## Quill Stricken After Arrest in New York

MEET WITH KOSYGIN . . . President Mohammed Ayub Khan of Pakistan reaches his hands toward Prime Minister Lal Bahadur Shastri of India, left, and Premier Alexei N. Kosygin of the Soviet Union as the three met in a villa at Tashkent, a Soviet central

Asian city. Kosygin is watching over the meeting of the two Asian leaders who are meeting for the first time since their countries went to war against each other in September. (AP Photofax by cable from Tashkent)

### Traffic Tieup Worse, Autos May Be Banned

BULLETIN

NEW YORK (AP) — Union President Michael J. Quill, jailed today for calling New York's bus and subway strike, was stricken at the prison two hours later and taken to a hospital. He is a heart patient.

Quill was carried from the jail on a stretcher and placed in an ambulance which sped off with sirens screaming.

NEW YORK (AP) — Sheriff's officers arrested Michael J. Quill and eight other leaders of two unions today for contemptuously defying a court order forbidding the strike of this city's subways and buses.

A judge Monday night directed that they be jailed until they order "in good faith" their 34,400 men back to work.

Quill and his associates waited with packed handbags for an hour after the arrest order took effect at 11 a.m. until the order was served.

Striking a dramatic pose, Quill deliberately examined the badge of the officer approaching him and, turning toward television cameras, announced:

"The sheriff is here and have (sic) properly identified himself. The dragging arrest from the collective bargaining table is typical of collective bargaining a la Mayor Lindsay and the editorial writers of the New York Times."

While awaiting the arrival of sheriff's men, Quill continued his defiance.

"The judge can drop dead in his black robes," the 60-year-old leader of the AFL-CIO Transport Workers Union declared. "We will not stop the strike."

Shortly thereafter, Quill and his colleagues moved into the contract negotiations room where Quill asserted:

"We're going to compel the sheriff to remove us from the bargaining table as a sign of how collective bargaining is being conducted in 1966."

The Transport Workers Union and the AFL-CIO Amalgamated Transit Union paralyzed the vast city transportation system at 5 a.m. New Year's Day.

Supreme Court Justice Abraham N. Geller Monday night found the union leaders guilty of civil contempt for flaunting the court injunction the city had obtained to block the walkout of 34,400 bus and subway workers.

Geller ordered that the jailing could occur at any time after 11 a.m. today.

MICHAEL J. QUILL  
He Goes to Jail

TRANSIT TIEUP LEADS TO TRAFFIC JAM . . . This was the scene in Brooklyn from a helicopter this morning as bumper to bumper traffic moved through the Brooklyn

Battery Tunnel leading to New York's borough of Manhattan as the city's transit tieup entered its fourth day. In background is Manhattan's famous skyline. (AP Photofax)

### STEEL BATTLE SHAPING

## U.S. Won't Buy At Higher Price

WASHINGTON (AP) — Under notice that the government won't do business with the price-boosters, the bulk of the nation's steelmakers showed wariness today about joining the Bethlehem Steel Corp. in its structural steel price increase.

A matching \$5 a ton increase by Inland Steel Corp. took effect today, four days after Bethlehem's announcement on price boosts for structural steel framing.

## U.S. to Drill 6-Mile Hole Into Earth

WASHINGTON (AP) — A full-speed-ahead order has been given to start building the huge ocean-going drill platform for "Project Mohole," it was learned today.

"Mohole" is a \$100-million venture by the American government to drill a hole six miles deep through ocean and earth in man's deepest penetration of the planet.

The assault — expected to have a rich scientific payoff — is scheduled to begin in late 1968 or early 1969, and take about three years.

The project is aimed at getting new knowledge of the earth's origin, structure and minerals — and of how Mother Earth brews her devastating earthquakes and volcanoes.

Geophysicist Gordon Lill, Mohole project manager for the National Science Foundation, told a reporter a go-ahead order, effective today, has been given the National Steel & Ship Building Co. of San Diego to proceed with the construction of the weird drill device whose floating platform will be bigger than a football field.

Lill said preliminary work on actual construction would include driving some huge pilings into the harbor floor, and tearing away part of a pier to make way for erection of the drill platform. Construction itself will take about two years.

When operational, it will be, in effect, a giant, unanchored raft poised high above the sea and supported by six columns attached to submersible, submarine-like hulls, a 240-foot derrick will rise from the deck. The craft will be strong enough to withstand winds of hurricane force.

### WEATHER

FEDERAL FORECAST  
WINONA AND VICINITY — Mostly fair tonight and Wednesday. Much colder. Low to night — 10 to 5 above, high Wednesday 8-20.

LOCAL WEATHER  
Official observations for the 24 hours ending at 12 m. today: Maximum, 36; minimum, 8; noon, 36; precipitation, none.

## Kosygin Keeps Watch on India, Pakistan Talks

By CONRAD FINK

TASHKENT, U.S.S.R. (AP) — The leaders of quarreling India and Pakistan shook hands today and sat down to talk for the first time since they went to war against each other in September.

President Mohammed Ayub Khan of Pakistan and Prime Minister Lal Bahadur Shastri of India, watched over by Premier Alexei N. Kosygin of the Soviet Union, met in a villa on the outskirts of this Soviet central Asian city.

The tall, handsome Pakistani leader, dressed in a dark business suit and wool Pakistani cap walked over to Shastri as he arrived at the villa and extended his hand.

Shastri, wearing a sheet-like dhoti and coat, shook hands.

Soviet security was so tight that newsmen could not get within a mile of the meeting place.

Premier Kosygin led the delegations to a second-floor conference room, an Indian source said, and seated them at a large circular table.

With Kosygin were Soviet Foreign Minister Andrei Gromyko and Defense Minister Marshal Rodion Malinovsky. Ayub was accompanied by Foreign Minister Z. A. Bhutto and Shastri by the Indian ambassador to Moscow, T. N. Kaul, and other aides.

The first meeting this morning lasted 40 minutes and a Soviet spokesman would say only that issues between India and Pakistan "were discussed in a preliminary way."

It was thought that Kosygin attempted to get Shastri and Ayub to agree upon a firm agenda that could lead the talks toward a lessening of tension between the two countries.

Newsmen and photographers were admitted just before the leaders gathered again for luncheon, and neither Shastri nor Ayub appeared to enjoy being photographed together.

Kosygin several times rearranged the lineup, pulling and pushing Shastri and Ayub together for the benefit of the cameramen and moving lesser officials to the rear.

get a token \$25,000 for the job, borrowing between \$600,000 and \$1 million as needed under an emergency borrowing clause of the city charter.

But a St. Paul citizen, Charles P. McCarty, filed a suit against the practice this year, claiming snow is to be expected in Minnesota in winter and hardly qualifies as an unexpected emergency.

Two St. Paul banks, which usually lend the city money for snowplowing, have refused to do so until the suit is settled.

In court Monday, Ramsey

## 30 Dead or Missing In French Gas Blast

LYON, France (AP) — An estimated 30 persons were feared dead or missing today after five big butane gas tanks exploded at a refinery and storage farm 12 miles south of Lyon.

At least 75 persons with burns were admitted to Lyon hospitals.

Officials evacuated residents of the area, fearing that three other nearby storage tanks would be set off by the searing heat.

The Ministry of Interior in Paris said two engineers and

five firemen were reported missing.

A Lyon photographer said he had been about 100 yards from the first tank when it exploded.

He was severely burned about the face and hands. He said that a number of firemen and employees of the plant had been ahead of him when the explosion occurred.

The Ministry of Interior in Paris said that the fire was apparently under control, but officials said that the remaining

three storage tanks were endangered by heat and flames that could pass along underground pipes.

The fire broke out in the Feyzin Refinery early today and spread quickly to a storage tank.

Security officials attempted to control the blaze and called on fire departments from Lyon and two nearby villages. Fire hoses were directed on the burning tank, but suddenly a second tank caught fire and exploded, apparently due to heat from the first.

Three other tanks exploded. The explosion shattered windows in a radius of 300 yards. Walls of some homes were cracked.

The refinery is owned by the Union Generale Des Petroles. It went into operation in June 1964, and is one of the most modern in Europe.

Heavy smoke, mixed with fog and steam, hung over the area. Residents were evacuated from homes near the refinery and storage farm. Inhabitants of the village of Feyzin, 500 yards from the refinery, also were moved from their homes.

CHICAGO (AP) — Traffic accidents killed 564 persons during the 78-hour New Year's weekend, the second consecutive record established during the year-end holidays.

The 720 persons killed during the three-day Christmas observance brought the total number of deaths for the two holiday weekends to 1,284. The Christmas toll was an all-time high for any holiday period.

The New Year's total wiped out the record established for the turn-of-the-year holiday weekend in 1964-65 when 474 persons perished in motor vehicle accidents. The lowest toll for a New Year's weekend was 269 during the 78-hour period in 1949-50.

The National Safety Council, which had estimated that 360 to 440 persons would die in auto accidents last weekend, said of the toll:

"The depth of this tragedy demands the active concern of every American, whatever his stature."

California and Ohio each had 46 traffic deaths. New York had 40, Illinois 34 and Michigan 30.

## Reagan to Seek Governorship Of California

LOS ANGELES (AP) — Film star Ronald Reagan is ready to step onto California's hectic political stage today with the announcement that he will seek the Republican nomination for governor.

Reagan, at a news conference, is expected to spell out publicly what his aides have been saying privately — that he has decided to enter what is likely to be a bitter GOP primary race.

Time has been purchased on 16 television stations throughout California for a showing tonight of a half-hour film in which the 54-year-old star of the television series "Death Valley Days" will disclose his intentions.

His decision to run would pit Reagan against former Mayor George Christopher of San Francisco and Laughlin E. Waters, who has served in the Assembly and as U.S. attorney for Southern California. A San Rafael cosmetics manufacturer, William Patrick, who also has announced his candidacy, is little known in party circles.

Republicans who class themselves as moderates are backing Christopher and Waters. Reagan, 1964 cochairman of California Citizens for Goldwater-Miller, has the support of GOP conservatives.

Reagan, in using Hollywood fame to launch a political career, would be the second show business personality to try for high office in California. George Murphy, another Republican, was elected U.S. senator in 1964.

Reagan has been touring the state for months, attacking Democratic Gov. Edmund G. Brown — who is expected to run for a third term — and attempting to find out if "I am the man who can draw the backing of a broad cross section of our party."

Reagan, a registered Democrat until two years ago, won a reputation as a campaigner with a nationally televised speech for GOP presidential candidate Barry Goldwater in 1964.

## Madison Youth Dies When Car Tumbles

MADISON (AP) — Dennis Williams, 19, of Madison, was killed Monday night when a car he was working under slipped from a jack and fell on him. Coroner Clyde Chamberlain said the youth was trying to remove a speedometer cable. The coroner said the youth's fiancée was waiting in Williams' car and when he failed to return she and others went to look for him.

## No Funds for Plowing Streets, St. Paul Faces Traffic Tieup

ST. PAUL (AP) — Without more funds for snowplowing, says St. Paul's public works commissioner, two big snowfalls could stop all motor traffic in Minnesota's capital city as dead as New York's strike-bound subways.

Mayor George Vavoulis, Public Works Commissioner Milton Rosen and other city officials today were seeking new ways of financing snowplowing while the traditional borrowing method is tied up in court for at least another three weeks.

For years, the city has bud-

County District Judge David Marsden ordered McCarty to post a \$5,000 bond and set a hearing for Jan. 24.

However, Rosen said the city already has spent \$12,500 in clearing a four-inch snowfall from main streets over the weekend. He ordered crews not to plow residential streets.

"We've got enough money left to plow out from under one more good snowstorm," the public works commissioner said. "After that, it's up to Joe Mitchell (city controller) to get us some more money."

"We'll do everything in our power to keep the main roads open, but the residential streets will remain unplowed."

Vavoulis said he would insist that money be found somewhere to plow all St. Paul streets. But the mayor did not say immediately where funds might come from.

Sanitation Supt. Clarence J. Yokum Jr. said the city used more than 60 vehicles in plowing 397 miles of primary streets over the weekend. The \$25,000 regular appropriation became available Saturday, but now is half gone.

### Bus Firms Help

It's wonderful the way bus companies are doing their bit to encourage physical fitness. Every year the buses stop further and further from the curb . . . This is the time of year when the garbage collectors are all wearing new Christmas ties . . . A girl's plans for the future seldom take shape until she does . . . Cathy conversation: "Darling, I just loved your dinner. I never realized so much could be done with left-overs" . . . Neighbors, says the cynic, are nasty people who keep buying things you can't afford.

# India-Pakistan Pact Doubtful

WASHINGTON (AP) — The United States would be surprised if there were any quick agreement between India's Prime Minister Lal Bahadur Shastri and Pakistan's President Mohammed Ayub Khan at the Soviet-sponsored peace talks beginning today in Tashkent.

U.S. officials closely following the situation were of the opinion that any tangible progress between the two nations in their dispute over the fate of Kashmir would have to be laboriously hammered out. Fighting, which broke out three months ago, has been suspended under a cease-fire agreement, although both sides have charged violations.

The official U.S. attitude is to wish the negotiators well, but to keep hands off and not raise expectations of any quick resolution.

## Watkins Research Director to Speak At Alabama Meet

The director of research and development of Watkins Products, Inc., will be the featured speaker at the annual Coffee County Cattlemen's Association meeting Thursday at Enterprise, Ala.

He is Cy Anderson, Minnesota City, who will speak on the 12-month vitamin and mineral needs of the beef cow herd.

The Coffee County Cattlemen's Association is the largest of its kind in Alabama. People from Alabama, Georgia, Florida, Mississippi and Louisiana will attend the meeting.

Also attending the meeting from Watkins at Winona will be Virgil Smith and William Kilpatrick from the agricultural products department.

Anderson

## Westmoreland Time's 1965 Man of Year

NEW YORK (AP)—Gen. William C. Westmoreland, commander of U.S. forces in Vietnam, is Time magazine's 1965 Man of the Year.

Time bases its choice of the man or woman of the year — Westmoreland is the 39th — on the criteria that the person should have "dominated the news of the year and left an indelible mark — for good or ill — on history."

The selection of Westmoreland announced Sunday.

sumption of U.S. economic or military assistance to either disputant.

The United States has made known to both Ayub and Shastri that an agreement between the two countries which would begin to carry out the United Nations Security Council resolution calling for a withdrawal of the opposing forces from Kashmir would be necessary for further help.

This does not include the supply of American surplus food to India or Pakistan. Officials said that the United States would not use food to help speed a settlement of political differences when India is faced by a potential famine.

Soviet Premier Alexei N. Kosygin personally arranged the Ayub-Shastri talks, in the central Asian city and it was agreed here that neither the United States nor the Soviet Union would like to see Chinese Communist influence increase in South Asia.

At the same time it was recognized that the Soviets would not mind seeing U.S. influence dashed in both India and Pakistan, and Washington would not be upset if the Soviet mediation effort tarnished the Russian image in both countries.

The United States has more to lose, it was conceded, than the Soviets because Pakistan has been a U.S. military ally on the southern frontier of the Soviet Union. The Russians have wooed Pakistan with the argument that if Pakistan no longer felt threatened by the Soviet Union, China or India, it would have no need for an alliance with the United States.

Thus it is realized that there are high diplomatic stakes being played in the Tashkent talks.

But while the United States is not present, the \$345 million in economic assistance to India, in addition to food supplies, and the \$250 million which the United States has been expected to provide to Pakistan for economic development, are powerful cards for Uncle Sam — the absent player at the conference table.

## Mondale Ends Visit to India

NEW DELHI, India (AP) — U.S. Sen. Walter F. Mondale D-Minn., ended a four-day look at India's food situation Monday and flew back to the United States.

Mondale met in New Delhi with Food Minister Chidambaram Subramaniam and spent two days touring the Ralpur sector, an area hard hit by drought in Madhya Pradesh state southeast of New Delhi.

Mondale is a member of the Senate Agriculture Committee.

## 13 Candidates For Buffalo Co. Board Posts

ALMA, Wis. (Special)—Thirteen have filed for Buffalo County Board of Supervisors positions.

Three races have developed, and the city of Alma will require a primary March 8 to reduce the three candidates to two. Alma will have one supervisor.

Two other races have developed, with two candidates for one position in combinations of Buffalo City-Cochrane village and towns of Buffalo and Cross.

THERE WILL be 14 members on the board following the election April 5. Not all supervisory districts are represented in the filings to date.

The three filing for one supervisor in Alma city are incumbents on the present 28-member board: Christian A. Schultz, John R. Hartman and Kenneth J. Jackelen, representing the 1st, 2nd and 3rd wards, respectively.

Two have filed for the combination of Buffalo and Cross: Melvin Lorch, now supervisor from Town of Cross, and Henry L. Muthaupt, former supervisor from Town of Buffalo.

Two have filed for one supervisory position in the Buffalo City-Cochrane village combination. Wilfred C. Kaufmann, current supervisor from Buffalo City, and Louis Glantz, newcomer to county government, have filed.

Richard D. Davis, also a newcomer to county politics, has filed to represent the towns of Gilmanston and Dover.

Ed Sendelbach, Town of Waumandee and board chairman, has filed to represent the towns of Waumandee and Milton.

EMMONS Accola, incumbent from Town of Mondovi, has filed to represent the towns of Mondovi and Naples.

John H. Falkner, incumbent supervisor from Town of Maxville, has filed for representative of Maxville and Town of Canton combined.

In the city of Mondovi, which will have two supervisors, Harold Zittel, currently representing the 2nd Ward, has filed to represent the 2nd and 3rd wards. Otto Bollinger, now representing the 4th ward, has filed to represent the 1st and 4th wards.

## Long Lines For Auto Tags

ST. PAUL (AP) — Long lines of motorists thronged the Minnesota Highway Department building Monday, beating the license plate deadline.

Starting Jan. 11, an extra \$1 penalty will be tacked onto the fee for the 1966 stickers. The penalty goes up to \$2 on Jan. 21 and to \$2.50 on Feb. 1.

The Motor Vehicle Division in the highway building in St. Paul will be open from 8 a.m. to noon next Saturday and from 8 a.m. to 7 p.m. next Monday. Deputy registrar offices around the state will be open all day Saturday.

The motor vehicle office reminded owners that they are still responsible for buying new tags by Jan. 10 to avoid penalty, even if they have not received their new application card.

## Area Woman Logs 400 Hours As Private Pilot

STRUM-ELEVA, Wis. — The wife of Central High School's art teacher had had a pilot's license since March 26, 1956.

Mrs. Bernard Larson flies mainly on pleasure trips to Madison, the eastern part of Wisconsin and Minnesota. She has a total of about 400 flying hours. Her longest trip was to Valley City, N. D., on which she was accompanied by her husband in her Cessna.

Mrs. Larson is a member of the Civil Air Patrol, Ashland, from where she receives distress calls, enabling her to go out and give help in time of need. For this type of work she is reimbursed by the government for expenses.

She became interested in flying when her brother asked if she'd like to buy a plane with him. She started her lessons at Siren and Ashland.

## Local Airline Promoters Get \$400 City Help

A \$400 contribution to the Local Airline Service Action Committee was authorized Monday night by the City Council.

The committee is composed of representatives of eight Minnesota cities situated on local service airline routes. Its purpose, explained by City Attorney George M. Robertson Jr., is to provide a voice for such communities in forthcoming congressional hearings on Civil Aeronautics Administration policies.

HEARINGS will be conducted by Sen. Mike Monroney, chairman of a Senate subcommittee on aviation, said Robertson. The purpose will be to clarify CAB policies respecting support of air service to smaller cities. Up to now, it has been charged, CAB policy seems to be aimed at curtailing instead of reinforcing such service, according to Robertson. "Four or five" other member cities already have made \$400 contributions, Robertson said.

Other council business: A bill of \$4,625 was allowed to the Jerry Baer Heating & Ventilating Co., Minneapolis, following receipt of lien waivers for all suppliers. The firm recently finished conversion of the City Hall heating system from stoker-fired to interruptible gas service.

The street department was authorized to seek bids for sand, crushed rock, pea gravel, calcium chloride and salt. Except for crushed rock, the materials currently are bought in the open market, according to Ald. Henry Parks.

A resolution authorizing payment of court costs in connection with Holiday Inn lawsuits was laid over to the next meeting. Robertson said he would check figures on the amount before recommending payment. According to present figures the city's costs are about \$2,300.

A request by the city welfare department for authority to purchase a \$300 dictating machine was held over for a report by the health and welfare committee.

Permit for a 30-day going out of business sale was issued to the Firestone Store, 202 W. 3rd St., effective Dec. 27.

Council President Harold Briesath asked the council to think over a plan he has for encouraging interest among students in city government. Each of the two city high schools could be asked to name five students, he said, who would sit with the council and mayor in one or more meetings. This inside look at governmental processes could stimulate their interest, he suggested.

## 10-Year-Old Is Rochester Firebug

ROCHESTER, Minn. (AP) — Police say a 10-year-old boy has admitted setting two fires last week that caused an estimated \$1,000 each at Leitz Concrete Products Co. and Rochester Block and Supply Co.

No charges have been filed and the boy is in custody of his parents.

## Chairman Named

ST. PAUL (AP) — Dodge County Atty. Bruce Erickson of Kasson has been named 1st District chairman of the William B. Randall for Governor Committee.

## TAYLOR GRADUATES

TAYLOR, Wis. — Certificates have been awarded Supt. C. A. Mundt of the Taylor schools and Walter Kling, clerk, and Truman Koxlien, treasurer, of the school board for completing a course in boardmanship extending over three years. They were presented following a recent school board institute at Marshfield. It was sponsored by the Wisconsin Association of School Boards.

## City Hall Offices Closing Saturdays

City Hall offices now will remain open through noon hours on week days but will close Saturdays, according to a resolution by the City Council Monday night.

The resolution is effective immediately. Hours for the offices are 8 a.m. to 5 p.m., Monday through Friday, except for the city engineer's office, which usually opens at 7 a.m. Until passage of the resolution, City Hall offices were kept open Saturday mornings from 8 a.m. to noon.

## Council Hears Reports on Junk Yards

Compliance with city ordinances by auto wrecking yard operators and junk dealers is generally adequate, the City Council was told Monday night.

Aldermen heard a report on conditions from George M. Robertson Jr., city attorney, who read letters from officials of police, fire and health departments. All had conducted investigations at his request, Robertson said. The request was made at the council's direction after complaints were raised by some aldermen about alleged violations.

REGULAR inspections are made by fire department personnel, Robertson said. He read a letter by C. L. Keiper, chief of the department's fire prevention bureau. Keiper wrote: "I have issued licenses to these businesses for burning of materials and automobiles at the Shive Road burning area. Cooperation has been very good. Proof of compliance is the fact that we have not been called to extinguish fires starting from carelessness. Since June we have had but one call at each of the following: Whetstone Auto Wrecking, Weisman & Sons, Miller & Sons. Since burning has been eliminated in the various yards, this office has not received complaints on this matter."

There are "violations of short duration on numerous occasions, because of the nature of the business," wrote James McCabe, chief of police, but "these are brought to the attention of owners and corrections are made as soon as possible. A continuous 20-hour check is made of cars parked on streets and few violations are observed. As for junk yards, no violations on my knowledge come under our jurisdiction."

WHILE NO violations of the sanitary code were found, wrote Dr. W. W. Haesly, city health officer, some additional legislation seems to be required. He reported: "There is a definite need for an ordinance to regulate and improve operations that involve buying, processing, handling and shipping or selling of furs, skins and hides. I feel there should be an ordinance to require bait stations for each so many square feet of area."

## First National Increases Rate

Increased interest rates on savings deposits, effective Jan. 1, were announced today by the First National Bank of Winona. Certificates of deposit for 90 days or more will earn 4 1/2 percent return, said President A. E. Stoa. The rate on passbook deposits will now be 4 percent, he added. Present holders of deposit certificates will find their certificates automatically renewed at the higher rate, Stoa said.

Previous rates paid by First National were 4 percent on certificates and 3 percent for demand deposits. Announcing the increases Stoa said:

"These rate increases are in recognition of the changed money market conditions within the area. They reflect the desire of the First National Bank to keep step with these changes and to provide the maximum return for bank customers consistent with sound banking practices."

Two other city banks announced similar rises in interest on time deposits this week. Fidelity Savings & Loan Association raised its rate from 4 to 4 1/4 percent on passbook savings.

## Federal Aid Applications Get Approval

Applications for federal aids to finance four additional projects under provisions of new law providing assistance to school districts in undertaking new programs were authorized Monday night by the Board of Education.

One of the projects recommended by Superintendent of Schools A. L. Nelson would be a work-study program for students in the special education class at Washington-Kosciusko School and for other culturally deprived secondary school students.

NELSON explained that the opportunity for work during periods of attendance at school might provide an incentive for certain students who ordinarily might drop out, to continue their education.

Also proposed was an extension of the program to afford opportunities for adults who have not completed high school to attend classes to earn credits toward a high school diploma.

There is such a program in the evening school curriculum now but a \$5 monthly fee is charged.

For certain persons with marginal incomes, the superintendent pointed out, the fee could discourage attendance. If the projects were to qualify for federal aid the courses would be offered without fee.

AN in-service training program for public school teachers was suggested as a third project. This would consist of workshops, to be conducted either at evening during the regular school year or during the summer recess.

The superintendent said that a meeting had been held with representatives of parochial schools in the city and interest had been expressed in a program in the area of music and art for cultural improvement of students.

Efforts will be made, he said, to draft a plan to be submitted as a proposal for federal aid in this area.

## Police Checking Hit-Run Crash

A \$200 hit-run collision and a two-car collision that resulted in \$600 damages were reported today by police.

Police said that a car owned by Willard W. Ward, 958 W. King St., was parked at the north curb of West Broadway, facing west, near Hilbert Street Sunday at 12:30 p.m. when it was struck by an unidentified second vehicle.

Damage to the rear of the Ward car was estimated at \$200.

A two-car collision in front of 157 W. Sarnia St. occurred today at 8:10 a.m., Patrolman Willis H. Wogan reported.

Wogan wrote that Alvin C. Ronenberg, 157 W. Sarnia St., was backing his car out of his driveway when the collision occurred with a car driven east on Sarnia Street by Curtis L. Murray, 276 E. Wabasha St.

Damage was \$425 to front and right rear of the Murray car and \$175 to the right rear of the Ronenberg vehicle.

## Bakeries Raise Price on One Loaf of Bread

The wholesale price of the low cost, or secondary, 1 1/2-pound loaf of white bread, which normally retails for 27 cents, has been increased one cent, starting today, Twin Cities and local bakeries announced.

Local retail merchants will sell this competitive item from 27 to 29 cents, it was indicated today, although the price situation had not stabilized.

## BUT HAS RESTRICTION

# Council Approves New School Site

The City Council voted Monday night to approve the Siebrecht nurseries site for the new vocational-technical school, as recommended by the City Planning Commission and the Board of Education.

Aldermen skirted the edges of several alternatives and held extended corridor discussions during a 45-minute recess before bringing in their decision.

IN ITS motion to accept the council endorsed the general area and asked the Board of Education to consult both Planning Commission and council before finally locating the building on the land.

Beginning with a half-hour informal session before the 7:30 call to order, aldermen pored over sheets of comparative data on various site

choices. The conference was intended to produce a consensus but did not. It did elicit a complaint from Ald. Jerry Briesath at "having to go over all this again" plus his tongue-in-cheek suggestion that the school be mounted on flatcars and hauled from one site to another periodically.

A query by Ald. Neil Sawyer on possible reopening of the downtown location question appeared to arouse some interest. Sawyer noted that some strong segments of opinion favored this plan despite the council's 5-3 vote against it in November. This idea did not survive long enough to reach the floor in later sessions, however.

WHEN THE question came up on the meeting agenda, no alderman voted to adopt the commission's resolution approving the Siebrecht site. In its communication the commission also asked that development of any

lands not used for the new school be restricted to residential construction.

With no motion forthcoming, Council President Harold Briesath got approval for his suggestion to hold the matter over until after a recess. In recent meetings a short recess has been called about midway in each session.

Aldermen broke up into small groups, scattered through the corridors and made some telephone inquiries of the Board of Education, also in session at Winona Senior High School offices. Three-quarters of an hour later they returned to the chambers with a typed resolution, apparently drawn in the wake of informal discussions.

OBVIOUSLY erased by the corridor conferences were the last traces of support for such site alternatives as Wincrest, the Knopp farm on Highway 14 and the downtown business district. Partisans of these choices were mollified by insertion of the clause which called on the Board of Education to consult the council and commission before picking the new school's exact location.

Ald. David Johnston felt the restriction was somewhat superfluous. The board, he said, has willingly given all information asked of it and architects and planners have studied the matter closely. Since it is vital to get the school started soon — or face loss of some facilities — the council should simply accept the commission's recommendation, he said.

THE BOARD had asked only for endorsement of the general area, reported Ald. Barry Nelson who said he called Board President Lawrence Santelman during the recess. No choice of building location within the general area had been made yet, he said, nor had the board studied possible locations near Highway 61-14. These matters should be taken up at a joint meeting of council, board and commission, Nelson said.

Ald. Neil Sawyer said he agreed that the council should not set itself up as engineers but should limit itself to general area recommendations. Briesath disagreed and said the council and commission should help the board iron it out.

Ald. Johnston protested that insistence on such things only creates further delays which the school project can ill afford.

Ald. Nelson said he personally prefers setting the building next to the new highway for maximum visibility. This would help both the school and the city, he said.

TIME IS running out, agreed Ald. Harold Thiewes, and action should be taken now to avoid jeopardizing the new school's potential.

Here the flow of oratory subsided and Ald. Nelson's motion for adoption of the resolution, seconded by Ald. Thiewes, passed without dissent.

During other discussions concerned with the vocational-technical school project, board members were advised that the state Department of Education is approving reimbursement from state and federal funds for vocational school building of 50 percent of the \$10,000 first payment on fees to W-Smith Architectural & Engineering Services, Winona architects for the new building.

BOARD CLERK and Business Manager Paul W. Sanders reported that a claim for reimbursement had been made for costs incurred thus far in the project. These included the architects' fees, soil tests, option payment made to Winona Management and miscellaneous expenditures.

Sanders said that cost of soil tests, option, etc., were not allowed for reimbursement on grounds that they were not immediately connected with the construction of the building while the architects' fees were. Should the option be exercised, presumably the school district would be eligible for partial reimbursement on the option payment, too.

The City Council voted Monday night to approve the Siebrecht nurseries site for the new vocational-technical school, as recommended by the City Planning Commission and the Board of Education.

Aldermen skirted the edges of several alternatives and held extended corridor discussions during a 45-minute recess before bringing in their decision.

Should the option be exercised, presumably the school district would be eligible for partial reimbursement on the option payment, too.

## Another Dip For Mercury Due Tonight

A fickle weather forecast blew hot and cold on Winona today, sending the thermometer up to a pleasant 36 at noon today but threatening to drop it into the 10 below, 5 above range tonight.

A high of 8 to 20 was forecast for Wednesday.

Mostly fair tonight and Wednesday was the prediction for the sky. Little change is seen for Thursday.

THE NOON reading today was the same as the high Monday afternoon. Low in the 24-hour period since noon Monday was the Monday noon reading of 8 above.

A year ago today the Winona high was 31 and the low 0. Two inches of snow lay on the ground in contrasts with seven inches today.

All-time high for Jan. 4 was 50 in 1880 and the low for the day — 28 in 1884. Mean for the past 24 hours was 22. Normal for this time of the winter is 16.

With the exception of Hibbing where the morning reading was —3, temperatures in the state generally were above the zero mark.

Near-zero temperatures were reported in the snow-covered areas of WISCONSIN Monday night. In other sections day-time readings were near or above seasonal normals.

The lowest temperature in the state was 2 above at Eau Claire and Green Bay.

Superior, in the northwest corner of the state, had some light snow early this morning. Other than that, there was no precipitation in the 24-hour period ending at 6 a.m. today.

Burlington's 38 was high in the state Monday.

The temperature range in Wisconsin at 8 a.m. today extended from 5 degrees at Clintonville to 30 at Oshkosh.

## Lake Citian Pays Fine at Wabasha

WABASHA, Minn. (Special) — Rolfe Schumacher, 19, rural Lake City, pleaded guilty to careless driving before Municipal Judge Kenneth Kalbrenner here Monday and paid a \$25 fine.

He was arrested by Deputy Robert Loecher after his car went out of control on Wabasha County Road 2, one mile northwest of Millville Saturday at 1:30 a.m.

The vehicle went off to the right side of the highway, took out 100 feet of fence, and traveled 450 feet into a cornfield. Schumacher, who was alone, escaped with scratches.

Robert Seefeldt, 18, and George Stening, 19, rural Plainview, pleaded guilty to possession of beer and paid a \$25 fine each. They were arrested by Loecher New Year's Eve in Millville.

JUDGE TELLS YOUTH:

It's Time to Go to Institution

"Society has done all for you that can be done outside of an institution," Judge Arnold Hatfield told the youth before him Monday afternoon in District Court.

Noting that Timothy M. Murphy, 18, Kasson, Minn., had previously received reprimands and probation for offenses and even while awaiting sentencing Monday on a burglary charge had gotten into two scrapes with the law, Judge Hatfield said that he couldn't justify giving Murphy yet another chance.

MURPHY had earlier pleaded guilty to a charge of burglarizing the Hamm's warehouse at 5245 6th St., Goodview, Sept. 12. He admitted taking 96 12-ounce cans of strong beer, valued at \$13.95.

Reviewing Murphy's criminal record, the judge told the youth he almost believed that Murphy had set out "to build a poor reputation. In 1961, Murphy was arrested for shoplifting and received a reprimand, the judge noted. In 1963, he admitted using an auto without the owner's permission and was put on probation.

Many good citizens once committed illegal acts, the judge noted, but have straightened out.

MURPHY, the judge said, while hoping to get probation on the burglary conviction, had pleaded guilty to having beer in possession and now had a charge, of shooting at a house occupied by people, pending against him in Dodge County.

"There comes a time when we have to think about society — people. They have a right to leave their cars in the driveway, knowing they will be there when they wake up in the morning," Judge Hatfield said.

The judge thereupon ordered that Murphy be committed to the Youth Conservation Commission for the five-year term of his sentence. He stayed execution of the sentence until the pending charge in Dodge County is taken care of, however, and turned over Murphy to the custody of Dodge County Sheriff Willis J. Fryer.

SHERIFF Fryer is to return Murphy to Winona County Sheriff George L. Fort when the shooting charge is disposed of, and Sheriff Fort will transport the youth to Lino Lakes, Minn., where the YCC has its reception center.

Assistant County Attorney Richard H. Darby represented the state, and Attorney Robert D. Langford represented Murphy.

# It Happened Last Night Next LBJ Chef May Be American

By EARL WILSON

NEW YORK — The next White House chef will be American — but not from Texas — “and the best cook in the world,” so I’m told . . . but since my Gorgeous Mother-in-Law is 81 and hardly available, I don’t know who it can be.

A guy was asleep at the ringside at the Latin Quarter when Mickey Rooney did his midnight show there, and though somebody nudged him awake, the fellow went back to sleep with his head on the table. “Let him sleep, he’s enjoying himself!” Mickey told his partner Bobby Van.

## Many Unable To Get to New York Jobs

NEW YORK (AP) — New York City’s transit strike is leaving thousands of “essential” executives alone at their desks, sleeve-deep in paper work usually done by “unessential” secretaries and clerks who stayed home.

Mayor John V. Lindsay had appealed earlier to workers to stay out of the city unless they were “essential,” but he didn’t say who was essential.

In many offices Monday it was a strange picture: (The boss opening his own mail, running errands, getting his own coffee.

It was enough, you might say, to make an executive wonder who was essential — he or the secretary. If he was, then what was he doing opening the mail?

“Usually you get hit with something like a snowstorm and the executives stay home,” said one company official. “Looking around me, I see more executives than clerks.”

This was the result of a selective effect. Much of the city’s vast clerical population lives in Queens, the Bronx and other areas dependent upon buses and subways.

Their bosses, usually more affluent, often live in the suburbs from which trains and buses were running. Or else they live in fashionable East Side Manhattan areas within walking distance of the office.

New York Life Insurance Co. said 58 per cent of its 4,300 workers were out of the city — but that the great number of executives and managerial people were at their desks.

Equitable Life Assurance Society said about half its work force appeared.

Some banks opened late. Many said they were behind in processing checks.

## They’ll Do It Every Time

## Voice of the Outdoors

### Winona's Winter Beauty

This unusual view of Sugar Loaf, taken after the Sunday snowstorm, shows the enrichment that a fresh fall of winter snow can give to this scenic background. The view, taken from the back of Sugar Loaf, was made by Merritt Kelley, Daily News photographer.

### The First Snow

The late first snow this winter may have been welcomed by those interested in outdoor sports, but the long period of no snow up to Jan. 1, two months longer than a normal year, certainly was helpful to wildlife. It made their natural food supply, normally frozen, handy and available. It shortened their winter.

### Fox hunters welcomed

the snow. According to game wardens, some of them were out following fresh fox tracks in the snow although fox were not moving about too much. There is no crust on the snow, which is about seven inches deep. Since foxhounds have a real value this year, hunters are using care not to damage the pelts badly. Head shots with small bore rifles are preferred. A lot of hunters have been using fox calls—an injured rabbit.

### Sliding is best done in a roped off area or on a hill reserved only for sledding. In any case, there should be a large clearing at the bottom of the slope. Check the slope before going down the hill for protruding objects such as mailboxes, fence posts, tree stumps and barb wire fences. Never end the slide on frozen rivers, ponds or lakes where the ice may be thin.

### For safe sledding every child or person should be familiar with and have practiced safety techniques that help control the sled. To make a quick stop, stay on the sled and swing your body around to form an angle. A slow, easy stop can be made by steering into a snowbank. To stop fast on an icy hill, tip over on one side and hold onto the top of the sled with your left hand. The side of the sled and the runner should be pressed against the ground.

### A quick stop can be made by dropping your hat under a runner, but be prepared for a spill. Watch your fingers so they don't get caught under the runner. Dragging your feet will break your speed. Dragging your right foot will make a quick right turn.

### Success in skiing depends to a large degree on pre-season preparatory exercise. Exercising should begin at least a month before a ski trip. Regular exercise to strengthen your leg muscles includes half-knee bends, toe walking and toe touching.

### Beginners should receive coaching from a certified ski instructor. Expert advice in selecting ski equipment is just as fundamental as learning how to control your skis and how to check your speed quickly if necessary.

### Snow Sport Safety

Here are a few snow sport safety hints from the Minnesota Department of Health:

The high hazards of sledding are not generally recognized. Some authorities have stated that for the four- to five-month season, sledding is a greater hazard than the bicycle. The most frequent cause of an accident involves collision with an automobile.

### Rosendahl's brother, Jack Allen Rosendahl, Floodwood, 29, was killed Aug. 14 in a plane crash near Floodwood. The accident occurred at a landing strip on the John Hutchinson farm four miles north of Floodwood.

The victims were the sons of Mrs. Tillie Rosendahl, who recently sold her interests in the First State Bank of Floodwood. She formerly lived in Wakefield, Mich.

### Bus Driver Discovers Fire

PITTSBURGH (AP)—Flames were pouring from the top of a three-story apartment building on Pittsburgh's North Side.

It was 8 a.m. Sunday and no one was about. But police said a bus driver bound from Pittsburgh to Detroit spotted the fire.

John C. Olliffe of suburban Pittsburgh, a Greyhound bus driver for 29 years, stopped his bus, gave an alarm and then raced through the building waking up more than a score of residents.

No one was injured. Damage was estimated at \$15,000.

## By Jimmie Hatlo

## Klansman Freed In Liuzzo Slaying Starts Jail Term

BIRMINGHAM, Ala. (AP) — Collier Leroy Wilkins Jr., 22, a Ku Klux Klansman acquitted in the slaying of Viola Gregg Liuzzo, begins serving a one-year federal prison term today for violating his probation.

Wilkins, permitted by a federal judge to spend the Christmas holidays with his family in suburban Fairfield, was to be turned over to the U.S. Marshal's office.

On Dec. 20, U.S. Dist. Judge Clarence W. Allgood ruled that Wilkins had violated probation provisions in connection with his plea of guilty in November 1964, on a charge of possession of a sawed-off shotgun — a federal offense.

Allgood sentenced Wilkins to serve one year and a day in federal prison.

Wilkins was one of three Ku Klux Klansmen arrested last March by FBI agents and charged with the fatal shooting of Mrs. Liuzzo, a white housewife from Detroit who came to Alabama as a civil rights volunteer.

The mother of four was killed March 25 when hit by bullets from a passing car as she drove a Negro youth, Leroy Moton, on U.S. 80 from Selma to Montgomery following a march on the state Capitol.

Wilkins was acquitted in state court on Oct. 22 of the murder charge. The two other Klansmen, William O. Eaton, 41, and Eugene Thomas, 42, still await trial. No date has been set.

On Dec. 3, a federal court jury in Montgomery convicted the three men of conspiring to violate the constitutional rights of civil rights workers in the Selma area and they were given 10-year sentences. They have appealed.

## Personal Injury Suit Settled

Settlement for an undisclosed amount was reached Monday afternoon in District Court in a \$24,000 personal injury suit.

Mr. and Mrs. Donald W. Wood, 1220 Mankato Ave., were suing Miss Judith A. Walsky, 191 E. King St., in connection with a rear-end collision Nov. 28, 1964, on Highway 43 near its intersection with Sugar Loaf Road. Mrs. Wood received neck injuries.

Photographer Merritt W. Kelley, 626 W. Howard St., was the only witness in the case, which began Monday morning with the selection of a 12-member jury. Kelley identified nine photographs of the accident and of the accident scene in daylight.

The photographer was scheduled to resume the stand in the afternoon, but the opposing attorneys — S. A. Sawyer for the Woods and William M. Huil for Miss Walsky — discussed a settlement for nearly an hour after lunch.

When settlement was reached, Judge Arnold Hatfield dismissed the jurors, thanking them for the duty they had performed during the September term of court. The Wood-Walsky case, he said, would be the last jury case of the term. A new term begins Monday.

## Buffalo Co. NFO Elets Thursday

GILMANTON, Wis. (Special) —Buffalo County NFO will elect 1966 officers at its annual meeting Thursday at the courthouse in Alma. The meeting begins at 8:30 p.m.

## WITOKA PATIENTS

WITOKA, Minn. (Special) — Frank Duffy returned to Rochester today to undergo further surgery. Eric Aldinger is a patient at St. Marys Hospital, Rochester. He was stricken with a heart attack en route to Rochester on a business trip Thursday.

## BUSINESS MIRROR

# U.S. Can Hinder, Foster Inflation

By SAM DAWSON  
AP Business News Analyst

NEW YORK (AP) — What actions of the government can foster inflation? What can the government do to halt or moderate a general rise in prices and loss of purchasing power by the dollar?

The cost of the Viet Nam War — how much money the government will pump into the economy through military spending — will play a big part in answering these questions.

A big Treasury deficit could have more effect on the course of inflation than isolated instances of price rises, such as Bethlehem Steel's \$5 a ton boost in structural steel prices.

So right now, the talk about inflation centers most of all on what the new federal budget will hold. Will it be bigger spending, tax changes, a growing Treasury deficit? The new budget could do a lot to an expanding economy already pushing against the ceilings of production capacity and available skilled labor.

A budget deficit always can be a stimulant, mild or strong depending upon circumstances to the economy. Some fear that a big Treasury deficit now might turn an expanding economy into an inflation-minded boom, with prices getting out of hand and wage demands skyrocketing.

Another tax cut, as once hoped for in 1966, would give both the economy and the federal deficit a big boost — at the risk of triggering a boom and bust.

Increased taxes could hold down the size of the expected deficit and curb the threat of monetary inflation. But some fear that tax hikes also could halt economic growth and might even lead to a recession.

Holding down government spending, whether for the military or the growing demands of the "Great Society" programs, could keep the Treasury deficit in line and slow the rising national debt. But here, too, the risk is in halting the economic expansion that otherwise would soon be entering its sixth year.

If the fears of a minority of economists are realized and inflation really gets going, what are the ways to stop it?

Some old-school economists still favor what they call natural correction. This says that inflation will take care of itself if the

government doesn't tinker with the money supply. When prices get too high, demand drops. When wages get too high, it is unprofitable to hire more men. So prices and wages get back into line.

At the other extreme are those who plug for direct wage and price controls. These are unpopular and unlikely short of all-out war conditions.

Then there are fringe controls. Curbs can be put on credit so that it's hard to find money to finance speculative ventures.

## Thief Runs Up \$165 Phone Bill

MACON, Ga. (AP) — Officials said someone broke into the Salvation Army office here early Monday and used the telephone for an 82-minute, \$165 call to Fairbanks, Alaska. Authorities declined to say how they discovered the call.

Capt. Everett Leonard, Salvation Army commander, said, "As far as I can tell, absolutely nothing is gone or tampered with."

# Teachers Suggest New Salary Scheduling Plan

A new concept in teachers' salary scheduling and the feasibility of including hospitalization and medical benefits in public school teachers' contract provisions were mentioned Monday night at a meeting of the Winona Board of Education with a 10-member joint salary committee representing the two public school teachers organizations, the Winona Education Association and the Winona Federation of Teachers.

## School Board

THIS WAS, in general, an exploratory session setting the stage for subsequent meetings at which detailed discussion will take place on specific proposals for changes in the salary structure and in working conditions for the next contract year.

The teachers had no formal plan to present to the board Monday night. Rather, Meryl Nichols, chairman of the joint teachers committee, said that staff representatives thought of the initial meeting as a time to discuss in broad, general terms "the philosophy of what we want to do."

After an hour's discussion along these lines board members and the salary committee tentatively agreed on Jan. 17 as a date for another meeting which presumably will be concerned with more specific points.

THIS involves, in brief, the determination of teachers' salaries from a base figure for instructors with a four-year degree and no previous teaching experience. A pre-determined factor, or percentage, would be used, then, to compute salaries for teachers on an ascending basis for advanced study beyond the bachelor's degree and for additional years of teaching experience.

AS THE BASE is increased, increments along each step of salary schedule increase on a percentage basis and although the dollar amounts change, the relationships between varying degrees of training and experience remain constant.

The factors, or percentages used to determine salaries from the base, staff representatives explained, would be determined by the board.

Moving on to other points for consideration, the teachers committee recalled that during last year's salary talks the matter of hospitalization and medical benefits had been touched on, and that a sampling of employee opinion indicated that teachers "would be receptive" to some such plan as a fringe benefit.

BOARD President Lawrence Santelman said that he believed it was the feeling of the board that before any such benefits were to be provided for the teaching staff there should be a show "of overwhelming support among the faculty."

He noted that marital status and other factors would determine the extent to which each individual teacher would benefit from such a plan and observed that it was his feeling that teachers should be in substantial agreement on a specific plan before the board could consider establishing it as a matter of policy.

A THIRD point mentioned by the teachers during the preliminary discussion was a plan for allowance of sabbatical leaves for members of the teaching staff.

Board members were told that a number of schools are instituting such programs and that the National Education Association construes sabbatical leave for public school teachers as any plan that grants leaves of absence for a semester or more with some pay allowance made during the period of the leave.

In practice, the board was told, this usually means a year's leave during which the instructor is paid half of his regular teaching salary. Leaves are granted for advanced study or other situations resulting in professional growth.

Superintendent of Schools A. L. Nelson commented that it was his thought that any plan of sabbatical leave should be predicated on the prospect of the leave ultimately benefiting the school system.

A TEACHER said that, from a cost standpoint, sabbatical leaves for teachers would result in a negligible cost to the school system.

He based this on the premise that a teacher granted sabbatical probably would be at a relatively high step on the salary schedule and his position would be filled during his absence, in most instances, by an instructor who would be at a lower step in the salary scale. The differential in salaries would to some extent, board members were told, defray the expenditure for teachers' salaries paid during their leaves.

Santelman suggested that the teachers' committee obtain additional experience data on the points touched upon Monday night to allow for a more detailed discussion at the next meeting of the two groups.

# Fillmore Co. 4-H Members Given Awards

PRESTON, Minn. — All areas of Fillmore County were well ribboned and applauded at the recent county achievement program.

Empire Builders. 4-H Club, Preston, received the top club award.

Willie Blesie, Peterson, was awarded the Winona Daily and Sunday News plaque for outstanding record keeping.

Dean Wissing, Preston; Rollis Williams, Mabel, and Linda Graskamp, Fountain, received awards for highest producing 4-H animals on DHIA test.

Larry Miller, Canton, received the beef showmanship trophy. Pam Miller, Canton, received trophies for champion Angus heifer and champion Angus steer.

Richard Hall, Lanesboro, received the champion Hereford steer trophy. Recognition bars were presented to Ernie Richter, Chatfield, for champion Shorthorn steer and Karen Abrahamson, Lanesboro, for champion Shorthorn heifer.

Robert Holman, Lanesboro, won the swine showmanship trophy. Brian Larson, Mabel, received the sheep showmanship award.

Ellen Keyes, Fountain, received the Fillmore County locker award.

Preble Pioneers were awarded a certificate as one of the top 10 Minnesota safety clubs. Scotland Merry Workers, Harmony, received the play trophy and Mabel Busy Bees, the talent trophy. Softball trophies went to Arendahl Fi-Flyers and Sumner Sunbeams.

Edmund Laabs

"A lot of parcels have gone through the mailbox," to paraphrase a familiar quote, since Edmund G. Laabs, 406 E. King St., became a parcel post driver in 1938.

He estimates he has delivered more than 1 1/2 million parcels, or about 1,000 a week, since that time.

Laabs, 64, retired Friday after 41 years of continuous service with the Winona Post Office. He began in March 1925 as a clerk, and didn't "get outside" until 13 years later.

In recognition of his years of conscientious work, the College of Saint Teresa — one of his big "customers" — honored him at a dinner Dec. 16 and gave him a natural science book. Laab's hobby is gardening and flower raising.

Asked what his plans are for the remainder of the winter, he said, "I plan to loaf a lot. By then it will be spring and I can go to work again, only this time it will be in the vegetable and flower gardens." He has two gardens, one at his residence and one at the west end of the city.

He raises flowers "for the whole neighborhood," cans and freezes the necessary garden produce, and gives the rest away.

"I've got a couple boats on the river that need attention too," he said. They provide a good break from gardening on warm summer afternoons.

The Laabs' have three daughters, Mrs. Vernon Hemmings, Winona; Mrs. Robert Beckman, Eden Valley, Minn.; and Lois, a school teacher in Madison, Wis., and five grandchildren.

# Masons at Arcadia Install Officers

ARCADIA, Wis. (Special) — These officers of Arcadia Lodge 201, Free and Accepted Masons, were installed by David B. Davis, installing officer, and Lyle Studt, installing marshal: Eugene Gunderson, master; Richard Kiekhoefer, senior warden; Ed Howard, junior warden; Lyle Paine, treasurer; Leonard Lien, secretary; Davis, senior deacon; LaVerne Studt, junior deacon, and Carl Keller, tyler.

# Stockton Asks Better Winona Phone Service

STOCKTON, Minn. — About 40 residents attended the annual village council meeting Monday evening to hear representatives from the Pioneer Telephone Co. of Winona County discuss the possible improvement of telephone service within the village and also the possibility of residents being able to dial Winona numbers direct without toll or long distance charges.

Stockton residents have attempted to attain the latter service for several years to no avail. There is a 22-cent toll charge each time Stockton residents call Winona, a distance of about seven miles.

THE PIONEER Telephone Co. also owns the Rollingstone and Altura exchanges. Persons on the Lewiston exchange are able to call these towns toll free. Rollingstone residents may call Winona without a toll charge.

The Pioneer Telephone Co. is making a proposal to increase its rates in order to provide direct dialing to Winona for persons on the Lewiston exchange.

Wilbur Blaschka, Lewiston, telephone combination man, said there are now 10 telephone lines running into Stockton with about 10 families on each line. There are three or four additional families who have their applications in for telephone service. The company is awaiting the arrival of wiring before it can install these telephones.

Blaschka said there are about 100 subscribers in the Stockton area and about 1,000 subscribers in the entire Lewiston exchange. Boundaries extend to Utica, the Fremont area, Wyattville area, out to Highway 43, parts of Bethany and Altura areas, and the Silo area.

EVANS Terner, Plainville, Minn., local manager of the Pioneer Telephone Co., Winona County, read a letter by John L. Hinrichsen, vice president and general superintendent of the Pioneer Telephone Co., whose home office is at Waconia, Minn. Parts of it follow:

"We are aware that for many years now the trade and social bonds between people in Stockton and the Winona area have been growing.

"The problem is, of course, that Stockton, as a part of the Lewiston exchange area, receives the same calling area privilege as other customers in our Lewiston exchange. Technically it is economically infeasible to provide Stockton customers with one type of calling

privilege and other Lewiston customers with another. Because of the transmission design and the dedication of plant investment over the years, it also becomes infeasible to change whole geographic areas from one telephone exchange to another. The answer lies then in a total service expansion to the entire Lewiston telephone service area.

"Such expansion of dialing from one exchange into another is called Extended Area Service or EAS. It is normally provided by adding the cost of furnishing such service to the monthly rental bill.

"THE Minnesota Railroad and Warehouse Commission asks that a 65 percent acceptance is necessary.

"At its Dec. 2 meeting, the Lewiston Businessmen's Association asked our company to make an engineering study, jointly with the Northwestern Bell Co., to determine the cost of service expansion from Lewiston to Winona. Because of calling interest in the west Lewiston rural area, we asked to include possible Lewiston-St. Charles service in the plan.

"We have directed a letter to the Bell Co. asking its concurrence in the proposal and the determination of costs. When we know the exact rate requirement, and prior to any mailing to our customers, we had intended meeting again with the Lewiston Business group to discuss the plans. We would suggest that a telephone committee of four or five people could be appointed from your Stockton area.

"SHORTLY after this, we would propose a mailing to our customers, explaining the plan and with a card to vote on it. Also about this time we would propose setting aside one day, say from 1 to 9 p.m., at a hall or meeting place in Lewiston where company representatives would be on hand to discuss the plan with individual customers and answer all of their questions.

"Insofar as timing is concerned, we would hope to have figures back from the Bell Co. in about March or April; the business meeting in May, and the survey and open house shortly after that. If the plan is accepted by the customers, it takes about 12 to 14 months to provide the service."

RESIDENTS told of various telephone problems they are

having during a lively discussion which followed.

Mayor George Hinton appointed Arthur Wacholz as chairman of the telephone committee. His committee is comprised of Mrs. Karl Lipsohn, Mrs. Hilary Jozwick, Roy Taylor and Fred Nihart. Gene Ankum is an alternate.

This committee was asked to investigate all angles of the telephone problem. Committee members will attend the upcoming meeting in Lewiston, contact the Railroad and Warehouse Commission regarding the possibility of the village seceding from the Lewiston exchange and also contact the Northwestern Bell Co. for information. They will report their findings to the Stockton residents.

Other council members were Alvin Burfield, clerk, and Kenneth Ziebell, Otto Fritz and Allen Mueller, trustees. The setting of the yearly budget and other business was tabled until this evening.

# Farmers in 18 Counties May Get Emergency Loans

MINNEAPOLIS (AP)—Emergency federal loans are available to farmers in 18 Minnesota counties if they have been unable to get credit otherwise because of excessive rainfall during the crop season and the heavy September freeze.

The counties are Big Stone, Cass, Chippewa, Crow Wing, Kandiyohi, Koochiching, Lake of the Woods, Lincoln, Marshall, Martin, Meeker, Pennington, Polk, Red Lake, Redville, Roseau, Swift and Watonwan.

The loans, announced by congressional sources Monday, are being made available by the Farmers Home Administration and the U.S. Agriculture Department.

# S.D. Governor Offers Property Tax Relief Plan

PIERRE, S.D. (AP) — Gov. Nils Boe today asked the 1966 Legislature to appropriate \$5 million annually for property tax relief — an increase of \$1 million over what he previously asked.

Speaking to a joint session, Boe said he hoped it would be a continuing appropriation, providing \$10 million biennially.

Boe also said he was recommending a \$12.8 million supplemental request, including the proposed \$5 million expenditure for tax relief on the local level. Spending of \$12.8 million, Boe said, would leave \$3.8 million in the state treasury. "In my opinion," he added, "sound business practice dictates that no appreciable reduction be made below this sum."

He urged that lawmakers again consider directing the \$5 million annually for repeal of property tax on household goods and furnishings.

# Ridgeway School Open House Set

RIDGEWAY, Minn. (Special) — Open house will be held at the new Ridgeway School Sunday from 1 to 4 p.m.

Meanwhile, classes will resume Thursday. The board has hired F. A. Groth as janitor.

seau, Swift and Watonwan.

The loans, announced by congressional sources Monday, are being made available by the Farmers Home Administration and the U.S. Agriculture Department.

# NOTICE OF ANNUAL MEETING

To the Members of  
Fidelity Savings & Loan Association  
of Winona, Minnesota

PLEASE TAKE NOTICE that the annual meeting of the Fidelity Savings and Loan Association of Winona will be held at the office of the Association, 172 Main St., Winona, Minnesota, on Tuesday, January 18, 1966, at 7:30 P.M., for the purpose of electing Directors and for the transaction of such other business as may properly come before the meeting.

FREDERICK G. SCHILLING  
Secretary

# State Director Fails to Show At Lanesboro

LANESBORO, Minn. (Special) — Some 50 people from Fillmore County met in Community Hall here Monday night to hear Robert Warren, St. Paul, executive director of Marvulous Minnesota, Inc., give them assistance in how to develop the area for tourists.

But Warren did not appear and sent no message, but a call to his wife disclosed that he was at a meeting apparently elsewhere.

SO Sen. Lew Larson, Mabel discussed what had been done in the county to date.

He described Forestville Park near Preston as the nucleus of the county's effort. The goal of the state forestry department is to convert 2,400 acres in Forestville Township to park area. Some land already has been purchased, the drilling of a well has started, a headquarters building has been started, and plans have been made to bring electricity to the area.

Sen. Larson recommended speed in seeking federal aid for developing tourism, otherwise available funds will be spent elsewhere in the state.

He recommended organizing a citizens committee immediately of about 40 people to promote tourism in Southeastern Minnesota.

ARTHUR Miller, Rushford, member of the County Board of Commissioners, suggested that the people contact the commissioners regarding funds for the county's participation in Marvulous Minnesota. He said the commissioners to date haven't been officially contacted for assistance.

Arland Elstad, Lanesboro, Fillmore County chairman for Marvulous Minnesota, was delegated to appoint a committee

# Sheboygan Man To Serve on Supreme Court

MADISON (AP) — Justice Nathan Heffernan was sworn in Monday for a full 10-year term on the Wisconsin Supreme Court where he has served as an appointed member for about 18 months.

Heffernan, a native of Sheboygan, was escorted to the installation ceremony by Sheboygan County Judge John Buchen, a former law partner of the 45-year-old justice.

Heffernan was appointed to the Supreme Court in 1964 by former Gov. John W. Reynolds to fill a vacancy created by the death of Justice William Dietrich. Heffernan then was serving as U.S. attorney for Wisconsin's western district.

In April, 1965, Heffernan was elected to a full term. The post pays \$24,000 a year.

# Record Flight List

MONTREAL (AP) — The International Air Transport Association estimates that a record 3,600,000 passengers traveled over the North Atlantic during 1965 on the association's 18 member airlines.

# Klondike Derby Set At Arcadia Jan. 30

ARCADIA, Wis. (Special) — A meeting for Scoutmasters and leaders of Arcadia Boy Scout Troop 64 will be held at the city hall here Wednesday night to prepare for the Buffalo-Decorah District Klondike derby to be held here Jan. 30. It will be staged on the grounds of Arcadia Country Club if there is enough snow cover.

FRENCH CREEK CHOIR  
ETTRICK, Wis. (Special) — Senior choir members of French Creek Lutheran Church will be entertained at the parsonage at 8 p.m. Thursday.

## World Troubles Intensified in 1965

"THE WORLD IN A MESS." That is the plaintive, but undeniably accurate, title of a feature article in a recent issue of the U.S. News & World Report. The article consists of a summing up of the troubles that beset nations just about everywhere and in many instances grow ever more critical and intense.

The high hopes that existed a comparatively few years ago have simply not been realized. Instead, problem has been piled upon problem, danger upon danger. As the magazine puts it, "At one time, Americans were optimistic that there could be a stable and well-ordered world, with many problems adjusted through the United Nations. After investment of more than 100 billion dollars in aid and almost a trillion dollars in a defense system to help provide stability, the mess appears to grow worse."

U.S. News then goes down the list of trouble spots. Here, in capsule form, are some of its findings — all of which, of course, are supported by established facts.

**IN VIET NAM**, the war grows bloodier, and the United States' commitment expands swiftly. The Communists refuse all efforts of negotiation. The \$84 question, as the article sees it, is whether Red China will enter in if the North Vietnamese are faced with defeat.

Rhodesia is "a new tinder box." The whites, outnumbered 18 to 1 by blacks, refuse to relinquish power. The government has withdrawn from the British Commonwealth. Britain and other nations are applying economic sanctions. Some African nations threaten the use of armed force against Rhodesia. U.S. News says that "the danger of a bloody outcome of this whole situation is regarded as real."

More troubles are arising in much of Latin America. There is little political stability, and Communist subversion exists on a broad scale. Most of the nations are threatened with a food crisis — populations have soared and per capita food production has dropped. The U.S. is pledged to prevent Communist takeovers of government by armed force if necessary.

**JUST NEXT DOOR** to us in the Caribbean, Castro trains revolutionaries from the Latin American countries. Hundreds of these young men, trained in sabotage, terror and guerrilla warfare, return to their homelands each year to start more revolutions. The magazine reports that "top targets as of now are Colombia, Venezuela and Guatemala."

So the list of hot spots goes. India and Pakistan seem close to war. Indonesia, with Red China's friend Sukarno in control, seeks the conquest of Malaysia, which has U.S. support. And the deepest kind of troubles face NATO.

It is a gloomy picture indeed. Our involvement in such affairs is profound and is likely to become more so. To quote U.S. News again, "There's a feeling being sensed in Washington that if the problems of the world can possibly be brought under control by a strong hand, then the U.S. may now be getting ready to step out and give it a try."

**ONE MORE POINT** should be noted: It is that Communist powers have problems on their hands and have had small success in finding solutions. As Intelligence Digest, an authoritative British publication which deals with world affairs, states: "In fact, they are in serious trouble. They are politically confused, in great economic difficulties, are divided. It is right that, without indulging in wishful thinking, this should be appreciated. What is wrong — and could be suicidal — is to help the enemy out of his difficulties."

## Try and Stop Me

By BENNETT CERF

A henpecked husband complained to his analyst that he dreamed almost every night that he was shipwrecked on a desert isle with 14 beautiful maidens. "What's wrong with a dream like that?" joked the analyst. "What's wrong?" screamed Mr. Henpeck. "Have you ever had to cook for 14 people?"

Jane Stanton wires that Hollywood big-wigs have embarked upon a ten-million-dollar shoot-'em-up Wild Western that is chock-full of 1965 overtones. The very opening sequences show a band of bloodthirsty Colorado Indians in a desperate raid on a stockade, a wagon train, and three rock-'n'-roll festivals.

Philippe Halsman, who has photographed at close range probably more heads of state, business tycoons, and shining stars of the stage and screen than any three of his competitors combined, has discovered a quick and almost infallible method of revealing a subject's personality. Directly after he has photographed a famous man or woman, he asks that the celebrity jump for him. For some reason they all hasten to comply — and Halsman records their jump with his camera.

Their gyrations differ radically. "An energetic person," says Philippe, "puts everything he has into his jump; an ambitious person jumps with his arms up; a violent person with clenched fists. When Richard Nixon jumped, he was completely controlled. Tallulah Bankhead made her jump a scene from a Broadway melodrama. Marilyn Monroe and Brigitte Bardot both jumped with their legs flung backward — like child women."

How do YOU jump?

Reader to all their dues: Tribute to whom tribute is due; custom to whom custom; fear to whom fear; honor to whom honor.—Romans 13:7.

## WORLD TODAY

### Hanoi Proposal Is Unacceptable

By LEWIS GULICK

(Substituting for James Marlow)

WASHINGTON — A couple of ingredients in Hanoi's four-point program on the Viet Nam war make it totally unacceptable to the United States. Until something changes on these, the two sides are not about to sit down at the conference table.

Point one of Hanoi's four calls, among other things, for a withdrawal of American forces from South Viet Nam and an end to their attacks on the North.

Point two stipulates neutrality for North and South Viet Nam — no foreign military alliances and no foreign bases or troops there.

**POINT FOUR** proposes peaceful reunification of the divided country to be settled by the Vietnamese people "without any foreign interference."

U.S. diplomats see plenty of room for reaching agreement on points 1, 2 and 4.

As Secretary of State Dean Rusk put it: "We have said that we want no bases in Southeast Asia. We have said that we do not wish to retain U.S. forces in South Viet Nam if there is peace. We have said that the question of reunification is something which the Vietnamese themselves can decide on their own free choice."

**BUT HANOI'S** point three is something else. It demands that "the internal affairs of South Viet Nam must be settled by the South Vietnamese people themselves in accordance with the National Liberation Front program, without any foreign interference."

Washington sees this as a demand for imposing the Communist, or "National Liberation Front," program on the South, which would amount to a Red takeover there. The United States is committed to prevent this and that is what the fighting is all about.

A **SECOND** sticking point lies in the terms for any negotiations. Hanoi has never really made it clear on the record whether it insists on U.S. acceptance of its four points as preconditions for talks.

President Johnson has offered unconditional discussions — including conferring on Hanoi's four points but on U.S. proposals, too.

Third parties have hinted from time to time that North Viet Nam was willing to negotiate without preconditions. After following through on these "peace feelers," U.S. diplomats reported Hanoi was in fact demanding its four points as a sole basis for settlement.

**HANOI HAS** been sticking to its four points since Johnson set forth his offer last April. His current peace offensive is probing for a change, at least in willingness to talk unconditionally.

Not an outstanding issue at this time is the question of elections — a point often raised elsewhere by critics of U.S. policy on Viet Nam. Hanoi's four points contain no call for elections. The United States endorses elections in South Viet Nam. Free-choice elections are not allowed in the Communist North.

### IN YEARS GONE BY

#### Ten Years Ago . . . 1956

Mrs. George Higgins has returned from Cleveland, Ohio, after spending two months with her sister, Mrs. L. H. Jackman.

Iren Marik, distinguished Hungarian-born pianist, will visit the College of Saint Teresa. In addition to a public concert, Miss Marik will appear at the assembly and conduct a master class for piano majors.

#### Twenty-Five Years Ago . . . 1941

Miss Millicent Polley will leave for Rock Island, Ill. She accompanied her mother, Mrs. M. J. Polley, and her brother, Jac, to Winona after they had spent two weeks with her at Rock Island.

Mr. and Mrs. J. B. Leveille and son, John, will leave for Coral Gables, Miami, Fla., where Mrs. Leveille and son will remain through the winter. Mr. Leveille will return home about the first of February.

#### Fifty Years Ago . . . 1916

Winona is to have a new heating and ventilating company which is to be known as the Gate City Heating & Ventilating Co., to be located on East Third Street, operated by Ben Zwickl and Michael Knopick.

Edmund D. Hulbert, formerly connected with the First National Bank, and one of this city's most respected financiers 20 years ago, was elected president of the Merchants Loan & Trust Co., one of Chicago's largest and most substantial banks.

#### Seventy-Five Years Ago . . . 1891

The officers elected at the recent election took their respective places. The only changes are in the offices of judge of probate, auditor and treasurer. H. L. Buck succeeds the veteran Judge Story in the probate office and James O'Brien succeeds E. A. Ramm as county auditor. Emil Fakler will act as deputy treasurer in place of Paul Kemp.

At the annual meeting of the Winona sharpshooters the following officers were elected: President, E. W. Rehstock; vice president, J. Winkles; secretary, J. Kuehnack; treasurer, August Ruhnke; shooting master, T. J. Heller, and flag bearer, Nic Artz.

#### One Hundred Years Ago . . . 1866

Robert Curlls of the Winona Plow Factory, who has been absent for about two months in the East, has returned home.

## THE WASHINGTON MERRY-GO-ROUND

### Israel New Danger Spot to Troubled World

By DREW PEARSON

THE SEA OF GALILEE

While the world has been worrying about war in Viet Nam and Kashmir, a less-publicized but long-festering sore is reaching the danger point at the crossroads of Asia, Africa and Europe.

On the borders of Israel and the Arab states, tensions are growing, troops are maneuvering, shots ring out every night over that most precious of man's essentials — water.

A swelling Israeli population has reached a point where it must have more water. And a sullen Arab population has reached a point where it is working to divert water from the streams that flow into Israel and the Sea of Galilee.

When Arab diversion plus Israeli diversion is complete, the water on the Sea of Galilee will fall so low that if Christ were walking on its water today he might well be tramping across mud flats. Already the water is getting salty, and the projected diversion will bring the shoreline down one-third, at which point the water from this historic sea will be fit for neither Arab nor Jew to drink.

**LONG** before that, however, fighting is likely to break out along the jagged, restless border that separates Israel from the Arab states.

Already maneuvering ominously in the background is a powerful lineup of Arab and Israeli troops, tanks, planes and missiles, which if unleashed would churn up the sands of the Near East as never since the days of Herod's chariots. Furthermore, they would force the USA and USSR either to intervene actively for peace, or choose sides for world war.

Here is the line-up of military might at this crossroads of the Near East: Tanks — The Soviet has sent 2,500 tanks to the Arab states, of which 500 are T-54's just as powerful as the American M-60's, and considerably more powerful than the American M-48.

**AGAINST** this, Israel has about 600 tanks, chiefly M-48's, some Centurions,

and a few M-48's. In the past, the Israeli army has been able to outmaneuver and outgun its Arab opponents. However, the inescapable fact is that Israel is outnumbered in tanks about four to one.

**Air Power** — The Soviet have sent about 150 bombers to the Arab states, chiefly Ilyushin 28's, of which 120 are flown by Egyptians. Since Israel is a small country, no bigger than Massachusetts, with long borders completely surrounded by Arab neighbors, this is considered an ample force to bomb any and every Israeli city — if war comes.

In addition, the Arab states are well equipped with the latest Soviet fighter planes, the MIG-19's and MIG-21's. The total Egyptian air strength is estimated at 500 planes, including 52 MIG-21's, 80 MIG-19's, 60 transport planes, and 40 helicopters.

**ISRAEL HAS** sent about 450 aircraft, including 75 Mirage fighters equipped with Matra air-to-air missiles, considered the latest thing in French fighters. It also has 55 Ouragan fighter-bombers, one squadron of transport planes supplied by the United States, one squad-

ron of helicopters and 60 Magister jet trainers. In any showdown with the Arab states, Israel would have to depend on lightning attacks before the other side was ready — as happened in the Suez war. This is one reason the present situation is so dangerous. War can start in a few minutes, if one side gets nervous. Missiles — Russia has now delivered to Egypt 14 fast patrol boats of the Komar class plus four of the OSA class, each carrying missiles somewhat on the order of our Polaris set-up except that they are not nuclear. They have a range of 20 miles, and since Israel is long and narrow, with depth in one place of only seven miles, these patrol boats could do tremendous damage in case of war.

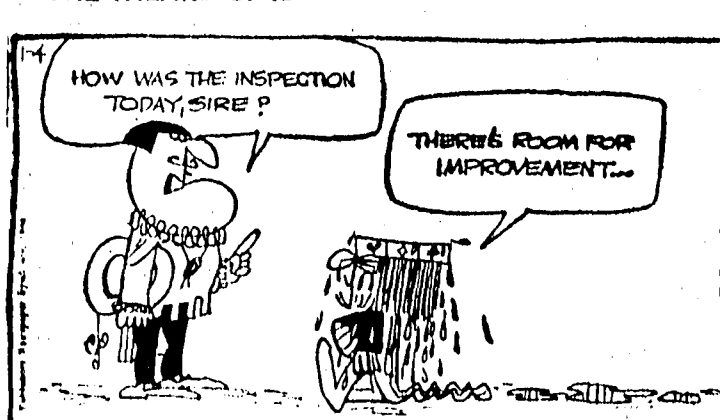

**IN ADDITION**, the ex-Nazi scientists whom Nasser has imported from Germany have now developed several important long-range missiles for the Egyptian army. They include Al range missiles for the Egyptian army, which carries a 1,000-pound warhead and has a range of 235 miles; also Al Kahir with a similar warhead and a range of 375 miles; also Al Ared with a one-ton warhead and a range of 1,000 miles.

# HARRIS SURVEY

## U.S. Supports Pause But Not Viet Surrender

By LOUIS HARRIS

American public opinion has reached the crossroads on the war in Viet Nam. A large majority favors a presidential order for a pause in the bombings in North Viet Nam and an attempt to bring about a cease fire in order that negotiations for a peaceful settlement might begin.

However, if the North Vietnamese and the Viet Cong do not respond to these American gestures, the American people would support all-out bombings of every part of North Viet Nam.

Clearly, a majority now feels that enough U.S. strength has been demonstrated in South Viet Nam to make clear that we will not allow a Communist military take-over. Therefore, in the view of 73 percent of all Americans, the time has come for Mr. Johnson to actively seek a cease fire to bring the Communists to the conference table.

A cross section of the adult population was asked: "President Johnson could seek a cease fire in the Viet Nam fighting. He would ask that the fighting stop temporarily on both sides to see if the Communists would then agree to negotiate peace for Viet Nam. Would you favor or oppose President Johnson seeking a temporary cease fire?"

### CEASE FIRE IN VIET NAM

	Favor	Op- pose	Not Sure
Nation-wide	73	20	7
By politics			
Voted Goldwater '64	64	30	6
Voted Johnson '64	78	16	6
By region			
East	75	17	8
Midwest	77	18	5
South	70	21	9
West	67	28	5
By income			
Under \$5,000	70	19	11
\$5,000-\$9,999	73	20	7
Over \$10,000	79	19	2

Support for the pause in bombings of North Viet Nam is not as high as that for a cease fire, but this proposition still commands a rather solid 59 per cent. People were asked:

"President Johnson could call a temporary pause in bombing of North Viet Nam to see if the Communists would then want to sit down and talk about ending the war. Would you favor or oppose a U.S. order for such a temporary pause in our bombing of North Viet Nam?"

### PAUSE IN BOMBING NORTH VIET NAM

	Favor	Op- pose	Not Sure
Nation-wide	59	33	8
By sex			
Men	54	40	6
Women	64	26	10
By politics			
Voted Goldwater '64	48	45	7
Voted Johnson '64	65	29	6
By region			
East	60	33	7
Midwest	59	30	11
South	54	35	11
West	62	35	3
By income			
Under \$5,000	56	37	7
\$5,000-\$9,999	59	29	12
Over \$10,000	66	22	12

Again, a majority of people in every region, in every income group, both men and women, favor Mr. Johnson ordering a pause in bombings of North Viet Nam. However, only a plurality of former Goldwater voters back such a move, and women favor it more than men.

The main reluctance a minority of the American people has for these twin steps that might bring about negotiations is that the Communists might take advantage of both lulls in the fighting to enhance their military position. But these doubts are vastly outweighed by the dominant view that the time has arrived for the United States to make all gestures possible to indicate a genuine desire for negotiations.

These deep-seated desires for peace should not be taken as a sign that the U.S. will to fight has diminished. The cross-section was further asked: "Suppose President Johnson ordered a pause in the bombings of North Viet Nam and asked for a cease fire."

Support for the pause in bombings of North Viet Nam is not as high as that for a cease fire, but this proposition still commands a rather solid 59 per cent. People were asked:

but the Communists refused to sit down and talk peace. Would you then favor or oppose all-out U.S. bombings of every part of Viet Nam?"

### ALL-OUT BOMBINGS IF COMMUNISTS WON'T TALK

	Favor	Op- pose	Not Sure
Nation-wide	61	22	17
By sex			
Men	63	21	16
Women	58	24	18
By region			
East	57	28	15
Midwest	65	20	15
South	74	9	17
West	45	31	24
By politics			
Voted Goldwater '64	61	20	19
Voted Johnson '64	61	24	15
By income			
Under \$5,000	63	23	14
\$5,000-\$9,999	59	19	22
Over \$10,000	56	25	19

The American people mean business about Viet Nam, both in terms of fighting and also in terms of peace making. The views of most have gone beyond the stage of simply rallying behind the Commander-in-Chief in a time of crisis.

Faith in President Johnson's handling of the war remains high. Repeatedly, over the past year, the public has been asked: "How would you rate the job President Johnson has been doing in handling the war in Viet Nam — excellent, pretty good, only fair or poor?"

San Francisco (AP) — Every day women tellers at the United California Bank troop down to the vault to balance the books — on their heads.

Teacher Pat Montandon is running an eight-week charm course for the 54 women. Miss Montandon has suggested that the school include staid loan officers and other male employees.

But said Vice President W.A. Maurer: "It's rather difficult for a girl to tell a vice president of a bank he's a slob."

lent, pretty good, only fair or poor?"

### L.B.J. HANDLING OF VIET NAM

	Good- Excellent	Only Fair-Poor
Late December	63	37
Early December	66	34
October	65	35
September	65	34
July	66	34
May	57	43
March	60	40
January	41	59

For over six months, well over six in every 10 people have expressed support for the manner in which Mr. Johnson has handled the war, and now, before further escalation, a large majority believes an all-out effort should be made to try to engage the Communists at the negotiation table.

### Tellers Keep In Condition

San Francisco (AP) — Every day women tellers at the United California Bank troop down to the vault to balance the books — on their heads.

Teacher Pat Montandon is running an eight-week charm course for the 54 women. Miss Montandon has suggested that the school include staid loan officers and other male employees.

But said Vice President W.A. Maurer: "It's rather difficult for a girl to tell a vice president of a bank he's a slob."

## Girl Says Rights Infringed in Forgery Case

Everything went according to normal procedure at the sentencing Friday of Diane K. Nerstad, 18, Spring Grove, Minn., on a check forgery charge — until the judge asked Miss Nerstad whether she believed any of her constitutional rights had been infringed.

The Spring Grove girl pleaded guilty Aug. 20 to a check forgery charge, and Judge O. Russell Olson had ordered a pre-sentence investigation. After several delays, the day for sentencing arrived, Friday, in Olmsted County District Court.

Miss Nerstad told the judge that she would like to have a hearing to determine whether some of her rights might not have been infringed in the process of her arrest and arraignment.

Judge Olson, suspending the sentencing hearing, set Jan. 14 in Winona County District Court as the date and place for the hearing requested by Miss Nerstad.

Assistant County Attorney Richard H. Darby represented the state at the Friday hearing, and court-appointed Attorney Martin A. Beatty represented Miss Nerstad. The girl was released on her own recognizance by Judge Olson Aug. 20.

The charge to which Miss Nerstad pleaded guilty is that she signed her father's name to a \$20 check which she then cashed at Kind's Grocery, 477 W. Wabasha St.

## Dodge Sportsmen Plan Ice Fishing Contest Feb. 13

DODGE, Wis. (Special) — Plans for the ice fishing contest on Lake Dodge Feb. 13 were made at a special meeting of the Dodge Sportsmen's Club last Monday night.

Trophies were awarded Frank Wleczorek, Bluff Siding, for bagging the deer with the largest rack of horns and Raymond Kramer, Trempealeau, for getting the heaviest deer in the last deer hunting season.

## Milwaukee Man Killed While Hunting

PLYMOUTH, Wis. (AP) — A Milwaukee brewery worker was killed Monday afternoon in an accidental shooting while he and two friends hunted rabbits near Random Lake in Sheboygan County.

Samuel Klein, 52, was struck in the upper leg and abdomen when a gun in the hand of a companion discharged.

## Retarded Children Association Proposed In Trempealeau Co.

WHITEHALL, Wis. (Special) — A meeting to organize a Trempealeau County Association for Retarded Children will be held at Tri-County Memorial Hospital dining room, Whitehall, Monday at 8 p.m.

Mrs. Raymond Lattin, Madison, field consultant of the Wisconsin Association for Retarded Children, will explain the purposes and functions of the association and types of local activities.

All persons interested in establishing an association for the county were urged to attend. There are 42 local ARCs in Wisconsin now.

## Payments Exceed Jobs Fund Uses

ST. PAUL (AP) — Payments into the Minnesota unemployment compensation fund in 1965 exceeded withdrawals for jobless workers for the first time in 12 years.

Robert J. Brown, state employment security commissioner, attributed the fund's improvement to greater employment.

Brown's year-end report listed about \$28,400,000 in benefits paid to unemployed Minnesota workers last year, a decrease of \$8,650,000, or nearly 24 per cent, from the 1964 disbursements.

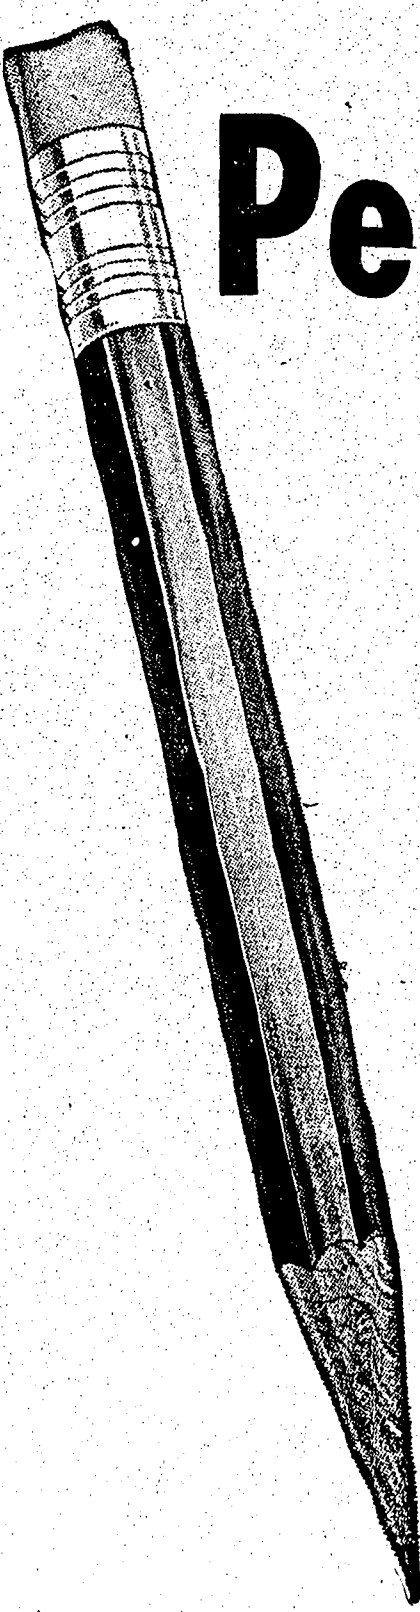

## Court Order for Special Session Urged by Thiss

MINNEAPOLIS (AP) — Minnesota Republican Chairman George Thiss charged Monday that Gov. Karl F. Rolvaag "has no intention whatsoever" of calling a special legislative session on reapportionment, and the federal courts should order him to do so.

"It seems logical that if the federal court has the power to reapportion the state legislature, a job the constitution assigns specifically to the legislature," he told GOP women workers, "it also could order a special session, a constitutional power assigned specifically to the governor."

about \$28,400,000 in benefits paid to unemployed Minnesota workers last year, a decrease of \$8,650,000, or nearly 24 per cent, from the 1964 disbursements.

## Let's Get Growing

By A. F. SHIRA

### Award Winning Flowers For 1966

As we page through the new nursery catalogs that are now arriving in good numbers, one cannot fail to note that the colored illustrations of flowers and vegetables along with the trees, shrubs, vines and other plants are becoming more beautiful than ever. This is a great tribute to the art of the catalog designers, and their ability to direct our thoughts to the beauties of spring.

In some ways this feeling of the spring urge may be intensified as we look over the All-America Selections of garden flowers for 1966. As most of our readers know, this organization familiarly known as AAS, is a non-profit educational association that conducts official trial grounds under expert supervision throughout the United States and Canada.

In these trials, new varieties of flowers and vegetables that are submitted are tested, under numbers only, by qualified judges who score and rate the entries according to their performance under local soil and climatic conditions. From these ratings, together with the personal evaluations and comments of the judges, a central board of directors finally selects the award winners by secret ballots. From such impartial judging by numbers only, the award winners are truly outstanding in their classes.

NOW, TAKING A look at the award winning flowers for 1966, we find that there are seven in number. This is the largest number to receive this distinction in one year.

First, of the winners is a cosmos variety named Sunset, which is the third gold medal award winner during the past 27 years. It is a full season bloomer of brilliant vermilion and this scarlet-red is a remarkable color break-through in this favorite garden flower.

The plant is bushy and grows about three feet in height with a spread of about two feet. The semi-double blooms, two inches across, are borne freely on 15-inch stems over a longer blooming season than any other varieties. It is a Japanese innovation and is outstanding in attractiveness. It is reported to have performed beautifully in all of the trial grounds.

THE NEXT WINNER is a pansy under the long name of "Majestic White with Blotch." This is the first hybrid pansy ever to receive an All-America

award. The bloom is giant in size measuring as much as 4 inches across. The color is a beautiful white with a large contrasting dark blotch in the center which sets itself off against all other colors among the pansies. This variety has remarkable hybrid vigor and stands up well and continues to bear large flowers even during hot weather.

In addition to the Majestic White pansy indicated above, a pansy mixture known as the Giant Majestic Mixed has been recognized. This is a carefully blended formula mixture containing many separate F1 hybrid colors, or varieties, including the Majestic White with Blotch. All of these are new giant varieties with striking blotches of color never before offered to the public. Pansy lovers who delight in large blooms of striking assorted colors on vigorous plants will welcome the Giant Majestic Mixed with open arms.

THIS CONCLUDES our comments on the three award winning garden flowers mentioned above. The other four winners will be taken up in a later article.

The seeds from the All-America winners for 1966 are available from most garden catalogs, or through reputable seed houses or stores. All such seeds offered for sale are grown only by the original growers from the breeders' select planting stocks for the first three years from the time of introduction.

STORY OF MARK  
NEW YORK (AP) — "Marcus" by Laurene Chinn, published by William Morrow Co., is regarded the first novel to tell the story of the origins of the Christian church from the point of view of the youngest apostle, John Mark.

## Progress on Worldwide Standards

WASHINGTON (AP) — The U.S. delegate to a recent international conference reports progress is being made toward setting up worldwide standards covering processed and prepared foods moving in export trade.

Such standards are designed to provide maximum protection to consumers against adulteration or deception and to eliminate indirect barriers to trade now implicit in individual standards enforced by many individual countries.

A move to establish world-accepted food standards was started by the United Nations Food and Agriculture Organization (FAO) in 1961. Under its guidance, a commission known as the Codex Alimentarius Commission was established. It has held three annual meetings, the last in Rome during the fall.

Nathan Koenig, an Agriculture Department official, has been the U.S. delegate. Acceptance of internationally drafted standards would imply that importing countries would not hinder within their territorial jurisdiction the distribution of food which conforms to the standards.

A committee already has developed draft standards for meals, fruit juices, cocoa press cake, cocoa powder or cocoa, and other cocoa products, and is working on proposed standards for food fats and oils, including lard as well as vegetable oils and margarine, sugars, and milk and dairy products.

Another committee is working on the controversial issue of food additives. Some countries, particularly in Europe, object to some of the additives in American foods.

### Viet Buildup Most Rapid in Years, Report

SAIGON, South Viet Nam (AP) — U.S. Air Force Secretary Harold Brown, winding up a three-day inspection of American bases in South Viet Nam, Monday night described the buildup of forces against the

## DEAR ABBY:

### Keep Guests Out Of the Kitchen

By ABIGAIL VAN BUREN

DEAR ABBY: The letter from the hostess who resented her guests' well-meaning insistence on pitching in to help her clean up the kitchen after dinner reminded me that I once had that problem. But no more. I found a little poem by Susan Sawyer, which I now have pasted on my kitchen wall. When anyone offers to "help" me, I point to that poem. It says:

"Please stay away from my kitchen  
From my dishwashing, cooking and such.  
You were kind to have offered to pitch in  
But thanks, no, thank you so much!"

Please don't think me ungracious  
When I ask that you leave me alone:  
For my kitchen's not any too spacious  
And my routine is strictly my own.

Tell you what: You stay out of my kitchen  
With its soddin', hot, lacklustre lures—  
When you're here, stay out of my kitchen  
And I promise to stay out of yours!"

ABBY  
—MARTHA

DEAR ABBY: I detest cards. Is there something wrong with me? Don't get the idea that I don't have the brains to play cards because I played an excellent game of contract bridge at one time. (My parents were tournament bridge players). A few years ago I made up my mind that cards were a stupid waste of time and energy and I gave up the game. My husband says I am being foolish, that being able to play a good game of bridge is a social asset, and I should take it up again. I was recently talked into being a "fourth" and I couldn't wait until the game was over. Am I stubborn, selfish and inconsiderate? My husband says I am.

DETESTS CARDS

DEAR DETESTS: Anyone who "detests" cards as much as you apparently do, wouldn't add much sociability to a card party, so I say, stick to your original decision and pass.

DEAR ABBY: I am past middle age, unmarried and have many free evenings, so I baby-sit for mothers in my neighborhood. I don't need the money as I have a good day-time job.

My troubles started when some of the women began comparing notes and learned that I don't charge them all the same price. For instance, there's a young mother who works part time in the evenings. Her husband has been sick and unable to work, and I know they have to watch their pennies, so I charge her half of what I charge women in better circumstances. I have made many exceptions, and varied my prices quite a lot. I've been criticized for this. Do you think I am being fair or not?

CRITICIZED

DEAR CRITICIZED: Your system makes sense to me, and it should to the inquiring mothers. Tell them.

CONFIDENTIAL TO "SISSIE": It's wise to pick your friends — but not to peeces.

Communists as "the most rapid in many, many years." Brown declared: "None of those was more impressive, and perhaps this is the most impressive of all. Remember this involved transport and construction, combat, fighter planes and reconnaissance to Germany in 1963, since."

## LBj Expected To Continue Bombing Pause

By JOHN M. HIGHTOWER  
AP Special Correspondent

WASHINGTON (AP) — President Johnson was expected today to continue his Vietnamese peace offensive, including the pause in bombing the north, long enough to give North Viet Nam what officials here call ample time to decide for or against entering peace negotiations.

Public denunciations of the peace drive as "deceitful and hypocritical" which came from Hanoi Monday are so far not regarded by the U.S. policy makers as decisive. The United States is still awaiting some more official kind of response which presumably would come from the Hanoi government either in a public declaration or through diplomatic channels.

The suspension of air strikes against North Viet Nam is now in its twelfth day, having begun with the Christmas truce. So far as can be determined no date has been set for resumption.

The whole situation, including the progress of the U.S. peace offensive, is said to be under a daily review by President Johnson and his top advisers with developments measured against the general guideline of allowing ample time for the leaders in North Viet Nam to decide how they want to handle the situation.

Policy makers here are said to be convinced that there is a division in Hanoi between those who would like to find some way to bring the fighting to a close and in effect transfer the struggle for control of South Viet Nam to the conference table and those who favor continuing the war at any cost.

It is also widely believed in Washington that Communist China is putting heavy pressure on the Hanoi government to continue the fight while Soviet policy, so far as it can be brought to bear in Hanoi, is believed to favor a negotiated solution.

Alexander N. Shelepin, top Communist Party official in Moscow, is due in Hanoi late this week for talks with the North Vietnamese government.

His apparent purpose will be to discuss Soviet military and economic assistance to North Viet Nam. Whether he will try to exert an influence for peace is said to be unknown in Washington but U.S. officials are obviously hopeful.

Last February Soviet Premier Alexei N. Kosygin visited Hanoi. His arrival coincided with the start of U.S. bombing attacks on North Viet Nam. This coincidence created difficulties in relations between Washington and Moscow until the United States finally persuaded the Russians that the bombing was not undertaken deliberately to embarrass Kosygin.

Against the background of this experience it appeared unlikely that Shelepin's visit would be disturbed by a resumption of U.S. air strikes in the North. Another consideration in the duration of the bombing pause is the fact that when a previous suspension was ordered by the President last May it lasted only five days and the United States was subsequently criticized for not allowing more time for peace efforts to take effect.

Meanwhile, roving ambassador W. Averell Harriman was to confer today in Cairo with United Arab Republic President Gamal Abdul Nasser, while G. Mennen Williams, Assistant Secretary of State for African Affairs, was to meet in Dar es Salaam, Tanzania, with President Julius Nyerere. They have been carrying the U.S. peace drive to several capitals.

### Prisoner Sets Off Firecrackers

CINCINNATI, Ohio (AP) — Booms reverberated through the Cincinnati Workhouse Monday. Police rushed to the scene in force.

They checked out the cell-blocks where the explosions were heard. The cause: Firecrackers smuggled in by a prisoner.

## FIRE CALLS

Today  
9:44 a.m. — 113 E. 3rd St., Pletke's Grocery, no fire, detected an odor of unknown origin which was believed to be smoke, a complete check of the building turned up no sign of fire.

10:26 a.m. — 328 Wilson St., Edward M. Allen residence, short circuit in dishwasher, wiring was burning, turned off electricity and called electrician.

Madison Fire Hits Laboratory

MADISON, Wis. (AP) — Fire destroyed a laboratory and caused smoke damage to rooms and equipment in McArdle cancer research laboratories on the University of Wisconsin campus early today.

No one was in the building when fire broke out in the sixth floor facility in the 10-story building.

This Is Not Monkey Business

BERLIN (AP) — An elderly woman walking down a street in the center of West Berlin stared in disbelief when two chimpanzees approached her. She fell over when they hugged her but was rescued from the friendly animals by a passer-by who called police. Officers said the chimps had escaped from their owner's apartment.

Sarnia St., executive director of the Housing and Redevelopment Authority of Winona, who died of a heart attack at his home Sunday morning, were held today at First Congregational Church, the Rev. Harold Rekdast officiating. Burial was in Woodlawn Cemetery.

Pallbearers were Dr. William Finkelnburg, William Hull, Paul Wadewitz, Frank Cunningham, Joseph Krier and N. J. Fischer.

Earl R. Brandes  
Funeral services for Earl R. Brandes, 1629 W. 5th St., will be held Wednesday at 2:30 p.m. at Fawcett Funeral Home, the Rev. William Hiebert Central Methodist Church, officiating. Burial will be in the Stockton Cemetery.

Friends may call at the funeral home today from 7 to 9 p.m.

A memorial is being arranged.

Miss Hilda Sonneman  
Funeral services for Miss Hilda Sonneman, 175 E. Wabasha St., who died Saturday after an illness of several years, were held today at St. Martin's Lutheran Church, the Rev. A. U. Deye officiating. Burial was in Woodlawn Cemetery.

Pallbearers were Harold Schultz, Donald Klagge, Howard Baumann, John Eitelkeit and F. E. Burmeister, all of Winona, and Alfred Hecht, La Crosse.

R. M. Tolleason  
Funeral services for Roy M. Tolleason Sr., 837 W. Broadway, were held today at St. Paul's Episcopal Church, the Rev. George Goodred officiating. Burial was in Woodlawn Cemetery.

Pallbearers were Scott Tolleason, Ray Bublitz, R. Burr Mann, Harold Richter, Frank Chupita and Dr. C. R. Kollofski.

Wife of Texan Judge on Jury

HOUSTON, Tex. (AP) — Attorneys in a civil suit in Judge John Snell Jr.'s state district court agreed on one of the prospective jurors: Mrs. John Snell Jr.

When court was recessed for the day Monday, Judge Snell turned to the jury box and said, "Mrs. Snell, if you would like a ride home, please wait a moment and I will take you."

"Yes, your honor," she said.

## Two-State Deaths

Mrs. Robert N. Dreisback  
LAKE CITY, Minn. (Special) — Mrs. Robert N. Dreisback, 57, died early today at Lake City Municipal Hospital after an illness of 1 1/2 years.

The former Vera Walters, she was born Aug. 6, 1908, to Mr. and Mrs. Thomas Walters, Lake City. She was graduated from Lincoln High School in 1926 and was married to Robert Dreisback Aug. 6, 1926, in Red Wing. She was a member of First Methodist Church, Lake City, and the Order of Eastern Star.

Survivors are: Her husband; one son, Robert, Albert Lea, Minn.; one daughter, Mrs. George (Sally) Barnum, Washington D.C.; six grandchildren; four brothers, Roy Walters, Buffalo, Mo., and Edward, Marce and Ernest Walters, Lake City, and four sisters, Miss Etta Walters, Lemars, Iowa, Mrs. Verma Olin, Mrs. John (Ila) Heldt and Mrs. Jesse (Majile) Geisler, Lake City.

Funeral arrangements, still incomplete, are in charge of Peterson-Sheehan Chapel.

Benton Paulson  
STRUM, Wis. (Special) — Benton Paulson, 76, resident here 10 years, died Monday at 2 p.m. at Luther Hospital, Eau Claire.

He spent his childhood in the Lookout area and married Louise Nelson of Lookout. He farmed most of his life in the Mondovi area except for four years he worked at Huebsch Laundry, Eau Claire.

Survivors are: His wife; four daughters, Mrs. Gordon (Margit) Loomis, Mondovi; Mrs. Kenneth (Beatrice) Gilman, Sparta, and Mrs. Clarence (Alice) Johnson and Mrs. Donald (Florence) Eberhardt, Eau Claire; one son, John, with the U.S. Air Force, Mexico City, Mex.; 16 grandchildren, and seven great-grandchildren.

Funeral services will be Friday at 2 p.m. at Evanger Lutheran Church, rural independence, the Rev. E. A. Evenson officiating. Burial will be in the church cemetery.

Friends may call at Kjetnvet & Son Funeral Home, Mondovi, Thursday evening and Friday morning, and at the church after noon.

Perry J. Corcoran  
ETTRICK, Wis. (Special) — Perry John Corcoran, 72, died Monday at Tri-County Memorial Hospital, Whitehall, where he had been a patient five weeks.

He was born here July 12, 1893, to Mr. and Mrs. John Corcoran. He had lived the last three years at the home of his cousin, Donald Corcoran, South Beaver Creek. In former years he lived at Osseo.

Funeral services will be Wednesday at 10:30 a.m. at St. Bridget's Catholic Church, the Rev. James Ennis officiating. Burial will be in the Catholic Cemetery here.

The Rosary will be said to-night at 8 at Runestrand Funeral Home.

Mrs. Josephine Steinke  
MONDOVI, Wis. (Special) — Mrs. Josephine Steinke, 69, Mondovi Rt. 3, died at 11 a.m. Monday at Sacred Heart Hospital, Eau Claire, where she had been a patient two weeks.

The former Josephine Rose Knesley, she was born Feb. 29, 1896, to Mr. and Mrs. George Knesley at Gurnee, Ill. She came to the Gilman area as a young girl, where she lived her lifetime. She was married to Ernest Steinke October 1919 at Gilman. He died in 1953.

Survivors are: Two sons, Paul, Oxnard, Calif., and Ernest, Mondovi Rt. 3; two daughters, Mrs. Lorraine Syring, Lake Elmo, Minn., and Mrs. Carl (Cora) Brommer, Racine, Wis.; eight grandchildren; two brothers, Edward, Eau Claire, and William, Waukegan, Ill.; and four sisters, Mrs. Cora Brixon, Eau Claire; Mrs. Arthur (Florence) Mueller, Chicago; Mrs. Pauline Pieper, Waukegan, and Mrs. Howard (Lorraine) Gonyea, Gurnee.

Funeral services will be Thursday at 2 p.m. at Colby Funeral Home, the Rev. Wilbur Leatherman of the Methodist Church officiating. Burial will be in Oak Park Cemetery.

Friends may call at the funeral home from Wednesday afternoon until time of services Thursday.

Miss Ona Hilliard  
MONDOVI, Wis. (Special) — Miss Ona Hilliard, 91, died today at 9 a.m. at the Buffalo Memorial Nursing Home.

Colby Funeral Home is in charge of arrangements.

Two-State Funerals

Mrs. Barbara Prissol  
DURAND, Wis. (Special) — Funeral services were held at Holy Rosary Catholic Church, Lima, Monday at 10 a.m. for Mrs. Barbara Prissol, 87, who died Friday at the home of her daughter, Mrs. Joseph R. Bauer, Durand Rt. 2.

The Rev. Charles Wolfe officiated. Burial was in the church cemetery, Rhol Funeral Home was in charge.

She was born Dec. 1, 1878, and lived in rural Durand all her life. She was married to Leo Prissol in October, 1900. He died in March 1935.

Survivors are: One son, Robert, rural Durand; four daughters, Mrs. William (Elizabeth) Bauer and Sister M. Honora, Eau Claire; Mrs. Hildegard Forester, Elmwood, and Mrs. Joseph R. (Cecilia) Bauer, rural Durand; 27 grandchildren; three great-grandchildren, and one sister, Mrs. Anna Bauer, Durand. A daughter, Pauline, died as an infant.

Bonuses to  
American Motors  
Execs Reduced

DETROIT (AP) — A proxy statement disclosed today that top officers of American Motors Corp. were not given bonuses for 1965 and their total remuneration was cut by almost 12 percent.

The statement also revealed that three AMC officers who are candidates for re-election to the board of directors reported a large decrease in their AMC stockholdings last year.

American Motors, the only major auto firm whose sales and profits declined in 1965, ended the fiscal year with net profits of \$5,205,572, or 27 cents a share. This was down from the profits reported for the fiscal year ending Sept. 30, 1964 of \$26,226,735, or \$1.38 per share.

Richard E. Cross, AMC chairman, received \$61,624 last year, a drop of \$5,218 from 1964 when he got \$66,842.

Roy Abernethy, president, received \$143,039, a decrease of \$12,664 from 1964 when he received \$155,703.

Roy D. Chapin Jr., an executive vice president, received \$86,157, down \$8,853 from 1964 when he was paid \$95,010.

Bernard A. Chapman, an executive vice president, was paid \$86,776, a decrease of \$8,234 from 1964 when he got \$95,010.

Edward L. Cushman, vice president, got \$75,709, a drop of \$7,614 from the prior year when he received \$83,323.

Chapin owned 30,235 shares of company stock as of a month ago, the proxy revealed. The 1964 proxy had reported Chapin as owning 61,426 shares.

Chapman's stock holdings were listed as 14,020 shares as of December 1965, a decrease from the 28,240 shares he was reported holding a year earlier.

Cushman owned 9,530 shares as of a month ago, compared with 13,912 shares a year ago, proxy statements disclosed.

LBJ May Delay Budget Message

WASHINGTON (AP) — Should President Johnson be permitted to delay his annual budget report to Congress: The Democratic chairman of the House Appropriations Committee says yes; the committee's senior Republican member says no.

Some administration sources have hinted that Johnson may want more time to discuss the needs of the Viet Nam war and his domestic programs before completing his budget. By law, it must be presented to Congress by Jan. 25, 15 days after Congress convenes.

Committee Chairman Rep. George H. Mahon of Texas says he favors giving the President the additional time. "Time is not as important as reliability in a budget," says Mahon.

But Republican Frank T. Bow of Ohio criticized the administration for suggesting a budget delay.

## Municipal Court

## WINONA

Thomas A. Junker, Stillwater, Minn., pleaded guilty to a charge of parking in a snow removal zone on 2nd Street between Washington and Winona streets Monday at 11:45 p.m. He paid a \$10 fine as the alternative to three days in jail.

Forfeitures:  
Clifford D. Rowe, Richland Center, Wis., \$25 on a charge of speeding 60 m.p.h. in a 40 zone on U.S. 61 Friday at 3:10 p.m. Minnesota Highway Patrol made the arrest.

Roland E. Clark, 24, Winnebago, Minn., \$25 on a charge of speeding 65 m.p.h. in a 50 zone on U.S. 61 from Goodview to Winona Dec. 21 at 8 a.m. Highway Patrol made the arrest.

Judee R. Fuglestad, 21, 420 Sioux St., \$10 on a charge of going through a red light at 3rd and Main streets Friday at 1:15 a.m.

Edward L. Book, Bloomington, Minn., \$10 on a charge of parking in a snow removal zone on Johnson Street between 2nd and 3rd streets today at 1:38 a.m.

Gary Volkman, Winona, \$10 on a charge of parking in a snow removal zone at the courthouse parking lot Monday at 11:25 p.m.

The following convictions from Winona County justice of the peace courts were filed recently with the clerk of District Court. The listed offenses took place on the dates given.

Amounts given are the amounts of the fines levied in the case of Goodview justice court, Lewis E. Albert presiding.

The listed amounts in the Homer justice court cases are amounts of fines, plus \$4 costs, levied by Donald Cummings.

The amounts listed in the Dakota justice court cases are the amounts of fines imposed by Mrs. Esther Dobrunz, plus either \$4 or \$5 costs. All Dakota offenses took place on U.S. 61-14, except where noted; and all arrests were made by the Minnesota Highway Patrol.

Indians Ask  
Peace Corps  
Pair to Return

RED CLIFF, Wis. (AP) — The Red Cliff Indians have invited back the two Peace Corps workers they cast off this remote reservation in a war over antipoverty programs.

The 5-2 vote by the Tribal Council Monday night brought little peace, however, to the month-long feud over the Volunteers in Service to America — VISTA — program.

The council was asked in a petition to expel from the ruling body two Indian elders who had opposed VISTA. The elders were unidentified.

The wife of one elder threatened to write President Johnson saying the reservation's income had risen to the point that it no longer needed antipoverty aid because of increased employment.

"We need help," answered Alex Royce, a former tribal chairman of the 300-member band of Chippewas nestled on the Red Cliff reservation on the wintry shores of Lake Superior.

The two VISTA coeds, Judy Rothman, 20, University City, Mo., and Jill Hunt, 22, Kewanee, Ill., were barred in December in a dispute over the value and nature of their work. Indian spectators expressed sympathy and support Monday night as they jammed the council meeting room.

VISTA officials said last month the two sociology students might be returned if the council reversed its original vote.

Judge Sends Firemen Back To Their Jobs

STILLWATER, Minn. (AP) — District Judge Robert Gillespie ordered Monday that four city firemen, fired after they walked out in a wage dispute last July, be returned to their jobs and given back pay.

Gillespie ruled that John Zoller, Arnold Pelletier, Ray Edstrom and James Tibbets were improperly fired because, as veterans, they were entitled to a hearing.

Gillespie held that two non-veterans were properly fired. The remaining two of the eight who walked out took other jobs and did not contest their dismissals.

one-foot, 10-inches overwidth, \$19.

DAKOTA  
Robert J. Elsen, 21 La Crosse, 80 m.p.h. in a 55 zone, Nov. 13, \$29.

Suzanne E. Bakke, 20, Windor, Wis., 80-55, Oct. 22, \$30.

Clifford F. Heatherington, La Crosse, 75-55, Oct. 16, \$20.

Alphonse J. Kamrowski, Arcadia, Wis., 75-55, U.S. 61, Nov. 23, \$24.

Emil A. Jaszewski, 25, Fountain City, Wis., 75-55, Nov. 27, \$34.

Anselm J. Turner, Wauwatosa, Wis., 75-55, Oct. 20, \$25 (\$10 suspended).

## Two Ettrick Women Note Birthdays

ETTRICK, Wis. (Special) — Two women of this area who are in their 80s are observing birthdays this week.

The 89th birthday of Mrs. Anna Wheeler, Hegg, is being observed today. She is the former Anna Underheim, born Jan. 4, in Norway, and an immigrant to this country at the age of six. Her family settled first in Iowa and later in Jackson County.

In 1898 she was married to Tolman Wheeler and the couple farmed in the North Beaver Creek Valley until 1948 when they retired and built a home at Hegg where Mrs. Wheeler still lives. Mr. Wheeler has died.

Mrs. Wheeler has six children: Archie, Blair, Wis.; Miles, Whitehall, Wis.; Robert, Rochester; Mrs. Orville (Dorothy) Mahlum, Frenchville, Wis.; Mrs. Lester (Jennie) Thompson, Mrs. Sara Myrland, Ettrick; 16 grandchildren (and 17 great-grandchildren).

Mrs. Norah Twesme will observe her 83rd birthday Friday. She is the former Norah Johnson, born in the Town of Franklin in 1883. She was married to Edward Twesme in 1903 and the couple farmed in Washington Coulee, Town of Ettrick. Mr. Twesme died in 1941. In 1959 Mrs. Twesme sold her farm and purchased a home in Ettrick where she resides with a son, Virgil.

Mrs. Twesme has 10 children. They are, Newland, Harvey, Ernest and Virgil, all of Ettrick; Lloyd, Lakes Coulee; Russell, Watertown, Wis.; Mrs. John (Myrtle) Syverson, Mauston, Wis.; Mrs. Edward (Luella) Anderson, Town of Gale; Mrs. Irvin (Gladys) Toppen, Abrahams Coulee, and Mrs. Jack (Ela) Mittlestadt, West Point, N.Y. There are 19 grandchildren and 20 great-grandchildren.

## Galesville Music, Garden Clubs Will Meet Next Week

GALESVILLE, Wis. (Special) — "Songs and Dances of Other Countries," is the topic of a program prepared by Mrs. Harold Williamson to be presented Monday at 8 p.m. for the Galesville Music Study Club in the Isaac Clark Room of the Bank of Galesville. Hostesses will be the Mmes. J. O. Beadle, John Haug, Allyn Kaste, Carol Ragsdale and John Stelpflug.

On Tuesday at 8 p.m. the Garden of Eden Club will meet in the Isaac Clark Room at the Galesville Bank. New officers will be installed by Mrs. John Williamson Sr.

"Winter Wonderland" will be the topic of a program of music and color slides to be presented by Mr. and Mrs. Ralph Young. Hostesses will be the Mmes. Edna and Gwynnifred Bibby.

## James McDonahs Celebrate 25th Wedding Date

TREMPEALEAU, Wis. — Mr. and Mrs. James McDonah observed their silver anniversary Sunday. In celebration of the event their sons planned a surprise party for them at their home.

Attending were friends and relatives from Trempealeau, La Crosse and Wisconsin Rapids, Wis., and Minneapolis and Wabasha, Minn.

The McDonahs, who were married Dec. 28, 1940, were presented with a purse of money and gifts and an anniversary cake from their sons.

## ST. MATTHEW'S PTA

St. Matthew's PTA will meet at 8 p.m. Thursday. Guest speaker will be the Rev. Henry Nitz, Eltzen, Minn., who will talk on Puerto Rican missions.

THE ENGAGEMENT of Miss Norma Jean Myrah, Minneapolis, to John E. Munson, Minneapolis, son of Mr. and Mrs. Earl Munson, is announced by her parents, Mr. and Mrs. Gilman Myrah, Spring Grove, Minn. The wedding will be Feb. 5. Miss Myrah is a graduate of St. Olaf College, Northfield, Minn., and is a home economist in the research and development laboratory of the Pillsbury Company. Her fiancé, a graduate of the University of Minnesota, is employed by Minnesota Mining and Manufacturing Company, St. Paul.

## La Crescent League Plans Discussion Series

LA CRESCENT, Minn. (Special) — La Leche League offers a series of informal discussion meetings to all women interested in breastfeeding. The January meeting of the La Crescent league will be held Jan. 11, at 8 p.m. at the home of Mrs. A. L. Immenschuh, 419 S. 3rd. Co-hostess is Mrs. Philip Larson.

The topic of discussion will be "Advantages of Breastfeeding to Mother and Baby." Information about meetings of the La Crescent La Leche may be had by calling Mrs. Charles Pelzel.

## Richard Mattsons Note Anniversary

ETTRICK, Wis. (Special) — The silver wedding anniversary of Mr. and Mrs. Richard Mattson, Franklin, was observed Sunday at First Lutheran Church in North Beaver Creek. They have two children, Mrs. William (Suzanne) Bilkey, a teacher at Waukesha, and William, who is enrolled at the University of Wisconsin at Madison. Mrs. Mattson is a teacher at Melrose and Mr. Mattson is publisher of the "Arrow" — Buffalo County Shopper.

The anniversary cake, made by the bride's sister, Mrs. Leiland Claire, was served by the bridegroom's sisters, Mrs. Walter Albrecht, St. Paul, and Mrs. Harry Kins, Ellsworth. Mrs. Keith Hardie, Sun Prairie, presided at the tea table. The floral centerpiece on the bridal table was provided by the couple's children who gave the party.

Richard Mattson and the former Leone Hardie, were married Dec. 22, 1940, at First Lutheran Church, North Beaver Creek. They have two children, Mrs. William (Suzanne) Bilkey, a teacher at Waukesha, and William, who is enrolled at the University of Wisconsin at Madison. Mrs. Mattson is a teacher at Melrose and Mr. Mattson is publisher of the "Arrow" — Buffalo County Shopper.

SCHIMA OPEN HOUSE. Mr. and Mrs. Theodore G. Schima, 401 E. Mark St., will observe their 50th wedding anniversary Sunday. An open house will be held at the home of Mrs. Earl Kreuzer, 518 Chatfield St., in their honor from 2 to 5 p.m. No invitations are being sent. Host and hostess will be Mrs. Kreuzer and Ted J. Schima Jr., daughter and son of the couple.

## Jelly Made From Corn Cobs New Home Ec Idea

ELEVA-STRUM, Wis. — Sophomore and junior homemaking classes have introduced a new type of jelly made from red corn cobs.

Mrs. Vera Martin, home economics teacher, obtained the recipe at a meeting last fall. Supt. George Heinemann, given a sample, said it had a strawberry flavor.

The recipe: 12 red corn cobs cut up. Cover with water and cook for 30 minutes. Strain the juice. To three cups liquid add three-cups sugar and one package commercial pectin. A few drops of red food coloring may be added. Bring to a rolling boil for five minutes, pour into jars and cover with parafin.

## Pickwick Fire Department to Sponsor Parties

PICKWICK, Minn. — The Pickwick Volunteer Fire Department will sponsor a series of four card parties in the school basement Saturday evenings, starting this week and ending Jan. 29. The parties will start at 8 p.m. each week.

The game of 500 will be played, with prizes given each evening and a grand prize awarded at the conclusion of the series. Lunch will be served.

## Scandinavian Group Installs Officers

WHITEHALL, Wis. (Special) — At a meeting at the home of Miss Mayme Hallingstad, the following officers for 1966 were installed in the Scandinavian American Fraternity, Branch 92:

Mrs. Melvin Anaas, president; Mrs. Fred Guse, vice president; Mrs. Albin Hanevold, secretary; Mrs. Edna Johnson, treasurer; Mrs. Emma Peterson, financial secretary; Mrs. Carsten Linne-rud, instructor; Richard Herman Jr., marshal; Albin Hanevold, inner guard; Mrs. Richard Herman Sr., outer guard; Miss Mayme Hallingstad, trustee; Mrs. Richard Herman Jr., Mrs. Millie Guse and Mrs. Richard Herman Sr., auditing committee; Miss Lucille Peterson, correspondent to Journal; Miss Peterson, Mrs. Albert Hill and Mrs. Mollie Knudsen, sunshine committee.

The branch will meet for a Valentine party in February.

## Dodge Church Group Plans Games Party

DODGE, Wis. (Special) — An afternoon of games and a card party will be held Sunday from 2:30 to 4:30 p.m. in the Sacred Heart Catholic Church Hall. Lunch and refreshments will be served.

Proceeds from the party will be sent to the St. Joseph Convent, Stevens Point, Wis., Motherhouse of the teaching Sisters of the Sacred Heart School, for their building fund. High school students will assist Harold Andrus, Alphonse Jereczek and John Herck. Serving on the lunch committee are the Mmes. Lambert Lilla, David Kujak, Victor Gottschalk, Harry Herrick, Genevieve Tullis, Marcel Jas-zewski, Robert Herrick, Joseph Sersvais, Ben Jaszewski, George Hoesley, Harold Andre, James Wicka, Joseph Kupietz and Richard Moga.

## Joint Installation Set at Whitehall

WHITEHALL, Wis. (Special) — Officers of Coral Rebekah Lodge 150 and Trempealeau Valley Lodge 249 will be installed jointly at a meeting at the IOOF Hall, Jan. 11 at 8 p.m. Nordahl Fristad, deputy grand master, Humbird, Wis., and Miss Mayme Hallingstad, district deputy president, will install.

Members of Coral Rebekah Lodge are reminded to meet at 7 p.m. for the purpose of completing reports and other business before the installation.

DANCING CLASSES. LA CRESCENT, Minn. (Special) — Classes in ballet, toe, tap and aerobic dancing for girls, beginning at the age of three years, will start Saturday. Classes will be held in the Crucifixion auditorium and are scheduled for 9, 10 and 11:15 a.m. Anyone interested may call Mrs. Kenneth Abkemeier.

RICE OPEN HOUSE. CANTON, Minn. — Mr. and Mrs. Cyril Rice will be honored at an open house in observance of their 25th wedding anniversary Jan. 16 at Canton First Presbyterian Church parlors. Hours will be from 2 to 5 p.m. No written invitations are being sent.

ST. MATTHEW'S AID. St. Matthew's Lutheran Church Ladies Aid will meet at 2:30 p.m. Thursday in the church basement. Hostesses will be Mrs. Herbert Rother and Mrs. Amanda Prigge.

ROSARY SOCIETY. DODGE, Wis. (Special) — Rosary Society of the Sacred Heart Catholic Church meets Wednesday at 8 p.m. in the church hall. Group 2 will entertain, with Mrs. Kenneth Frahm as chairman.

## St. Patrick's Council to Meet

LANESBORO, Minn. (Special) — "The Role of the Catholic Woman in the Lay Apostolate" will be the topic presented by Mrs. Dominic Martini, Rochester, secretary of the Winona Council of Catholic Women, when she speaks at the meeting of St. Patrick's Parish Council Monday at 8 p.m. at the rectory. The meeting was previously scheduled for last Monday. Hostesses will be members of St. John's Unit.

## Lake City Man Married in Albuquerque

LAKE CITY, Minn. (Special) — A.I.C. Arthur Leerssen, son of Mr. and Mrs. Herman Leerssen, Lake City, married Miss Dorothy Garcia, daughter of Mr. and Mrs. Joe A. Garcia, Albuquerque, N. M., Dec. 18.

The wedding took place in Redeemer Lutheran Church, Albuquerque, with the Rev. W. E. Meyer officiating. Attendants were Mrs. William Schleier, Milwaukee, sister of the groom, matron of honor, and Mr. Schleier, best man.

A reception was held at the Albuquerque Women's Club after the ceremony. Following a wedding trip through the Southwestern States and Mexico, the couple is now at home at 1015 Cardenas, El Pueblo Estes, 14, Albuquerque.

The bride is a graduate of Albuquerque High School. The groom is a graduate of Lincoln High School, Lake City, and is a machinist at Eidel Corp. and Kirtland Air Force Base.

## Bethany Moravian Ladies Aid Meeting

BETHANY, Minn. (Special) — Bethany Moravian Ladies Aid will be entertained by Mrs. Edwin Howe at her home Thursday at 1:30 p.m.

The Bible Study for 1966 will be "My Life Under God," a study in Christian stewardship. The lesson for January will be based on "What is Stewardship?" The Mission Study is "Mission as Decision." Mem-

bers are asked to bring their Sunshine Money to this meeting. There will be election of officers and reports. All women of the congregation are invited to attend.

## Former Loan Firm Executive Is Found Guilty

MINNEAPOLIS (AP) — James C. Condon, former credit manager of Twin City Federal Savings and Loan Association, was convicted Monday in U.S. District Court of a conspiracy charge.

Judge Gunnar H. Nordbye referred Condon's case to the probation department for presentence investigation.

During the trial, Melvin Gittleman, a real estate promoter, testified he paid Condon about \$6,000 between 1958 and 1962 to give him "preferential" treatment on real estate loan applications.

Gittleman and three others pleaded guilty previously and are awaiting sentence on a conspiracy count.

## Short Cut Brings Death to Youth

MINNEAPOLIS (AP) — George Hasti, 8, was fatally injured late Monday when hit by a truck and car as he ran across Interstate 94 near his Brooklyn Center home.

Police said the boy and his brother Wayne, 11, sons of Mr. and Mrs. George A. Hasti, climbed a fence intended to keep pedestrians off the highway, so that they could take a short cut home from a drug store.

The death was the sixth in 1966, compared with nine in the first three days of 1965.

BAPTIST AUXILIARY. MINNESOTA CITY, Minn. (Special) — Baptist Auxiliary will meet Thursday at 1:30 p.m. at the home of Mrs. Ray Denzer.

Members are asked to bring their Sunshine Money to this meeting. There will be election of officers and reports. All women of the congregation are invited to attend.

## Careless Driving Trial Delayed

Date of trial was continued in one traffic case, and another, scheduled for trial today in municipal court, was dismissed.

The trial of Arthur D. Huebner, 18, 479 W. Mark St., on a charge of careless-driving Dec. 2 on West 5th Street was continued to Jan. 21 at 9:30 a.m.

Judge John D. McGill granted the continuance to allow time for opposing attorneys to file briefs on a motion by Defense Attorney Martin A. Beatty to have the charge dismissed. The judge scheduled a hearing for oral arguments on the motion Jan. 14 at 9:30 a.m.

In the meantime, City Prosecutor James W. Soderberg and Beatty are to submit written briefs stating the legal grounds for granting or denying the motion.

Judge McGill also granted Soderberg's motion for a dismissal of the failure to yield the right of way charge against Roger E. Vetsch, 18, Caledonia, Rt. 2, Minn. Soderberg told the judge that his investigation of the charge had not produced sufficient evidence to warrant a prosecution.

Vetsch was charged following a collision at 4th and Johnson streets Dec. 16. He pleaded not guilty Dec. 28, and trial had been set for today at 10:30 a.m. Judge McGill ordered Vetsch's \$50 posted bond retended.

Attorney Dennis A. Challen represented the youth.

## Funds Sought For Old Church Levelled in Fire

WASHINGTON (AP) — Sen. E.L. Bartlett, D-Alaska, is reported to be willing to lead a private subscription campaign to rebuild the historic Greek-Russian Orthodox Cathedral of St. Michael in Sitka, Alaska.

The 121-year-old church was destroyed by fire Sunday. Bartlett's aides say they have located measured drawings of the cathedral in the Library of Congress. The church is a relic of the Russian rule in Alaska.

## Wincrest Site Offered for Grade School

An offer as a gift to the city of a tract of land in Wincrest Addition to be used as a site for a new elementary school at such time in the future when, and if, population increases in that area justify construction of a new school there, was received Monday night by the Board of Education.

The offer was made by Winona National & Savings Bank which previously had offered land at Wincrest as a site for the Winona Area Vocational-Technical School.

THE SCHOOL board last month felt that problems of access and the desire to have the new vocational-technical school within closer proximity to the city proper and main-traveled routes made the proposed Wincrest site less desirable than one the board had recommended near the east limits of the city.

A letter from S. J. Kryzsko, president of Winona National & Savings, Monday night stated that the bank understood the board's position in recommending a site which would provide better visibility and accessibility.

He said, however, that if the board's long-range planning contemplates construction at any time in the future of an elementary school in the Wincrest area the bank would be willing to provide a tract as a gift to the city.

KRYZSKO explained that the offer was being made now so that if there was any possibility that an elementary school might be erected in the area sometime in the future land could be set aside now while the bank is still the owner of the property.

The offer was described by several board members as "most generous" and was taken under consideration by directors.

The board at this time has no plans for school construction other than the Senior High and vocational - technical school which are in advanced planning stages.

Any additional school building in the future would be dependent on substantial population growth. Superintendent of Schools A. L. Nelson commented that while the board has no building plans now the offer of the land should be given serious consideration.

"WE MIGHT not need it for 20 years or more, if at all," Nelson said, "but if the time should come when building of an elementary school might become necessary in the area it could be that property might not then be available."

Board members expressed appreciation for the bank's offer and agreed to take it under further study.

## Two-County CD Meeting Jan. 18 At Lewiston Bowl

LEWISTON, Minn. — A civil defense conference for public officials of Winona and Olmsted counties will be held here Jan. 18 at City-Mar Bowl.

The meeting will be from 9 a.m. to 3 p.m., with adjournment for lunch.

Program consists of visual aid material, a message from the state attorney general, demonstrations on civil defense and problem solving discussion techniques.

## U.S. Foodstuffs

BANGALORE, India (AP) — Free foodstuffs from the U.S. government and private charities provide school lunches for children of the Raichur district for less than a penny per serving, but seasoning was lacking. Now the pupils carry a chili pepper and an onion to class.

## SERVING IN THE ARMED FORCES

# Navy Man Retires, Son Enlists

A former Winonan is retiring from the Navy after 23 years service as his son begins a Navy career.

Aviation Machinist Mate I.C. WILLIAM E. VOELKER, son of Mrs. A. W. Haake, 119 E. Sarnia St., who has been a Navy recruiter at Rochester, Minn., the past 4½ years, will retire Jan. 31.

Meanwhile, his son, Fireman Apprentice Terry Voelker, 18, is enlisted in the Navy for six years and now is attending a machinist mate school at Great Lakes, Ill.

The senior Voelker is a native of Winona, enlisted in the Navy at Rochester and served overseas during World War II. He was in a submarine group during the Korean conflict. Voelker has another son, Stephen, 21, who is in the Army. Voelker and his wife plan to continue to reside at Rochester.

Marine Pvt. JAMES P. ROMBALL, son of Mr. and Mrs. Anthony Romball, 973 E. Sanborn St., has completed individual combat training with the Second Infantry Training Regiment at Marine Corps Base, Camp Pendleton, Calif.

SPRING VALLEY, Minn. — A Spring Valley man, 1st Lt. Terry R. Jorris, 26, is project manager at Avionic laboratory, Wright-Patterson Air Force Base, where two methods of space navigation were developed that were tested by Astronauts Frank Borman and James Lovell on their Gemini-7 flight.

If perfected, the techniques would give astronauts in orbit simple, accurate and self-contained means of finding their way in space and reduce dependence on costly, elaborate ground radars and computers.

Being tried for the first time in orbit was the star occultation technique. A space sextant, of which Jorris was the co-inventor, was used for the second time. In the experiment the astronauts noted the time known stars disappear below the earth's horizon.

Six such measurements are entered into a suitable computer. A few quick computations and the computer is supposed to be able to figure the location of the spacecraft and the pertinent facts about its orbit.

On future missions astronauts may use a small, on-board computer. In the recent test Borman and Lovell noted the occulting times and the computations were made on a ground-based computer to see how accurate they were.

ARKANSAS, Wis. — Sgt. Horace L. Gill, son-in-law of Mrs. Percy Murry and a Marine combat veteran, played a key role in the opening of a children's playground at a village near Da Nang in Viet Nam.

Sgt. Gill built two swings and two see-saws, welded a merry-go-round and utilized empty 50-gallon barrels to build a shower for the children at the play area opened recently.

The sergeant's principal military occupation now is repairing anti-tank vehicles but his welding shop has a sign, "Gill's Toys for Tots" and he has repaired a number of toys for distribution to children in the area. He is a veteran of 12 years in the Marines and seven in the Navy. His wife is the former Donna Meixner.

EAU GALLE, Wis. — A.C.C. Henry G. Baier, son of Earl Baier, has been graduated from a training course for Air Force personnel specialists at Amarillo Air Force Base, Tex.

A graduate of Durand High School and Eau Claire (Wis.) State University, where he was a member of Tau Kappa Epsilon fraternity, Baier has a bachelor of science degree in psychology.

LAKE CITY, Minn. — A.C.C. James W. Herron, son of Mr. and Mrs. Cecil J. Herron, has been graduated from a course for aircraft mechanics at Sheppard Air Force Base, Tex.

A graduate of Lincoln High School here, he's returning to his Arizona Air National Guard unit at Phoenix. Herron received his associate in arts degree at Rochester (Minn.) Junior College and his bachelor of science degree at Arizona State College.

Airman John M. Gamm, son of Mr. and Mrs. John L. Gamm, Lake City Rt. 1, has been selected for training at Keesler Air Force Base, Miss., as an Air Force air traffic specialist.

He's a 1965 graduate of Lincoln High School and recently completed basic training at Lackland Air Force Base, Tex.

A Lake City man completing his 20th year in the U.S. Navy is senior chief of the Blue Crew recently christened at Williamsburg, Va.

Ernest P. Dohn and the crew are the first to take the new Lewis and Clark Polaris submarine out on a 90-day run. The 8,250-ton, 425-foot vessel can be stationed for indefinite periods in the depths of oceans throughout the world.

Ernest is the son of Mr. and Mrs. Harry Dohn, who attended the submarine's christening.

Pic. Richard Grobe, son of Mr. and Mrs. Elwood Grobe, is spending a furlough at his home here.

For the past 11 months he has been stationed at Verdun, France, and will report there Jan. 19 for reassignment.

STRUM, Wis. — A.C.C. John L. Burk, a native of Eau Claire, Wis., and husband of the former Irene Jackson, daughter of Mr. and Mrs. Norman Jackson, Strum, Rt. 1, is serving in Viet Nam as an Air Force boatman operating small craft between off-shore freighters and a river point where daily truck convoys pick up munitions for transfer to local airfields.

PEPIN, Wis. — William E. Norden, whose wife, Becky, is the daughter of Mr. and Mrs. Willard Moy, has been promoted to the rank of major at Shaw Air Force Base, Tex., where he's an air operations officer with the Tactical Air Command.

ELEVA, Wis. — Airman Richard E. Sutton, son of Mr. and Mrs. George R. Sutton, Eleva Rt. 1, has been assigned to Edwards Air Force Base, Calif., for training as a transportation specialist with the Air Force Systems Command.

He's a 1965 graduate of Memorial High School, Eau Claire, Wis.

RUSHFORD, Minn. — A servicemen's address listed in the Dec. 30 Serving in the Armed Forces column was that of Pic. David G. Hovland, not Pic. Daniel G. Hovland.

The new address of A.C.C. Wayne A. Lukkason, son of Mr. and Mrs. Maurice Lukkason is: CMR-2, Box 11328, Keesler Air Force Base, Miss.

Lukkason is receiving training as a radio interceptor operator.

DURAND, Wis. (Special) — Seaman Apprentice Brent J. Lamm, son of Mr. and Mrs. William Lamm, has been assigned to a three-month tour of duty at the U.S. Naval Base, Norfolk, Va., after spending a 14-day leave with his parents. He enlisted in the Navy Aug. 26 after graduating from Durand High School last spring and received boot training at San Diego, Calif.

Pvt. Bruce K. Kitchner, husband of the former Juel Lamm, Durand, has been reassigned from Ft. Polk, La., to Ft. Rucker, Ala., for a 16-week course of instruction for helicopter maintenance. He enlisted in the Army Sept. 14 and had basic training at Ft. Leonard Wood, Mo.

LEWISTON, Minn. (Special) — Dennis Kukowski, son of Mr. and Mrs. August Kukowski, recently enlisted in the Marines

and left for boot training as a member of the Viking Platoon.

BLAIR, Wis. (Special) — Pvt. Robert Matson, who recently completed basic training at Ft. Leonard Wood, Mo., is spending a 22-day furlough with his parents, Mr. and Mrs. Ardell Matson. After his furlough he'll report to Ft. Sill, Okla.

Pvt. Gregory Berg, son of Mr. and Mrs. James Berg Sr., after a brief furlough here, has returned to Ft. Leonard Wood to complete basic training.

WABASHA, Minn. (Special) — Wabasha County Local Board 123, Selective Service system, issued calls for 14 men for induction and 40 for physical examinations for December, according to Mrs. Lydia A. Halverson, Wabasha, clerk.

Men enlisting were: Peter Hampe, Theilmann, Army, Chicago.

John McMurphy, Zumbro Falls, Navy, Waterloo, Iowa. Daniel Hall and Sheldon Christison, Plainview, and Benjamin Mahle, Wabasha, Naval Reserve, Minneapolis.

Lyle Lichtblau, Lake City, Army Reserve, Wabasha. George Stening, Plainview, Marine Corps Reserve, Minneapolis.

James Adams and Ronald Wedge, Plainview, volunteers for induction.

Others inducted: Frederick Kenitz, Ronald Busch, Jerome Wood and Louis Tomforde, Lake City, and Alvin Grossbach, Mazeppa.

Inducted registrants were sworn in at the federal office building, Minneapolis, Dec. 28. The men reporting for physical examinations left by chartered bus from here Dec. 16.

ST. PAUL (AP) — The Alexander Ramsey House in St. Paul has been closed for major maintenance work and will reopen Jan. 30, reports Allan Tolbert of the Minnesota Historical Society. The house, at 265 S. Exchange St., was the home of Minnesota's first territorial governor.

Alexander Ramsey House Is Closed

ANDREAS LEAVES FARMERS UNION GRAIN TERMINAL

ST. PAUL (AP) — Dwayne O. Andreas, a Minneapolis investor and food manufacturing executive, Monday announced his resignation as executive vice president of Farmers Union Grain Terminal Association, a post he had held since 1960.

Andreas said he planned to devote more time to his other business affairs, but there was no comment on his specific plans.

The former Cargill, Inc., vice president and GTA General Manager M. W. Thatcher said in a joint statement that major objectives of Andreas' work with GTA "have now been ac-

## Council Files Mileage Request

A proposal to raise the veterans service office mileage allowance from 7½ cents to 10 cents was quietly run in the garage and put up on blocks Monday night by the City Council.

Saying it would set an inescapable pattern for the whole city, aldermen voted not to refuse but merely to receive and file the request. It was submitted last month by Philip Kaczowski, service officer, who said the 10-cent figure conforms to that allowed other county officers.

The city and county finance the service office jointly.

Ald. James Stoltman suggested perhaps the city should note the county practice and authorize the rise. Objections were raised by Council President Harold Briesath and Mayor R. K. Ellings who said it would set a precedent. Ald. Barry Nelson said the federal government allows its employees 8 cents. Ald. Neil Sawyer said he believes it costs more than 10 cents per mile to operate the average auto.

The group split 5-4 on Ald. Nelson's motion to place the request on file. Favoring were Ald. Briesath, Nelson, David Johnston, Henry Parks and Jerry Borzyskowski. Opposing were Ald. Sawyer, Stoltman, Donald Klage and Harold Thiewes.

Also discussed Monday were factors involved in the construction of the swimming pool at the new high school. Directors were told that decisions should be made on the type of filter and the type of construction to be specified for the pool.

AS FAR as the pool proper is concerned, it could be ceramic or aluminum, with economies realized in the latter type.

For the pool filter sand or diatomaceous earth could be used.

The sand filter, board members were told, would be more expensive initially, although use of diatomaceous earth requires periodic change.

The board felt that architects should be asked whether alternate bids might be called for on pool and filter types.

IN OTHER business Monday the board set the salary of Mrs. A. G. Lackore, instructor for the stenography course offered in the Winona Area Vocational-Technical School under provisions of the federal Manpower Development & Training Act at \$181 a week.

The Winona Activity Group, Inc., was granted use of the Senior High School auditorium Sunday for a Winter Carnival stage show.

Payrolls approved included those for homebound teachers, \$894; substitute teachers, \$573; driver training instructors, \$420; student cafeteria helpers, \$421; overtime for custodians, \$612; work study program, \$266; miscellaneous instruction, clerical, custodial and other services, \$1,057, and cafeteria supervisors, \$419.

Attending the meeting were Board President Lawrence Santelman and Ray Gorsuch, 1st Ward; Dr. C. R. Kollofski and Dr. L. L. Korda, 2nd Ward; Dr. C. W. Rogers, 3rd Ward, and David F. Wynne, director-at-large.

## HIGH SCHOOL DECISION

# Site Preparation Put Into Contract

A decision to include soil preparation at the site of the new Senior High School building within the general contract for construction was made Monday night by the Board of Education.

Originally it had been planned to award a separate contract for necessary work on preparation of the building site near the west end of Lake Winona and it had been thought that this work might have been able to be initiated last fall.

LEGAL proceedings involved in land acquisition delayed this, however, and Monday directors were advised by architects, Eckert & Carlson, Winona, and Caudill, Rowlett & Scott, Houston, Tex., that since the release of construction documents to be used in bidding is now only two months or so away, no substantial advantage was seen in a separate soil preparation contract.

On the recommendation of the architects board members agreed that this work should be included within the general contract.

Also discussed Monday were factors involved in the construction of the swimming pool at the new high school. Directors were told that decisions should be made on the type of filter and the type of construction to be specified for the pool.

AS FAR as the pool proper is concerned, it could be ceramic or aluminum, with economies realized in the latter type.

For the pool filter sand or diatomaceous earth could be used.

The sand filter, board members were told, would be more expensive initially, although use of diatomaceous earth requires periodic change.

# Hawks to Lay Groundwork

By GARY EVANS  
Daily News Sports Editor

Winona High School's basketball team tonight must lay the groundwork for a post-Christmas surge it hopes will carry it to its first Big Nine championship in some time.

True, the Hawks do not open against Big Nine opposition, but Coach John Kenney will tell his team must shake off its holiday flatness against La Crosse Logan.

Thursday. That letdown was not unexpected.

"I can't remember winning the first game after Christmas," said Kenney. "We usually play Logan or Central, and we usually have trouble. It was our first big game since Roosevelt, and there are some areas in which we have to improve."

One of those areas will probably receive under-fire scrutiny tonight.

It is expected that Logan will defend Winona with a 2-1 zone. Kenney was not particularly satisfied with the way his team moved the ball against Central, which used the same tactics expected of Logan.

"I'm not sure about what we'll do yet," said Kenney. "We might try Gary (Addington) out at the point. I hate to take him away from underneath, but we may have too. We weren't satisfied against Central. But we can't sit still and hope things will work out, we have to try and make them better."

Kenney says his team will change one thing tonight. What's that?

"Try and shoot a little better," he kidded.

Perhaps a more accurate summation would be to hope the other team doesn't shoot as well. In scoring, its 80 points against Central, Winona shot a respectable 41.4 percentage. Central hit 55 per-

"I wonder whether we were bad that night, or whether they were that good," said Kenney.

Kenney did have a chance to view Logan in an 80-65 loss to Central. He reports his club will hold a height advantage. The Rangers use 6-3 Joe Mair, 6-3 Bob Woodruff and 6-1 Ken Jensen in the front line.

"Central was ahead most of the way," recalled Kenney. "But Logan led 54-53 at the end of the third quarter. Then all at once, Central ran them off the floor. Logan isn't real big, but those kids scrap."

Winona, now 4-2 on the season, will make no changes in the starting alignment. Larry Larson (6-5) and John Walski (5-11) will be the forwards, Paul Plachecki 6-

6½ the center and Gary Addington (6-2) and Don Hazelton (5-10) the guards.

Kenney probably will examine a plan to rest Plachecki and Larson at various times, alternating them with 6-1 reserve Pat Hopf.

"Both Larry and Paul play better after they are rested," said Kenney. "We'll use Pat in there and try and keep everyone fresh."

Following tonight's game the Hawks Friday travel to Red Wing, one of the four unbeaten teams in the Big Nine. The Hawks (3-0 in league play) do hold a half-game edge over the Wingers, who have played league competition twice.

# Redmen Ask: Give Us a Man-to-Man

Six zones in seven games: That's the story of St. Mary's basketball season of 1965. And the Redmen hope 1966 will bring a change.

St. Mary's has posted a 4-2 record against those harassing zone defenses this season, prompting coach Ken Wilgert to comment, "The defenses haven't beaten us. We just don't know what to do against a man-to-man."

THAT WAS apparent in St.

Mary's only Minnesota Intercollegiate Athletic Conference game of 1965, a 66-61 loss to Gustavus. Thursday night the Redmen entertain MIAC favorite St. Thomas in the second conference game, a game that could make or break the Redmen in this year's MIAC race according to Wilgert.

But first in line comes a battle with Loras College tonight in Dubuque, Iowa.

"I talked to their coach at Davenport (Iowa) when they scouted us down there," said Wilgert. "They've got a new coach and they have played a zone but they seem to prefer a man-to-man. And the night he saw us, we beat Simpson's zone."

SO ALL indications point toward a man-to-man defense against the Redmen, but other than that, Wilgert knows little about the Dufawks.

"I know TC (Winona State) beat them and they turn around and beat St. Thomas, so they must be an up and down team," said the Redmen mentor. "I guess they are pretty big."

But although the information about Loras is limited, Wilgert's crew appears to have ended its state of flux. Tom Keenan, George Hoder, Roger Pytlewski, Jerry Sausser and Jim Buffo will be in the starting lineup for St. Mary's.

"It looks pretty set that way," said Wilgert, "but (Jim) Murphy did a good job for us in Davenport and I'm not reluctant to put him in. And (Dennis) Ludden didn't hurt us any although he didn't score."

St. Mary's ranks have been thinned to these seven that Wilgert can count on for the remainder of the campaign, and in his own words, "with only seven guys it can get a little hairy in spots."

Just how "hairy" should be determined by Sunday. After tonight's and Thursday night's games, the Redmen are at St. John's Saturday night. Victories in the latter two games are necessities.

"But a victory tonight would help us quite a bit, too," added Wilgert.

ST. MARY'S SCORING (4-3)

## Unusual Daily Double Payoff

POMPAHO BEACH, Fla. (AP) — The daily double for the first night of harness racing at Pompano Park for 1966 was 6-6 Monday night.

Sherry Dares won the first race as an outsider at \$21.80 while the favored Maverick Grattan took the second at \$5.40.

The unusual daily double payoff was worth \$76.20.

FINE VS. COTTON

SEATTLE, Wash. (AP) — Eddie Cotton will fight Sipa Fine, the light heavyweight champion of New Zealand, in Auckland Feb. 17, promoter George Chermers announced Monday night.

## Saban to Maryland 'To Live'

COLLEGE PARK, Md. (AP)

Lou Saban was back coaching college football at Maryland today even though it pays less than professional because "above all, it has the right spirit of the sport in mind."

"I left the pro ranks with one idea," said the surprising coach under whom the Buffalo Bills won two straight championships in the American Football League.

"I wanted to return to college coaching because I felt there I could contribute much, not from the point of coaching alone, but from the point of living."

"I am a firm believer in a few rules in life. I feel sports develop character and also develops the man."

"The emphasis on winning in the pro ranks is everything. I am sure it is not true on the college level."

Saban's contract for four years provides a starting salary of \$22,500 a year and gradually rising to \$25,000. He admitted it was less than he was paid at Buffalo, but said "I would rather not mention the amount involved." It was believed to be \$30,000.

"I felt we had gone as far as we could in Buffalo and felt it time to leave," Saban said. "My associations there have always been splendid."

However, he said there ought to be more to football "than just drawing circles and squares" of play diagrams. With the pros, he said it "is strictly football and nothing outside of it."

## Beloit Bounces Winless Coe '5'

By THE ASSOCIATED PRESS

Beloit bounced winless Coe 85-57 in the belated opening of the Midwest Conference basketball race for both teams Monday night.

The Buccaneers, now unbeaten in three games over-all, tossed in 16 straight points early in the game for a 28-10 lead. Phil Woolley contributed half of the 16 and led Beloit with 21 points while John Valentine hit 24 for Coe.

The victory vaulted Beloit to second place in the conference with its 1-0 record. Monmouth, Beloit's foe Saturday, has a 3-0 mark, and Ripon is third at 3-1.

NO APPOINTMENT NECESSARY

## Sloan Is Expected To Drill

MOBILE, Ala. (AP) — Alabama quarterback Steve Sloan, nursing some sore ribs bruised during his Orange Bowl appearance, was expected to practice today with the South All-Stars for Saturday's annual Senior Bowl football game.

Sloan, who shattered all-time Alabama passing records and a couple of Orange Bowl marks too, was examined by the Senior Bowl physician Monday after he and three other Crimson Tide players arrived from Miami.

The South All-Stars ran through their first practice sessions Monday, with the quarterback chores being handled by Randy Johnson of Texas A&I. Johnson spurred the South to a victory in the Blue-Gray game at Montgomery on Christmas Day.

The North Stars also worked out, suiting up in sweat clothes for a session. Tulsa's Bill Anderson directed the North offensive unit. With him in the backfield were Bob Daugherty of Tulsa, Don Kunit of Penn State and Walt Garrison of Oklahoma State.

The Rebels are being coached by Weeb Ewbank of the New York Jets of the AFL. Head coach for the North is Mike Holovak of the Boston Patriots.

Junior Pin

Group Will

Hold Meets

The two-week old Greater Winona Junior Bowling Association has already undertaken its first ambitious step in the promotion of junior bowling in Winona.

A City Junior Bowling Tournament, to be held in conjunction with the Women's City tournament at Westgate Bowl, will be held Saturday morning, Jan. 22, with divisions for both boys and girls.

The new association, which has the backing of both the men's and women's city associations, is for the purpose of educating youth in the values of sportsmanship and good citizenship, to create a desire for physical fitness, mental alertness and normally sound patterns of behavior as well as to promote junior bowling according to Roger Billgen, president of the newly formed association.

Other organization officers are: Leona Lubinski, vice president, and Lee Besek, secretary, along with a board of directors made up of four members each from the local men's and women's associations.

Young bowlers may enter the tournament by registering at the establishment where they usually bowl. Entry fee is \$1.00 and must be paid in advance by Jan. 15.

Ten trophies have donated for tournament. The Winona Men's Bowling Association has donated the trophy for the boys' team event, while the women's association has donated the girls' team trophy.

From Graham & McGuire comes the boys' scratch singles and series trophies, while KAGE Radio is the donor of the counterpart for the girls. The boys' handicap singles and series trophies come from Peerless Chain, while First National Bank has donated the girls' handicap singles and series trophies.

ALL-AMERICAN DIES

BALTIMORE, Md. (AP) — Lt. (jg.) Donald C. MacLaughlin, a former All-America lacrosse player and 1963 recipient of the Naval Academy's highest athletic award, has been killed in action in Viet Nam.

## Anderson, Grabowski Fit the Packer Mold

GREEN BAY, Wis. (AP) — Donny Anderson and Jim Grabowski, the All-America backs signed by Green Bay for rich bonuses, will be expected to fit in next season with a bruising ground game unchanged from the style of play that brought the Packers the National Football League crown.

Anderson, the reported \$600,000 prize from Texas Tech, and Grabowski, a \$250,000 catch from Illinois, "fit the Packer mold," said Coach Vince Lombardi Monday.

That mold, he added, is not to be tampered with.

"I have to coach and do things according to my personality. I'm not sure to work with. I'm a stubborn kind of man," Lombardi said.

Lombardi prefers ball control and an irresistible rushing attack. He prefers total effort from his players. He prefers — no, demands — victory.

Lombardi got all these Sunday as Green Bay belted Cleveland 23-12 for the NFL title. "There's a great deal of satisfaction to walk out there and find everything is the way you planned it," Lombardi reflected.

The game plan called for Jim Taylor and Paul Hornung, the two men for whom some observers were already pegging Anderson and Grabowski as heirs apparent, to rip through Cleveland's line. They did exactly that for a combined total of 201 yards.

Lombardi was in an affable mood Monday as he reviewed the game that brought the Packers their third NFL title in the last five years.

"I never put great credence in turning points," he said, "but I do think there are the big plays. There may have been more big plays in that game than you usually get, and fortunately they were all by us."

He ticked off Paul Hornung's 34-yard run to set up a field goal, Willie Wood's interception that preceded another field goal, the Cleveland field goal attempt that was blocked by Henry Jordan, and Hornung's 20-yard run that set up a Hornung touchdown.

Hornung, Taylor and quarterback Bart Starr all played despite injuries. Lombardi revealed Starr had to wear a special pad to protect his badly bruised ribs.

Anderson has said the attitude of the Packer players was the critical factor in his decision to sign with Green Bay.

But the first greeting Anderson and Grabowski get from those dedicated and determined Packer players next season may be a rude one.

Anderson and Grabowski are expected to be selected for the annual game this summer in Chicago. The NFL championship means the Packers, with all those bruising linemen, will be the opposing team.

## Van's Contract Calls For Estimated \$50,000

ST. PAUL (AP) — The Minnesota Vikings have begun their second five-year plan in the National Football League by signing Coach Norm Van Brocklin to a five-year contract with a pay raise.

"The only coach the Vikings have had, the Dutchman took a collection of castoffs and rookies in 1961 and moulded them into one of the powers of the NFL's Western Division in five seasons."

The Vikings stumbled through 3-11 and 2-11-1 records in their first two years, but showed a .500 average, 20-20-1, over their last three seasons.

Van Brocklin quit for 24 hours

in November after it became apparent that the Vikings would not win the Western Division title. They eventually finished with a 7-7 record.

But the team's owners tore up Van Brocklin's three-year contract, which had a year to run, and put him under contract through 1970.

Vikings President Max Winter said Van Brocklin "received and earned a good bonus and an increase in salary."

The old contract called for an estimated \$40,000 annually. The new one figures to place Van Brocklin's salary at close to \$50,000.

Both Van Brocklin and Winter

said the Vikings' goal is to bring the NFL championship to the Twin Cities.

"We've got the same old policy—to win," Van Brocklin said. "We're looking to win everything we get into. We've had our disappointments, but we're not letting that affect us."

"I still think our offense is good enough right now to win the title, but we need some more consistency on defense."

The Dutchman also said that he was "thankful and grateful for the display of confidence by Vikings owners."

He will also be permitted to continue the policy of selecting his assistants on a year-to-year basis.

## LET'S TALK SPORTS

WE KNOW MOST OF YOU city sports fans haven't forgotten the name Dave Daugherty.

For those of you less familiar with the situation, we'll recap briefly by saying he was the 6-8 Rochester John Marshall basketball center who in a three-year career never lost to Winona in nine games.

Well, Mr. Daugherty is now a forward. This is what Rochester sports editor Rich Melin had to say of the former JM flash:

"Home for Christmas vacation from College of William and Mary in Williamsburg, Va., where he's a freshman, the ex-John Marshall all-state center says, 'I really like forward a lot better. Out there, you get to move around a lot more.'"

"The William and Mary offense, explains the 6-foot-8 Daugherty, is pretty much a pattern setup, featuring 12-to-15 foot jump shots and drive-ins by the forwards. He and Jack Downing, 6-foot-1 guard from Newark, Ohio, are the freshman team scoring leaders with averages in the high teens."

"I guess you'd say the team (4-0 off two regulation game and two scrimmage wins) is so-so," says the 1964-65 Rochester Quarterbacks Club athlete-of-the-year. "But after we beat Bullis Prep (by a wide margin), their coach said this was the poorest freshman team he's ever seen at William and Mary!"

"A pre-med major, Daugherty is happy he rejected strong last-minute overtures by Northwestern University. "The only reason I considered Northwestern (along with Duke, Davidson and William and Mary) was Big Ten ball — and now I don't think I miss that."

"He and Bill Hardy, another 6-foot-8 starter who hails from El Paso, Tex., are the only skyscrapers on the freshman team. The present William and Mary Varsity, which boasts a short 6-foot-5 average front line, now carries a poor 3-4 log."

"How does Daugherty — who holds every JM individual scoring record — size up his chances for next season? To the point, he smiles, "Pretty good."

SCHOLASTIC HONORS and heartbreak have hit the Bemidji State basketball team.

Starting guard and captain Jerry Wilmot of Proctor hit the books for a "straight A" during the fall quarter. And Dave Odegaard, 6-6 center from Gonvick, posted a 3.92 average on a four-point scale.

But on the other hand, Ron Smiley, 6-5 forward from Chicago, didn't pass the 12 hours required by the NIC. He averaged in double figures for the cage team a year ago.

Then, too, highly-regarded transfer students Bill Gillespie (6-4) and Dale Rettger (6-4), both from Blue Island, Ill., did not make the two-point GPA required by the college of transfers.

In the case of these two, however, a petition to the Student Academic Progress Committee for re-admission to college could result in permission to play.

It just goes to show that eligibility problems are not restricted to Winona.

WE ONLY HAVE ONE reported 300 Club member, but it seems some of those distinguished kegling achievements are being overlooked — and right under our proverbial nose.

The reported member is Marv Schultz of the Eagles League at Hal-Rod Lanes. He "walloped" a 392 to go with a 176 average.

But then there is Daily News worker Dianne Hardtke, who has earned three of those little black patches without being properly publicized.

Dec. 1 she clipped 391 to go with a 152 average. Dec. 15 she hit 363 to go with a 151 average. And Dec. 29, it was 383 with a 150 average. Now that's one heckuva month.

She says she won't be joining again for a while because "I won't have the required average."

But well assure you, she has been presented with the patches!

THE SWAMI is back from his vacation, and raring to go, we might add.

He has counted on 192 of 265 picks for a .725 percentage. Now for this week:

WINONA HIGH over La Crosse Logan 78-59. "The Hawks should be back in form."

ST. MARY'S over Loras 76-71. "Loras can be tough on its home court."

Northfield over Montgomery 68-61, Chatfield over St. Charles 63-58, Harmony over Canton 71-60, Preston over Spring Grove 75-61, Wykoff over Peterson 67-57, Grand Meadow over Spring Valley 65-56, Onalaska over Blair 76-64, Plum City over Pepin 69-60, Bangor over Onalaska Luther 76-72, Durand over Gale-Eitrick 73-62.

# Another National Title for Alabama, Coach Bear Bryant

By THE ASSOCIATED PRESS

Alabama's Crimson Tide, an overwhelming victor over Nebraska in the Orange Bowl, was named the national collegiate football champion for the second straight year today in The Associated Press final poll of the season.

The verdict of a nationwide panel of 57 sports writers and sportscasters made it three titles in five years for Coach Paul (Bear) Bryant, and gives "Bama" permanent possession of the big, silver AP trophy.

Ironically, when the Tide won last year, the poll was taken at the close of the regular season and "Bama" went on to lose to Texas in the Orange Bowl.

This year the final poll of the season was conducted after the New Year's bowl games — the first time it had been held until after the bowls — because the six top teams were in action New Year's Day.

And it was the unprecedented defeat of three hitherto unbeaten teams in the bowl games that

vaulted Alabama to the national title.

Alabama, with an 8-1-1 record, was ranked fourth behind unbeaten Michigan State, Arkansas and Nebraska going into the New Year's games.

Top-ranked Michigan State was upset by UCLA 14-12 in the Rose Bowl, No. 2 Arkansas' 22-game winning string was halted 14-7 by Louisiana State in the Cotton Bowl and Alabama crushed No. 3 Nebraska 39-28 in the Orange Bowl.

Michigan State slipped to sec-

ond and Arkansas to third in the final rankings. UCLA moved up from fifth to fourth and Nebraska dropped to fifth.

Following in order were Missouri, 20-18 winner over Florida in the Sugar Bowl, Tennessee, 27-6 winner over Tulsa in the Bluebonnet Bowl, LSU, Notre Dame and Southern California.

Texas Tech, ranked 10th at the end of the regular season but upset 31-21 by Georgia Tech in the Gator Bowl, dropped out of the Top Ten and was replaced by Louisiana State.

Alabama polled 37 of the 57 first-place votes and piled up 537 points on the basis of 10 for a first-place vote, nine for second, eight for third, etc.

Michigan State collected 18 first-place votes and 479 points while Arkansas and UCLA both were named first on one ballot. Arkansas received 413 points, UCLA 391 and Nebraska 358.

Alabama is the first team to win consecutive national titles since Oklahoma accomplished the feat in 1955 and 1956. "Bama's two straight champion-

ships go with the 1961 title to make it three in five years for Bryant, who formerly coached at Texas A&M and Kentucky.

The three championships give Alabama permanent possession of the AP trophy, which goes to the first team to win three titles since the trophy has been up for competition. The trophy was put up for competition in 1957.

Another trophy will be put up next season.

The final Top Ten, with first-place votes in parentheses, season records including bowl

games, and total points on a basis of 10 for a first-place vote, nine for second, eight for third etc:

1. Alabama 37 (9-1-1) ..... 537
2. Michigan State 18 (10-1) 479
3. Arkansas 1 (10-1) ..... 413
4. UCLA 1 (8-2-1) ..... 391
5. Nebraska (10-1) ..... 358
6. Missouri (8-2-1) ..... 260
7. Tennessee (8-1-2) ..... 214
8. Louisiana State (8-3) ..... 149
9. Notre Dame (7-2-1) ..... 123
10. Southern Calif. (7-2-1) ..... 89

## Wason's Tips 1,091; Hohmeister in 269, R. Biltgen Rips 673

Maybe it's the rest over the weekend, but whatever it is, the alleys at Hal-Rod Lanes have been very cooperative on Monday nights in recent weeks.

In the Monday night just past, three different top 10 counts were registered in two different leagues as city keglers began to pick up the pace after the holidays.

ROGER BILTGEN continued his phenomenal scoring in the City League, following up last week's 674 with a 673. But the big news came in the following shift in the VFW circuit.

Bill Hohmeister blasted a 269 and Joe Stolpa came up with a 628 as Wason's Supper Club smashed a 1,091 good for a second-place tie on the team game list.

Hohmeister's 269 put him in third on the single game list, and according to Bill, he needed that anchor game to make a respectable night of it. Even with the big count, he didn't manage to come up with a 600.

BUT TEAMMATE Stolpa did Joe scored 227-204-197-628 with the 1,091 which tied Wason's with Bub's of the Winona Athletic Club Classic circuit. Bub's hit its total on Oct. 5 of last year. Wason's came up with a 1,031 scratch total.

The Wason's team went through 40-plus straight frames without an error in the last

game before Ralph Bambenek was saddled with the lone blow of the game. Other team members are Bob Schewe and Ray Gabrych.

Wason's came up with a 2,895 total to move within two games of league-leading Bunke's Apco. John Sandstedt hit 180-178-245-603 for Bunke's.

Back to the City League where Biltgen's errorless 242-673 for Country Kitchen gives him the fourth spot in individual series. Roger now owns the second, third and fourth positions on that list with series of 680, 674 and 673.

HIS SHOOTING enabled Country Kitchen to move within two games of league-leading Wally's of Fountain City.

Graham & McGuire socked 1,028, and Oasis Bar totaled 2,810 for team honors. Tom Drazkowski hit a 577 errorless.

Tops on the distaff side was a 546 by Les Kragge for Coca-Cola in the Westgate Pin Toppers League, which recorded nine honor counts.

Helen Nelson rapped 222-542 for Watkins Mary King, Betty Englerth clouted 214-541, Helen Englerth 202-516, Eleanor Stahl 508, Irene Trimmer 501, Betty Schoonover 501, Irene Gos-tomski 501 and Janice Gady 500.

The Coca-Cola team laced 902 and Lakeside Cito 5,577.

WESTGATE BOWL: Community John Meyerhoff scored 205-592 for Schlitz and mate Floyd Broker 205. Blumentritt Store shot 987 and Sunbeam Broad 2,867.

Alley Gaters — Arlene Kessler

recorded 477 for Fenske's. Mary Drussell's 181 led Dorothy Ahrens topped 181 as did Barbara Malewicki for Williams Hotel. Nash's came up with 2,458.

Ladies — Joan Leer tumbled 475 for Sfrank's and Alice Spalding 175 for Winona Type-writer. Haddad's hit 877 and Grulowski's 2,488. Elizabeth Johnson converted the 6-7-10.

WINONA AC: Monday—Lans Hamernik's 222 and Ed Dulek's 577 shoved Jowick's Fuel and Oil to 998. Schlitz registered 2,796.

Go-Getters — Betty Haedtk's 485 led Circle G Ranch to 2,448 and Carol Robiecki paced Steve's Lounge to 895 with her 189. Irene Newfeldt picked up the 2-10 and Ruth Peplinski the 3-7-9-10.

HAL-ROD LANES: Park-Rec Jr. Girls — Carol Lilla shot 155-276 two-game set for All-Stars, and Wildcats took team honors with 658-1,248.

RED MEN'S CLUB: Monday-night — Sunbeam posted 963-2,715 behind 192 from Joseph Kryzer. Al Maynard topped 504 for Schmidt's.

## Hudson Will Miss 2 to 3 Weeks More

MINNEAPOLIS (AP) — Minnesota will launch its Big Ten basketball season Saturday at Michigan State without the Gophers' injured scoring ace, Lou Hudson.

Hudson had the cast removed from his right wrist Monday, to be replaced by a lighter one. It will probably be two to three weeks before he can return to action.

The 6-5 forward worked out Monday for the first time since fracturing the bone at the base of his right thumb in the Creighton game Dec. 18.

"I can't shoot a ball right-handed yet," Hudson said. "I think I could catch a pass all right. And I might be able to dunk a ball. But the shots would have to be lefty."

Hudson's return also hinges on the judgment of officials as to whether the cast might cause injury to other players.

The lighter cast gives him movement of the fingers on his shooting hand, but very little movement of the thumb. The cast also immobilizes his wrist.

According to the current outlook, Hudson is almost sure to miss the Gophers' Big Ten home opener Jan. 15 against Indiana. His availability for the Jan. 22 invasion of defending champion Michigan is uncertain.

Without Hudson, the Gophers are 3-3. He had averaged 23.3 points in four opening victories. Guards Archie Clark and Wes Martins have taken up most of the scoring slack since Hudson's injury. But the Gopher defense has sagged.

### SWEDISH SKATERS WIN

CALGARY, Alta. (AP) — The touring Swedish national hockey team defeated the Calgary Spurs 6-3 Monday night in an exhibition game. The Spurs are the leaders in the Western Canada Senior Hockey League.

## Canton: Set to Roll

By BOB JUNGHANS

Daily News Sports Writer

CANTON, Minn. — For the past several years, Canton High School has managed to come up with some of the finest individual basketball talent in the Winona Daily News area.

Two years ago it was Don Halverson. Last year Norm Gil-lund and Dean Jones filled the bill. This year, Don Fay, Darwin Halverson and Curt Johanssen have moved to the front.

BUT YET, the Raiders keep

losing nearly three games for every one they chalk up in the victory column.

First-year basketball coach Ron Landherr hopes to change that, however.

"When I came, the kids had such a defeatist attitude that it was almost unbelievable," said Landherr, "so for the first three weeks of practice I just kept telling them that they could win if they wanted to win."

Judging by the current 2-5 Canton record, Landherr's strat-

egy hasn't paid the dividends he had hoped for, but the new coach feels that it will be the remainder of the season.

TONIGHT, Canton entertains Harmony in a nonconference battle. Harmony defeated the Raiders by a whopping 65-47 the last time the two teams met before Christmas.

"It was during the Thanksgiving vacation and we played our worst game of the season," said Landherr. "Maybe because it's right after Christmas vaca-

tion we'll play another bad one, but we'll be on our home floor and that's to our advantage. We hope to give them a better battle."

But this game is just a warm-up for what Canton hopes will be three straight Root River Conference victories.

"WE PLAY Spring Grove, Mabel and La Crescent on successive Friday's after this one, and three victories would give us a 5-2 conference record," said Landherr. "And we expect to win those three. Outside of Houston and Caledonia, which are the conference powers, we feel that we can give anyone a good game."

Spearheading the Raider drive will be Don Fay, a 6-3½ forward who has pumped in points at the rapid clip of 24.7 per-game this year. His favorite weapon is a turn-around, fade-away jump shot like that used by Peterson's Stan Gudmundson not too many years back.

"He's probably our best outside shot, too," said Landherr, "but we haven't had a chance to use him outside yet."

Following Fay are Darwin Halverson with a 13-point average and Johannsen at 11.7. But this trio has accounted for 80 percent of the Raider scoring.

LANDHERR hopes he has come up with another scoring threat in the person of 5-11 senior guard Greg Turner. Turner missed the first half of the season with an injury.

Filling out the lineup for tonight's 8 p.m. game with Harmony will be 6-3 center Bob Leistikow, Dave Donald, 6-1, and Curt Nelson will be ready to come off the bench when needed.

"Harmony is pretty tall, and (Bill) Barrett is the best shot we've faced so far," said Landherr, "so we'll have some problems trying to defend him."

"But we feel we're ready to move up. We've got eight seniors and six juniors on the team. We're old and mature enough, now it's just the idea of developing a winning spirit."

"We'll just have to wait and see."

### BUT MARQUETTE TOSSES GO IN

## Badger Zone Cuts Fouling

MILWAUKEE (AP) — A free throw Marquette made when it wanted to miss and Wisconsin's remarkable feat of avoiding fouling throughout almost all the second half gave the Badgers a 73-72 victory Monday night in the 1966 renewal of their torrid basketball rivalry.

The Badgers, not picking up their second foul of the second half until two minutes were left, had a nine-point bulge at the free throw line. The last two came when Paul Morenz calmly sank a pair of shots with 16 seconds left for a clinching 73-70 lead.

Marquette Coach Al McGuire bemoaned, however, a free throw Gene Smith made with the Warriors behind him 71-69 just five seconds earlier. Smith missed the first of two opportunities and McGuire explained:

"We wanted him to miss the second so we could go

after two points. He bounced it off the backboard but it went in. Then Morenz got the pair and that was it."

Marquette owned an eight-point advantage in field goals, but fouled 21 times to Wisconsin's 11. The Badgers sank 23 of 30 chances at the free throw line for the victory.

"I don't know how a Big Ten team can play 18 minutes and get only two fouls," said McGuire.

"When you play a zone defense you don't foul much, and it worked out perfectly for us," said Wisconsin Coach John Erickson.

The two teams, starting the last 20 minutes deadlocked 40-40, stayed virtually even until Marquette's Paul Carbins sank a hook shot for a 64-62 edge. Wisconsin responded with seven straight points for a 69-64 command with just 2:30 left.

Zubor's three-point play was the big contribution in that spurt. Carbins, the Warriors' top rebounder, went to the bench on that one to join Brian Brunkhorst, who had departed on fouls earlier.

Barnes, who had been benched at the start of Wisconsin's victory over Pennsylvania and responded by coming in as a sub to score 27 points, repeated his role Monday night.

Marquette had jumped to a 20-10 lead and expanded it to 31-22 ten seconds after Barnes finally entered the game with 7½ minutes left in the first half. Wisconsin shot ahead with 10 straight points, eight of them by Barnes.

Marquette, now with a 6-5 record to Wisconsin's 4-6 mark, was led by Blanton Simmons with 19 points. Bob Wolf had 16 and Tom Flynn 14.

## Boom! Bradley Routs Tommies

By THE ASSOCIATED PRESS

Minnesota college basketball teams won two of three games with out-of-state opponents Monday night.

Mankato State breezed to its second straight win after eight losses—a 79-49 verdict over Southern State of Springfield, S.D. Macalester nipped Florida Presbyterian 73-40 at St. Petersburg, Fla.

But St. Thomas absorbed a 99-

52 thumping from Bradley, the nation's fifth ranked team in the latest Associated Press poll.

Action tonight has St. Mary's of Winona at Loras of Dubuque, Iowa, and Moorhead State at Mayville, N.D., State in non-conference clashes.

Mankato led only 33-29 at halftime but romped away from Southern after the intermission. Mike McClelland hit 21 points and Rich Wanzek 14 for Mankato.

Macalester trailed 38-34 at halftime but moved to an eight-point lead in the second half. The Scots led 71-70 with 40 seconds left when Carling Hotte's field goal clinched it. Frank Foster collected 16 points and Larry Dleven and Gordy Cochran 15 each for Macalester.

Bradley exploded from an early 11-11 tie and raced to a 50-26 halftime lead. Shooting 58 per cent, the Braves were paced by Ed Jackson with 21 counters and Joe Allen with 20. Fred Korba tossed in 17 for St. Thomas, now 9-3 this season.

During the first month of the hockey season the Boston Bruins used three goal tenders — Ed Johnston, Gerry Cheevers and 20-year-old Bernie Parent.

Why Not—They're No. 1 In Nation

IN THE SPOTLIGHT . . . Duke University's starting basketball team is in the spotlight as they were introduced Monday night before their game with Penn State University. The Blue Devils are also in the national

spotlight as the No. 1 team in the Associated Press College Basketball standings. Duke holds a 10-1 record after their victory over Penn State by a score of 83-58. (AP Photofax)

### TEXAS WESTERN LOVES THEIR WINNING WAYS

## City Slickers Find Country Home Just Fine

By THE ASSOCIATED PRESS

A trip of city slickers from New York have brought schoolyard basketball to cowboy country and nobody at Texas Western minds the infiltration.

The Miners rolled to their 11th straight victory Monday night, whipping Tulsa 63-54 at El Paso, as 6-foot-6 Willie Worsley led the attack with 18 points.

Worsley, reserve forward Willie Cager, and 6-foot-7 Nevil Shed, who says he's an inch taller and is the club's second best scorer, all learned their basketball on concrete courts in New York.

The ninth-ranked Miners started slowly but opened a 13-point lead by halftime and then coasted the rest of the way.

Three other ranked teams, including Kentucky, the only other undefeated club, also won Monday night.

Adolph Rupp's Wildcats protected their No. 2 ranking with an 80-70 decision over St. Louis. Pat Riley and Louie Dampier paced Kentucky to its ninth straight, Riley scoring 24 and Dampier 20. Rich Parks led the visiting Billikens with 22.

Top-ranked Duke got 23 points from Jack Marin and 21 from

Mike Lewis including 10 for 10 from the floor, and rapped Penn State 83-58, at Durham, N.C. The Nittany Lions, who won the Gator Bowl tourney last week, fell behind early and never recovered as Duke ran its record to 10-1.

Bradley, rated No. 5, scored its 11th victory in 12 starts with a 99-52 romp over St. Thomas of Minnesota. Ed Jackson with 21 points and Joe Allen with 20 led the Braves, who shot a sizzling 58 per cent on their home court at Peoria, Ill.

Dayton, 9-1, ripped Xavier 105-79 with sophomore Don May

pumping in 45 points, second highest total in Flyer history. Henry Finkel, who scored 44 for Dayton last week, was held to none, the second lowest total in his three-year varsity career.

Touring Syracuse ran into hot-shooting Creighton and bowed 103-87. Sophomore Wally Anderson and grabbed 10 rebounds as the Wildcats, downed Missouri 78-59 at Columbia. Oklahoma took Oklahoma State 64-53 at Norman.

In Southeastern Conference openers, Tennessee took Tulane 64-46 at Knoxville and Florida nipped Alabama 56-53 at Gainesville, Fla.

20 seconds to play gave Miami an 88-87 thriller over Utah at Miami, Fla.

In Big Eight conference openers, Kansas ripped visiting Colorado 69-55 with four men in double figures. Kansas State's 7-foot-1 Nick Pino hit 19 points and grabbed 10 rebounds as the Wildcats, downed Missouri 78-59 at Columbia. Oklahoma took Oklahoma State 64-53 at Norman.

He succeeds Ray Nagel, who resigned last month to take over as head football coach at the University of Iowa.

**PRESENTATION TIME**... A pair of YMCA volleyball players, Fred Naas and Stan Sorem, were given awards at the Business Men's Volleyball League banquet Monday night. Naas was presented the Bull Throats Award and Sorem the

Silver Spike Award. Pictured (from left to right) are: C. Paul Venables, Arnie Stenehem, Naas, Sorem, A. J. Bambenek and Hank Maly. (Daily News Sports Photo)

## Williams Hopes For Renewed City Rivalries

A renewed rivalry between the Winona high schools and colleges is the No. 1 hope of KWN radio sports director Chuck Williams, guest speaker at the volleyball dinner held at the Winona YMCA Monday night.

Williams, who has been a Winona sports commentator since 1942 with time out for the armed service from 1943-46, spoke before a gathering of 25 at the annual affair put on by the Businessmen's Volleyball League.

In addition to urging Cotter, Winona High School, St. Mary's and Winona State to renew their long defunct rivalries, Williams gave a general rundown of his impressions of local sports since 1942, mentioning the Cotter state basketball championship and the two trips to the state tournament by Winona High in 1956 and 1961 as high spots.

In answer to a question, Williams cited the rapid growth of Rochester as perhaps the reason for trouble which quite often follows a Winona High-Rochester athletic event. He pointed out, however, that Winona was not the only school to run into such a problem when competing at Rochester.

Two awards were given at the dinner which marks the halfway point of the volleyball season. Stan Sorem, agent for National Travelers Life Insurance Co., was presented the coveted Silver Spike Award by A. J. Bambenek, president of the Peerless Chain Co. The award is given annually to an active YMCA member who is also a standout volleyball player.

A second, and more dubious honor, was presented to Fred Naas, Naas, vice president and treasurer of Clark and Clark, Inc., was given the annual Bull Throats Award by C. Paul Venables, president of C. Paul Venables Auto Sales and Service.

Arnie Stenehem was master of ceremonies.

## Four Teams Gain Ground In Cage Poll

**By THE ASSOCIATED PRESS**

St. Joseph's of Pennsylvania, Providence, Texas Western and UCLA, each a winner of a holiday tournament last week, have gained considerable ground in the latest Associated Press major college basketball poll.

Duke remains a solid leader, while unbeaten Kentucky rushed up to take second place. The Blue Devils from Durham, N.C., garnered 389 points, including 10 for each of the 34 first place votes they received in the balloting by a special panel of 42 regional experts.

Duke has won seven games in a row, including victories over Notre Dame and Wake Forest last week that lifted its record to 9-1.

Kentucky advanced from fifth to second after beating Notre Dame 103-69 for its eighth in a row. The Wildcats had five first-place votes and 299 points.

Vanderbilt is third. Then came St. Joseph's, Bradley, Providence, Iowa, Brigham Young, Texas Western and UCLA. The voting was based on games through last Saturday.

The Top Ten, with first-place votes in parentheses, records through games of Saturday, Jan. 1, and total points on a 10-10 scale.

WASHINGT. (AP) - The White House predicted today the new federal budget will be \$110 billion to \$115 billion—certainly not less than \$110 billion.
---

White House press secretary Bill D. Moyers said original requests from government agencies of about \$125 billion for fiscal 1967, which starts July 1, have been pared to slightly less than \$115 billion to this point.

## \$110 Billion Budget Seen

**WASHINGTON (AP)**—The White House predicted today the new federal budget will be \$110 billion to \$115 billion—certainly not less than \$110 billion.

White House press secretary Bill D. Moyers said original requests from government agencies of about \$125 billion for fiscal 1967, which starts July 1, have been pared to slightly less than \$115 billion to this point.

**SOX COACH NAMED**

**CHICAGO (AP)**—Kerby Farrell, former manager of the Cleveland Indians and a first baseman with the Chicago White Sox in 1945, was named Monday a Sox coach by Manager Eddie Stanky.

**HOCKEY BARRAGE**

**DENVER, Colo. (AP)**—Czechoslovakia's big, smooth-passing national hockey team fired a barrage at Denver University's goal and came away with a 7-3 victory Monday night in an exhibition game in the Denver U. Arena.

9-07, etc. basis:	
1. Duke 34-9-1	389

8. Brigham Young 8-1	109
9. Texas Western 10-0	57
10. UCLA 7-3	47

## Hoosiers Get Back to Form, Soundly Beaten

**CHICAGO (AP)**—Indiana's giant-killing Hoosiers were forced back to form Monday night when they were thoroughly drubbed by Loyola of Chicago, 91-68, on the Hoosiers' home floor.

Loyola, unranked despite a 10-1 record, handled Indiana with ridiculous ease. The Ramblers broke an 11-1 tie and sped to a 49-25 halftime lead.

From then on, Loyola had little difficulty with the team which pulled a major upset and handed previously undefeated Bradley its first loss last Friday night in Chicago Stadium, 104-87.

Bradley, meanwhile, rebounded from that loss and slugged St. Thomas of Minnesota, 99-52, Monday night.

While Indiana was a loser, Wisconsin edged Marquette 73-72 to give Big Ten basketball teams a 52-42 edge against non-conference teams.

The loss was Indiana's fifth in nine games. Max Walker led the Hoosiers with 17 points but couldn't offset 18-point performances by Doug Wardlaw and Jim Coleman of Loyola.

**Purdue is at Notre Dame** tonight in the only other game involving a Big Ten team before the weekend.

Saturday, Illinois will be at Indiana, Minnesota at Michigan State, Purdue at Northwestern, Michigan at Ohio State and Iowa at Wisconsin.

## It's Buffalo Vs. Chargers Over Again

**HOUSTON, Tex. (AP)**—Ten of the players the Buffalo Bills faced in the American Football League championship game will be coming at them again Jan. 15 in the match between the champion Bills and the AFL All-Stars.

The 10 are San Diego Chargers, and six of them were selected Monday by their coach, Sid Gillman, who also is coach of the All-Stars by virtue of piloting the league's runner-up.

Twenty-four players of the 38-man All-Star squad had been named in a poll of the league's players before the championship game, but seven of those were Buffalo players and had to be replaced.

Gillman also had to pick replacements for two injured players, San Diego flankerback Lance Alworth and Denver offensive end Lionel Taylor, so he ended up naming 23 of the All-Stars.

To replace Alworth and Taylor, he chose San Diego defensive back Ken Graham and Kansas City offensive end Fred Arbman.

To replace Buffalo's Jack Kemp, Billy Shaw, Tom Sestak, Mike Stratton, George Byrd, George Salinas and Pete Gogolak, he named:

San Diego quarterback John Hadl, Oakland guard Wayne Hawkins, Kansas City defensive tackle Buck Buchanan, San Diego linebacker Frank Buncom, San Diego defensive back Speedy Duncan, New York defensive back Dainard Paulson and Boston kicker Gino Cappelletti.

Tulsa led the nation's major colleges in 1964 in scoring with 38.4 points a game, total offense with 461.8 yards a game, passing at 317.9 and set an all-time record with 34 touchdown passes.

## Stocks Move Into Record Highs Again

**NEW YORK (AP)**—The stock market staged a broad advance which brought averages into record high territory early this afternoon.

Steels, coppers, aerospace defense issues, utilities, rails and electrical equipments joined in the upswing.

Despite the structural steel price increase opposed by the government, the steel companies involved as well as others in the group posted gains.

New York City was involved for the second day of the new year in a transit strike but business on the New York Stock Exchange was considerably heavier today than it was Monday.

The Associated Press average of 60 stocks at noon was up 1.3 to 360.0 — bettering the historic high made Monday. Industrials were up 2.6, rails .4 and utilities .3.

The Dow Jones industrial average at noon was up 4.28 at 972.82, topping the historic closing high of 969.26 made Friday when trading ended for 1965.

Inland Steel was up nearly a point, Bethlehem and Colorado Fuel & Iron fractions despite government displeasure with these companies because of their boost in structural steel prices.

Wheeling climbed nearly 3 points, Crucible a full point on top of Monday's rise of 2 1/2. Anaconda added about 1 1/2 on a continued upswing on the stiffer world copper prices. Kennecott traded unchanged. International Nickel was a fractional gainer.

Gains of a point or

### St. Paul Woman Is NAACP Director

NEW YORK (AP) — Miss Deborah L. Gilbert, St. Paul, was elected Monday to the 60-member board of directors of the National Association for the Advancement of Colored People.

### DENNIS THE MENACE

"Boy, it's lucky I opened my eyes! I thought I was going upstairs!"

### GRIN AND BEAR IT

"Roscoe feels he can speak with authority on Viet Nam since he's had his gall bladder out!"

### Personals

HOW MANY TIMES a day do you need money? You can't get away from it! Money is the most common commodity in the world. Here at MERCHANTS NATIONAL BANK we have low-cost, confidential loan plans to cover any worthwhile purpose. When you are short on cash give us a call.

AN ill-fitting suit regardless of cost, looks bad on you and your value is lost. W. Betsinger, Tailor, 227 E. 4th.

GINGER, peach No. 1 New Year's Resolution. Have watch cleaned and checked at RAINBOW JEWELRY, 116 W. 4th. All work done quickly and expertly.

HANNAH's husband Hector hates hard work so he cleans the rugs with Blue Lustre. Rent electric shampooer, \$1. R. D. Cone Co.

ARE YOU A PROBLEM DRINKER?—Man or woman your drinking creates numerous problems. If you need and want help, contact Alcoholics Anonymous, Pioneer Group c/o General Delivery, Winona, Minn.

GET A GOOD START on a cold day by stopping for breakfast at RUTH'S RESTAURANT. How about a stack of light, fluffy pancakes, crispy bacon, farm-fresh eggs, topped off by the best cup of coffee in town. There's always a warm welcome waiting at 116 E. 3rd, downtown Winona. Open 24 hours every day, except Mon.
