opposition.

A petition of voters was filed with the City Council Monday night for the primary election.

THE COUNCIL is near signing a lease agreement for operation of the new boat harbor. Two individuals have applied for it. The committee in charge of it includes Zepp, Baeker and Schreiber.

Preliminary plans were made to provide adequate facilities for a bathhouse in the harbor area next summer.

Council will meet with Norman Moser, chief engineer of Dairyland Power Cooperative, La Crosse, Thursday night regarding smoke problems from Dairyland's plant here. They

will discuss what has been done to overcome the smoke annoyance and what plans are.

Blue Shield Meeting Slated

Blue Shield, a nonprofit medical and surgical insurance organization, has invited all area personnel from doctors' offices and hospitals to meet this month to improve Blue Shield services.

Community Memorial Hospital will be host Feb. 20 for one of the three-hour afternoon meetings.

Medical personnel from 41 communities have been invited,

Wednesday, February 5, 1964 WINONA DAILY NEWS 11

including Houston, Chatfield, La. Wabasha, Winona, St. Charles, Crescent, Mabel, Plainview, Spring Grove, Rushford, Lanes-Harmony, Lake City, Caledonia,boro, Lewiston and Preston.

NASON ON EDUCATION

Prepare Students For the Unknown

By LESLIE J. NASON, Ed.D.
University of S. Calif.

Present day students must be taught how to meet the problem of learning the unknown!

In addition to understanding the laws and formulas for the solution of immediate problems, they must now be prepared to learn for the future, using new and different techniques.

"The scientific knowledge of the high school graduates of 1963 will be almost obsolete by 1975," say the editors of Education U.S.A. in their booklet, "The Shape of Education for 1964."

Knowledge expands and jobs change. Schools must face up to the problem of preparing students to learn in new fields. Already, lack of flexibility in the approach to learning is causing troubles in industry.

CONSIDER THE case of a young man I shall call Don. Don dropped out of school at high school graduation. He had worked at two or three jobs, married and started a family.

Don's first opportunity to work toward something permanent was a company training course for repairmen of a complex business machine.

Although he worked unusually hard he did not do well in the training program. Consequently, on the job after the training program, his work was not entirely satisfactory. The company agreed to return him to training for a refresher course.

Don came to me for help. Our discussion revealed he was using study techniques that had proved successful in high school. These techniques were not appropriate and, therefore, not effective in the new learning situation.

Don was amazed to learn there were different ways of handling one's mind while learning. He was willing to try a new method. Instead of trying to memorize the procedure manual, he learned to visualize each step. As he studied a procedure he pictured in his mind the process as it occurred in the machine. He visualized the part of the machine in question and thought of its function in connection with the parts next to it.

After only a week of this type of study he was successful in the refresher program. He continues to be successful and happy on the job.

Students must be prepared for learning in situations we cannot now even predict. They must be taught to search for appropriate learning techniques. They must be presented with a series of subjects and, in each case, must think out a procedure to meet the situation.

Conscious practice of conquering new areas of study is the best preparation for lifelong success in meeting such new situations.

Students must be encouraged to THINK and not just blindly follow their old habit patterns. If they find proper methods for coping with their immediate situations they will lose their fear of meeting new challenges.

Divorce An Issue

By LOUIS HARRIS
Nelson Rockefeller's divorce and remarriage continues to hang heavily as an issue over the New York governor's candidacy in the New Hampshire primary. If Rockefeller loses to Sen. Barry Goldwater on March 10, our surveys show that the marriage issue will be the prime reason.

By the same token, Goldwater has his own inbuilt weakness: concern on the part of New Hampshire's GOP voters that he is too closely linked to "right-wing" support. The Arizona senator's policy pronouncements since he became a formal candidate for the presidency have not calmed these troubled waters.

AS A result of these underlying negatives working against both Rockefeller and Goldwater, two other potential candidates — Richard Nixon and Henry Cabot Lodge — are in a favorable position to poll a heavy write-in vote in the nation's first primary election.

Only a slight decline in the intensity of feeling about Rockefeller's remarriage has taken place since last November. People likely to vote in the Republican primary were asked then and again last week if the New York governor's divorce and remarriage made a difference to them in deciding for whom to cast their ballots. The results:

ROCKEFELLER DIVORCE AND REMARRIAGE

Today Nov.	
%	%
Makes a difference	39 43
Doesn't make a difference	61 57

The full impact of this issue on the Rockefeller candidacy can be seen quickly when these results are analyzed by voting intention in the primary:

HOW DIVORCE ISSUE AFFECTS VOTING

Con- Not Concerned	
%	%
Voting for:	
Goldwater	69 44
Rockefeller	31 55

When voters are worried by Rockefeller's divorce and remarriage, they are better than 2 to 1 against him; but when the issue is not one of personal concern, they put the New York governor in the lead. Inescapably, were this issue not on the minds of some Republicans in the Granite State, Rockefeller would be winning today.

While nearly four in every 10 are troubled by the Rockefeller divorce, another three in 10 GOP voters here are also concerned over right-wing support for Senator Goldwater:

GOLDWATER SUPPORT BY RIGHT-WINGERS

Total GOP Voters	
%	%
Makes a difference	30
Doesn't make a difference	70

When the division on this issue of right-wing support is analyzed by voting intentions, the full damage to Goldwater can be measured:

HOW RIGHT-WING SUPPORT AFFECTS GOLDWATER

Con- Not Concerned	
%	%
Voting for:	
Goldwater	36 63
Rockefeller	64 37

Clearly, if the issue of right-wing support did not make Goldwater controversial, he would be in a more commanding position today. But the issue's presence makes a two-way contest against Rockefeller much closer.

The impact of these two ma-

for handicaps for Rockefeller and Goldwater are shown in the following table, in which GOP voters were asked if there were any of the prominently mentioned candidates whom they felt they could not vote for if the Republican convention nominated them in San Francisco in July:

CANDIDATES GOP VOTERS COULD NOT SUPPORT

	Total GOP Voters
Margaret Chase Smith	26
Rockefeller	16

Goldwater 15
Stassen 15
Nixon 5
Romney 4
Scranton 3
Lodge 2
Could support any 28

(NOTE: Percentages add to more than 100 percent because some GOP voters named more than one candidate they couldn't vote for.)

Mrs. Smith obviously is hurt by prejudice against a woman in the White House; Harold Stassen is criticized because he has been such a perennial candi-

date; Gov. Rockefeller on the divorce issue, and Sen. Goldwater over right-wing support. Of course, each of these candidates has enthusiastic supporters in New Hampshire, too.

It is possible that the importance of the New Hampshire primary of 1964 will be that it highlights this fact: Republican voters want to reach outside today's crop of declared candidates for their ultimate choice. Whether they will manage to overcome the difficulties of the ballot to do so involves campaign organization as much as actual voter preference.

St. Charles High Guidance Talks Slated Feb. 18

ST. CHARLES, Minn. (Special) — Parents of ninth and 10th graders are invited to a program at the St. Charles High School activity room Feb. 18 at 8 p.m.

LuVerne Traxler, Joseph Karakas and Principal Burge say other interested persons and friends also are welcome.

It is imperative that students have some definite goal in mind

when planning their future high school course of study, the teachers said.

Motorist Cuts Live Wire With Shotgun

KENT, Wash. (AP) — State trooper Darrell Bailey wasn't about to wait for power company crews to remove live wires over a wrecked automobile in which an injured motorist was trapped.

Bailey pulled out his service shotgun, severed the wires with a blast, and rescued the motorist.

Rip Van Winkle couldn't sleep with nagging backache

Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-excitement or stress and strain—you want relief—want it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often getting up a restless uncomfortable feeling.

Doan's Pills work fast in 3 separate ways: 1. by a powerful pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains, 2. by soothing effect on bladder irritation, 3. by mild diuretic action tending to increase output of the 15 miles of kidney tubes.

Enjoy a good night's sleep and the same happy relief millions have for over 60 years.

For convenience, ask for the large size. Get Doan's Pills today!

WORLD TODAY

2 Republicans Out and Running

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—Republicans are at sixes and sevens, or eights.

Four have announced they want their party's presidential nomination although why two of them think they have a chance is a mystery.

Four others, more reticent, deny they seek the nomination but don't deny they'd accept a draft. In fact, three say they would.

Some of the eight are jibing at one another and most are jibing at President Johnson and his programs.

The harshest criticism so far is from Sen. Barry Goldwater, of Arizona. He called Johnson a

"highwayman of the bureaucratic spoils system."

Goldwater, 55, and these three are the active candidates, all campaigning in the New Hampshire primary.

New York's Gov. Nelson A. Rockefeller, 55; Sen. Margaret Chase Smith of Maine, oldest of the candidates at 66; and Harold E. Stassen, 56, now a Philadelphia lawyer, who made a big pitch for the nomination in 1948 but lost.

Goldwater, far to the right of the others, like the others claims he could run things better.

Rockefeller, whose prospects dipped after his divorce and remarriage, is on the liberal side.

He is critical not only of Johnson but of Goldwater, too, and for good measure he has taken

a swipe at former Vice President Richard M. Nixon, who is one of the reticent four.

Nixon, who shows plenty of signs of hoping for the nomination while steadfastly insisting he won't seek it, only recently said he would accept a draft.

It's hard to figure out why Stassen is in the race. He was the "boy wonder" governor of Minnesota—from 1938 to 1943—but has never been elected to anything since.

Why is he trying for the nomination now? "To enlarge the debate," he says, and to try for the nomination. This week he promised New Hampshire an international airport if he gets elected.

But then it's hard to say why Sen. Smith—a charming woman and excellent senator and politician who has been in Congress since 1940 and has never lost an election—thinks she has a fiddler's chance for the presidential spot.

She herself is "extremely vague on why she's even trying."

It's from the four reticent Republicans that the party may actually pick its candidate. Besides Nixon, now 51, the others are: Pennsylvania's Gov. William W. Scranton, 47; Michigan's Gov. George Romney, 56; and Henry Cabot Lodge Jr.,

American ambassador to South Viet Nam.

After losing the presidency to John F. Kennedy in 1960, Nixon tried his luck again, this time for the governorship of California in 1962, and lost again. Immediately afterwards, in bitter criticism of the treatment he got from the press, he told reporters that was his last news conference.

He even said that "under no circumstances would he accept a draft." This seemed final enough.

As 1963 wore on both Rockefeller and Goldwater said they thought Nixon was acting like a candidate. And 12 days ago he said he would accept a draft.

Scranton frankly says that while he won't seek the nomination, he'd accept it but would enter no primaries. He has one big handicap: He and his qualifications are hardly known outside Pennsylvania. He served one term in Congress.

Lodge, appointed ambassador to South Viet Nam late last year by President Kennedy, has not held elective office since Kennedy took his Senate seat away from him in 1952. When he ran for the vice presidency in 1960 on the ticket with Nixon, he lost again.

But he is a respected figure

among Republicans, helped persuade Dwight D. Eisenhower to run in 1952, and now in his critical Viet Nam post denies he's a candidate this year.

U.S. Protests To Ghana

WASHINGTON (AP) — The United States has protested to the government of Ghana concerning anti-American demonstrations in front of the U.S. Embassy in Accra.

The U.S. protest was issued Tuesday night by G. Mennen Williams, assistant secretary of state for African affairs, to Ambassador Miguel A. Ribeiro of Ghana.

One unofficial report said demonstrators tore down the U.S. flag outside the embassy but that the assistant attaché, in what unofficially was termed an act of courage and bravery, ran it back up.

The attaché was identified as Adger E. Player, 31, a Negro from Denver, Colo., who is serving in his first State De-

partment post. He was named to it July 13, 1962.

The demonstrators marched around the embassy and carried placards that read "down with Yankee imperialism" and

"Ghana yes, Yankee no." U.S. Ambassador William P. Mahoney Jr. made a strong representation to Foreign Minister Kojo Botsio of Ghana, the State Department had said earlier.

BLAIR GIVES \$636 — James R. Davis, chairman of the Christmas seal sale in Blair and rural areas, reported receipts of \$636.40, \$20.95 less than a year ago.

Mele Foresees Bright Spots Ahead for '64 Minnesota Twins

By SAM MELE
Minnesota Twins
QUINCY, Mass. (AP)—I can see some bright spots ahead for the Twins after a disappointing 1963 season for a number of our players who figured so prominently to carry our ball club to the top.

Last year injuries hurt us but other clubs had those, too. Besides injuries, lack of depth in spots certainly hampered our chances to be serious contenders. We finished third but were 13 games behind.

Reason for my optimism is this: We expect Harmon Killebrew, Camilo Pascual, Jim Kaat, Dick Stigman and young Jim Roland to be in top shape once again.

Killebrew, lost to the club for five weeks, underwent a successful operation. Pascual was unable to take his turn for five weeks. Kaat had arm trouble most of the season. Stigman missed seven of eight starts during one stretch and Roland missed most of the season after winning four of five decisions be-

fore he encountered arm trouble.

True, the Twins led the league in home runs but we had our share of strikeouts, too. Consistent hitting is a must if we are to achieve expectations. Power hitters like Killebrew, Bob Allison and Jimmie Hall have the ability to hit for higher average and still maintain their slugging feats.

An inadequate defense hurt us last year. The team finished eighth in fielding in '63 compared to second in '62. We've got

to improve that department in '64.

We also were in need of a long relief man. The addition of Dwight Siebler and the performance of Gerry Arrigo during the latter stages of the '63 campaign indicated we have helped ourselves in that respect. It's a most encouraging situation because both those young fellows can be capable starters.

One encouraging factor last year was our ability in making double plays. We led the league in that respect.

There could be a few changes in our defensive and offensive line-ups for the coming season because of the showing of a promising young outfielder, Tony Oliva. A left-handed hitting stand-out at Dallas-Fort Worth in '63, Tony has hit all types of pitching in the minors, as well as big league pitching in late-season appearance with the Twins in 1962 and '63.

He deserves a great deal of consideration and should be made the grade, there could be a change in either the outfield

or infield, or both.

Rich Rollins at third and Zoilo Versalles at short give us a solid left side in the infield. Bernie Allen, the second baseman, had an off season last year. I'm expecting big things from Bernie this year because of his natural ability and his desire to play.

Hall had a tremendous season and could have been chosen Rookie of the year. He set an American League first year record with 33 home runs. Killebrew, of course, led the league with 45 homers and Allison hit

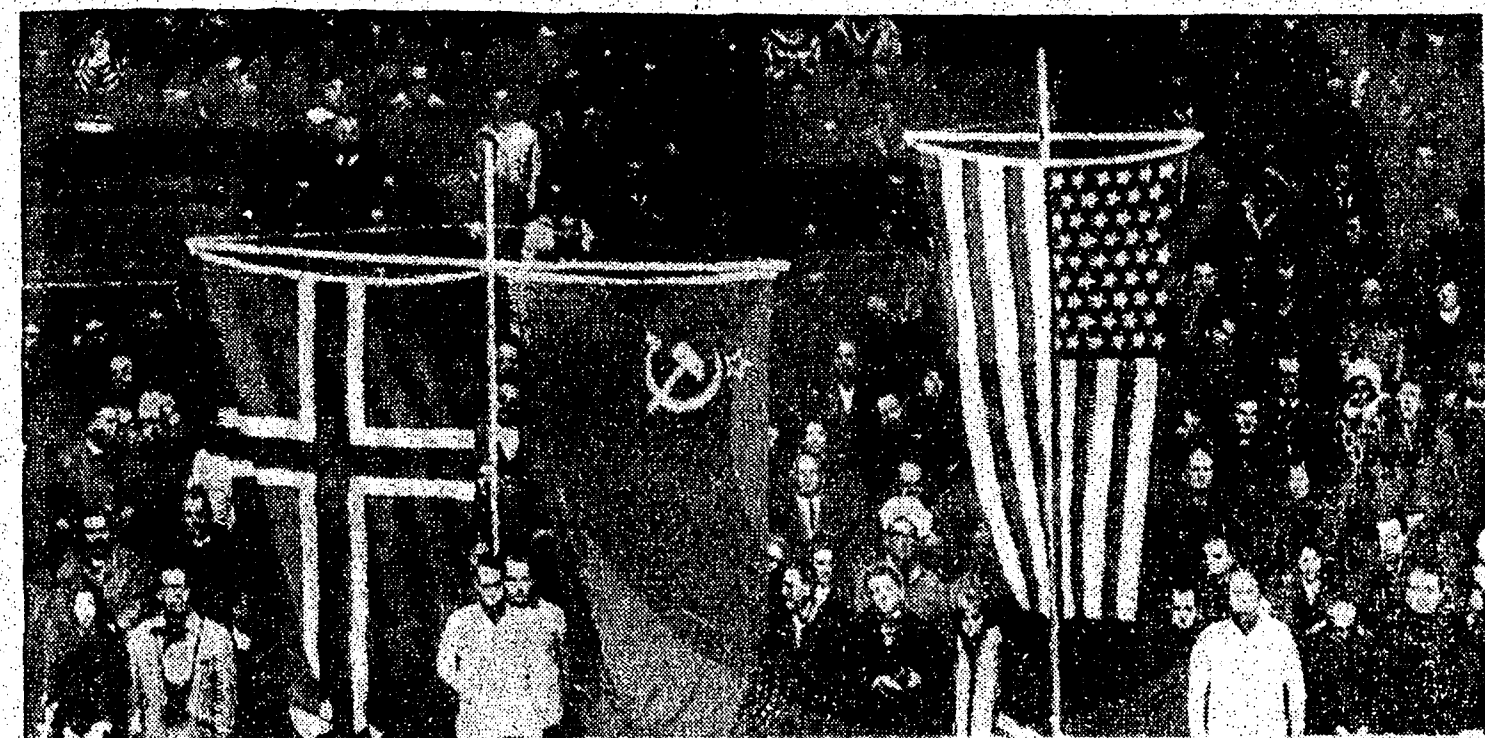

35. Earl Battey gives us strength behind the plate, as his 84 RBI and 26 home runs show.

The pitching staff should be strong—if it stays healthy. Pascual, Stigman, Kaat, Roland and Jim Perry figure as the starters.

Rookie Gary Dotter and holdovers Lee Stange, Bill Pleis and Garry Roggenburk merit consideration. Bill Dailey is the bullpen ace. We picked up Bill Fischer to help him.

I said earlier, the prospects for 1964 are bright. All we have to do is put our potential to use.

More Gold Medals for Russians

U. S. FLAG RAISED . . . The U. S. flag is displayed alongside the Hammer and Sickle banner of Russia and the flag of Norway during awards ceremony for the 500-meter speed skating event at the Winter Olympics in Innsbruck, Austria. Terry McDermott of Essexville, Mich., won the

gold medal, the first for the U. S., while the Norwegian and Russian flags are flown together for the two Russians and Norwegian who reached the finish line in a three-way tie for second place. (AP Photofax)

Sled Wreck Spreads Fear

INNSBRUCK, Austria (AP)—The Soviet Union, Sweden and Norway grabbed gold medals in skiing and speed skating today as fears of new tragedies gripped toboggan and bobsled racers at the ninth Winter Olympic Games.

An American two-man toboggan leaped off the track at Igls, its occupants miraculously escaping serious injury, and protests were raised over the condition of the bobsled run, made dangerous by melting and cracking ice.

A Canadian four-man crew, piloted by Victory Emery, took a surprising lead over Italy's eight-time world champion, Eugenio Monti, in the first two of four runs.

Organizers said if the track is too dangerous Thursday the final two runs may be canceled and medals awarded on the basis of today's two runs.

One United States sled, piloted by Bill Hickey of Keene, N.Y., was fifth and the other, with Larry McKillip of Saranac Lake, N.Y., at the controls, was seventh.

Sixteen Jernberg, Swedish veteran of three Olympics who will be 35 Thursday, won the 50-kilometer ski race at Seefeld, covering the 31 miles and 120 yards in 2 hours, 43 minutes, 52.6 seconds.

Knut Johannessen of Norway captured the 5,000-meter men's speed skating race in the Olympic record time of 7 minutes, 38.4 seconds, leading a 1-2-3 Norwegian sweep.

Claudia Boyarskikh, a 23-year-old Russian schoolteacher, added the 5,000-meter women's cross-country ski title to the 10,000-meter crown she won previously and the Soviet Union also picked up a bronze medal in the event.

In the two-man tobogganing finals at Igls, one U.S. sled leaped off the track but the occupants escaped injury.

The accident, which brought an alarmed hush to the area, occurred at the dangerous Olympic turn on the first run of the two-man toboggan event, won by Josef Feistmantl and Manfred Stengl of Austria.

Jim Higgins of San Gabriel, Calif., and Ron Walters of Garden Grove, Calif., were sailing down the icy chute at 45 miles an hour when they hit the most dangerous curve on the mile-long track.

The sled sailed through the air and two occupants were sent banging into the icy banks. Higgins lay motionless for a while, but Walters immediately got to his feet. Neither was seriously hurt. Both were eliminated.

Meanwhile, Claudia Boyarskikh of the Soviet Union won her second gold medal with a victory in the women's 5,000-meter cross-country ski race, covering the 5,468 yards in 17 minutes, 50.5 seconds. She earlier had taken the 10-kilometer race.

Mihirja Lehtonen of Finland was second in 17:52.9 and Alevtina Kolchina of Russia was third in 18:08.4. Miss Boyarskikh is a blonde, 23-year-old schoolteacher from Sverdlovsk. There were no U.S. entries.

Russia now has 21 medals, including eight golds.

Two-man tobogganing, a new sport to the Olympics, is a thrilling sport to watch.

Feistmantl, a 24-year-old accountant, and Stengl, an 18-year-old schoolboy who becomes the youngest of these Games to win a gold medal, took their sled down the chute twice in the combined time of 1:41.62.

TOBOGGANIST HURT . . . Ronnie Walters of Garden Grove, Calif., lies on the ground as his two-man toboggan teammate James J. Higgins of San Gabriel, Calif., kneels at left after their toboggan flew off

a curve during competition at Innsbruck, Austria, today. Walters was carried down to the finish line. The extent of his injuries was not known immediately. (AP Photofax)

WHEN HE GETS BACK TO WORK

Barber to Tell How He Trimmed Russia

INNSBRUCK, Austria (AP)—The barber with the world's fastest blades will be back in the barbershop next week wielding a pair of scissors and getting the third degree on how he trimmed the Russians.

Speedskater Terry McDermott, newly married, says he's going straight back to work after winning America's first gold medal of the Winter Olympics. He will not compete in any of the three longer races.

"There are," he explained after his triumph in Monday's 500-meters speed skating event, "payments to be made — house payments, car payments and down-payment payments."

"I've been away too long and barbers work on commission. So I'll fly out Friday and will be back behind the chair Monday."

On a good day at the shop, McDermott gets through four customers an hour.

On an even better day here Monday, he got through four highly-touted Russians in a fraction over 40 seconds.

McDermott's victory in the 500 meters finally broke Russia's grip on the Olympic speed-skating events. It deposited, in Olympic record time, Evgeny Grishin, the Russian world record holder who has made this title his personal property since 1956. Three other Soviet speed aces also were left behind.

Richard Terence — "everyone calls me Terry" — McDermott was born and brought up in Essexville, Mich., the son of a sales representative.

His family wanted Terry to become an engineer but the Essexville clipper found barbering would leave him more time to skate.

So, every working day, McDermott heads for adjoining Bay City, where he lines up with two other barbers in a shop belonging to his uncle, Bunney Hebert, and trims hair at \$1.75 a head.

He's been winning skating titles since he was eight years old and also played football and baseball in school.

He's soft-spoken and polite but gives the impression that he knows what he wants and isn't satisfied until he gets it.

Monday he wanted a gold medal and Russia's best couldn't keep him from bringing it home to Michigan.

City Glovers Seek Crowns

ROCHESTER, Minn. — With only one member out of the running, Winona's Golden Gloves boxing team tonight makes a run for individual and group honors during the finals of the Region Eight tournament at the Mayo Civic Auditorium here.

The Winona club, which is under the direction of Jim Mullen, already has one championship nailed down. No opponent was found for defending heavyweight

king Ron Puterbaugh.

Puterbaugh tonight will fight an exhibition match against a Minneapolis runner-up.

The Winona group also has three members in tonight's finals as well as a trio awaiting semifinal bouts.

Fighting his way into the finals during Tuesday night action was Lee Huwald, who TKO'd Caledonia's Bill Daley in the first round of a lightweight match.

Huwald is last year's featherweight champion. He moved up a notch this year.

Seeded into the finals are Mike Kittleson, three-time middleweight titlist who didn't fight last year, and Mike Rivers, who was pushed through in the bantamweight category.

Starting the countdown to hoped-for championships with semifinal bouts tonight will be Carlyle Puterbaugh, Jerry Puterbaugh and Tom Van Hoof.

Out of that group can come a possible two champions as both Puterbaugh brothers are light heavyweights.

Jerry was seeded to the semifinals, but Carlyle gained a notch with a unanimous decision over Ted Klug of Caledonia. The Winona fighter went to the canvas in the first round, but had Klug on his back in both the second and third frames.

Mullen termed Puterbaugh's performance "a tremendous comeback" and "the best fight of the night."

The only Winonan to lose Tuesday was Duane Speed, who was defeated by Daley in a lightweight match. Bill Meyer made the trip to the Mayo City, but was unable to fight because of a slight fever.

Winona is ahead of Rochester 7-6 in team points.

"It's a two-way race," said Mullen, "but all the answers will come tonight."

Entered in the meet are teams from Austin, Albert Lea, Caledonia and Chatfield in addition to Winona and Rochester.

The champions will advance to the Northwest tourney at Minneapolis.

Haugen Shot Helps Cards Nip Caledonia

In District One non-conference action Tuesday night, Wykoff, Harmony, Chatfield and Spring Valley took victories to make it a perfect night for the Maple Leaf Conference.

A rebound shot by Larry Haugen at the buzzer gave Harmony a storybook 69-67 victory over Caledonia. Wykoff ripped past Canton 92-72, Chatfield stomped Mabel 71-53 and Spring Valley ran roughshod over Le Roy of District Two 80-43.

WYKOFF 92
CANTON 72
Wykoff rolled off to a 26-12 lead at the end of the first quarter, fired five players into double figures and crushed Canton 92-72.

Norm Vehrenkamp and Chuck Doering led the Wy-Kat onslaught with 16 points each. Rog Vreeman got 12 and Dick Anderson and Harlan Jacobson 11 each.

Wykoff held a 45-35 lead at halftime and was in front 72-50 with eight minutes to play.

Don Halverson paced Canton with 23 points, Lynn Dale Turner chipped in with 15 and Norm Gillund tallied 14.

Wykoff won the preliminary 50-31.

HARMONY 69
CALEDONIA 67
With five seconds to play, Ken Larson made two free throws for Caledonia to knot the score at 67-67 and assure an apparent overtime period.

But at the buzzer, Larry Haugen leaped skyward, pushed the ball back at the basket and won the game 69-67 for Harmony.

The Cardinals led 18-14, 34-24 and 50-39 at the quarter breaks before falling victim to a Warrior rally.

Jim Wilford netted 20 points for the winners. Tom Fishbaugh 19 and Mike Erickson 13. John Ask got 26 for Caledonia.

Will Anyone Beat Wichita?

By THE ASSOCIATED PRESS
Is anybody going to beat the Wichita Shockers in college basketball in 1964? Right now, the answer seems to be "no."

The Shockers scored their 11th straight and 15th in their last 16 games by defeating Chicago Loyola 65-60 Tuesday night.

True, the Shockers have lost three games, but all three were in December. Since their Dec. 21 setback by Ohio State, all their games have been on the right

AFTERNOON FOOTBALL
MILWAUKEE (AP)—The Athletic Council of the Milwaukee public school system decided Tuesday that City Conference high school football games will be played in the afternoon, at least through 1964.

AP Top Ten to see action. The Wildcats crushed William & Mary 111-84 for their 17th triumph in 18 starts.

Providence, the NIT champs, walloped Boston College 102-78 for its 10th in a row. Texas A&M tightened its hold on the Southwest Conference lead by whipping Baylor 83-50. Missouri edged Kansas 59-50B in the Big Eight and Lehigh upset Columbia 56-53.

Dave Stallworth upped his Wichita career total to 1,247 points with 16 against the Loyola Ramblers. Little Ernie Moore was the Wichita high scorer with 24. Less Hunter, with 23, and Vic Rouse, with 17, led the Ramblers.

Virginia Tech broke a two-game losing streak by beating Richmond 103-65 behind Howard Pardue's 31 points. In other games Wake Forest downed South Carolina 92-79. Bradley defeated Marquette 81-73. Temple overcame Delaware 68-63 and Morehead edged Eastern Kentucky 77-73.

ANSWER TO COME SHORTLY

Pay TV—A Boon to Big Time Baseball?

EDITOR'S NOTE — Pay-TV, featuring big league baseball, is ready for a crucial trial on the West Coast. On paper, there are fat prospects of outsized profits. It could also be a \$25-million bomb.

By CHARLES MAHER
LOS ANGELES (AP) — "And now a word from our announcer."

"Thank you, Reginald. Ladies and gentlemen, this baseball telecast is being brought to you with the best wishes of absolutely no one."

That will be about the size of it next season, when the Los Angeles Dodgers and San Francisco Giants turn to pay-television, a medium that may—or may not—revolutionize the revenue structure of major league baseball.

For at least 15 years people have speculated, with their minds and not their money, on whether baseball fans would pay to watch games on television. Now a new company called Subscription Television, Inc.—STV for short—has decided it finally is time to send out a few signals to see if the fans get the picture.

The company has about \$25 million that says they will. This will be the first time ma-

for league baseball has been conveyed to the living room for a price, and without commercials. Not a syllable will be uttered between innings on behalf of beer, cigarettes, cigars or hair dressing.

STV will operate on three channels. It proposes to offer many other forms of entertainment, including first-run movies, ballet and opera, but baseball is likely to figure most prominently in the campaign for subscribers.

Neither STV nor the ball clubs expect a million subscribers to materialize overnight. In the Los Angeles area, for example, STV is obligated to have only 20,000 customers by July 1, when operations formally commence. It must have 700,000 subscribers in the Los Angeles area and 500,000 in the San Francisco area in about five years, when its first contracts with the ball clubs expire. The contracts are renewable for an additional five years.

Either club may cancel the agreement if STV does not have a certain number of subscribers at each of several prescribed intervals during the term of the contract. Either may cancel if STV does not begin operations on schedule, unless STV makes penalty payments.

The company's prospects are

largely a matter of conjecture, but this is what could happen under optimum conditions:

By 1969, STV could have more than 1.2 million subscribers here and in the San Francisco area. Now suppose that the Dodgers and Giants were contending for the National League lead late in the 1960 season and had a weekend series in Los Angeles.

Say half the subscribers in each of the two areas watched the three games and that each subscriber paid \$1.50 per game. The television receipts for the series would be about \$2.7 million. That's probably as much as, or more than, any major league club would realize from the sale of one million tickets.

The ball clubs, of course, would get only part of the money. The Giants, at the outset of the contract period, will receive 20 per cent of the gross television receipts. The club's share rises to 33 1/3 per cent when receipts aggregate \$15 million. The Dodgers get one-third of gross receipts from home games and a slightly lesser share for road games shown in Los Angeles.

For purposes of dividing profits from the projected three-game series in 1969, assume the ball clubs get about 33 1/3 per cent. That would mean that, of the \$2.7 million in television revenue, the clubs would get about \$900,000 — probably more than twice as much as has ever been made from ticket sales for a three-game series.

That wouldn't count money taken in at the ball park from ticket sales, concessions and parking.

How many fans would come to the park if they could see all games, including home games, in their living rooms?

Dodger President Walter F. O'Malley told TV Guide recently that he thinks attendance will be affected less by pay-television than it has been by free television.

"With free television," he said, "a lot of people will never come to the ball park. But when they have to spend \$1.50 at home, many will feel that they may as well go to the games."

"Of course, when we are televising at home, we are losing concessions and parking money — no small sum."

On the face of it, the argument that pay-television may turn baseball into a "studio game" — filling armchairs at home but leaving ball parks empty — does not seem to be supported by experiences of the two New York teams. The Yankees and Mets televise nearly all their games, at home and away, for no charge. Yet the Yankees drew 1,308,920 at home last season and the Mets drew 1,080,104.

Should the New York clubs elect to turn to pay-television, they would have to start charging their fans for something they have been watching for nothing for years. There will be no such jarring adjustment here. The Dodgers have never televised more than a dozen games during a regular season since they came to Los Angeles. Not one of their regular-season home games has been televised in Los Angeles. The Giants have had a similar policy.

The president of STV is Sylvester L. (Pat) Weaver, former head of NBC-TV. He was asked how the system will work.

Q. How does the subscriber go about getting one of your programs?

A. The service comes into his home by cable. He'll have a program selector, about the size of a large cigar box. It will be marked for channels A, B and C. We plan to offer programs simultaneously on three channels.

Q. How much will the service cost?

A. There will be a \$10 installation fee and basic charge of \$1 a week, for which the subscriber will get certain bonus attractions and be able to listen to music.

Q. How about individual program costs?

A. Some will cost about as much as a book or magazine, while others will be comparable to the box office price of a general admission seat for the event being televised. Some might be priced very low, such as special series for pre-school children.

Q. How will you know how much to bill each subscriber?

A. Every six minutes an electronic impulse comes down the line to each set and asks a series of questions in code. From the answers, we can tell whether the subscriber is watching one of our programs and, if so, which one.

Q. What will you show besides baseball?

A. Opera, ballet, symphonies, movies, vaudeville, flea circuses, high drama, low drama, aquacades, rodeo — anything people put on that we can get producers to let us in on for a percentage of the gross.

Auggies in MIAC Tie With Duluth

By THE ASSOCIATED PRESS

Mark down Feb. 22 as the date the Minnesota Intercollegiate Conference basketball championship likely will be decided.

That's the date defending champion Augsburg and Minnesota-Duluth have their return match.

They are tied atop the MIAC standings today with identical 9-1 records after Augsburg clumped Gustavus Adolphus 72-64 Tuesday night. Neither is in action again until Saturday night.

Augsburg overcame an early Gustavus lead midway through the first half and cruised to its 14th victory in 16 games this season. Dan Anderson led the Auggies with 32 points, while Bill Laumann had 21 for Gustavus, now 3-7 in the MIAC.

Only one game is on tap tonight. It has Hamline at St. Thomas in the MIAC. All state teams are idle Thursday.

Alma Raps Wabasha 79-52

WABASHA, Minn. — Larry and Craig Kreibich each hit 14 points for Alma as they led the Rivermen to a 79-52 win over Wabasha here Tuesday night.

Alma jumped off to a quick lead, taking a 19-11 first-quarter advantage. The Rivermen upped the lead to nine points at the half as they led 34-23. The score was 51-37 at the third-period break before Alma got to the Wabasha reserves and scored 27 points in the final quarter to win.

Wabasha's John Reinhardt scored 11 and Jim Burkhardt added 10 to take double figure honors for the Indians.

The Rivermen also salvaged the "B" game 50-32.

Cards Top Gilmanton

LEWISTON, Minn. — The Lewiston Cardinals won their 11th game of the season against three losses Tuesday night, topping Gilmanton 72-56.

The game was tight for the first three stanzas, but Lewiston broke the contest wide open in the fourth frame by outscoring Gilmanton 28-12. The score favored Lewiston 19-16 and 14-12 for the first and second quarters, but Gilmanton outpointed the Cards 16-11 in the third period.

Jim Matzke fired in 24, John Munchoff 21 and Les Ladewig 14 for Lewiston while Loren Lechn hit 16 and Doug Loomis 14 for Gilmanton.

The Cardinals also won the "B" tilt 37-18.

TICKET SALES UP

MILWAUKEE, Wis. — Milwaukee manager Bobby Bragan said Tuesday night that the Braves' 1964 season ticket sales have surpassed the 4,000 mark, bettering last year's total.

Stram Signs 5-Year Pact With Chiefs

KANSAS CITY (AP) — Hank Stram, who shares with San Diego's Sid Gilman the status of dean of American Football League coaches, signed a five-year contract with the Kansas City Chiefs Tuesday at an estimated \$30,000 a year.

Stram and Gilman are the only AFL coaches who have held the same jobs all four years of the league's existence. Lamar Hunt, owner of the Chiefs, stood by Stram after a 6-8 season in 1961 and was rewarded with an AFL crown in 1962 before the franchise was moved here from Dallas.

Randolph Romps Past Lakeville

RANDOLPH, Minn. — Randolph showed power all the way in beating Lakeville 82-57 here Tuesday night.

Dave Sorenson blitzed the nets for 24 points for the Rockets while Doug Seltan and John Pressnall 13 each and Ron Betzold 10 Lakeville's Dave Hammer led his team with 15 and Steve Erickson had 12.

Lakeville scored a field goal in the final seconds to win the "B" game 39-33.

Cadet Coach Picks Cotter for State Title

That fearless soothsayer among Minnesota Catholic high school coaches, Don O'Shaughnessy of St. Paul Saint Thomas, is dabbling in predictions again.

His latest: De LaSalle is not going to win the Catholic State Tournament Championship in Saint Paul three weeks from now.

This not only puts O'Shaughnessy in the minority but in the deepest reaches of left field.

O'Shaughnessy's candidate is Winona Cotter.

The coach spoke in the pained aftermath of Saint Thomas' 72-52 loss to Cotter last week.

"I think John Nett (Cotter coach) has the best team right now, one that should be the 1964 champion," O'Shaughnessy said.

O'Shaughnessy is the man who scandalized the coaching trade last year by predicting a state championship for his own Cadets. It sounded obscure because the Toms averaged 5-8 in height and were rated fifth in the eight-team field.

But they reached the finals and just barely lost to Benilde.

His admiration for Winona is not hard to understand. Cotter has won 15 games, lost by one point to De LaSalle and six to Ben-

ilde. Its credentials will be examined once more this weekend in games against Rochester Lourdes Friday and Austin Pacelli, one of the stronger Catholic teams in the state, Saturday night.

De LaSalle's second narrow escape from Benilde (47-43 Friday night) suggested the Islanders are far from overclassing the field this year. Cotter must be rated at the same level as the Twin Cities powers and Saint Cloud Cathedral and Austin probably rank with them at this stage.

Saint Cloud, building its record to 12-4, limited opponents to an average of

just 38 points a game in three victories last week. One of the week's more notable achievements was the 60-40 victory by New Ulm Cathedral over New Ulm Luther, snapping the 31-game winning streak of the strong Lutheran school.

Tom Herbeck, the No. 1 scorer in State Catholic basketball, scored 28 points in that game to boost his total for 18 games to 426, an average of better than 23 points.

Jim Hoffert, the 6-3 sophomore who helped drive East Grand Forks Sacred Heart to an 11-3 record, is still ailing with pneumonia but is expected back by

tournament time. Saint John's Preps, its fine 1963 team dismantled by graduation, is starting four sophomores and a junior. The Johnnies are 5-9 for the season, but like the progress of their young team.

The mourner's towel this week goes to Marshall Central Catholic, which lost to Sleepy Eye Saint Mary's and Milroy by a total of three points. Terry Schmitz is averaging 21 points a game for Faribault Bethlehem.

Wabasha Saint Felix's Dick Peters hit 26 against Onalaska, Wisconsin, Luther and now has 200 in 11 games.

Pack Pleased With Results Of Bidding

GREEN BAY, Wis. (AP) — Despite the loss of three high draft choices, the Green Bay Packers are pleased with the results in their bidding war with clubs in the rival American Football League.

"We thought from the outset we had a good draft, but now it looks even better to us," Pat Pepler, the Packers' chief talent scout, said today. "We are real pleased right now."

The Packers, dethroned last season after a two-year rule as National Football League champions, had 23 choices in the NFL draft last December. They signed 10, lost four to the AFL and are waiting for six to complete competition in other collegiate sports. The other six were picked as junior eligibles.

Lost were center Jon Morris, a second round selection from Holy Cross; back Ode Burrell of Mississippi State and guard Joe O'Donnell of Michigan, additional third round choices obtained in trades, and end Leonard St. Jean of Northern Michigan, a 17th round pick.

He said that Green Bay does not pay a rookie "any more 17th round."

Pepler said the Packers also have signed several promising players as free agents and Turnley Todd of Virginia, an outstanding linebacker picked in the 1962 draft as a junior. Green Bay still hopes to land Nebraska quarterback Dennis Clardige, another junior eligible draftee.

Wingers Romp Past Sibley

Red Wing journeyed to the big city Tuesday night and easily outscored West St. Paul Sibley 82-57.

With five players in double figures, Mick Bombach led the assault with 16 points. Jeff Doyle got 14, Jeff Johnson 13, Wayne Haugen 12 and Rick Withers 11. Tom Hanratty paced Sibley with 17.

An Illinois field goal attempt backfired last season and Harold Wells of Purdue picked up the pigskin and dashed 62 yards for a touchdown.

Plainview Firemen Name New President

PLAINVIEW, Minn. (Special) — New officers elected by the volunteer firemen are:

George Cook, president succeeding James Harlan; Leslie Burdick, vice president succeeding Cook; John Lyons, treasurer replacing George Kruger; Donald Norton, fire warden succeeding Lyons, and Ralph Firzloff, Orville Kuhlman, Wilfred Kruger and Donald Haines, trustees. Butch Yarolimek, secretary; Kit Thomas, chief, and John Appel, assistant chief, were re-elected.

Warriors Take Driver's Seat In West Half

By THE ASSOCIATED PRESS — San Francisco settled into the Western Division driver's seat Tuesday night with a 39-point National Basketball Association rout of Detroit's sluggish Pistons.

The Warriors — with East Coast assists from Boston and Cincinnati — opened their newly-acquired Western spread to a full game and now loom as a genuine threat to nail their first division crown since moving West two years ago. Their 118-79 margin over Detroit was their biggest point spread this season. St. Louis dropped a 113-101 decision to the Celtics in the opener of a New York double-header and trails San Francisco by one game, Los Angeles, punchless without scoring star Jerry West, was ripped by the Royals, 118-100 and fell 112 games off the pace. In the New York nightcap, Baltimore beat the Knickerbockers 137-134 in overtime.

Wilt Chamberlain paced the Warriors with 33 points but it was San Francisco's defense that buried the Pistons. Detroit scored only 11 points in the opening period and was limited to 18 in the final 12 minutes. St. Louis is at Baltimore and Detroit visits Los Angeles in tonight's action.

Ron Butterfield of West Springfield, Mass., is a nephew of famed hockey player Eddie Shore. Ron, naturally, plays hockey on the Army team.

Wisconsin Count Against Houston Youth Reduced

WHITEHALL, Wis. (Special) — The charge against a 20-year-old Houston, Minn., resident was reduced from breaking and entering to receiving \$3 in stolen property taken from two business places at Galesville Jan. 24.

Dale Lauritzen pleaded to the reduced charge and was placed on probation by Judge A. L. Twesme for one year. Probation is with the state Department of Public Welfare.

Trempealeau County Sheriff Orris Klundby, who apprehended Lauritzen and three juveniles at Houston Jan. 25, told the court that the juveniles cleared Lauritzen of the breaking and entering charge. Although with them, they said, Lauritzen remained in the car while they entered the Midland Co-op, Frank Howe's service station and Rall's feed mill.

Most of the about \$475 in cash and merchandise, taken from the first two places, was recovered from an abandoned farm building near Houston by Houston County Sheriff Byron Whitehouse. Nothing was taken from the feed mill.

Reardon, Aide Of JFK, Quits

WASHINGTON (AP) — The White House has announced the resignation from its staff of Timothy J. Reardon, a longtime aide of the late President Kennedy.

In making the announcement, White House news secretary, Pierre Salinger said Reardon would remain in the government as special assistant to Joseph W. Barr, chairman of the Federal Deposit Insurance Corporation.

Reardon becomes the third close advisee to leave the White House staff since Johnson became President. Nov. 22, Special counsel Theodore Sorenson and assistant Arthur Schlesinger resigned earlier to write books.

Colts Face Another Building Year

Pitching Is Strong Suit

EDITOR'S NOTE: Second of a series of baseball team prospects written by managers.

By HARRY CRAFT
Manager, Houston Colts

INVERNESS, Fla. (AP) — The 1964 season will again be a building year for the Colts. Our youth movement is still in high gear, but the recent baseball legislation that permits the four expansion clubs to option out four additional first-year players has eased our situation.

Instead of having to protect nine of the 10 first-year players that were on our roster this winter, we may now have to protect just three or four of these players. This allows us to acquire players who will be of more service to the club in the 1964 season. The recent acquisition of second baseman Nellie Fox from the Chicago White Sox is a good example of the steps we can now take in order to improve our performance in 1964.

Pitching again appears to be our strong suit with veterans Dick Farrell, Don Nottebart, Ken Johnson, Hal Brown and Bob Bruce and youngsters Chris Zachary, Dave Giusti and Larry Yellen battling for the starting berths. Left-hander Hal Woodeschick, who had an outstanding 1963 season with 11 victories and eight saves, and a former Milwaukee Brave, Claude Raymond, figure to handle the short relief work.

The catching chores will be in the hands of two 21-year-olds — John Bateman and rookie Jerry Grote. Bateman led the club in homers and runs-batted-in last season and Grote comes highly touted as a fine defensive receiver.

Our infield could be the most improved department. Eddie Kasko, whom we got from Cincinnati, should be a big help at shortstop. I plan to play either Rusty Staub, who has shown signs of a great future, or Pete Tennels at first base. We hope Tennels will make a comeback after his disappointing season. If he does, Staub can be moved to the outfield.

The second base job will be handed to Fox, with rookie Mike White in reserve. We hope Bob Aspromonte, our third baseman, will shake his back woes and return to his 1962 form. If not, Jim Wynn, who will be given a thorough shot at the center field job, can be moved to third.

Bob Lillis has been a capable performer at short and will spell Kasko at that position.

Al Spangler should be a fixture in left field. Spangler led the club in hitting and total bases and made only three errors last season. Carl Warwick has the edge for right field. He was hitting .325 on June 15, then went into a second-half slump. Johnny Weekly and Walter Bond, both with fine minor league records, and rookie Walter Williams are expected to battle Spangler and Warwick for regular jobs. Center field is still our question mark. We are hopeful Jim Wynn will be the answer. He has shown great promise with the bat.

Kenyon Whips Cannon Falls

HIAWATHA VALLEY			
Team	W	L	Pct.
Kenyon	10	3	.769
Cannon Falls	8	5	.615
Zumbrota	7	4	.636
St. Charles	4	5	.444

Kenyon remained in the driver's seat in the Hiawatha Valley Conference race and even upped its leading margin a half game by defeating Cannon Falls 82-69 Tuesday night.

The game was the only scheduled conference activity.

Rocky Bridges will make his managerial debut in baseball this year as boss of San Jose in the California League. The team is part of the Los Angeles Angels farm system.

MEMORY WILIZ . . . Peter Nowacki, 5, astounds Joanne Ballou, above, his North Mankato kindergarten teacher, with facts and figures on some 300 baseball players. Shown their pictures, he comes up with heights, weights and records, all correct as gleaned from photo cards he gets with bubble gum. (AP Photofax)

His Mind Is Adding Machine

NORTH MANKATO, Minn. (AP) — The Yankees won the last World Series, didn't they?" prodded Teacher Joanne Ballou.

"How could they, when the Dodgers had Sandy Koufax pitching for them?" countered Peter Nowacki, 5, a pupil in Miss Ballou's kindergarten class.

The blonde boy's knowledge of professional sports amazes his teacher, the school principal. Peter's parents, his brother and two sisters.

Peter collects and studies baseball cards that come with bubble gum. Without hesitation, he can rattle off the batting av-

erages and other figures for almost 300 athletes.

H.P. Dubke, principal of Monroe School, tested Peter. "You can shuffle the cards and cover up the name and just show him the picture," said Dubke. "He can tell you who the player is, how tall he is, what his weight is to the pounds."

"And when you ask what a player's batting average is, Peter says, 'What do you mean? This year or his all-time average?' And he gives you the answer."

Peter's mother, Mrs. Henry Nowacki, is rather amazed.

"I never tried to teach him but I knew he could read them because he was always telling me everything that was on the cards," Mrs. Nowacki explained. "One day my oldest daughter was holding them up and she said, 'Mama, he's got them all memorized.' We tested him by just showing him the pictures and asked him all about the player. He told us everything."

Cotter Still Third in Weekly Poll

MINNEAPOLIS — De LaSalle's 47-43 comeback victory over St. Louis Park Benilde entrenched the Islanders as the best in Minnesota Catholic high school basketball, virtually without dissent in this week's poll of state Catholic coaches.

De LaSalle polled 16 firsts on the 17 ballots tabulated by the Minnesota Catholic Education Association. Winona Cotter received the other first place vote.

De LaSalle polled 169 points to 148 for Benilde and 120 for Cotter. The top three remained unchanged from a week ago. There was some shuffling further down among the top ten however.

Saint Cloud Cathedral vaulted past Austin Pacelli into fourth place, Cold Spring Saint Boniface moved ahead of Saint Paul Saint Thomas into sixth and Bird Island Saint Mary's leaped over Mankato Loyola into eighth place on the strength of its 32-27 victory over Mankato.

This week's top ten, based on 10 points for first, 9 for second, etc., with won-lost record:

1. De LaSalle	169 (12-1)
2. Benilde	148 (12-3)
3. WINONA COTTER	120 (12-3)
4. St. Cloud Cathedral	119 (12-4)
5. Austin Pacelli	97 (11-3)
6. Cold Spr'g St. Boniface	75 (11-3)
7. St. Paul St. Thomas	57 (11-4)
8. Bird Island St. Mary's	44 (11-3)
9. Mankato Loyola	41 (11-4)
10. Wabasha Saint Anne	26 (11-3)

The Cleveland Indians hit into 105 double plays last season. The Yankees had the best record in the American League, grounding into only 91 twin killings.

REDMEN HOCKEY TILT POSTPONED

As far as St. Mary's hockey Coach Keith Hanzel is concerned, the weatherman has been most uncooperative this winter.

Once again, the soaring temperatures have called a momentary halt in the Redmen ice schedule simply because there is no ice.

St. Mary's tonight was supposed to host Augsburg at Terrace Heights at 7:30 o'clock. Bilt Hanzel this morning called off the contest.

Should the temperatures drop tonight, St. Mary's is scheduled to host St. Olaf Thursday night at 7:30 before moving on to Collegeville, Minn., and two tilts with St. John's Friday and Saturday.

If today's weather forecast is correct, however, Thursday's tilt is in jeopardy. The prediction makes it appear as if the only ice tomorrow will be frozen in a refrigerator.

OSSEO WHIPS FAIRCHILD

Lakers Move Past Arkansas

Osseo of the Dairyland Conference upset league-leading Fairchild of the West Central circuit 80-64 and Pepin of the West Central League dropped Arkansas of the Dunn-St. Croix Conference 50-47 in arena non-conference action Tuesday night.

OSSEO 80 FAIRCHILD 64 The Fairchild Dragons lost their third straight game to the Osseo Chieftains Tuesday 80-64.

Fairchild held a slim 12-11 first-quarter advantage, but Osseo roared back in the second frame, netting 22 points to Fairchild's 10. Osseo outscored the Dragons 25-20 in the third period and then the two teams stalemated in the final quarter, each hitting 22 points.

Bruce Brechin hit 25, Lon Herick 16, Lyle Sell 15, and

Steve Hickley 13 to pace Osseo. Dennis Blane had 20 and Mike Lasse 14 to lead Fairchild scoring.

PEPIN 50 ARKANSAW 47 Resurgent Pepin played the Arkansas Travelers on even terms and then some to take a 50-47 decision.

Scores by quarters read in favor of Pepin twice and Arkansas twice. Arkansas led 15-12 in the first quarter and outscored Pepin 11-9 in the final period. Pepin held 16-10 and 13-11 quarter advantages.

For Pepin, John Lawson scored 14 while Ted Seifert added 11 to the Laker cause. Denny Richardson had 16 and Scott Herbst 14 for Arkansas scoring honors.

Arkansas' junior varsity took a 35-31 verdict.

SALARIES DISCUSSED

Plainview Board Rejects Bus Plan

PLAINVIEW, Minn. (Special) — Faculty salaries, testing programs, recommendations for improving the school, and the

school bus policy were among matters before the Board of Education Monday night at Plainview Community School.

Milk Volume Shows Increase At Ridgeway

RIDGEWAY, Minn. (Special) — More than 26 million pounds of milk was processed by the Ridgeway Creamery during 1963, it was revealed here Saturday at the creamery's annual meeting. This was 800,000 more pounds than was processed in 1962.

Of the amount nearly 12 million pounds came from bulk tanks with the remainder in cans.

In June the creamery changed its operation. Until June the creamery had been churning the cream it received from farmers and selling whole milk locally and to La Crosse.

In June the creamery spent about \$30,000 for a new churn and other equipment. It stopped taking farm separated cream and accepted only whole milk. It separates the cream from the whole milk and churns it into butter. The skim milk is sold to La Crosse.

A total of 675,982 pounds of butter was churned from June to December last year. The creamery expects to churn about 1 1/2 million pounds of butter this year.

The creamery's assets at the end of the year totaled \$219,838. Directors re-elected were W. H. Pflughoef and Robert Hass.

Insurance Costs Up in Stockton; Playground Set

STOCKTON, Minn. (Special) — The Stockton Village Board Monday voted to renew its comprehensive liability insurance policy with Clark & Clark Insurance Co., Winona, so as to be in accord with the new state law, effective Jan. 1, requiring higher liability coverage.

The premium of \$182.47 per year covers the village hall and premises; all streets, including sidewalks; parks or playgrounds; playground equipment; street cleaning, including snow removal; policemen; firemen and garbage workers.

IT COVERS hired automobiles and automobiles used for village business by all board members. The automobile bodily injury liability would pay \$50,000 for each person and up to \$300,000 for each accident; for bodily injury liability, except automobile, \$50,000 for each person and up to \$300,000 each accident; property damage liability, except automobile, \$50,000 each accident; property damage liability, except automobile, \$50,000 each accident; aggregate operation, \$300,000, aggregate protective, and \$300,000, aggregate contractual.

The policy would pay \$25,000 for accidental death, \$50,000 for individual injured and \$100,000 total damages from one accident or occurrence.

The council will receive and act on a quotation of figures for medical coverage for either \$5,000 or \$500 at the March meeting. This would bring the total yearly premium to about \$200 compared with \$86.47 last year.

Prior to this time the village had general comprehensive liability covering the streets but not the playground, sidewalks, medical costs, etc. This paid \$5,000 for an individual and \$30,000 total damages. The village also has been protected by governmental immunity, which is no longer in effect as of Jan. 1.

IT WAS MOVED that the village use the school ground as a village playground Jan. 1 to Dec. 31.

Mayor George Hinton reported that Interstate Power Co., Lewiston, has installed at its own expense, a mercury vapor light at the substitution near the Clyde English residence. The company also absorbs the cost of operation.

It was reported two picnic tables now are complete. They will be used in the proposed village park and playground area. Lyle Ladewig and Paul Gehres, chairman and clerk of the school board, were present but did not act on an insurance plan because Lawrence Overing, treasurer, was absent.

Insurance representatives Howard Clark, Winona and Ralph Morehouse, Minneapolis, were present and also will attend the March meeting with quotations for the school board and medical coverage for the village board.

The board rejected a proposal of Laverne Klassen on school bus service presented at the last meeting. Klassen said: "We are not asking for more service than we have received other years; we would like to have the buses on the same schedule they were before the revision."

The board shortened the routes last fall but made some modifications following a public meeting.

THE BOARD voted to pay the elementary principal \$8,900 next year and the assistant \$7,900 until he receives his master's degree, when it will be revised upward. The superintendent's salary was approved at \$11,250 for next year.

Board members concurred with the proposal of teachers David Kallman, Miss Avis Manow, Mrs. Harry Sparks and Harry Schleiff to maintain the base salaries at the state median. Schleiff, spokesman for the group, requested that accumulative sick leave, without salary deductions, be extended from the present 5-45 days to 10-60 days. The median in the state is 10.4 days.

Figures supplied the board showed the base salary median in the state has increased from \$3,879 in 1958-59 to \$4,635 this year. The increase this term was \$148. The representation requested that all teachers be placed on the salary schedule. Rising cost of living and increased effectiveness of the staff after each year's experience were given as reasons for requests for salary increases.

THEY ADVOCATED that all teachers earn six quarter hours of credit every four years. They reported that volunteer teacher study groups now are in operation in areas of lesson planning, eligibility, honor roll and the non-graded high school.

An extensive search is under way to locate the under-achieving students in grades kindergarten through 12th, they reported. An effort is being made to bring them up to their potential ability level.

Following a report to the board, Robert Olson, junior-senior high school principal, recommended that the testing program be revised to include achievement tests in ninth and eleventh grades; that new tables and drapes be purchased for the home economics sewing room; the stage in the old gym be remodeled into an area where a large group—70 plus—can be accommodated; removing a wall in the office practice room to enlarge the typing department.

Building a series of work benches in Room 219 for office machines; purchase of new typewriters; repair of windows on the top floor on the west side of the high school; purchase of tables for the bookkeeping room; employment of a counselor; procuring a chapter of the National Honor Society here; and purchasing some new drafting benches for the industrial arts drawing room.

JOHN M. Eishrener, elementary principal, recommended placing present music texts on a five-year plan at a cost of \$200 per year; establishing a class for the educable mentally retarded; make some arrangement to help children with speech problems; give achievement tests to second graders in the fall; leave the kindergarten sections at three subject to available staff, and purchase 25 new chairs and two rectangular tables for the kindergarten.

Adults in the community have indicated interest in 10 evening classes. The only expense to enrollees would be cost of materials. Teachers would receive \$7.50 for each session taught. Robert Mack suggested that \$2.50 be charged enrollees for the course but Superintendent Roy Pearson said the school would make no charge.

The board will investigate the area owned by the district. Three members said they plan to attend the area school board meeting at Zumbrota Feb. 27.

St. Mary's College Parents to Meet At Hotel Tonight

The second meeting of the St. Mary's College Parents Association will be held at 8 p.m. today in the Skyroom Mezzanine of the Winona Hotel.

Brother J. Francis, FSC, dean of men at St. Mary's will discuss general college regulations, housing, health, and social activities as well as answering questions concerning the welfare of students while attending college.

In addition to problems concerning boarding students, the meeting will consider the problems of those who commute to the college.

Winneschiek

District School Head Quits Post

MABEL, Minn. (Special) — The superintendent of the North Winneschiek Community School has resigned.

Superintendent William Littlejohn of Mabel and the board reached an agreement at a special meeting Jan. 30.

ACCORDING to President William Sexton the written statement drawn up by participants in the meeting states that the board will pay Littlejohn his salary for the 1963-64 school year and that he would withdraw from his position immediately.

After the meeting, held in the Winneschiek County courthouse at Decorah, the board, Littlejohn, Elmer Gast of the Iowa State Education Association and attorneys involved drew up a statement reflecting the outcome of the meeting and giving a brief history of the new school district and the controversy over the resignation. The settlement reached was, in the words of the issued statement, "for the good of both the school district and the superintendent."

Late in August 1963, the board by majority vote had asked Littlejohn to resign from his current three-year contract, scheduled to run to July 1, 1965. Since August, according to the statement, "there have been disagreements in the district concerning the contract request and Littlejohn has continued his duties as superintendent."

TWO MEN representing the state education association and its committee on professional relations and ethics visited the district Jan. 22-23. They were William Robinson, Des Moines, secretary of the committee and associate secretary of the ISEA, and Gast, West Union, president of the committee and the Northeast Iowa teachers' representative on the ISEA board. They interviewed various people in the district and then made recommendations to the board and Littlejohn.

The statement by the meeting participants stated that "because various factions had not been able to agree on a continuation of his services, it was felt by many that nothing short of a final settlement would suffice to reduce community controversy, regardless of the reasons for its existing."

"It seemed to many to be especially urgent to move ahead on completing and furnishing the new building, and to hire necessary faculty members for the 1964-65 school year."

The board "noted its appreciation to Mr. Littlejohn for his work and efforts in getting the new district under way." In turn Littlejohn expressed concern over the future of the district and indicated that his agreement to leave was based on his regard for the future of the district as well as for himself.

THE DISTRICT was created July 1, 1960. Littlejohn has been the only superintendent so far. A new central building for both elementary and high school pupils is near completion at a rural site southwest of Mabel.

High school pupils in grades 9-12 are attending four different public high schools as tuition students: Decorah, Canton, Mabel and Spring Grove. Elementary pupils in grades kindergarten through eighth are attending 15 one- and two-teacher elementary rural schools scattered over the 133 square miles of the district.

TERESAN LECTURER SAYS:

Arts Can Overcome Language Barriers

The arts constitute an international language because they enable one to triumph over language barriers, a University of Wisconsin professor and author said here Tuesday night.

Speaking at the second annual honors convocation at the College of Saint Teresa, Dr. Ronald Mitchell, professor of speech and theater director at Wisconsin since 1939, said there are elements of both the national, or specialized, and the international, or general, in all arts, even the non-verbal forms.

"THE ARTS have a national and an international function," he declared.

The speaker explained that although "the best art is above nationalism," there are, for example, vestiges of the Italian in the works of Bernini and of the English in the buildings of Christopher Wren.

An acquaintance with the arts enables one to recognize and take pleasure in these national

elements, Dr. Mitchell said. "Where there is enjoyment there is affection, and affection begets both understanding and respect," he asserted.

"There are many international languages, and many have little or nothing to do with the arts," Dr. Mitchell pointed out. Interest in a mutual hobby, for instance, might enable persons whose languages differed to communicate in some way.

ANYTHING INVOLVING the arts, however, is more difficult to achieve, he went on, and therein lies the advantages and disadvantages of art in international communication. Once achieved, such communication is more lasting because we can return time and again to the same art object and still not get all it has to offer us.

"When we face a work of art for the first time, most of us would rather be stimulated than satisfied," the tall, graying speaker said, his British speech modified by his long years in America.

In reaching an appreciation of a work of art "movement is involved... movement for us," Dr. Mitchell declared.

The professor, who was born in London of Welsh parents and was educated at the University of London and at Yale, paid tribute in his talk to the repertory theater movement in this country, typified, he said, by the Tyrone Guthrie company in Minneapolis.

THIS MOVEMENT is an example of the reawakening of Americans to the need for supporting the arts, he said. America too long has neglected its own cultural life, he asserted, and thus has missed an opportunity to speak to the rest of the world.

"The most gratifying approach to art is a learning process, lasting through life," Dr. Mitchell said.

The speaker, who has written 25 plays and four novels, was introduced by Dr. Norbert J. Geier, associate professor of English at Saint Teresa.

A social hour was held after the conclusion of Dr. Mitchell's talk.

Whalan Favors Fire District

WHALAN, Minn. (Special) — At a special election here Tuesday night, 34 of 37 voters favored the village joining the Lanesboro fire district.

It was a small vote, according to Mrs. A. M. Evenson, clerk. There are 65 potential voters in the village.

Joining the district will involve a 1/2 mill tax on village property.
