400 Missions Flown Against Viet Cong

GREETINGS HAROLD... George Thiss (left), Minneapolis, Republican state chairman, shakes hands with Harold LeVander, South St. Paul, as a couple of other Republicans join in at the party's \$100-a-plate dinner Tuesday night in St. Paul. Taking part is William Randall (second from left), St. Paul, and George Etzell, Clarissa, the national committeeman. Randall and LeVander are candidates for the Republican gubernatorial nomination. (AP Photofax)

Taft Charges

4-Year Term 'Red Herring' To Divert Issue From War

ST. PAUL (AP) — Former Ohio Rep. Robert A. Taft Jr. told Minnesota Republicans Tuesday night that many issues "can keep Congress busy and are a bit more important than having the congressmen argue over avoiding the hazards of

facing the voters every two years."

He told a \$100-a-plate GOP dinner that Congress should be

more concerned with frank discussions of the war, inflation, revenues for local government and "misused foreign aid."

Between 3,500 and 4,000 persons attended, but party officials said more than 4,500 tickets had been sold, resulting in a profit of more than \$400,000 for the GOP.

Taft, a former one-term representative is seeking to regain a congressional seat this year after narrowly losing a U.S. Senate race in 1964.

Taft told a news conference the name of his late senator father has been helpful, but said people sometimes challenge him with, "Your father would have done it this way."

He accused President Johnson of glossing over the nation's problems in his State of the Union address and said it seemed the four-year term proposal had been thrown in as a sop to "otherwise rubber stamp congressmen" so they would have something on which to differ.

Taft suggested that those outside the government not second-guess the nation's Viet Nam policy.

But he said the administration should tell the nation how much further our land war commitment will go. Taft also suggested a "Kennedy-type" quarantine could be imposed on the North Viet Nam port of Haiphong.

"If we are being served a cup of peril" we should at least know what it contains," said Taft in prepared remarks.

Taft Speech Writer 'Goofs'

MINNEAPOLIS (AP) — Apparently alarmed at an initial "goof" by his speech writer, Robert Taft Jr., didn't name any Minnesota congressman when he delivered his talk at the GOP dinner here Tuesday night.

When Taft got to Minneapolis in the afternoon it was discovered the text of his speech contained laudatory remarks and names of Minnesota Republican members of Congress. Included was the name of Sen. Walter F. Mondale, a Democrat.

Mondale's name was scratched out before the text was given to newsmen. When Taft reached that part of his speech he referred to the "fine Minnesota Republicans" worthy of reelection.

WEATHER

FEDERAL FORECAST
WINONA AND VICINITY — Clearing and colder tonight. Mostly fair and cold Thursday. Winds slowly diminishing. Low tonight 8 below to 18 below, high Thursday five above.

LOCAL WEATHER
Official observations for the 24 hours ending at 12 m. today: Maximum, 13; minimum, -5; snow, 13; precipitation, 1/2 inch snow.

City Rebuilding Plan Offered By President

WASHINGTON (AP) — President Johnson proposed today a \$2.3-billion, six-year federal aid program for rebuilding selected American cities "on an unprecedented scale."

The President, in his message to Congress on the cities, outlined a vast program for rebuilding center cities, reorganizing and governing metropolitan areas and building new towns outside existing metropolitan areas to provide for the nation's fast-growing population.

In his demonstration program, available to any U.S. city, Johnson proposed:

"That we make massive additions to the supply of low- and moderate-cost housing."
"That we combine physical reconstruction and rehabilitation with effective social programs throughout the rebuilding process."
"That we achieve new flexibility in administrative procedures."

"That we focus all the techniques and talent within our society on the crisis of the American city."

Johnson said "there are few cities and towns in America which could not participate in the demonstration cities program. We shall take special care to see that urban communities of all sizes are included. The impact of the program will be significant, involving as much as 15 or 20 per cent of the existing substandard structures."

Proposals for federal aid in creating whole new towns were made twice before but failed to win congressional approval.

In his State of the Union message, Johnson hinted at plans for massive pilot projects in rebuilding center cities.

"In some of our urban areas, we must help rebuild entire sections and neighborhoods containing, in some cases, as many as 100,000 people. Working together, private enterprise and government must press forward with the task of providing homes and shops, parks and hospitals, and all the other necessary parts of a flourishing community where our people can come to live the good life," he said.

Senate Split On Bombings

By JACK BELL

WASHINGTON (AP) — The Senate is widely divided on the issue of whether President Johnson should order a resumption of the bombing of North Viet Nam targets in the absence of any Communist peace feelers.

Of 50 senators willing to take a position in an Associated Press survey, 25 said they are against renewing air strikes at this point. Twenty-five said they favor resumption of bombing, most of them contending such action is inevitable.

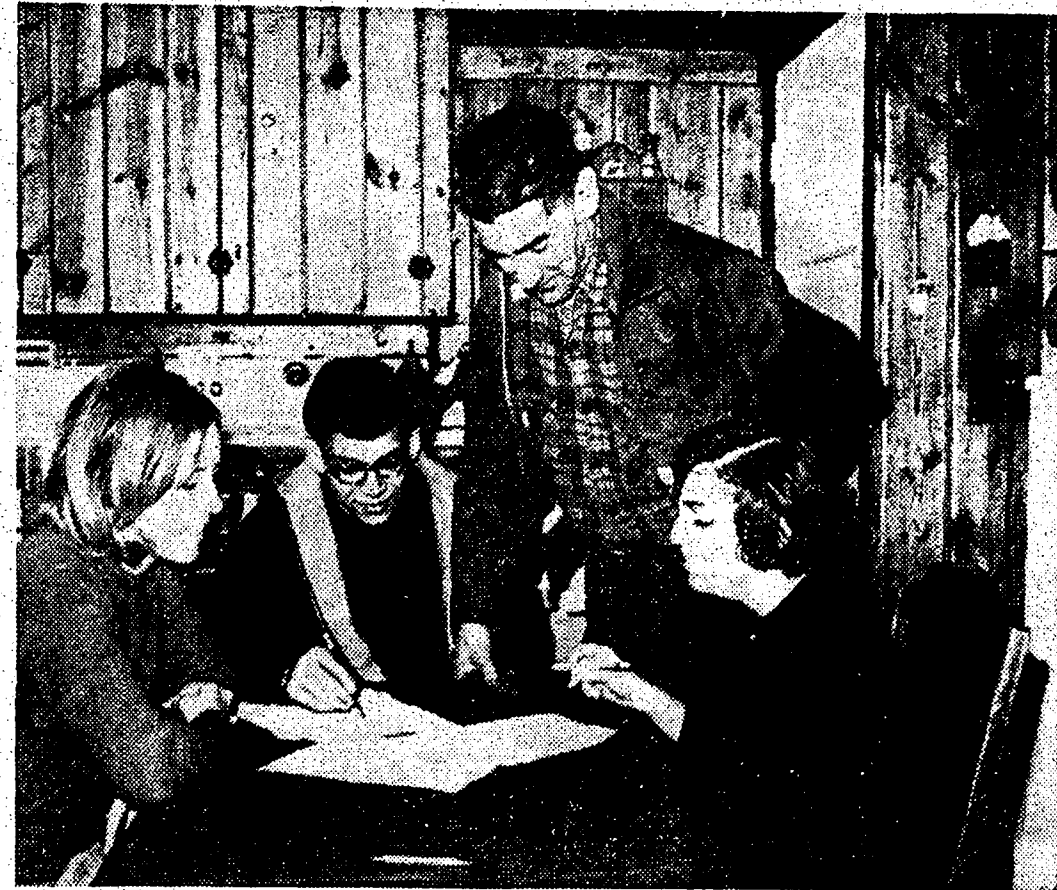

If the bombings are revived, however, only 18 think they should be expanded to include industrial and military targets in the areas of Hanoi, the North Vietnamese capital, and Haiphong, its chief port.

Hearing Called On DST Bill

WASHINGTON (AP) — The House Commerce Committee will hold a hearing Feb. 1 on a bill to require all areas using Daylight Saving Time to shift to the last Sunday of April and return to Standard Time the last Sunday of October.

"This is the first major issue the Commerce Committee will consider in this session of Congress," said Rep. Donald M. Fraser, D-Minn., the bill's sponsor.

He said the bill would provide for uniformity of DST without requiring any area to use "fast time."

WELCOMED BACK... Miss Jill Hunt, 22, of Kewanee, Ill., (left) and Miss Judy Rothman, 20, University City, Mo., whose expulsion from the Red Cliff Indian reservation in Wisconsin last month created tribal controversy, are welcomed back by Richard Bear, seated, and tribal council chairman Henry Daley at Volunteers In Service To America (VISTA) officials in Washington agreed to return girls to conduct program on reservation. The two reached Red Cliff during the weekend. (AP Photofax)

LBJ Calls in Leaders

Early Resumption Of Bombing Likely

By JOHN M. HIGHTOWER

WASHINGTON (AP) — President Johnson is expected soon to order renewal of bombing attacks on Communist North Viet Nam.

This expectation is widely shared among administration and congressional authorities although the White House position is that the President has not made a final decision on his next step.

Press secretary Bill D. Moyers said today that Johnson is still "weighing all the factors involved in our position in Southeast Asia and is assessing and evaluating those factors."

Among such factors is the following view known to be held

by some of his advisers:

In spite of the military cost involved, a prolonged bombing suspension or even a decision not to resume bombing at all would be justified by the diplomatic interest involved.

It would, according to this view, retain maximum goodwill in foreign countries and minimize prospects of increasing tensions between the United States and the Soviet Union.

Nevertheless the President,

\$415 Million More Asked for Foreign Aid

WASHINGTON (AP) — Secretary of State Dean Rusk asked Congress today for an emergency \$415-million foreign aid supplement, mostly for Viet Nam, and said "there is no alternative — except defeat and surrender — to meeting force with force."

The bulk of the money he requested would go into the civilian backup of the military effort in hot spots.

Rusk told the House Foreign Affairs Committee funds appropriated for the current fiscal

Corruption Charged

WASHINGTON (AP) — Secretary of State Dean Rusk seeking more foreign aid funds from Congress for South Viet Nam, ran into charges today that corruption and black market operations are draining off much U.S. aid.

"I'm reluctant to vote for this," said Rep. Wayne L. Hays, D-Ohio, "I think most of the aid we are sending out there is being stolen."

Hays said the wife of an American civilian worker in South Viet Nam sent \$36,000 in money orders back to the United States in six months.

year ending June 30 are not enough to meet the need "in a few key danger areas of the world."

Of the \$415-million total, \$275 million would go to South Viet Nam, Rusk said, with smaller amounts for Thailand, Laos, and the Dominican Republic. And he asked \$100 million to replenish the aid contingency fund, which is exhausted.

Rusk told the committee that none of the "vigorous and far-reaching peace probes" of the United States in the past month "has brought a positive or encouraging response from Hanoi."

Seventh Fleet Destroyers Shell Target

SAIGON, South Viet Nam (AP) — U.S. warplanes flew more than 400 combat missions against suspected Red targets in South Viet Nam today and three U.S. 7th Fleet destroyers unloaded a coastal barrage of 729 heavy shells in a massive display of American firepower.

A U.S. spokesman said hundreds of huts and small buildings were hit in the bombardment of Viet Cong concentrations and supply camps, but the suspension of American air attacks against the Communist North continued into the 34th day.

U.S. Air Force and Navy planes, including the eight-engine B52 Stratofortresses from Guam, took part in the all-out assault.

On the ground, U.S. and other Allied troops extended their post-truce offensive but failed to prod the Viet Cong or North Vietnamese regulars out of their jungle hideaways.

Although long columns slogged through the forests and rice paddies, military spokesmen reported no major encounter with the enemy or any sign of the whereabouts of the North Vietnamese troops in the central highlands.

U.S. Marines fanned out of their big base at Da Nang, 380 miles northeast of Saigon, on 300 patrols in the last 24 hours, but mostly met only an occasional gunshot, mine or booby trap. They were seeking the Viet Cong mortar crews who lobbed 42 shells into the base Tuesday, killing three Americans and two Vietnamese.

One patrol came across an unknown number of Viet Cong shortly after midnight and a moderately heavy firefight ensued. One Viet Cong was killed, a spokesman said, and Marine casualties were moderate.

The multipronged Allied offensive began with the end of the 3 1/2-day Allied cease-fire Sunday night. The U.S. Command reported today that the true brought a sharp decline in U.S. combat deaths last week but the number of Americans wounded went down only slightly.

Twenty-two Americans were killed and 193 wounded compared with 52 killed and 237 wounded in the previous week, a U.S. spokesman said. One American was reported missing in action or captured compared with three in the seven-day period that ended Jan. 15.

The number of South Vietnamese killed remained about the same while the number reported missing rose sharply. A government spokesman said there were 209 combat deaths compared with 193 in the previous week and 185 missing compared with 78. Vietnamese wounded are not announced.

Communist losses were put at 408 killed and 56 captured compared with 714 killed and 221 captured the previous week.

Although the government spokesman gave no explanation for the rise in the number of missing, the figure usually climbs during the Tet celebration when many troops take off to spend the holidays at home.

New U.S. Spy Plane Crashes

ROY, N.M. (AP) — The military clamped a tight security cover around a northeast New Mexico ranching area today after the flaming crash of a 2,000-mile per hour American spy plane.

One test pilot was killed and another injured slightly when the black SR71 spiraled to earth near the Texas border Tuesday. Both men parachuted out of the burning jet. One was found dead by ranch workers.

A spokesman at Edward Air Force Base, Calif., said the SR71 was on a routine long-range test flight. The spokesman said that it was the first reported accident for the new surveillance craft capable of scanning 60,000 square miles of earth from an altitude of 80,000 feet.

The Lockheed Aircraft Corp., which builds the secret craft, identified the dead pilot as James T. Zwayer of Lancaster,

Calif. The injured man, Bill Weaver, 37, of Northridge, Calif., was not believed seriously hurt.

A rancher who carried Weaver by helicopter to a hospital quoted him as saying he didn't know what happened to the plane.

"Everything was going fine and suddenly—whoo!" Albert Mitchell Jr. quoted Weaver as saying.

Mitchell and several other eyewitnesses said they heard explosions before the plane began a long fall to earth, trailing smoke.

The SR71, slightly heavier and longer model of the YF12A built by Lockheed, went into service Jan. 7.

The plane, intended as a successor to the slower U2 reconnaissance craft, normally carries two persons and has some armament. It does not carry nuclear weapons.

Storm Sweeps North Carolina

By THE ASSOCIATED PRESS

The third and worst snow within 11 days overspread North Carolina today as wintry weather continued through most of the nation.

A belt of snow mixed with sleet and freezing rain swept across northern Georgia and central South Carolina and cold rain fell in Florida. Gale and small-craft warnings went up south of Savannah, Ga., and along Florida's western coast.

In North Carolina, snow harried drivers and forced many schools to close. Late Tuesday afternoon, 2 inches fell at Pope Air Force Base and by midnight, snow was falling over most of the state. A total of 4 inches was predicted before the

snow was to end tonight. In the evening, Aberdeen, N.C., reported 3 inches and Raleigh, Waynesboro and Fayetteville 2 inches.

South Carolina was doused with snow mixed with sleet and freezing rain. Schools closed and low temperatures kept roads treacherous. Similar conditions prevailed in northern Georgia, where roads were reported icy.

Before the cold rain reached Florida, Fort Myers had reported a springlike high of 80.

The snow which had crippled traffic and closed schools in Arkansas, Kentucky and Tennessee moved on, but the effects remained. Schools in 18 Kentucky counties stayed closed, rural roads remained slick and more snow was predicted. Temperatures in Tennessee remained under freezing and schools in 38 counties were deserted.

Subzero cold again gripped parts of the Great Plains, the Great Lakes region and New England, and zero readings were common as far south as Kansas.

Youth Held In N.Y. Fire

YONKERS, N.Y. (AP) — A youth sought in connection with the setting of a fire that killed 12 persons in a Jewish community center is in custody, Westchester Dist. Atty. Leonard Rubinfeld said today.

Rubinfeld would say only that Thomas Ruppert, 17, a high school student who worked part-time at the center under the city's antipoverty program, was "in custody of the Family Court of Westchester."

Nine children and three adults died last Dec. 20 in the blaze.

2 Men Injured In Derailment

WAUSAU, Wis. (AP) — Two men were injured in a freight train derailment near Wausau Tuesday.

Fourteen cars left the tracks near the rear of the 73-car Chicago & North Western Railway train.

FUN TO WIGGLE... Actress Ann-Margret joins the controversy of why women wiggle by saying, "I've never been conscious of how I walk from the waist down," and added, "I would never walk like a man. What fun would there be in that?" Question arose when Dr. Louis Paradies told a medical meeting in Chicago that there is no physiological reason for a woman to wiggle while walking. (AP Photofax)

Dominican Army Still Bucks Bosch

SANTO DOMINGO, Dominican Republic (AP) — If the Dominican Republic's top military men go abroad, their departure is not expected to lessen the army's opposition to ex-President Juan Bosch and his Dominican Revolutionary party.

In a move to lessen tensions, provisional President Hector Garcia-Godoy ordered top armed forces and rebel officers to diplomatic posts abroad Jan. 6.

The rebel chiefs, headed by Col. Francisco Caamano Deno, left Jan. 22. The Supreme Armed Forces Council began a series of meetings Monday to decide whether it, too, would comply.

The general expectation is that it will, probably by early next week. Three of the army's four top officers are affected by the order, including the armed forces minister, Commodore Francisco Rivera Caminero.

Rivera Caminero and the man named to succeed him, the navy chief of staff, Commodore Emilio Jimenez, conferred with Garcia-Godoy for 90 minutes Tuesday.

The two officers met later with Ambassador Ellsworth Bunker, the U.S. member of the Organization of American States political committee which negotiated an end to the rebellion.

The meetings indicated the military leaders are under heavy pressure to accept Garcia-Godoy's order.

Exam Copies Sell for \$40

MIAMI, Fla. (AP) — The University of Miami freshman class, now enjoying a semester break, may have to take final exams over because someone swiped a copy of the answers. The school said Tuesday that a professor's office was broken into, copies of exams stolen and then sold for as much as \$40 each.

One spokesman said it was impossible to determine how many students got the answers. Students reported the exams were for courses in natural science, social science and humanities — all required freshman courses.

Teacher Exams Set at St. Teresa

The College of Saint Teresa has been designated as a test center for administering the National Teacher Examinations March 19, Sister Romana, chairman of the Department of education, announced.

College seniors preparing to teach and teachers applying for positions in school systems which encourage or require applicants to submit their scores on the National Teacher examinations along with their other credentials are eligible to take the tests. The examinations are prepared and administered by Educational Testing Service, Princeton, N.J.

The designation of the College of Saint Teresa as a test center for these examinations will give prospective teachers in this area an opportunity to compare their performance on the examinations with candidates throughout the country who take the tests, Sister Romana said.

At the one-day test session, a candidate may take the Common Examinations, which include tests in professional education and general education, and one of the 13 teaching area examinations.

Registration forms for the March 19 test must reach the Princeton office no later than Feb. 18.

Urban Renewal Not Regarded As Panacea

Urban renewal is no instant panacea for all business ills, but it is a logical sequence of activities that, if carried out at a steady rate, can shoot new life back into a troubled business core of a city willing to undertake changes.

So said William Chapman of Nason, Law, Wehrmann & Knight, Minneapolis, city planning firm which prepared the urban renewal plans for Winona. Chapman spoke Tuesday night to about 60 Jaycees and guests at the Athletic Club.

WINONA HAS a good location, he said, but the business core is in trouble because patterns of business have changed since that area was built.

For instance, retail space needs have increased up to 10 times since 1900. Changing highway routes have diverted enough traffic away from the downtown or near-downtown area to cause additional problems, he pointed out. Absentee ownership of buildings in the business core does not keep buildings as updated as they should be, Chapman added.

Urban renewal does two things. It offers the opportunity to develop a local plan and gain the necessary authority to buy property on the open market or condemn it if the property won't be sold, and makes available some federal financial assistance, the planner outlined.

Planning, if done properly, will hold the central area of the downtown community as a strong core for business, retail sales, government, recreation buildings or areas and professional practices.

THE CORE must remain strong because of the substantial tax potential of the area, the number of people employed within the core who can form a large part of the tax-paying load, and simply because people congregate in areas for convenience, Chapman said.

But a renewal plan isn't a cold-blooded sweep through the heart of a city, he added. The total plan is made from smaller, comprehensive plans, the general attitude of the community, the people, the organizations, thoughts and existing conditions.

Teachers Discuss Program for State Legislature

Fortcoming legislative programs affecting education in the state were principal topics for discussion at the monthly meeting of the Winona Education Association Tuesday at Central High School.

The speaker was A. L. Gallop, St. Paul, executive secretary of the Minnesota Education Association, who noted that "teachers are becoming more aware of their political responsibilities and should become more so."

HOLDING THAT "educational problems for too long have not been in the forefront," Gallop asserted that "education is one great, if not the greatest, dynamic force that is moving and has moved this country. It is time for the teaching profession to be out in front supporting every effort to further this cause."

Future legislation touched on by Gallop included the areas of professional practices with adequate machinery for control; teachers' rights and responsibilities to the school board and administration in representing themselves and their educational interests; teacher retirement and teacher tenure.

The speaker urged teachers to move ahead, become active in promoting better overall welfare of the profession and education in general.

JOHN DUEL, instructor at Central Junior High School and president of the WEA, presided at the meeting. The program was arranged by the legislative committee headed by Miss Verna Tansey, a member of the Senior High School faculty.

In the area of teacher tenure, discussion was centered for the most part on a Minnesota Education Association recommendation for a strengthening of teacher tenure provisions that would provide, among other things, for a more definite statement of a cause of action in proceedings for teacher dismissal.

During consideration of professional practices, the entire process of teacher certification was reviewed. Provisions which would work toward the retention of good teachers in the school system and the general upgrading of the profession are being sought.

PROBLEMS? . . . Barry Nelson, left, city alderman-at-large, asks further explanation of Winona's urban renewal from William Chapman, city planner from Nason, Law, Wehrmann & Knight, Minneapolis, who explained needed renewal and its problems to Winona Jaycees Tuesday night.

Laufenburger New Fire Chief

Ervin R. Laufenburger, 1116 Gilmore Ave., became Winona fire chief Tuesday afternoon after a unanimous vote of the Board of Fire and Police Commissioners meeting at City Hall.

Laufenburger was selected from among three applicants on the present department officer's staff after a brief discussion among the commissioners.

HIS PROMOTION to chief, from the post of assistant chief which he has held since July 1, 1959, was made immediately effective. He had served as acting chief of the department since retired Chief John L. Steadman went on sick leave Oct. 31. Chief Steadman resigned Dec. 31. Laufenburger joined the department in 1942.

In other action, the commissioners approved requests by Police Chief James W. McCabe for authority to advertise for purchase of a car for the juvenile division, purchase of an additional walkie-talkie and to make the police radio available temporarily for use by the newly organized College of Saint Teresa campus police.

The board decided not to allow Chief McCabe to sell an old motorcycle radio unit to Goodview until it has been learned whether some other city department might have use for it. The unit is valued at about \$250, Chief McCabe said.

CHIEF Laufenburger told the board that the new pumper rig ordered last year should be delivered in about a month. The rig was going to the paint shop at the Peter Pirsch plant in Kenosha, Wis., on Monday, according to a letter presented by Chief Laufenburger, and must then be tested.

The commissioners voted to send former Chief Steadman to Kenosha (at the expense of the Pirsch company) as the city's representative during the tests.

The three applicants for the fire chief's post were Laufenburger, Fire Marshal Cleo Keiper and Captain LeMar W. Steber. In addition, Captain Theodore Jerecek applied for the potential vacancy in one assistant chief's post.

After briefly discussing the three men applying for the chief's job, the commissioners realized they were unanimous in considering Laufenburger

WSC Nursing Gets Preliminary Accreditation

The National League of Nursing has given "reasonable assurance" of its accreditation of the Winona State College school of nursing, Dr. Nels Minne, college president, said today.

It is not the practice of the league to consider actual accreditation of a school until a class has been graduated; Winona State will graduate its first class in June 1960.

Such reasonable assurance, however, opens some doors. For example, the school's students immediately become eligible for the nursing student loan program under the Nurses Training Act of 1964. A student may borrow up to \$1,000 a year and have 10 percent of it forgiven for each year she practices her profession, up to a maximum of five years. This is the same program available to those training for teaching.

Mrs. Rosalie Burton heads the department of nursing. The staff now includes three; it will be expanded to five in the fall of 1960.

The sophomore class numbers 20, the freshman class 35.

CLASSES IN LA CRESCENT

LA CRESCENT, Minn. (Special) — The first meeting of the evening courses in typewriting and office procedure will be held Thursday at 7 p.m. in Rooms 25 and 26 in La Crescent Public High School. Entry should be made through the front door. The classes will run for 10 weeks. Mrs. Earl Seaton is instructor.

their choice. Commissioner Harold S. Streater moved that Laufenburger get the appointment, and Commissioner Rudy Edel seconded the motion.

THE BOARD decided that it would take applications for Chief Laufenburger's old post of assistant chief at its February meeting. After interviewing applicants for this post, they would ask the new chief's recommendation, the commissioners told Laufenburger.

Applicants for the assistant chief's post must be of the rank of captain in the department, the commissioners decided. The resulting vacancy in captain's ranks would be filled from a previously established list of candidates, it was agreed. Chief McCabe won the board's approval of his request to send the three recently hired patrolmen to a two-week police school to be conducted in Rochester Feb. 7 through 18. Approximate cost to the city would be \$150 for all three men, the chief said.

The board also approved sending of Detective Captain Marlowe L. Brown and Policewoman Carol A. Altbelt to a seminar on juveniles to be held Feb. 2 through 4 at the Minnesota Highway Patrol training school in Arden Hills. The entrance fee for this seminar is \$15, and the living costs of the two will be low, Chief McCabe said.

THE WALKIE-TALKIE requested by Chief McCabe will cost about \$550, he said. He was also authorized to purchase two fire extinguishers at \$35 apiece. The two extinguishers are needed at the police station, said McCabe, because of a request made by Fire Marshal Keiper after an inspection of the station.

Commissioner Streater said that he had tested out motorist's observance of pedestrian safety laws recently and found that he is lucky to be still in good health. For one thing, he said, all his agility was needed to dodge the motorists who refused to yield the right of way to him in crosswalks.

He and other commissioners again urged Chief McCabe to sternly enforce the laws protecting pedestrians. The chief noted that citizens are frequently unwilling to testify in court against motorists who violate the pedestrian law. In that situation, his hands are tied, the chief said.

THE BOARD approved the request of Captain Jerecek of the fire department to take his vacation in March. Chief Laufenburger said that this would actually relieve some of the pressure on the summer vacation schedule.

The board approved fire department bills of \$2,052.81 and police department bills of \$1,235.86, plus \$60 in overtime.

COCHRAN FLOOD HEARING . . . Present at the Cochran, Wis., flood hearing, were from left, Lt. Col. Leslie Harding, U.S. Army Engineers; Judge Gary B. Schlosstein, who presented plans for flood control, and

Gale-Etrick Gets Federal Reading Project

GALESVILLE, Wis. (Special) — Superintendent Robert Howard said Gale-Etrick School has received approval of a reading improvement project beginning the second semester.

It will be financed by federal funds under the Elementary and Secondary Education Act of 1965, Title I. Total cost is approximately \$21,737, all of which will be paid by federal funds. The project will have to be resubmitted for the next school year.

Howard said that the project has been authorized in three centers: Galesville and Etrick Elementary schools in grades 3 to 8 and at the high school. Students participating will be selected according to need for improvement in reading.

Two teachers, Mrs. Russell Grant and Mrs. Kenneth Dragan will conduct the classes at the three centers. They have had special training in the teaching of reading. A part-time secretary also will be employed. The project grant includes new equipment, teaching aids, student materials and salaries. Small groups of about six each will be instructed during the class periods so individual help may be given.

The project aims to strengthen the total reading program, by aid to slow readers; to improve the students' power of comprehension, and install a desire for more reading and better literature. Special teaching machines, reading laboratories and reading materials will be used.

The program will be evaluated, Howard said, through a diagnostic testing program to be administered before and after. The same project will be continued next year.

Man Fined \$70 On Two Counts

Charles M. Stock, 32, 220 W. 2nd St., pleaded guilty today in municipal court to two petty larceny charges and was attempting at noon to raise money to pay a total of \$70 in fines.

Stock admitted taking an amount of cash between \$25 and \$100 from Sol Wasserman, 255 E. Broadway, Jan. 16; and he also admitted taking \$65 in cash from Mrs. Barbara Hicks, 606 E. Howard St., on Dec. 2.

The latter charge merely accused Stock of taking the money with intent to pay it back, but the complaint notes that Stock has been unable to do so. Judge John D. McGill ordered Stock to pay a \$35 fine on each charge or to serve 10 days in county jail on each. Stock was in county jail today attempting to raise money for his fines as the alternative to a 20-day term.

Downtown Model In Store Window

A scale model of downtown Winona as it might look after renewal is on display this week in a show window of H. Choate & Co.

The model is owned by the Housing and Redevelopment Authority of Winona. It is constructed to show the features of the downtown renewal plan presented to and approved by the authority.

It has been on display for three weeks at Northern States Power Co. offices downtown. The model will also be shown at the three city banks and in other public places, authority officials said.

Wabasha Makes Various Proposals on Flood Plan

WABASHA, Minn. (Special) — Suggestions for controlling such floods as the Mississippi River flood that inundated one-third of the City of Wabasha and isolated it for 10 days last April were presented by Mayor Ray Young at the U. S. Army Engineers hearing here Tuesday. Some 100 attended the hearing at the high school here.

MAYOR YOUNG'S points were these:

- Study the old Zumbro River channel with a view of protecting homes in the adjacent area from its fast-flowing flood-time waters.

- Protection at the river front from Municipal Harbor to Lawrence Boulevard, including relocation of sewer trunk lines.

- Raising Lawrence Boulevard at the eastern extremity

to Martha Street and study of seepage factors, with a view to pumping out the area. The mayor recommended study of the practicability of such a project.

- Permanent icebreakers at Reads Landing.

- More bridges on Wisconsin Highway 25, the dike road from the interstate bridge to Nelson.

- Rechanneling the Chippewa River to eliminate siltation at Wabasha.

- Reopening the backwater channels along the river.

ROBERT PASSE, current civil defense director, recommended the building of three dikes and placing two floodgates on the old Zumbro River channel. James Arnoldy of St. Elizabeth's Hospital made the same recommendations.

Francis Greenheck, residing

on the flooded Lawrence Boulevard, suggested raising American bridge on Highway 61 downriver from Wabasha, building a dike in the area, and putting a lock under the railroad bridge.

Peter Hansen of Hansen's Harbor upriver from Lake City asked Lt. Col. Leslie Harding, presiding, if a dam couldn't be built on the Minnesota River at Fort Snelling to prevent serious flooding on the Mississippi River from Minneapolis to St. Louis.

Col. Harding said the Corps of Engineers tentatively has selected 15 reservoir sites in the Minnesota River watershed for this purpose. First two in the project would be reservoirs on the Blue Earth River near Mankato and on the Minnesota River at New Ulm.

In answer to a question Col. Harding said that opening the dams in winter would have no beneficial effect.

QUESTION about the possibility of flooding next spring, Col. Harding said the stream flow in the river now is 50 percent greater than last year at this time. "The water level in high but it is still too early to make a prognosis about flooding this year."

"Flooding depends on the amount of snowfall during March and the rate at which it melts in the spring breakup."

He said if it appears in March that there is flood potential, the corps will make a survey of the area. It isn't authorized to provide emergency construction.

Wabasha was allotted \$13,000 for a flood protection study by the Rivers and Harbors Act passed in October. An additional \$25,000 for study has been placed in the President's current budget.

MAYOR YOUNG credited the dike at the small boat harbor and the towboat, Ann King, which pushed away at the Lake Pepin ice daily until it broke up, with saving the city.

Nevertheless, he said 75 homes and 15 business places were flooded.

He listed flood claims at \$49,736. Damage to public utilities was \$26,256; dikes cost \$20,717; streets and roads damage, \$950; health and sanitation, \$915, and debris clearance, \$897.

Col. Harding said flood control is achieved by channel improvement; reservoir storage, and flood walls and levees.

Messages were read from Rep. Albert Quie; by Jerry Kuehn, area supervisor representing Wayne Olson, state commissioner of conservation, and J. G. Dill, whose coal piles, furnishing the only fuel of this kind in Wabasha, were flooded, as were his home and elevator area.

OTHER SPEAKERS or representatives were Ralph Lampton, St. Paul, U.S. Geological Survey; Dr. Robert N. Barr, state Department of Health; B. J. Pinsonneault, county engineer; Matt Metz, county agent, who discussed destruction by the flood to agricultural land, livestock, buildings and fences, and described the lateness of the planting season caused by the flood, and Dan Foley, special civil defense director during the flood, who said, "Only a favorable wind saved Wabasha from Lake Pepin ice." He referred to the northwesterly wind that drove a large chunk of ice into the river bank above Wabasha, breaking it up before it reached the city.

A STATEMENT was read from Northwestern Bell Telephone Co. about the 65 phones out of service during the flood and the 10 men assigned to the area.

Charles Burrill, Rochester, district engineer with the state Department of Highways, was present as an observer. Gilbert Graner was mayor when the flood began, declaring a state of emergency April 15. Young succeeded him April 20.

WINONA DAILY NEWS 3

Horse Meat Case Involves Six Indictments

ALMA CENTER, Wis. — Two Wisconsin men are among six who face arraignment on indictments charging shipments of large amounts of uninspected horse meat.

Two more indictments were filed Tuesday as the result of a 14-month investigation by the office of U.S. Attorney Robert M. Morgenthau and the inspector general of the U.S. Department of Agriculture, Washington, D.C.

ORLAND "Buster" Lea, 53, Alma Center, secretary-treasurer of Lea Bros. Corp. and the La Crosse Rendering Corp., both of Alma Center, was among four indicted in May.

Indicted Tuesday was Thomas C. Barr, 49, Cameron, Wis., owner of the Tom Barr Meat Ranch there, and Robert Dvorin, 51, Elizabeth, N.J., president of Eastern Packing Co., Linden, N.J., a horse slaughtering plant.

Indicted at the same time as Buster Lea were Robert P. Wilson, 50, Uniondale, N.Y., a suspended inspector; Charles Anselmo, 39, Dobbs Ferry, N.Y., a meat broker, and Ralph Gasparello, 45, Hingham, Mass., former president of the New England Packing Co. in Boston, a defunct pet food company.

Barr, Gasparello and Lea were charged with transporting uninspected shipments from Wisconsin to New York in 1964.

Lea and Anselmo were charged with moving uninspected meat from Wisconsin to New York and then to Boston. Anselmo also was accused of forging official meat labels.

Most of the meat came from Barr, Morgenthau said.

MORGENTHAU said the federal charges involved nine 40,000-pound shipments, most of which wound up at the now defunct Merkel Co. in Jamaica, Queens, N.Y.

Lea and his brother raise milk and strawberries at Alma Center, which has been known as the strawberry capital of Wisconsin. They own the Whitehall rendering plant.

Beatty to Take Case to State Supreme Court

Attorney Martin A. Beatty filed a notice of appeal Tuesday of the judgment rendered in District Court last fall on his suit against the city, several of its subsidiary boards and individual members of city government.

The attorney merely filed a document with District Court Clerk Joseph C. Page indicating his intention to take an appeal of the judgment dismissing his suit to the state Supreme Court. The notice of appeal does not set forth his grounds for asking that the judgment be reversed.

Beatty said Tuesday that he must go about "perfecting" his appeal before it actually comes before the Supreme Court. This means that he must satisfy the procedural requirements laid down in the law for making an appeal.

These requirements, for instance, include the posting of a cash bond of \$250, which Beatty did Tuesday also.

When the appeal has been perfected, and a transcript of the proceedings in District Court has been agreed upon between the two sides, the case will be called at the next term of the Supreme Court and a date set for the hearing, according to Beatty.

(Beatty said that he is not sure when the next term of the Supreme Court begins.)

The process is lengthy, and it is likely to be many months before the case is actually heard.

MADISON SILOS

It Happened Last Night

Tony Bennett in N.Y. Traffic Jam

By EARL WILSON

NEW YORK — Tony Bennett, the singers' singer, the pros' pro, caused a traffic jam around Jules Podell's Copacabana the other night and the next morning reminiscent of the wildest nights of the Frank Sinatra Hysteria.

Some cab drivers declined to drive into that mad maelstrom. Cops were around stopping fights, or starting them.

Wearing a new tailor-made mop of curls for this special occasion, Tony got a huge laugh at the midnight show when he saluted Marty Allen of the famous bushy mane by saying: "Lend me your hair, will you?"

This made Marty so mad, he'll probably be back again. It was all special tribute to Tony... trumpeter Bobby Hackett seemed to appear as if by surprise... Jack Cassidy, Lauren Bacall, Jason Robards, the Henry Fondas, Lisa Kirk, leaping to their feet for the standing ovation... Mimi Hines, swathed in mink, tilting her teeth at him... "Diamond Danny" Stradella grabbing a tab for 47 guests occupying three large (and one small) tables. Jules Podell, the usually restrained proprietor, broke into a definite temporary grin.

TONY, NOW in the movie actor set ("The Oscar"), stopped his dinner show to shake hands with Jolly Joe Levine who explained: "I picked up his option today."

There was room for Ronnie Martin to tell jokes and for the chorus girls to dance, and it was sort of appropriate that one of the girls tripped and fell right on her bosom.

Jackie Gleason'll be 50 on Feb. 26. His friends are trying to decide whether to celebrate it — or ignore it... Billy Rose's condition is improving... Investors shouldn't worry about our Fearless Forecast of a 50-point Stock Market drop. That'd be a "normal readjustment" even if it should go to 100 pts. (which it might)... Our astrologer Taurus the Bull who's so hot on the Continent says Scorpio girls (Oct. 23 to Nov. 22) stand their best chance of rosin' a husband Feb. 6 to Feb. 24. ARF!

TODAY'S BEST LAUGH: Bobby Vinton suspects a recent marriage won't last. As they were eloping, the couple argued over who'd go down the ladder first.

WISH I'D SAID THAT: In to

day's jargon, the local no-good isn't a bum any more — he's merely "a fellow who isn't achieving his potential."

Quote.
EARL'S PEARLS: One disappointed student not only got poor grades but sat on the wrong side of the room during the toothpaste test.
Stripper Hope Diamond has a birthday coming up, and a friend asks: "What can you get for a girl who takes off everything?" That's earl, brother.

Child Dead in Wisconsin Fire

LUXEMBURG, Wis. (AP) — A fire that may have smoldered in seclusion for hours erupted to engulf a supper club Tuesday night, killing a small child.

The boy, Thomas Mathu, had celebrated his sixth birthday anniversary a day earlier.

The blaze destroyed the Club 163 on the main street of this Kewaunee County community with damage estimated at \$40,000.

The boy's body was found in an upstairs bedroom two hours after the fire broke out in the living quarters of Mr. and Mrs. Gerald Mathu, owners of the club.

Luxemburg Fire Chief John Peet was among the persons attending a stockholders meeting of the Farmers Trading Co. operative in the main hall of the club when the victim's elder brother raced downstairs with the alarm.

"I tried to get upstairs to get the other boy," Peet said, "but I couldn't. The smoke was just rolling out."

The fire chief said the child apparently died of smoke inhalation.

Borrow to Build New Highways, Knowles Urges

MILWAUKEE (AP) — Borrowing money to build highways will save money, Gov. Warren P. Knowles said Tuesday.

Knowles called for support for a highway bonding program and blasted its opponents, the Wisconsin Petroleum Council and the state chapter of the American Automobile Association.

The Republican governor said construction costs were rising at a rate higher than the interest rate charged on loans.

As a result, he said, money would be saved by building highways now and paying off bonds in 1970 as compared to waiting until then to build the roads with available funds when construction costs would be higher.

The 1965 Legislature rejected Knowles' proposal to borrow money through bonds, but the governor said 17 other states approved similar programs.

Knowles charged the Petroleum Council as "cutting off its nose to spite its face" in opposing a construction program to aid highway travel that would probably boost gasoline sales. He said the bonding program would be the only way to delay an increase in the state gasoline tax.

Chatfield to Host Canton Brown Swiss Meeting

PRESTON, Minn. (Special) — Officers will be elected and a site chosen for the 1966 Canton Brown Swiss show at the Brown Swiss Breeders Association of Fillmore County annual program planning meeting Thursday at Chatfield.

Meeting begins at 11:45 a.m. with a dinner at Ella's Cafe, according to Robert Olson, Canton secretary.

Jerome Frank will preside at the 1 p.m. business meeting at the cafe.

Ronald Johnson, national Brown Swiss fieldman, will be the main speaker. Mr. and Mrs. Alvie Lind, Houston, will show slides and displays gathered on their recent trip to Norway.

La Crosse Man's Death Accidental
LA CROSSE, Wis. (AP) — A coroner's jury returned a verdict of accidental death Tuesday in the fatal injury of Roland D. Thorson, 24.

Thorson was involved in a fight outside a La Crosse tavern Dec. 17, authorities said, and died Dec. 30. Death was attributed to a two-inch sliver of wood which speared through his eye socket and penetrated the head, but investigators were unable to ascertain how or when the injury was suffered.

Man With Drill Is Electrocuted
DULUTH, Minn. (AP) — Theodore Budney, 43, Duluth, died of an electric charge Tuesday while operating a small power drill in the basement of his home.

Dr. Cyril Smith, coroner, said Budney was furnishing a skillet with a wire brush attachment. The body was found by Budney's 9-year-old daughter when she returned home from school. An autopsy showed Budney died of electrocution, Smith said.

Voice of the Outdoors

More Duck Waters

Two new vast waterfowl projects, involving the reclaiming of nearly 150,000 acres of once marsh or submarginal lands came up for considerable discussion this week at the regional Wildlife and Fish Service pow-wow in Minneapolis. Both projects are within the region's boundaries.

The largest project is the Garrison Diversion unit, authorized by the last session of Congress at the Garrison dam on the Missouri River, will add approximately 135,000 acres of top waterfowl production area to what was once North Dakota's best duck hunting region. It brings back Devils Lake, and the big Steele County district. The other project is the Bigstone-Whestone project in western Minnesota consisting of 10,000 acres.

The North Dakota area, along the east side of the Missouri has always been pretty dry, except in wet years. It was considered marginal agricultural area when we were in North Dakota 50 years ago. We were out there when the United Construction Co. built the dam and traveled over part of the area where the Bureau of Reclamation was expecting then to put the diversion project. More water would help it a lot. It would also be a vast storage reservoir in years of major Missouri River floods.

Hunting Questionnaires
Appeals for hunters in Minnesota and Iowa to complete their reports on their 1965 hunting successes, now that all major seasons are closed, have reached our desk in the past week. These reports are part of the hunting licenses or come with the license. In Iowa the questionnaire is mailed at this time to a list of selected hunters.

The information obtained from these surveys is very valuable to game biologists. It reveals the condition of game population in given areas as the hunters actually found last fall. It is a foundation information that can be used to govern stocking, establishing future seasons and habitat studies.

By getting out the questionnaire, filling it out and mailing it a hunter is giving the state game and fish men a helping hand. It gives them facts to work with, not a bunch of rumors.

By Jimmie Hatlo Man Hospitalized By Blowtorch Burns

MINNEAPOLIS (AP) — Salvador Rodriguez, 35, was hospitalized in critical condition today from burns he suffered in a fire in the basement of his home Tuesday.

Firemen said he had been thawing water pipes with a kerosene blowtorch and some of the fuel may have spilled.

ATTEND LEGAL MEETING
ALMA, Wis. (Special) — The new Wisconsin Supreme Court ruling protecting the constitutional rights of the individual against illegal arrest, search and seizure was discussed at a panel at the Wisconsin District Attorneys Association conference at Milwaukee last week.

Roger L. Hartman, Buffalo County district attorney, accompanied by Fred Glander Jr., Alma policeman, attended. Under the new ruling issuing of warrants for arrest has been taken away from district attorneys; they may be issued only by judges, court commissioners and other court officers.

Primary Election Set In Trempealeau Co.

WHITEHALL, Wis. (Special) — One primary election in Trempealeau County is indicated by the filings for the new County Board of Supervisors after the deadline Tuesday at 5 p.m. March 8 is fixed by law as the primary election date.

The primary will be in District 3, comprised of the towns of Albion and Chimney Rock and villages of Strum and Eleva, where six have filed for two seats.

Stanley Amundson, member of the current board from Ele-

va, was the last to file, just under deadline. Other incumbents residing in this district are Dr. L. R. Svoma, Strum, Russell Paulson, Chimney Rock, and Clifford Ulberg, Albion. Candidates are Herman Semington, Eleva Rt. 1, and Fred Williams, Strum.

The number of candidates will be reduced to four at the primary. The two receiving the highest number of votes at the spring election April 5 will represent the district on the new Trempealeau County Board of Supervisors, which is being re-

duced from 39 to 21 members. There are 34 candidates for the 21 positions. Seven of the 16 districts into which the county has been divided under reapportionment have candidates without opposition.

In addition to the District 3 candidates listed above, the following names will appear on the ballots, with one being elected from each except where two are indicated:

District 1, Osseo — Clarence Steffens and Ernest Vold, both incumbents.

District 2, towns of Sumner and Unity — Harley Alvestad, incumbent from Sumner, and Spencer R. Olson.

District 4, Town of Hale — Gordon Johnson, incumbent, and Carl E. Koepke.

District 5, Town of Pigeon and Village of Pigeon Falls — Thurman Fremstad, incumbent from Pigeon Falls, and Melvin Anaas, incumbent, Town of Pigeon.

District 6, Town of Lincoln and City of Whitehall — Odell Schansberg, incumbent, Town of Lincoln; J. O. Gilbertson and Burr Tarrant, incumbents, City of Whitehall, and Henry Sygulla Sr. (two to be elected).

District 7, Independence — Joseph Roskos and Lester Senty, both incumbents.

District 8, Town of Burnside and a portion of the Town of Arcadia — John C. Walek, incumbent, Burnside.

District 9, Town of Arcadia except the portion with Burnside — Donald Forsythe, incumbent.

District 10, City of Arcadia — LeVern Auer and William B. Micek, both incumbents (two to be elected).

District 11, Preston — Omar Austad, incumbent, and Edgar C. Nelson.

District 12, Blair — Ray Nereg, incumbent.

District 13, Town and Village of Ettrick and a portion of the Town of Gale — Irwin Hogden, incumbent, Town of Ettrick, and Arthur E. Runnestrand, incumbent, Village of Ettrick (two to be elected).

District 14, remainder of Gale — Lee Sacia, incumbent.

District 15, Galesville — John C. Quinn, incumbent from one of the Galesville wards.

District 16, Trempealeau Town and Village and towns of Dodge and Caledonia — Paul Lehman, Town of Trempealeau, Dave Brunkow, Village of Trempealeau, and Eugene F. Zabinski, Town of Dodge, all incumbents (two to be elected).

One Galesville Office Without Candidate April 5

GALESVILLE, Wis. — Only one office was left without a candidate when filings closed at Galesville Tuesday for the April 5 election.

Lester Nichols has been serving as alderman from the 3rd Ward since October, filling the unexpired term of the late Clarence Brown. Nichols didn't file. A blank will appear on the ballot. Howard Barentin is holdover in this ward.

All other filings were by incumbents. None has opposition. Candidates are:

Mayor — Ralph B. Myhre, Clerk, Miss Evelyn L. Larson, Treasurer, Mrs. Alma L. Quinn. First Ward Alderman, Arthur Zenke, with John Williamson as holdover. Second Ward alderman, Albert Brandtner, incumbent, with Henry B. Lovig as holdover. Assessor, Clarence R. Olson. Constable, Raymond E. Quall.

No Opposition For Alma Officers

ALMA, Wis. (Special) — A quiet election, city-side, is indicated by filings for Alma city officers with Clerk Louis Noll by the deadline Tuesday. All incumbents filed and none has opposition.

Candidates are: Alan Kirchner, mayor; Noll, clerk; Mrs. Alvin Kindschy, treasurer; Clem Breen, 1st Ward alderman; Robert L. Hartman, 2nd Ward

Two Candidates For Blair Mayor

BLAIR, Wis. (Special) — Two have filed for mayor of Blair to succeed Amos Kolve, who resigned the first of the year.

James Davis, president of the council who was appointed acting mayor, and James Berg, former alderman, filed for the top office by the deadline Tuesday, according to Clerk Ray Nereg. The election will be April 5.

The 2nd Ward is slated to have a new alderman as Davis was representative on the council from there and now is seeking the higher office. Harold Ute filed to succeed Davis. C. B. Imhell is holdover alderman here.

Rudolph Anderson, 1st Ward alderman, and Donald Stanford, 3rd Ward alderman, filed to succeed themselves without opposition. Donald Johnson and Duane Johnson are holdovers in these wards.

alderman, and Archie J. Brovold, 3rd Ward alderman.

There were no filings for municipal justice of the peace nor constable. The city hires a policeman, Fred Glander Jr., and city arrests are handled in Buffalo County Court.

Three Alma candidates for one seat on the new county board of supervisors are listed with Buffalo County filings.

MISSIONARY SOCIETY DAKOTA, Minn. (Special) — Mrs. A. L. Sanford will be hostess to the Lucinda Missionary Society in her home Feb. 3 at 1:30 p.m.

City Incumbents Get Opposition At Whitehall

WHITEHALL, Wis. (Special) — Every incumbent now holding Whitehall city office will have opposition at the election April 5.

By the filing deadline Tuesday at 5 p.m., three had filed for mayor — incumbent Lester Brennon, who has held city office continuously for more than 20 years; John O. Taylor, and Richard Megrahn.

Stanley Neilstuen, 1st Ward alderman, will be seeking his first elective term, having been appointed to fill a vacancy. Opposing him will be Omer Olson, a previous council candidate.

D. O. Rice, incumbent, 2nd Ward alderman, is opposed by Robert Guinn. Charles Johnson, 3rd Ward alderman, has opposition from Goodwin Anderson, a newcomer to politics.

Three Alderman Candidates File At Buffalo City

BUFFALO CITY, Wis. — Three candidates filed for two aldermen positions at Buffalo City by the deadline Tuesday, according to Clerk Henry Zeichert.

Wilfred Kaufmann and Gerald Duval filed to succeed themselves as aldermen of Buffalo City's one ward. Delbert Krause also filed for a seat on the city council.

At the election April 5, the two receiving the highest number of votes will be elected. There is no mayor election this spring.

2 Races Develop At Fountain City

FOUNTAIN CITY, Wis. (Special) — Two contests developed when filings closed Tuesday with Fountain City Clerk M. W. Schlesselman.

At the election April 5, W. F. Bohri, incumbent mayor, will have opposition from Ludwig Tanke. For 1st Ward alderman, Norris Abts, incumbent, will be opposed by Hilarion Duellman.

Filing without opposition to succeed themselves were James Scholmeier, 2nd Ward alderman, and L. R. Zeller, treasurer.

32 in Race for 14 Buffalo Co. Posts

ALMA, Wis. (Special) — A total of 32 candidates had filed by the deadline Tuesday for the 14 seats on the Buffalo County Board of Supervisors. After the April 5 election it will be reduced to half its present size.

There are races in 10 of the districts. City of Mondovi will be the only municipality represented by two seats on the board. City of Alma and Fountain City have three candidates each for the one position each has been allotted. Many men now serving on the board are seeking election to the new board.

By districts the candidates are as follows, one to be elected for each:

District 1, towns of Maxville and Canton — John H. Falkner, Town of Maxville, and Sidney C. Johnson, Town of Canton, both incumbents.

District 2, towns of Mondovi and Naples — Emmons Accola, incumbent from Town of Mondovi.

District 3, 1st and 4th wards, city of Mondovi — Otto H. Bollinger, incumbent, 4th Ward.

District 4, 2nd and 3rd wards, city of Mondovi — Harold Zittel, incumbent from the 2nd Ward, and Julian A. Ede.

District 5, Town Nelson — Christ Castleberg, incumbent.

District 6, towns of Alma and Modena — Alvin Borgwardt, Town of Alma incumbent, Ole T. Thompson, Town of Modena incumbent, and Pat Weiss.

District 7, towns of Gilman and Dover — Lyman Diekmann, incumbent, Town of Gilman; Harland Rognholt, Town of Dover incumbent; Richard D. Davis, Gilman, and Alger Marum, former county board member from Gilman.

District 8, City of Alma — John Hartman, Christian Schultz and Kenneth J. Jacken, currently serving the three wards.

District 9, towns of Lincoln and Belvidere — Elmer Steiner, incumbent from Belvidere, and Henry Schultz of the Town of Lincoln.

District 10, towns of Montana and Glencoe — Edward Baecker, Town of Montana incumbent; Alvin V. Boberg, Town of Glencoe incumbent; Wilmer J. Rosenow, Montana, and Edward Servais Jr., Glencoe.

District 11, Buffalo City and Cochrane — Wilfred C. Kaufmann, Buffalo City incumbent; Clem N. Herold, Cochrane incumbent, and Louis F. Glentz, Buffalo City.

District 12, towns Milton and Waumandee — Ed Sendelbach, incumbent from Waumandee.

District 13, towns of Buffalo and Cross — Melvin Lorch, Town of Cross incumbent, Merion V. Sutter, Town of Buffalo incumbent, and Henry L. Multhaup, former board member from Town of Buffalo.

District 14, Fountain City —

Contests Develop In Osseo Wards

OSSEO, Wis. (Special) — Incumbent aldermen in two wards of Osseo will have opposition at the election April 5.

Filing in the 1st Ward by the deadline Tuesday were Ivan Curry, incumbent, who has served on the council about 25 years and currently is a patient at Osseo Area Hospital recovering from a heart attack,

Oscar E. Florin and Arthur Wolfe, incumbents from the two wards, and Chester E. Wunderlich.

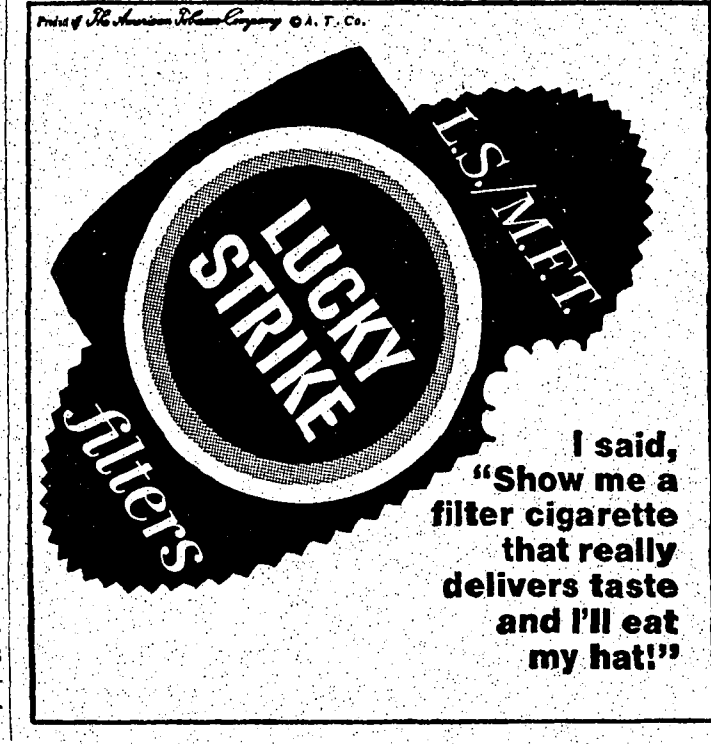

Clinton Christianson, resigned city policeman, is running for 3rd Ward alderman against Clayton Skough, incumbent, who is serving his first term. Christianson is succeeded as policeman by Elmer Loken.

Gary Speich, who has served two terms as 2nd Ward alderman, is unopposed.

MAKING SCRAPBOOK

FOUNTAIN CITY, Wis. (Special) — The Fountain City Library Club met Monday afternoon and selected items and clippings to put into a new "History of Fountain City and Vicinity" scrapbook.

Country Road Signs To Be Improved

THE EASE of finding one's way from one place to another on the back roads of the state is going to be a lot better soon. The federal government published a uniform sign manual a couple of years ago establishing standards for signs on county roads. The deadline for installation of complete sign systems, originally set for Dec. 31, has been extended for another year.

Most Minnesota counties have taken care of route markers on their roads and regulatory signs (denoting stops, speed limits, etc.) are fairly adequate. But there has been a notable lack of guide signs — signs that tell direction to take to get to places and the distances.

Anyone who has tried to reach his destination over county roads with which he was not familiar recognizes the need for more guide signs. This situation will shortly be remedied. For recently promulgated regulations issued by the U.S. Bureau of Public Roads make signing of all new road construction a prerequisite of receiving federal highway aid funds.

THE TRAVELING public should appreciate better road signs and those who travel extensively do. But there are a few outlaws who make motoring more hazardous than it should be.

These are the vandals who deface highway signs. They seem to be on the increase. Figures for 1965 have not yet been compiled, but, in 1964, the state of Wisconsin alone was forced to replace 2,076 of its 36,765 highway signs because of vandalism. In previous years, the percentage of signs needing replacement ran at about an eighth of that 1964 figure.

GREATER EFFORTS on the part of officials aimed at running down offenders can reduce this vandalism. For instance, since the Goodhue County board decided to offer \$200 in reward money for information leading to the arrest and conviction of sign vandals, vandalism in that county has shown a marked decrease.

End to Wisconsin Justices Likely

(The Milwaukee Journal)

JUSTICES OF THE peace were a necessary and important institution 120 years ago; so the state constitution still provides for one to be elected in every town, village and city — except the city of Milwaukee, where an amendment abolished the office 21 years ago. This antique office is now generally obsolete. An amendment if ratified this spring will finally abolish it.

The movement for general abolition began a dozen years ago, in the first courts reorganization proposal of the state judicial council. Lawmakers deemed it politic at that time to let the vestiges of the JP system remain a while longer and that reorganization effort died in the legislature anyway.

When a reorganization was finally accomplished in 1961 by statute, the JP as a constitutional office still survived. But the act virtually abolished what little jurisdiction it had left, making it more than ever a needless appendage on the courts system. Now the 1963 and 1965 legislatures, without appreciable dissent, have submitted the amendment abolishing the office.

The institution is in utter disrepair anyway, with most of the occupied seats filled by nonlawyers, many of them vacant, some not meeting bond requirements, all having little or no function. It is simply not a modern kind of institution, but just clutter on the ballot. It is expensive clutter, however, and well worth getting rid of from the economy standpoint alone.

IF THERE IS lingering sentimental attachment to the JP system in some rural precincts, the question is: What price sentiment? Today there are qualified, salaried, full time judges in courts of record, with full jurisdiction, in every county.

During the Golden Age of Babylon, King Hammurabi used astronomy to figure out the best time for his subjects to pay taxes. Today taxpayers look Up Yonder for assistance on how to pay.

Grapes have been grown for so many years, their exact origin has not been determined. Seeds have been found in the oldest tombs in Egypt and old Hebrew and Greek writings refer to them.

Thou wilt show me the path of life: In thy presence is fulness of joy; at thy right hand there are pleasures for evermore.—Psalms 16: 11.

TODAY IN WORLD AFFAIRS

What's Next In Viet Nam?

By DAVID LAWRENCE

WASHINGTON If logic were the controlling influence today in formulating the military policy of the United States in Viet Nam, there wouldn't be any doubt about the next move now that the "truce" is over and the "peace offensive" has fallen on deaf ears.

But the logic which calls not only for a resumption of bombing raids but for an intensification beyond what has been done before is unpalatable politically. The word "politically" covers international and diplomatic aspects as well as domestic considerations. Evidence mounts that many people — inside and outside of Congress — are doing a lot of wishful thinking and feel that there is some miraculous way to attain a quick ending of the conflict if only the other major governments would get together to quell the warfare, just as happened in the Congo a few years ago with the aid and supervision of the United Nations.

For certainly the Viet Nam war could be stopped in a week if the U.N. had the backing of the Soviet Union and various Communist satellites which have an influence with the Red Chinese government in Peking.

OBVIOUSLY THE "peace offensive" by President Johnson had a worthy purpose — to show the rest of the world that the United States really wants peace — but it would have been surprising if the North Vietnamese had responded to such a move instituted by one government, especially their principal adversary.

The United States, however, is on the spot militarily. Before the truce it conducted a "limited bombing" of North Viet Nam. Is the alternative then to be "unlimited bombing," or is there a middle course? Certainly it would not be surprising to see the United States step up its bombing and then, before taking any extreme measures, it could decide to await the reaction of the North Vietnamese as well as the Soviet Union.

ONE THING seems clear — the Moscow regime isn't anxious to see an enlarged war in which most assuredly Russia would become involved if only to supply financial and military help to the North Vietnamese beyond anything undertaken heretofore. This is an expense the Communists do not relish.

Meanwhile, inside the United States it appears that the Viet Nam war is becoming more and more unpopular every day and that what the group of members of Congress said recently on their return from Southeast Asia has conveyed an impression of frustration — a puzzle over what to do next. For there's considerable worry about how public opinion would react to an intensified war and an increase to 300,000 or even 500,000 American troops in Viet Nam.

IT IS POSSIBLE, of course, for the United States to let the Viet Nam war drag on for years while furnishing a limited number of men and fighting a defensive war. Military men think this would be wasteful of American lives and that the smallest loss would be incurred by intensifying the war now even if it means destroying a substantial part of Hanoi itself. Warning would be given of forthcoming raids so that the civilian population could withdraw temporarily. The objective of the bombing would be to destroy supply lines and bases periodically, while mobilizing most of the American troops along the seacoasts to protect the largest part of the South Vietnamese people against guerrilla attacks.

Most of the military men both here and in Saigon feel, however, that any decisions made will be political in the sense that they will be geared to the possibility of an international peace conference of some kind. The initiative is expected to come from some of the so-called "non-aligned" powers. Basically the United States wants to get out of the war honorably and with the rest of the world convinced that this country will come to the aid of small nations whenever they are attacked by aggressors as was the case in South Korea and Viet Nam.

IN YEARS GONE BY

Ten Years Ago . . . 1956

Ray Busack has been named manager of the Sherwin-Williams Co. succeeding Edgar J. Lynch, who has accepted a position with another firm.

The Rev. Layton Jackson installed officers of the Women's Union of Grace Presbyterian Church. Installed were Mrs. Thomas, president; Mrs. August Thiele, vice president; Mrs. S. F. Reid, secretary, and Mrs. Paul Griesel Sr., treasurer.

Twenty-Five Years Ago . . . 1941

The ninth anniversary of Fire Chief H. G. Putnam was observed at the annual oyster supper of members of the department at Central Fire Station. Chief Putnam spoke briefly and Chief of Police A. J. Bingold told the men of his three-month course at the FBI Academy in Washington.

Mrs. Ward Lucas left Chicago with her brother-in-law and sister, Mr. and Mrs. Carleton Blunt, Winnetka, Ill., for Phoenix, Ariz., where they will remain until March.

Fifty Years Ago . . . 1916

Articles of Incorporation of the Rollingstone Creamery Co. have been filed. The company is incorporated with a capital stock of \$2,700 to deal in milk, cream, ice cream, butter and cheese and conduct a general creamery business. The officers are Frank Preston, president; M. Kohner, secretary-treasurer, and Peter Lober, manager.

Rolland Wilson and Frank Westman, students at Hamline University, are visiting for a few days in Winona with friends and relatives.

Seventy-Five Years Ago . . . 1891

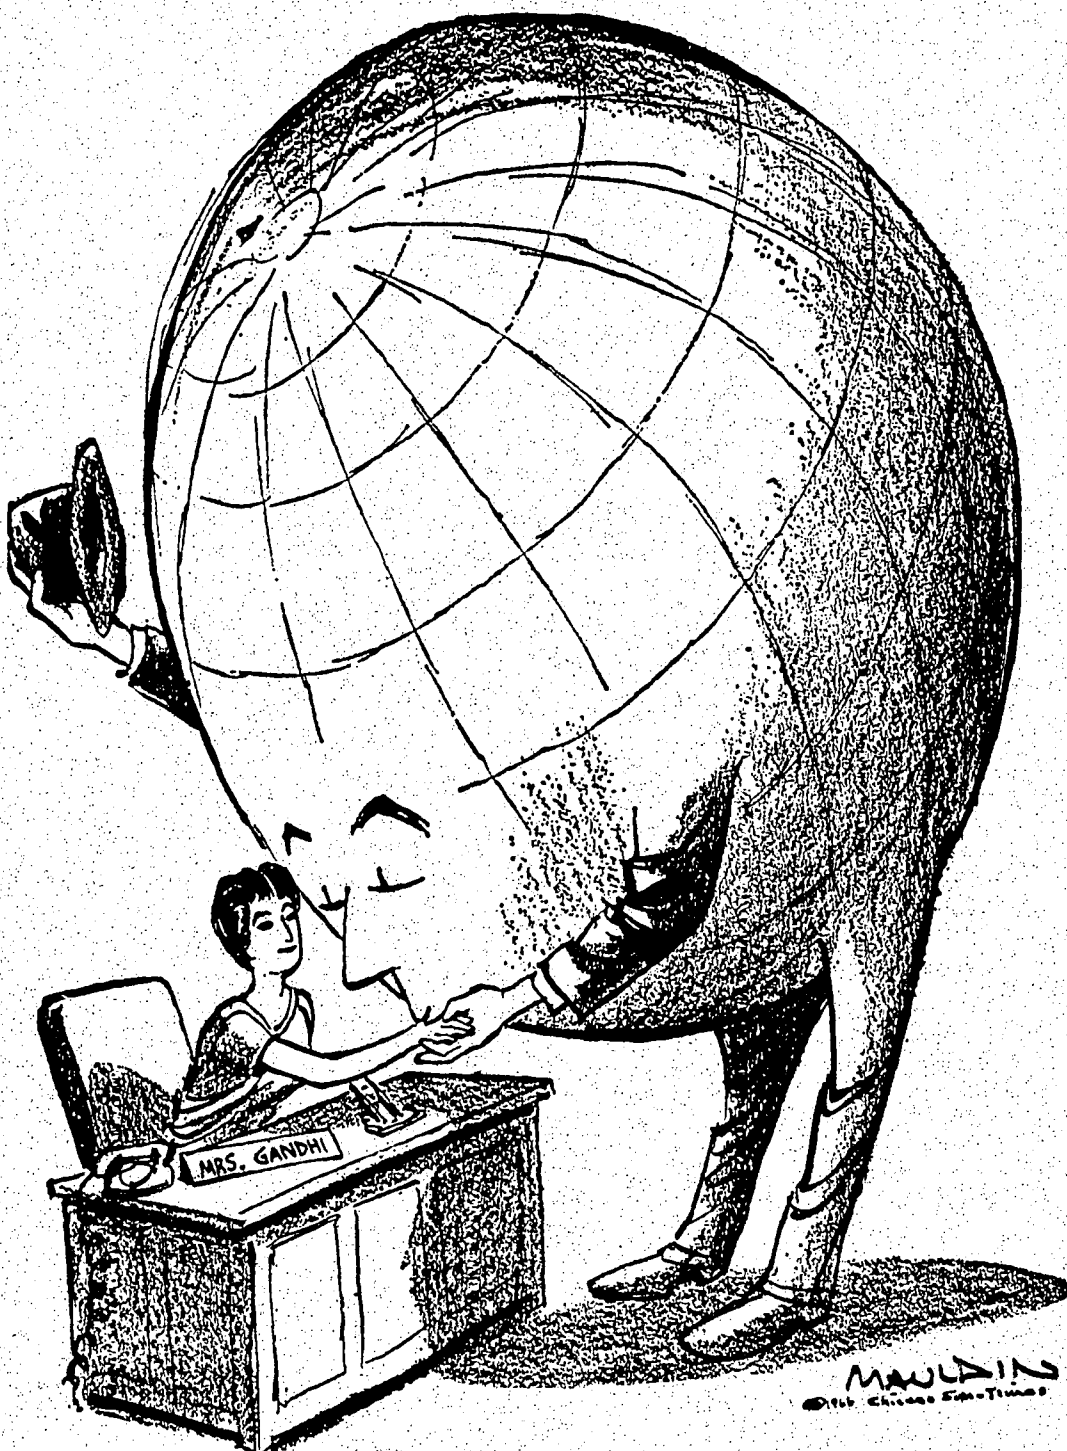

The City Council engaged Urban H. Broughton of Chicago as engineer to take charge of placing the sewage system in Winona.

Adolph Eckstein left for Duluth, where he will engage in the insurance business.

E. G. Nevius returned from a southern trip, on which he purchased some fine driving horses for his stables.

One Hundred Years Ago . . . 1866

It has been found upon canvassing the matter that we have among our businessmen and residents of the city an abundance of good musical talent, which can be made available by being organized into a band that will be a credit to our city and be able to furnish first class music on all public occasions.

THE WASHINGTON MERRY-GO-ROUND

Senator Involved With German Agent Activities

By JACK ANDERSON

WASHINGTON — The secret correspondence between Sen. Tom Dodd, D-Conn., and Gen. Julius Klein, the registered German agent, goes to the heart of why the foreign agents registration act was passed.

Congress passed this law after Drew Pearson reported that the late Sen. Ernest Lundeen, Republican of Minnesota, had delivered a speech June 19, 1940, on the Senate floor ghostwritten for him by George Sylvester Viereck, a paid propagandist for Germany. Pearson pointed out in 1940 that speeches on the Senate floor were supposed to represent the views of a senator, or his state, not those of a foreign country.

Following some crusading revelations on Nazi propaganda by Rep. John McCormack, D-Mass., now speaker, Congress passed the foreign agents registration act. This required foreign propagandists and agents to register so their identity could be known to the public. There was nothing illegal about being an agent. The emphasis was on publicity, as some federal judges, among them learned Judge Alexander Holtzoff, have failed to realize. An American's acceptance of money from foreign governments makes him a public figure.

The fact that Sen. Dodd has more recently delivered speeches on the Senate floor written for him by another paid German agent would appear to be getting around the intent of the foreign agents registration act.

IT'S SIGNIFICANT, therefore, that when Sen. William Fulbright, D-Ark., chairman of the Senate Foreign Relations Committee of which Dodd is a member, started his probe of foreign agents, Dodd got extremely nervous. He spent many a weekend in Klein's suite at New York City's fashionable Essex House, while the Senate Foreign Relations Committee was investigating Klein's lobbying operations. Despite this hospitality, Dodd got so nervous when committee investigators dis-

covered that Klein had asked him to sponsor a resolution supporting German reunification that he rushed a letter to Chairman Fulbright.

"General Klein's letter was never answered, and the resolution referred to was not introduced by me," wrote Dodd on Oct. 9, 1963. "I think it appropriate that my reply to you be made a part of the official record."

It took several weeks for Klein to discover how coldly he had been treated by his friend. Sputtering with rage, he dictated a letter to Dodd on Nov. 29.

"My dear Tom," Klein began. "I am looking through the printed report of the Fulbright hearing, and nothing shocked me more than your letter of Oct. 9."

"While I will not object to your taking this position as far as the subject of the resolution is concerned, even though it is not based on facts, you and I had discussions about it and corresponded about it."

"Now there is one thing I object to in your letter to Sen. Fulbright and that is

your last line: 'I think it appropriate that my reply to you be made a part of the official record.' You did not even add a few remarks about our personal friendship so that there should be no reflection on me."

"No one knows better than you my activities in Washington."

"I asked you to be present at the executive session (of the Senate Foreign Relations Committee). You promised me the night before that you would attend — but you were not there. I wired you to be present at the public hearings — you were not there either."

"What are you afraid of? Do you consider friendship a one-way street? All I can say is I am ashamed of you. With this, Tom, I close the chapter for good."

At this Dodd repeated.

"I AM NOW and have been deeply distressed about my letter to Fulbright," he apologized on Dec. 9. "No one thinks more highly of you than I do, and no one believes more strongly in you than I."

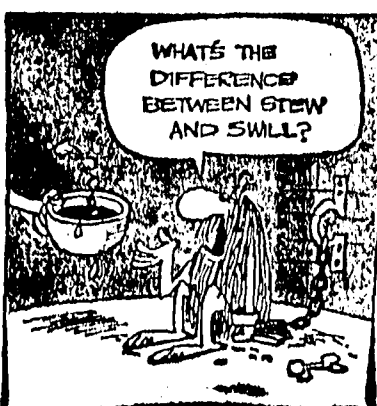

Dodd claimed the offending letter had been written by an aide.

Where Do Doctors' Files Go?

By JOSEPH G. MOLNER, M. D.

Dear Dr. Molner: What happens to a patient's records when a doctor dies? Does a new doctor take over the complete or partial practice? What should the deceased doctor's patients do?

We need a family doctor near where we live now. How do we go about getting one, and having the records from our deceased doctor's files transferred? — MRS. A.C.

This is a legal rather than a medical problem, strictly speaking, so I won't guarantee the legal aspects of what I am about to say to you. Laws vary from state to state.

However, it's my understanding that legally the records belong to the doctor (or hospital, in applicable cases), just as, for example, a bank's records of your checking account belong to the bank. What records you keep yourself belong, naturally to you.

But usually we don't "go to the law" over such things. Common sense governs.

GENERALLY speaking, a doctor who retires often acquires a good young physician as a junior partner first, and patients transfer gradually and easily to him. Or the practice is "sold." Or sometimes a doctor dies, and the practice is transferred of necessity.

Records of patients may be kept in the files for a short time if a doctor dies and the practice is "closed out." Or they may be retained by the doctor's family and sent on request to such new physician as you may designate.

There is no law, so far as I know, that a doctor (or an heir) has to preserve records for any specific time, or has to transfer them, but as a physician I don't think such things should become a legal issue. If a patient wants his file transferred, this can be done at his written request.

IF YOUR DOCTOR dies, make your request promptly. Otherwise the files may be discarded. But if you are too late, what's to prevent your new doctor from starting a new file?

How to find a new doctor when you have moved and your former physician has died? You can inquire at the director's office of a hospital, in case you prefer a particular one because of its reputation, location, or perhaps its religious affiliation.

Or your friends and neighbors may be helpful. But if you have moved to a different city, some specialist with whom you may have had contact in the past may be able to refer you to a doctor. Many specialists know men in other specialties, or general physicians, in various cities.

YOU CAN call the county medical society and ask for the names of two or three qualified physicians reasonably close to your home. If you prefer one attached to a particular hospital, say so.

Have your new doctor write for your records, but don't be unduly upset if they are no longer available. You're you. New ones can be accumulated, and you know what special problems may need to be watched in your particular situation anyway.

Dear Dr. Molner: My husband complains about his left eyeball hurting when he presses on it. What does this mean? — M. F.

One possibility is glaucoma, and for that reason he should be examined by an eye specialist. If it turns out to be some lesser problem, good. But if it proves to be the beginning of glaucoma, the sooner he gets treatment, the better the chance of saving his sight.

By Parker and Hart

Letters to The Editor

An Open Letter to
Minnesota's Senators and
Representative Quile

We are informed that in the near future the Federal Communications Commission intends to impose rulings without hearings which might seriously effect community antenna television systems throughout the country.

The FCC was organized in the first place in the early days of radio for the purpose of preventing an unorganized shambles of sound across the broadcast waves. The justification for establishing the FCC was that "the broadcast waves belong to all the people," and that therefore it was in the public interest to regulate the transmission of radio signals. The regulation of television transmission signals naturally came within its jurisdiction with the development of the television industry.

Never in the history of the FCC has it had authority to regulate the RECEPTION of signals — only the strength and direction of TRANSMISSION signals. It seems to me that completely without congressional direction, it is now proposing to enter a field that is none of its business whatsoever.

The economic status of the broadcast industry is none of the FCC's business except in the examination of applications for new licenses.

Obviously it is being pressured into this direction by commercial television stations which obviously again feel that CATV systems are cutting into their economic pie. They naturally want an exclusive audience as they can command, and they would far rather obtain exclusive audiences by government decree than by upgrading their programming to compete for the viewer's time.

In Winona, a city of 26,771, 70 percent of the households are subscribers to Winona TV Signal, a CATV system which provides viewership on ten channels. If the FCC steps into the picture and states, say, that CATV systems may not transmit cable signals to customers from stations physically located more than fifty miles away from their antenna, Winona's viewership would be limited to the stations at Rochester and La Crosse — two stations which were viewable here before CATV.

It would ruin a local industry. It would deprive Winona citizens of viewership to which they are entitled. Moreover almost all subscribers to the system removed their rooftop antennae since they were potential hazards in wind and lightning storms. If CATV system were removed, large expenditures would be necessary by substantially all of Winona's families simply to replace antennae that would give them the same limited TV reception they had 10 years ago. Is this progress?

I hope that you and your fellow congressmen will move quickly to head off the FCC from this arbitrary, unauthorized and capricious move.

William F. White
275 W. Broadway

HAL LEONARD MUSIC IN WINONA

Harold H. Ellis Weds Miss Enright In Helena, Mont.

MINNESOTA CITY, Minn. — Miss Billie Joanne Enright, Helena, Mont., became the bride of Harold Harris Ellis, son of Mr. and Mrs. Harris E. Ellis, Minnesota City, Minn., Jan. 15 in St. Helena Cathedral, Helena.

SHE IS the daughter of Mr. and Mrs. William F. Enright, Helena.

The couple met in San Francisco, Calif., when the bride was employed there by a banking firm and Ellis was visiting friends with whom he had served in the Navy.

For her wedding, the bride chose a gown of peau de soie, styled with a full skirt and chapel length train, and full-length lily point sleeves. The neckline, waist and hemline of the skirt were trimmed with lace and pearl applique. She wore a small lace and pearl pillbox hat which held the bouffant veil of silk illusion. Her bouquet of pink bountiful roses was centered with a white gardenia corsage and accented with silver leaves caught with bridal satin streamers.

MRS. TOBY T. Benson, Bozeman, Mont., was matron of honor. She was attired in a full-length gown of light pink-silver bonded metallic, designed in a royal styling, and wore a small bow hat with a veil of pink bridal illusion net. Serving as bridesmaids were Mrs. Michael Connolly, Bozeman, Mrs. Frederick Bakke and Miss Billie Ann Rogne, Helena. They wore gowns and hats identical to those worn by the matron of honor. The bride attendants carried nosegays of silver carnations centered with large pink roses and baby pink roses.

DR. EDWARD Allen Ellis, Honolulu, Hawaii, brother of the groom, was best man. Groomsmen were Neil Enright, Helena, brother of the bride, Patrick and Gary Ellis, Minnesota City, brothers of the groom. David Plowman, San Francisco and Robert Bruce, Helena, were ushers.

The wedding ceremony was followed by a breakfast and afternoon reception at Jorgenson's Holiday Inn. A rehearsal supper was hosted by the groom's parents at the Colonial Club.

Following a wedding trip on the Pacific coast Mr. and Mrs. Ellis will reside in San Francisco.

The bride, a 1960 graduate of Cathedral High School, attended Carroll College in Helena and has been employed by banks in Helena, San Francisco and Winona.

ELLIS was graduated from Winona High School in 1960 and served four years in the Navy. He attended St. Mary's College and plans to continue his education at the University of California.

Mrs. William Rouse Elected President Of La Crescent Club

LA CRESCENT, Minn. (Special) — Mrs. William Rouse was elected president of the La Crescent Home and Garden Club at a meeting Jan. 18.

Serving with Mrs. Rouse this year will be Mrs. Romaine Beardmore, vice president; Mrs. Alan Roth, secretary, and Mrs. Philip Larson, treasurer. Other officers are the Mmes. Tim Plummer, Earl Good, Paul Brown, Victor Leidel and Charles Auesonson.

A demonstration and workshop was given on artificial flower arrangements.

Miss June Garrison, art instructor at the La Crescent High School, will speak on "Still Life Drawing" at the next meeting of the club.

PUBLIC CARD PARTY LAKE CITY, Minn. (Special) — Carnelian Lodge A F & AM and the Eastern Star will jointly sponsor a public card party at 8 p.m. Monday at Masonic Hall. Lunch will be served before the game.

Mr. and Mrs. Harold Ellis

Mary Ann Berktoold To Be April Bride

LAKE CITY, Minn. (Special) — Mr. and Mrs. Engelbert J. Berktoold announce the engagement of their daughter, Miss Mary Ann Berktoold, St. Paul, to James Louis Haupt, Stillwater, Minn., son of Mr. and Mrs. Edward G. Haupt of Red Lake Falls, Minn. Miss Berktoold is a graduate of the Villa Maria Academy, Frontenac, Minn., and is employed at Economics Laboratory, Inc., as an accounts receivable control clerk. Her fiancé is a carpenter with Swager Bros., Inc., Stillwater.

April 16 is set as their wedding date.

CHAPTER AP

P.E.O. Sisterhood, Chapter AP, will meet at 1 p.m. Thursday at the home of Mrs. G. M. Robertson, 275 E. Wabasha St. Co-hostesses will be Mrs. George Robertson Jr. and Mrs. Stanley A. Hammer.

QUICKS CIRCLE

ETTRICK, Wis. (Special) — Quicks Circle of the Galesville Presbyterian Women's Association, comprised of about 12 women from Ettrick and Frenchville, members of the Galesville church, will meet Thursday, at 1:30 p.m. at the home of Mrs. William Werges. Mrs. William Thomas, Frenchville, chairman, will be the leader. "Jonah" will be the topic of study for the coming year.

Mission Topic Given for Sarah Society

Sarah Society of Redeemer Lutheran Church met Tuesday evening, with Mrs. Walter Markwardt, president, in charge.

The Lutheran Women's Missionary League mission topic was led by Mrs. Loyal Tullius. The Rev. L. O. Bittner gave the devotions. Mission mite boxes were collected.

The society decided to sponsor another yearly prayer service to be held the last Sunday in February. Its theme will be "Mission of Mercy." The current project of the Society is selling the cookbooks, "Favorite Recipes of Minnesota." Profits will go to the fund for new church kitchen equipment.

Other new officers of Sarah Society are Mrs. Tullius, vice president; Mrs. Fred Dambach, secretary, and Mrs. John Pollema, treasurer.

Committee chairmen are the Mmes. Elmer Heiden, L. O. Bittner, John Beard, Dambach, William Erdmann, Pollema, Warren Macemon, Ervin Gernes, Robert Bauer, and Tullius. LWML delegates are Mrs. Heiden and Mrs. Beard, with Mrs. Pollema and Mrs. Macemon as alternates.

Rushford Auxiliary Donates to AFS Fund

RUSHFORD, Minn. (Special) — The American Legion Auxiliary donated \$25 to the American Field Service when it met Monday evening at the American Legion Hall. The money will help sponsor a student from Rushford High School in a foreign school next year.

Proceeds from an AFS talent show also will go toward this fund. Each organization is asked to furnish some talent for the show.

Reports were given by Mrs. John Semmes and Mrs. Maynard Dubbs. Reports also were given on two Commercial Club luncheons and one dinner served by the auxiliary. It was announced that the mid-winter rally will be held Feb. 5 at the American Legion hall, Rochester.

Mrs. Jack Keeler, county president, reported on the Jan. 20 meeting held at Fountain. Next county meeting will be at Preston on March 17. Mrs. Dubbs reported on the fall conference which she and Mrs. Semmes attended.

Mrs. Semmes was the recipient of the special prize. Hostesses were Mrs. David Evans and Mrs. Adeline Engrav.

La Crescent WSCS To Hear Talk by Science Teacher

LA CRESCENT, Minn. (Special) — Woman's Society of Christian Service of La Crescent Methodist Church will meet Feb. 3 at 8 p.m., instead of the usual first Tuesday.

Mrs. William Stetler is in charge of the program, "Living in the Space Age." After the business meeting in the church, the club will adjourn to the science room of the high school.

Clyde Pasvogel, science instructor, will present the "Microscopic and Telescopic World."

Mrs. Lyle Cook is hostess chairman.

Music Parents Club Being Organized At La Crescent

LA CRESCENT, Minn. (Special) — An organizational meeting of the prospective Music Parents Club will be held Sunday at 2:30 p.m. in the high school band room. Membership is open to all persons in the community who are interested in the music program, as well as parents of both beginning and senior band members and parents of students in the Concert Choir.

The objective of the meeting will be to set up and plan the future of the organization. Coffee will be served.

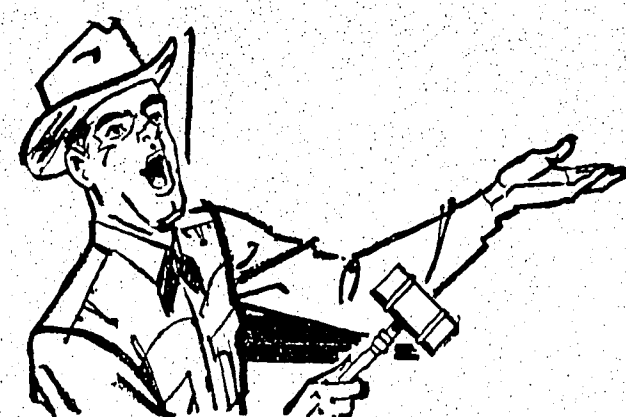

Ivy clings to Rose!

Won't use anything but Rose Lotion Vel. She saw that rose test on TV, tried it and found Vel really won't harm a fresh rose. And the way it cuts grease... those dirty dishes don't have a chance. Also the "push-pull" cap is so handy! Next time you're at the market pick up...

Mr. and Mrs. Ralph Dunbar

Ralph Dunbar Weds Sandra Volkman At St. Martin's

Miss Sandra Volkman, daughter of Mr. and Mrs. Ervin Hornberg, 521 E. 3rd St., and Ralph Dunbar, son of Bruce Holt, Maiden Rock, Wis., were married Jan. 15 at St. Martin's Lutheran Church. The Rev. Armin Deye officiated.

MISS JANE Wenzel was maid of honor. The Misses Sharon Haack, Bonnie Hornberg and Linda Konkel were bridesmaids.

The bride wore a long A-line gown of lace and satin, with long sleeves and a chapel train. Sequins trimmed the neckline and the bottom of the skirt. Her veil was held by a flower-like crown trimmed with pearls. She carried a bouquet of red roses. The attendants wore floor-length gowns of blue satin, with empire waists and long sleeves, trimmed with lace. They had blue crowns with matching veils and carried bouquets of blue and white carnations.

JOHN GERRISH was best man and groomsmen were Robert Marin, David Volkman and Roger Fegre. Ushers were Donald Marin and George Wenzel.

Helen Hornberg was flower girl and Robert Wenzel, ring bearer.

A reception was held at Red Men's Hall. The newlyweds are now at home at 271 E. Howard St.

Ettrick Auxiliary Holds Meeting

ETTRICK, Wis. (Special) — When members of the American Legion Auxiliary met Monday evening, the sum of \$5 was voted for rehabilitation stamps. An Ettrick girl is to be sponsored at Girls State to be held at Madison in June. Americanism essays, written by Ettrick school pupils, are to be in the hands of Mrs. Clarence Brown, Trempealeau County chairman, by March 1.

A county-wide meeting of auxiliaries will be held at Blair in February, it was announced.

MEETING CANCELED — American Society Ladies Club has canceled the Thursday night meeting at VFW Clubrooms. They will meet next on Feb. 10.

ALLEN OPEN HOUSE — LA CRESCENT, Minn. (Special) — Mr. and Mrs. Arthur Allen, 518 2nd St. S., La Crescent, are holding open house for their 40th wedding anniversary at the First Evangelical Lutheran Church parlor, La Crescent Feb. 6. Hours are from 2 to 5 p.m. No cards are being sent.

Cochrane Offers Three Flood Plans

By RUTH ROGERS
Daily News Area Editor

COCHRANE, Wis. — The Village of Cochrane by its spokesman, Judge Gary B. Schlossstein, presented three flood control plans at the hearing at the school annex here Tuesday afternoon.

He and other speakers were introduced by Lt. Col. Leslie B. Harding, district engineer with the St. Paul district, U. S. Army Corps of Engineers.

"THE MISSISSIPPI River flood of last April cost Cochrane, village of 455 population, over half a million dollars," Judge Schlossstein said.

To show that Cochrane suffered as much damage percentage-wise as larger municipalities, he said 20 percent of the families had to evacuate their homes, not including many homes which continued to be occupied despite loss of heat and electricity. Eighty percent of the residents had water in the basement or higher. Water was above first floor level in 20 percent of these homes; but private and municipal sandbagging and pumping held water just below floor level in about half of them.

In his opening statement Col. Harding remarked that benefits from flood control his department undertakes have to equal the cost of the project.

Cochrane's plans include, principally, a system of dikes and raised roadways. They were shown on a map prepared by Judge Schlossstein and Berge Ritscher of the Buffalo County highway department.

PLAN 1 would include a dike about 2,800 feet long, which would protect Cochrane from waters backing in from the south from the Mississippi River through the drainage ditch; raising of County Trunk 60 at two points in Buffalo City for a total of about 1,400 feet, which would protect Cochrane from the west, and raising a portion of the Town of Belvidere road.

"This dike is almost mandatory, since a breakthrough of floodwater in this area from higher upriver levels would have increased the water level in Cochrane by another five feet last spring," Judge Schlossstein said of the Belvidere road proposal. "This road was raised by truckloads of fill during the flood and was the only access road to Buffalo City not flooded."

He said this plan would protect the largest areas of not only Cochrane but Buffalo City and the Town of Belvidere, and land acquisition would be reasonable. The disadvantages of the plan would be the necessity of installing a pumping station for protection from seepage, and the upper Rose Valley drainage area would drain into the area.

PLAN 2 would involve the raising of County Trunk O from the north end of Cochrane's Main Street, westerly, with diking southeasterly, east of the drainage ditch. The entire length of the dike would be approximately 3,900 feet, the longest of the three plans.

With this plan, the entire village would be protected, with no water from the North Rose Valley entering the diked area. It would be necessary to determine whether it would still be necessary to raise the Buffalo City and Belvidere town road to protect those areas.

PLAN 3 would consist of a dike directly around the Cochrane village limits area. This would be approximately 5,000 feet long. This would require the least pumping of the three plans as it would drain the smallest area.

On the other hand it would hinder possible expansion of the village; it would pass through valuable agricultural land, with high acquisition cost, and it still might be necessary to raise the county road in Buffalo City and Belvidere town road.

A letter from Mayor Jack Drew of BUFFALO CITY said Cochrane's plans would aid in flood control in his city too, but additionally, Buffalo City would like riprap along its banks to protect its shores, and diking in the south part of the city to protect homes damaged there last spring.

EUGENE HENSEL, Sparta, representing the state Board of Health, recommended flood control because of damage to the water and sewer systems. Among other public officials appearing were Village President Edmund Schmidt; Assemblyman Milton Buchli; Constable Carl E. Jacobson; Richard Peterson, school superintendent; Rex Moore, Madison, of the state Civil Defense office; Ed Brick of the Public Service Commission; James Hutton of the Bureau of Public Roads, and Elmer Steiner, Town of Belvidere chairman.

Ellis Lee, Richland Center, represented 3rd District Cong. Vernon Thomson who was instrumental in securing a \$5,000 flood study appropriation for the Cochrane area in a Rivers and Harbors bill passed last October.

Founded in 1885, Cochrane never suffered from floods until the 1951 and 1952 floods on the Mississippi River, Judge Schlossstein said.

AS A RESULT of the flood last spring, valuation on real estate dropped 21.9 percent or \$370,400 from the 1954 valuation, the speaker said. The valuation for 1965 was \$1,319,400. Supporting statements were given regarding the danger under which people lived during the flood, the value of the time, labor and equipment donated for the general welfare, which

was not included in the cost estimate, and the necessity for being ready should another flood occur.

Some Contests On Ballot in Jackson Co.

BLACK RIVER FALLS, Wis. (Special) — Races for 20 seats on the new Jackson County Board of Supervisors, which will be reduced from 31 after the election April 5, have developed in some areas in the western part of the county.

District 1, towns of Cleveland and Garfield, will have two candidates for one seat — Louis Primus, incumbent Cleveland member, and Alfred Rindahl, Harry Hanson, incumbent from Garfield, didn't file.

For District 2, Town of Northfield, only the incumbent, Edwin Peterson, filed.

In District 3 comprised of Town of Garden Valley and Alma Center, candidates are William Stephenson, incumbent from Alma Center, and Russell Schroeder, Norris Emerson, Garden Valley incumbent, isn't running.

Town of Curran comprises District 4. Two former opponents, Harry Severson, incumbent, and M. C. Ringlien are the candidates.

Town and Village of Hixton have been joined for District 5. The two incumbents will be opposed for the one seat, Albert Regez, Town of Hixton, and Sidney Jensen, village.

Ole Gilbertson, present board member from Taylor, didn't file for District 6 comprising Taylor and the Town of Springfield. The only candidate is Omer Simonson, Springfield incumbent.

In District 8, Town of Franklin, candidates are LaVern Lien, incumbent, and Ray Arneson.

Town of Melrose and North Bend have joined for District 10. Merlin Olson, incumbent from Melrose, is the only candidate.

Leo Martin, incumbent, is the sole candidate from Village of Melrose, which is District 11.

Towns of Irving, Alma and Adams and Village of Merrilan will have one supervisor each. The towns of Brockway, Manchester and Millston and the towns of Komensky, Knapp, City Point and Bear Bluff have been joined for one board representative each.

Each of the four wards in Black River Falls will be represented on the board. Harvey Gilbertson, formerly in politics, is seeking a seat from District 18, the 2nd ward. A woman, Mrs. Constance Merow, is a new candidate from 3rd ward and is unopposed.

Leonard Kilian, formerly of Pigeon Falls, 4th ward incumbent, will have opposition from Jack Fry.

Judge Richard Lawton is unopposed for Jackson County Judge, seeking his second 6-year term. He served by appointment for one year to fill out the term of Judge Huns Hanson. This is the only local judicial contest in this newspaper area.

Robert Bergerson, formerly of Northfield, is opposed for reelection as alderman from the 1st ward by James Speltz.

Wabasha to Vote On New Library

WABASHA, Minn. — The question of whether to provide for a new public library in Wabasha will go to the voters this year, it has been announced.

Robert Ackermann, architect, Librarian Lela Burkhardt and James Perry, library board chairman, discussed plans with the city council at a meeting last week.

Durand Gets 4 Mayor Candidates

DURAND, Wis. (Special) — Four candidates filed for mayor or at Durand by the deadline Tuesday, according to Clerk Galen Loeffling.

Robert Schlosser, Robert Tolison, Clarence Noll and Willard Anderson have filed to succeed John Wayne, who is serving as mayor his second term but did not file.

Two aldermen have opposition. Dale Bauer, 1st Ward incumbent, filed and is opposed by Thomas Neis.

Perry Hurlburt, who filed for reelection in the 3rd Ward, has two opponents, Hubert Weiss and Robert Heike.

The 2nd Ward alderman whose term is expiring, Paul Hooker, filed for reelection April 5 and is not opposed.

Joseph Ullwelling, incumbent treasurer, filed for reelection and is unopposed.

Special Booklet To Keep Track Of Tips for Tax

ST. PAUL — A special pocket-size booklet has been prepared by the Revenue Service for taxpayers now required to report income from tips to their employers.
This booklet explains requirements of the new law and provides space for employees to record daily tips for a 12-month period, according to George O. Lethert, district director of Internal Revenue. It also contains a supply of forms needed to make monthly reports to employers.
The new booklet on tips is Document 5635, "Employee's Daily Record of Tips and Report of Tips to Employer." Beginning Jan. 1, 1966, all employees who receive \$20 or

Winona Deaths

Andrew H. McCleery
Andrew H. McCleery, 80, Reedsburg, Wis., a former resident here, died there at 6:30 a.m. today. He had retired as a railroad employee in 1950.

He was born here to John and Marie McCleery and had lived most of his lifetime in Winona. He had worked in the bridge department of the Chicago & North Western Railway 45 years. He lived in Reedsburg since 1950.

Survivors are: One brother, Robert, and one sister, Miss Ann McCleery, both of Winona. Funeral services will be at 2 p.m. Friday at Fawcett Funeral Home, Dr. E. Clayton Burgess, Central Methodist Church, officiating. Burial will be in Woodlawn Cemetery.

Friends may call at the funeral home Thursday from 7 to 9 p.m.

Chris Nissen

Chris Nissen, 86, San Fernando, Calif., former Winona resident, died Tuesday of injuries suffered Friday when he was struck by a car while mailing a letter.

Mr. Nissen was born Nov. 11, 1879, in Webster Grove, Mo., to Mr. and Mrs. Peter Nissen. He moved to Winona as a youth and married Anna Kersten in March, 1903. The couple lived in Winona where he was employed for many years as a Chicago & North Western Railway conductor. They moved to California after his retirement in 1945.

Survivors are: His wife; one son, Dr. Archie Nissen, San Fernando; one daughter, Mrs. Leo (Sylvia) Flanagan, San Fernando; two brothers, Harry Nissen, St. Paul, and Walter Nissen, Minneapolis; and one sister, Mrs. Lee (Irene) Rollins, Pemberton, Minn. Three brothers and one sister have died.

Burial will be in Winona.

Frank J. Duffy

Frank J. Duffy, Winona Rt. 3, 56, died Tuesday morning at Community Memorial Hospital after a long illness.

He was district manager of Madison Silo Co.

Born here Oct. 19, 1909, to Mr. and Mrs. John Duffy, he married Hilda Erickson Nov. 26, 1941, at La Crosse.

He was a World War II veteran and was a member of Cathedral of Sacred Heart and the Holy Name Society.

Survivors are: His wife; four sons, James, Gregory, David and Philip, at home; two daughters, Mrs. Lyle (Joan) Erdmann, Winona, and Beth, at home; one grandson; one brother, John, Winona, and five sisters, Mrs. James (Winnie) Dean, Winona; Mrs. Donald (Marian) Stanton, Lamoille; Mrs. Raymond (Lorna) Anderson, Winona; Mrs. John (Vera) Desmond, Marshalltown, Iowa, and Mrs. Dan (Helen) Behm, Wayzata.

Funeral services will be Friday at 9:30 a.m. at Walkowski Funeral Home and Cathedral of Sacred Heart at 10 a.m. the Rt. Rev. Msgr. H. J. Dittman officiating. The burial service will be in St. Mary's Cemetery, but burial will be in Ridgeway Cemetery.

Friends may call at the funeral home Thursday after 2 p.m.

Rosary will be said Thursday at 8 p.m.

Winona Funerals

Charles J. Zenk
Funeral services for Charles J. Zenk, 573 Wacouta St., were this afternoon at Fawcett Funeral Home. The Rev. Harold Rektstad, First Congregational Church, officiated and burial was in Woodlawn Cemetery.

Pallbearers were George Schuminski, Walter Holzworth, Herbert Stoehr, John Zenk, Joseph Hildebrandt and Robert Albrecht.

Herman W. Wadewitz

Funeral services for Herman W. Wadewitz, 324 W. Howard St., were this morning at Faith Lutheran Church. The Rev. Orville Anderson officiated and burial will be in Fort Snelling National Cemetery.

Earle Drenckhahn Sr., Robert Holton, Wesley Larson, Oscar Olson, John Mosiman and Elgin Sonneman were pallbearers.

Transportation Club Installs

The 1966 officers and directors of Winona Transportation Club were installed Tuesday night at a dinner meeting at the American Legion club-rooms.

They are: Carlus Walter, Peter Bub Brewery, president; Jack Karsten, Murphy Motor, vice president; Richard Percy, Bay State Milling Co., secretary; Vern Zimmerman, Green Bay & Western Railroad, treasurer; and directors, Donald Warren, Chicago & North Western Railway, and Earl Kratz, Watkins Products, Inc.

Two-State Deaths

Mrs. Walter F. Helgose
NELSON, Wis. (Special) — Funeral services for Mrs. Walter F. Helgose, 67, who died Jan. 11 at Long Beach, Calif., after several years of failing health, were held Jan. 15 at the Cavalier, N.D., Presbyterian Church, the Rev. John Shew, Grand Forks, N.D., officiating. Burial will be in Cavalier Cemetery at a later date.

The former Ella Timm, she was born at Nelson March 15, 1898, to Mr. and Mrs. John Timm. She was married Dec. 29, 1919. The couple moved to Cavalier in 1923 and lived there until 1948, when they moved to California, although they spent summer months at Grand Forks and Mahanomen, Minn.

Survivors are: Her husband; three sons, Howard and Wilbert, Cavalier, and Lee, Santa Ana, Calif.; two daughters, Mrs. William (Dolores) Porter and Mrs. Dan (Shirley) Coronado, Santa Ana; 13 grandchildren: one sister, Mrs. Alvina Reinhardt, Rochester, Minn., and five brothers, Romeo and Elmer, Alma; Frank, Lake City, Minn.; Walter, Winona, and Herbert, St. Paul, Minn.

John M. Davidson

WHITEHALL, Wis. (Special) — John M. Davidson, 75, died suddenly Tuesday afternoon at Tri-County Memorial Hospital, Whitehall, almost immediately after being admitted.

He was born Jan. 17, 1891, near Whitehall to David and Bertha Evenson Davidson. He lived in this area all his life.

He married Muriel Truog of Independence March 5, 1949. They farmed on the present Douglas Kopp place west of town several years. He was employed at the Trempealeau County Hospital 14 years. After retiring he lived in Whitehall, where he was a member of Our Saviour's Lutheran Church.

Survivors are: His wife; three brothers, Ernest, Louis and Clarence, and one sister, Mrs. Amelia Thompson, all of Whitehall.

Funeral services will be Friday at 2 p.m. at Our Saviour's, the Rev. O. G. Birkeland officiating. Burial will be in Old Whitehall Cemetery.

Friends may call at Johnson Funeral Home Thursday from 2 to 5:30 and 7 to 9 p.m., and at the church Friday after noon.

Two-State Funerals

Randall Fetting

BUFFALO CITY, Wis. (Special) — Funeral services for Randall (Biff) Fetting will be Thursday at 2 p.m. at Cochrane School Annex, the Rev. Gene E. Krueger, Evangelical and Reformed Church, officiating. Burial will be in Buffalo City Cemetery.

Friends may call at Colby Funeral Home, Cochrane, today and until 11 a.m. Thursday. He operated the Standard Oil Co. station at Buffalo City 10 years.

Teacher Training At Catholic College OK'd

ST. PAUL (AP) — A plan to provide in-service training for Minneapolis school teachers at a Catholic college was approved today by Atty. Gen. Robert Mattson.

Under the plan, sisters from St. Catherine's College in St. Paul would be hired under a federal aid program. Mattson said that since the instruction will be done either at the college or after public school hours, there would be no problem in the wearing of religious garb by the sisters.

The attorney general's office has previously held that teachers wearing the distinctive garb of a religious order may not be employed in public schools. Mattson said this question was not involved in this case.

The proposal was presented by Education Commissioner Duane Mattheis, who said federal money for in-service training is available.

Would My Wife Love This Plan

MILWAUKEE (AP) — A new service providing what was termed a continuous reserve of checking account cash for individual depositors was announced today by Marshall & Isley Bank.

The service, which would enable depositors to maintain a "personal reserve" of from \$300 to \$3,000, has the effect of providing charge accounts usable any place, any time, without credit cards or other book-keeping, bank officials said. Repayment is handled internally through the customer's regular checking account.

Youth Bound Over in Death At Lamoille

A Lamoille youth was ordered bound over to District Court for arraignment on a criminal negligence charge after a preliminary hearing today in municipal court.

Judge John D. McGill found that the state had presented sufficient evidence to show that a crime had taken place and that defendant Jerry H. Oldendorf, 19, Lamoille, might reasonably be believed to have committed the crime.

THE JUDGE ordered Oldendorf bound over to the District Court to plead to the charge of driving in a grossly negligent manner Nov. 26 so as to have been responsible for the one-car crash at the Trout Creek bridge on U. S. 61-14 south of Lamoille which took the life of James C. Roberts, 25, also of Lamoille.

County Attorney S. A. Sawyer called Highway Patrolman Oscar H. Krenzke, Lewiston, as the state's only witness. Krenzke, with Highway Patrolman Nathaniel H. Miller, investigated the fatal accident Nov. 26.

Krenzke testified that he was called to the accident scene, about half a mile south of Lamoille, about 11 p.m. on Nov. 26. He found three young men at the scene, two standing together and one apart, near the wreck.

The two youths standing together said that they had not been involved in the accident but had come on the scene shortly after the mishap occurred, according to Krenzke.

WHEN Sawyer asked Krenzke whether the youths had pointed out the driver of the wrecked car, court-appointed Defense Attorney William A. Lindquist successfully objected that this would be hearsay evidence. Judge McGill ruled that Krenzke could not answer this question.

Krenzke said that he found a 1954-model station wagon on its top, facing north, in the northbound lanes of the highway, about 150 feet north of the bridge's south abutment. The driver's door of the vehicle was open, Krenzke said, when he arrived.

The youth standing apart was Oldendorf, Krenzke said. When he had asked the defendant if he was the driver of the wrecked car, Oldendorf had started to answer, checked himself, then replied that he didn't know, Krenzke testified.

OLDENDORF admitted being "involved" in the accident, however. Krenzke also testified that he had gotten as near as one foot away from the defendant at various times and noted the smell of alcohol on his breath. Investigating the wreck, Krenzke said that he found a partially-empty, though unbroken, bottle of beer in the front seat of the car.

The highway patrolman also found the lifeless body of Roberts lying at full length behind the front seat with its feet toward the front of the car and head toward the rear.

HIS investigation showed that the death car had left the highway to the right about 30 feet before reaching the bridge. A metal guard rail had "funnelled" the car into the southern bridge abutment, where Krenzke said he found the passenger's door and part of the right front fender of the death car still wrapped around the concrete.

Oldendorf did not appear to be seriously injured, and Krenzke said that he noted the driver's compartment of the car was relatively undamaged while the passenger's side was demolished.

He talked with Oldendorf briefly in his patrol car, Krenzke mentioned.

Krenzke told Lindquist that he investigated the highway leading up to the bridge and found it to be level, practically straight and with no ice or snow on it. From the first tire mark off the highway to the bridge was about 30 feet, Krenzke said; and it was about another 150 feet to the wreck.

LINDQUIST called no witnesses, but he argued that the state had not provided any evidence to show that Oldendorf was the driver of the death car, let alone that he had driven negligently. Even if there might be some indication of negligence, Lindquist noted, the state's case did not show that this amounted to "gross" negligence, as charged in the state's complaint.

The state had done the best it could under the circumstance that there were no eye-witnesses to the crash, Sawyer replied. He noted that there was evidence that Oldendorf had been drinking, which, with the physical evidence of the accident, showed that the defendant had not been driving properly, the county attorney said.

Judge McGill said that he felt justified in drawing reasonable inference from the uncontested

Mercury to Drop Way Down Again

Temperatures eased off a little here today but a new cold wave is moving on Winona and vicinity, the Weather Bureau announced, predicting clearing and colder tonight and Thursday.

A light snow fell over the area today but was no more than half an inch by noon.

A LOW OF 8 below to 18 below is predicted for tonight and a high of five above for Thursday. Northwestern winds which were whistling the area today are slated to diminish Thursday. Continued cold with no precipitation is the outlook for Friday.

Not quite so cold is the five-day outlook for Winona and vicinity with daily averages expected to range 4 to 8 degrees below normal highs of 19-26 and lows of 2 below to 6 above.

Little change is predicted through Friday and then a little warmer Saturday and early next week. Precipitation through Monday is predicted to be light, probably less than .1 of an inch in occasional snow Saturday and early next week.

FROM a low of -13 Tuesday morning the Winona temperature rose to 9 above Tuesday afternoon, dropped to -5 overnight and was 13 at noon today.

A year ago today the high was 29 and the low 22. All-time high for Jan. 26 was 52 in 1944 and the low -24 in 1950. Mean for the past 24 hours was -2. Normal for this day is 16.

The Minnesota highway department today cautioned motorists to make certain they take along lots of warm clothing if they are planning trips.

LOWEST temperature in Minnesota this morning was -13 at Hibbing and Redwood Falls. It was -9 at International Falls. Duluth had a -4 reading. Light snow was falling over more sections of the state.

Rochester had a low reading of -10 after a high of 7 Tuesday afternoon and La Crosse posted figures of -2 and 9 for the same times.

Heaviest snowfall in the Northwest was three inches at

Cattle Industry At Crossroads

KANSAS CITY (AP) — The cattle industry is approaching a crossroad where the question will be "not of how much beef will be raised, fed, and sold, but rather who will raise it, who will feed and sell it and how."

Orville Freeman, secretary of agriculture, made the statement Tuesday in a speech before the American National Cattlemen's Association.

The pressure is on for a better beef animal marketed in a more orderly manner, he said. The ancient pattern of buyer and seller getting together, looking over the animal and haggling over price, apparently just won't do much longer.

Freeman said "the future belongs to producers who can tailor their products to the needs of the market. Another important factor is the need for more accurate scheduling of deliveries. Cattlemen who can provide quantities of similar quality animals on a regular schedule will have the advantage."

New Delays on T-H Bill Repeal

WASHINGTON (AP) — Opponents forced new delays today in debate on a motion to bring before the Senate a House-passed bill to eliminate Section 143 of the Taft-Hartley Act which authorizes states to ban the union shop.

Senate Republican Leader Everett M. Dirksen of Illinois forced a time-consuming quorum call after serving notice he has at hand 19 proposals to amend the journal of Tuesday's proceedings.

Broadway Collision

Damage resulting from a rear-end collision on Broadway today at 8 a.m. was more than \$150, police reported. Norman A. Barth, 404 Grand St., and Ruth E. Irwin, 472 W. Wabasha St., were both driving east on Broadway at Washington Street when Barth's car slid into the rear of the Irwin vehicle, according to the police report. Damage to the front of the Barth car was estimated at \$150. Damage to the rear of the Irwin car was not estimated this morning.

evidence presented by the state. This, he said, was enough to satisfy him that criminal negligence had taken place and that there are reasonable grounds for believing Oldendorf might have been guilty of this negligence.

Five Races Develop in Pepin County

DURAND, Wis. (Special) — Five contests developed in Pepin County when filings for the County Board of Supervisors had been completed by 5 p.m. Tuesday with County Clerk Martin Pittman.

To reduce the board from 13 to 12, the Town and Village of Stockholm were joined. To adhere more closely to the 1-man 1-vote goal under reapportionment, a portion of the town with the largest population, Waterville, which includes the unincorporated village of Arkansaw, was placed in Town of Wawbeek for supervisory purposes.

The candidates by districts for the April 5 election are as follows, only one municipality, city of Durand, having more than one representative—one for each ward:

District 1, Town of Wawbeek and Town of Waterville north of Highway 10 — Paul Schlosser, incumbent, Wawbeek, and Norman Hoffman.

District 2, Town of Durand — Norbert Pelke, incumbent.

District 3, Town of Lima — Anton A. Bauer, incumbent.

District 4, Town of Albany — William Weiss, incumbent, and Adolph Pichler.

District 5, Town of Waterville south of Highway 10 — Francis Sam, Waterville incumbent.

District 6, Durand 1st ward — Paul Weber, incumbent.

District 7, Durand 2nd ward — Glen Bignell, incumbent, and Edmund Brunner.

District 8, Durand 3rd ward — Donald Sommers, incumbent, and Russell E. Walters.

District 9, Town of Frankfort — Howard Anderson, incumbent.

District 10, Village and Town of Stockholm — Edwin Bowman, incumbent, Town of Stockholm; William Haglund and Milton Lindgren, Stanley Wallin, representative on the current county board from Stockholm Village, did not file.

District 11, Town of Pepin — Wayne Kosok, incumbent, and Robert Carlson Sr.

District 12, Village of Pepin — Walter E. Hartman, incumbent.

John Senty, 2nd Ward alderman, and Ray Weier, 4th Ward alderman.

Emil Sobotta, incumbent municipal justice, didn't file for re-election. Clerk, treasurer, assessor and constable are appointed by the council.

Mondovi Ballot To List Three Contests April 5

MONDOVI, Wis. (Special) — Three contests had developed at Mondovi when the filings for city office closed Tuesday.

At the election April 5, Gordon Retzlaff, 1st Ward alderman, will be opposed by Clarence J. Green.

Nels A. Nyberg didn't file for re-election as 3rd Ward alderman. The candidates filing with Clerk Joseph Peterson were Galen Sather and Robert L. Sing.

In the 2nd Ward, the candidates are Frank J. Bauer Jr., incumbent alderman, and Harris H. Serum.

Filing to succeed themselves without opposition were Charles Brenner, 4th Ward alderman, and Gaylord J. Schultz, mayor.

Angst and Reck Candidates for Arcadia Mayor

ARCADIA, Wis. (Special) — Two new faces on the Arcadia City Council are indicated as a result of filings for the April 5 election by the deadline Tuesday. Two contests developed.

Mayor Orvin Angst, seeking re-election, will be opposed by Ernest T. Reck, current municipal justice. He is a radio announcer and band leader. No one filed for municipal justice to succeed Reck.

Two candidates filed for 3rd Ward alderman to succeed John Hohmann, veteran officeholder, who isn't seeking re-election. Candidates are Ed Sonsalla, 57, and Melvin D. Nelson, 31. Sonsalla is shop foreman at Wisconsin Motor Sales here and formerly operated a service station. He has a family of seven. Nelson, father of three children, has been vocational agriculture teacher here the last six years.

2 Join Nursing Staff; Report Shows Activities

Two new appointees have joined the staff of the City Public Health Nursing Service. They are Mrs. Gary Kautz, 212 Hamilton St., and Miss Sharon Fakler, 67 W. Sanborn St. They are replacements for Mrs. Charles Wunderlich and Mrs. David Keller, both of whom resigned late in 1965.

Mrs. Kautz is a native of Le-mont, Ill., where she was graduated from high school. She was graduated from a three-year course at the Methodist Kahler School of Nursing, Rochester, and worked for three months at Community Memorial Hospital here.

She lives in Winona with her husband, a Winona State College student. She is assigned to District 1, the area west of South Baker Street.

Miss Fakler is the daughter

Miss Fakler Mrs. Kautz

of Mr. and Mrs. Jerry Fakler. She attended Cotter High School and was graduated from the College of Saint Teresa with a bachelor of science degree in nursing last year. She was employed for six months at Community Memorial Hospital.

Miss Fakler will cover District 4, which extends from Center to Carimona Street.

ACCORDING to its 1964 report, the service divides the city into five districts of about 5,000 population each. One nurse is assigned to each district. She is also responsible for about 1,700 school children since the department handles school nursing services as well as other duties.

Home visits are automatically made to all new mothers. In 1964 nurses made 241 calls on mothers for the period up to six weeks after birth. These visits give mothers, especially younger ones, chances to ask questions about care of infants and about their own mental and physical conditions. A total of 75 calls was made on expectant mothers, primarily to help them get early and regular pre-natal care.

Health promotion accounted for 2,616 visits. These include all nursing services directed mainly to persons apparently well. Promotion of desirable health practices is a major objective, the report states.

THERE WERE 22 visits to persons with diagnosed or undiagnosed contagious diseases. Most of these were requested by parents, the report notes.

Five cases of active tuberculosis were reported in the city for 1964. Two of these were readmissions. The new admissions were in the 21-64 age bracket.

Previously diagnosed cases of tuberculosis brought 51 visits. Most of these involved encouraging patients to return for regular X-rays and tests. Many persons discharged from sanatoriums become lax in keeping up a series of checkups, says the report. Attitudes and education about the disease contribute to such laxity, the report adds.

NURSES made 46 visits to 27 contacts, or persons who are thought to have been closely associated with a known case of tuberculosis. Such persons are asked to have X-rays every six months for two years after such contacts.

Positive reactors to Mantoux tests received 45 visits. There were 31 persons in this group. All are urged to have followup chest X-rays to see whether the lungs have been attacked.

In 1964 17 new positive reactors were found in Mantoux tests given to school children. No new tuberculosis cases were found among these reactors, however.

CALLS ON persons with non-contagious diseases totaled 3,014 visits. These are largely devoted to out-patient care for per-

sons discharged from hospitals but still needing some medical care. Heart and circulatory system patients, cancer patients and mentally ill persons made up almost one-third of the calling list. Other calls were for a variety of chronic diseases and persons recovering from injuries.

A uniformly planned health program was extended to 6,850 Winona school children, according to the report. Dental health, Mantoux testing and first aid are stressed. Children with hearing, visual or other problems are identified and referred for medical treatment under the testing programs. As-

Trucker Charged In 4-Fatality Crash

AUSTIN, Minn. (AP) — The driver of a truck involved in a four-fatality highway accident a month ago was charged Tuesday with careless driving. Mower County authorities filed the charge against Lowell

sistance to 27 children needing dental or visual care was given by city service clubs.

Six immunization clinics were held in 1964, according to the report which does not indicate the number of individual injections. Protection is thus given for smallpox, diphtheria, pertussis, tetanus and polio.

February Is Heart Month

WASHINGTON (AP) — President Johnson, a one-time heart patient, proclaimed February as American Heart Month today.

Saterdahlen, 25, Stewartville, following an inquest conducted by the coroner, Dr. George Stahl.

The feed truck Saterdahlen was driving and four cars were involved in the crash Dec. 23 on U.S. 63 in the northeast corner of Mower County.

Mr. and Mrs. Paul Komnick of Bloomington, Ill., and brothers Roy and Harry Eisenberg of Hudson, Ill., all occupants of one of the cars involved, were killed.

Jury Studies Evidence in Krebiozen Case

CHICAGO (AP) — A jury of seven housewives and five men is deliberating the fate of Dr. Andrew C. Ivy and three others charged with fraud and conspiracy in the sale and promotion of Krebiozen.

Judge Julius J. Hoffman of U.S. District Court handed the

case to the jury at 4:45 p.m. Tuesday.

The jurors deliberated until 10 p.m., then were locked up in a hotel for the night.

Judge Hoffman said the jury will remain under the custody of U.S. marshals until it reaches a verdict.

Krebiozen is a substance taken by some cancer sufferers which the government contends is not an effective medication.

The jury heard the testimony of 178 witnesses, 121 testifying for the government and 57 for the defense. The trial ends its ninth month Friday, and is the longest trial in Chicago's federal court history.

A transcript of the trial filled

more than 18,000 pages and formed a stack of books seven feet high.

The defendants are Dr. Ivy, 72, director of medical research at Roosevelt University and chief sponsor of Krebiozen; Dr. Stevan Durovic, 60, developer of Krebiozen; his brother, Marko, 64, a lawyer; and Dr. William F.P. Phillips, 52, a general practitioner who has administered the drug.

They are charged in an indictment with mail fraud and conspiracy in the sale and promotion of Krebiozen.

The government contended Krebiozen is worthless in the treatment of cancer.

YOUR INCOME TAX

Married Couples Can Choose Form

(Editor's Note: If a couple files a joint income tax return, the lowest rate applies. Also, individuals who qualify as heads of households get a lower rate than if they file as single persons. This article, third of a series of five, goes into such matters.)

By JAMES MARLOW

WASHINGTON (AP) — Here are a few rules on the 1965 income tax returns of married couples and those individuals who get a tax break if they qualify as head of household or surviving spouse.

A husband and wife almost always save by filing a joint return, rather than separately. To be joint, a return must be signed by both. A wife is not a dependent for income tax purposes. The rules on wives and dependents are not the same.

You were considered married or divorced for all of 1965 if you were married or divorced as

late as last Dec. 31. You get no exemption for a wife divorced in 1965 even though you paid more than half her support.

Anyone under 65 filing a return get a \$600 exemption for himself — \$1,200 if 65 or older — plus \$600 if blind. The same exemptions apply to a wife if she files jointly with you, whether or not she had income, or, if she had none, fails to file jointly.

A couple filing jointly gets the lowest tax rate. A husband filing separately, because his wife failed to sign with him, gets the exemption for her but is hit with a higher tax rate.

If your wife had 1965 income, no matter how small, you cannot claim her exemption unless she files jointly with you and reports the income. If it was \$600 or more, she would, like everyone else, have to file a return.

She could do it jointly with you or separately. If separately, she'd take her own exemption. But if her income was less than

\$600, which wouldn't require a return and she failed to file jointly with you, you'd be wasting part of the \$600 exemption you could have had.

Everyone filing a return gets a standard deduction for personal expenses without itemizing to prove them. If your expenses exceeded the standard, you can claim them fully but only by itemizing.

There are two standard deductions: the 10 per cent standard and the minimum standard. The two standards, along with the tax tables and the tax-rate schedules for determining your tax, were explained in No. 2 in this series.

But, when a married couple files separate returns, if one uses the 10 per cent standard deduction, both must; if one uses the minimum standard, both must; if one itemizes, both must.

Certain widows and widowers get a lower tax rate if they can qualify as surviving spouse.

If your husband or wife died in 1965, you can generally claim a \$600 exemption for him or her on your return, if you did not remarry in 1965. You file it as a joint return, reporting any 1965 income the deceased had, and using tax table B or tax rate schedule No. 2, both of which have the lowest tax rate.

Further, if you meet the following conditions, you can still use table B or schedule No. 2 even though your wife or husband died in 1964 or 1963:

You must have been entitled to file a joint return with him or her for the year of death; you have not remarried; you have a child or stepchild who qualifies as your dependent; and you furnish over half the cost of your home which is the principal residence of your child or stepchild.

child or stepchild.

If you meet those conditions you can use table B or schedule No. 2, listing your own income, exemptions and deductions. But — you cannot claim an exemption for a husband or wife who died in 1964 or 1963.

Individuals who can qualify as head of household get a lower tax rate than allowed if they had to file as single persons. You qualify if:

You were unmarried or legally separated at the end of 1965 or were married by the end of the year to someone who for part of the year was a nonresident alien; you must have furnished over half the cost of your home which was the main residence for the year for yourself and your unmarried child, stepchild or grandchild, even though

not a dependent of yours, or of any relative you can claim as a dependent or, if you paid more than half the cost of maintaining a home for your mother or father, if either can qualify as your dependent.

You cannot claim you maintained a home for a parent if you were paying for him or her in a home for the aged. But, if you meet qualifications listed above, you can use tax table B or tax rate schedule No. 3.

Next: Claiming dependents.

Minnesota Professor Dies in Africa

MINNEAPOLIS (AP) — Economics Prof. Arthur M. Borak, 65, of the University of Minnesota, died Monday in Khartoum, Sudan, Africa.

He had been a member of the Minnesota faculty for 42 years and was on a year's leave of absence to teach at the University of Khartoum.

Prof. Borak was a native of Red Wing, Minn. His body will be returned to Minneapolis for burial.

Titles taken by all senior girls at the school. She is now qualified to enter the state test and if she wins, the national test.

Card Dealer's Wife Wins \$25,000 Bakeoff

SAN FRANCISCO (AP) — A Las Vegas card dealer's wife won \$25,000 Tuesday for her "golden gate snack bread" in a Minneapolis flour company bake-off.

The first prize winner, Mrs. John Petrelli, 31, entered a snack yeast bread made with instant flour, processed cheese spread, dry onion soup mix and butter.

Just a week after her 15th birthday, Kathy Lunsford of Bolivar, Ohio, won the \$2,000 junior division first prize with "mandarin dream pie."

a GE Appliance

- GE 11" Portable Color TV with brilliant color, wood-grained cabinet and static-free FM sound!
- GE "16.9" Chest Freezer or "15.9" Upright Freezer with up to 592 pounds of food capacity!
- GE Automatic Washer with 14-pound capacity and an automatic cycle for anything you launder!
- GE Electric Dryer with 14-pound capacity and automatic settings for "anything dryable"!
- GE Mobile Maid Portable Dishwasher with 3 pushbutton cycles and smart counter-top styling!
- GE P7 Oven Range with automatic pushbutton controls and a self-cleaning oven!
- GE Window Air Conditioner with 8500 BTU's of cooling power, thermostat and instant window mount!
- GE "Abbington" Stereo with 30 watts of power, 6 speakers, solid-state amplifier and AM/FM-stereo radio!
- GE "Frost-Guard 11.5" Refrigerator-Freezer that never needs defrosting in refrigerator or freezer!

RULES

- Win and choose any one of the appliances above!
- Print your name and address on an entry blank or a plain sheet of paper. Enclose the guarantee certificate from the side or back panel of any Occident product, or print the name "Occident" on a plain sheet of paper, and mail both to: Occident Sweepstakes, Box 9255, St. Paul, Minnesota 55177. Each entry must be in a separate envelope.
 - 60 chances to win! Eight weekly winners will be drawn from entries received during each of the 6 weeks of the Sweepstakes. Limit: One winner per household. First drawing will be February 2, 1966. Subsequent drawings will be February 9, February 16, February 23, March 2 and March 9.
 - All entries received, except those of winners in the weekly drawings, will be entered in a final drawing for 12 winners to be held on March 16, 1966.
 - Contest is open to all residents of Wisconsin, Minnesota, Iowa, North Dakota, South Dakota, Montana, Idaho, Wyoming, Washington, Oregon and Pennsylvania — subject to all federal, state and local regulations. Void in any state or area where prohibited, taxed or otherwise restricted by federal, state or local law. Liability for federal, state or other taxes imposed on a prize winner will be the sole responsibility of such winner and not Peavey Company, its advertising agency, or judges.
 - Contest is not open to employees (or families) of Peavey Company, or any affiliate, or their advertising agency, or the Sweepstakes judging organization.
 - Winners will be selected in blindfold drawings conducted by Spotts Corporation, an independent judging organization, and will be given their choice of any one GE appliance offered in this Sweepstakes. Winners will be notified by mail following each week's drawing and must accept prizes by April 15, 1966. No cash equivalent. Decisions of judges final. List of winners provided to anyone sending a large self-addressed envelope to: Winner List, Box 2123, Minneapolis, Minnesota 55415.
- Appliances chosen will be delivered to winners' homes. Installation costs, if any, will be borne by winners.

DEAR ABBY:

Letter Retrieved In Nick of Time

By ABIGAIL VAN BUREN

DEAR ABBY: A few weeks ago, my best friend applied for a job with the government in Washington, D.C. She said she needed a security clearance check for this job, so they gave her a lie detector test. All was fine until she was asked some extremely embarrassing questions about her sex life. She then became so shocked and flustered that she failed the test and lost the job opportunity. Abby, this girl is as normal and aboveboard as a girl can be. Is this form of questioning for a government job routine now?

ALSO SHOCKED

DEAR ALSO: John W. Macy, Jr., Chairman of the U.S. Civil Service Commission, assures me that "NO federal agency subject to civil service rules and regulations screens applicants in this manner. Only TWO agencies, both operating outside the civil service framework, use the lie detector (polygraph) in screening applicants. And they feel they must do this because of the top security nature of their work."

ABBY

DEAR ABBY: A few days ago the mailman delivered a letter to our house, addressed to my mother. It was from a friend of many years. My mother was not at home. A few minutes later, the woman who had written the letter arrived, picked the letter up off the table, tore it up and walked off with the pieces, saying she was glad she got there in time as she had "changed her mind."

This annoyed me. When my mother came home, I told her exactly what had happened and urged her to call her friend and demand an explanation. My mother very calmly said she wouldn't even mention it to her; that since she had picked the letter in the first place she could destroy it if she chose. Then she let me know that as it wasn't addressed to me, I had nothing to say about it. Don't you think this woman owed my mother some kind of an explanation.

ANNOYED

DEAR ANNOYED: Only if your mother asked for one.

DEAR ABBY: I once had some work done by a dentist I liked very much. He has a reputation for being tops in his field, but I never went back to him. The reason being I once saw him turn on the faucet and go through the motions of washing his hands, but I'm quite sure he didn't even get his fingers wet! (He didn't know I was watching him.) I would like to go back to him again because his work is excellent, but I would have to be sure he washed his hands before going to work on me. Is there some way I can accomplish this without insulting him?

FUSSY

DEAR FUSSY: No. But if you have any such doubts, go to a dentist in whom you have complete confidence. It is hard to believe that a dentist who has a reputation for being tops in his field would be so unhygienic. Are you sure you don't need to see an eye doctor?

DEAR ABBY: The phrase "beauty is only skin deep" must have been coined by some overweight wife trying to rationalize that extra piece of banana cream pie. My wife is one of those gals who held her weight down before marriage but once the ceremony was over she let herself go and picked up 55 pounds in eight years. She blames it on our two children—but look at Ethel Kennedy!

I get looks that can kill when I drool a bit over some well-shaped female on television or on the street. But there is nothing attractive to see at home. She not only looks terrible, she feels terrible. Her doctor read her the riot act the last time she went for a check-up and now she won't go back because she knows she'll catch it. Maybe if you print this, it will wake her up. You owe me this, Abby. You once had a letter about a husband who went fishing on Father's Day, and the wife served it to me for breakfast.

DISGUSTED IN SAN JOSE

Troubled? Write to Abby, Box 69700, Los Angeles, Calif. For a personal reply, enclose a stamped, self-addressed envelope.

'Disabled Parent' To Be Discussed By Welfare Group

ALMA, Wis. (Special) — "The Disabled Parent" will be the subject of a meeting of health, education and welfare workers in the La Crosse district Feb. 17 at Maple Grove Country Club, West Salem, according to Judge Gary B. Schlosstein.

Alma, chairman.

Speakers on the impact of extended illness or disability on the family will be Bernard J. Hyman, coordinator of the family centered project, Greater St. Paul United Fund and Counsel, Inc., and instructor in the sociology department of River Falls State University, and Mrs. Lois Guest, Clark County public health nurse.

The all-day program will open at 10 a.m.

Lily Learns about Rose!

Lily? Yes, so have Mary, Joan, and Madge—learned that Rose Lotion Vel is so mild it won't harm the petals of a rose. And the way it cuts grease... your dishes come out sparkling clean. Handy "push-pull" cap, too. Now that you've learned what Lily did, make sure you try...

EYES GOOD SHOW

Graham Wants Exciting Team

WASHINGTON (AP) — Otto Graham, new coach of the Washington Redskins, promised the fans plenty of excitement and the players plenty of hard work next season — but he did not predict whether the team would do better than this year's 6-8 record.

"I realize that winning is the most important thing in pro football, but I think you have to put on a good show, too," Graham, 44, said in an interview with the Washington Post.

Graham, who as quarterback led the Cleveland Browns to six straight Eastern Division titles and three National Football League championships, was selected Tuesday for a long-term Redskins contract at a salary reportedly about \$50,000 a year.

Graham said he would "rather risk losing some games by say 35-28 and have the fans up off their seats with excitement, than win a dull 3-0 game."

Head coach at the U.S. Coast Guard Academy since 1959, Graham often had said that he did not want to return to pro football — or even college coaching — because of the attendant pressures.

"I had mixed emotions about leaving the Coast Guard academy, which is the best college coaching job in the country," Graham said. "But Washington is one of the best — in pro football and represents a wonderful opportunity and challenge."

Known as a hard-driving, rough disciplinarian, Graham said, "I think hard work wins football games, but I think football can be fun, too. I am not Vince Lombardi, but I am tough, I am firm, but fair." He referred to the strict Green Bay Packers coach.

The Redskins front office, meanwhile, said that while it had put no time limit on Graham, a winning team is expected next year.

Post-Season Honor for Mr. Finkel?

By THE ASSOCIATED PRESS

It's getting close to voting time for the 1966 college basketball All-America. One of the leading candidates is Henry Finkel of the University of Dayton Flyers.

The 6-foot-11 senior from Union City, N.J., demonstrated his finesse Tuesday night in pacing Dayton to an 85-57 home-court triumph over Los Angeles Loyola.

The 23-year-old Dayton star missed just one shot as the Flyers chalked up their 14th victory against only three defeats. He made 12 of 13 tries from the field and got four-four from the foul line. That added up to 28 points.

Finkel, a "proven star" in the words of his coach, Don Donohue, will face sterner opposition Saturday night when the Flyers invade Philadelphia to battle the St. Joseph's Hawks, fifth-ranked in the Associated Press poll.

None of the AP Top Ten teams saw action as the mid-year examination lull continued.

Ron Williams, West Virginia's star sophomore, sparked a fast break with 24 points to lead the mountaineers to an easy 90-79 road victory over Pitt. Larry Szykowski tossed in 29 points for the losing Panthers.

Alabama also won on the road, beating Mississippi State 71-63 in a Southeastern Conference game. Creighton and Villanova, each playing at home, beat LaSalle and St. Peter's of New Jersey, respectively.

Wally Anderzunas' 27 points paced the Bluejays over LaSalle's Explorers 104-90. Bill Melchioni got 23 points for Villanova in the Wildcats' 94-66 conquest of St. Peter's.

Milwaukee Siege Gun In Place

MILWAUKEE, Wis. (AP) — Wisconsin has a legal siege gun in place today after winning another battle in its war to keep baseball from abandoning Milwaukee as a major league city.

A decision by Circuit Court Judge Elmer W. Roller cleared the way for a temporary injunction designed to block the shift of the Braves from Milwaukee to Atlanta.

It also opened the gates to a full-scale judicial review of baseball's unique exemption from antitrust laws.

Roller, who refused Tuesday to dismiss the state's antitrust action against the Braves and the National League, also had been expected to rule on the injunction sought by the state.

Yowarsky After Coaching Job At St. Louis?

ST. PAUL (AP) — Walt Yowarsky, the only assistant coach still with the Minnesota Vikings from Norm Van Brocklin's original staff in 1961, is a candidate for the head coaching job of the St. Louis Cardinals in the National Football League.

Yowarsky confirmed Tuesday that he went to St. Louis recently for an interview with Cardinal Vice President Bill Bidwell, but added, "I'm not overly optimistic. I know they're considering anybody who has gone after the job. I really don't know whether I'm under serious consideration."

Van Brocklin gave Yowarsky permission to talk with the Cardinals, saying, "It would be a loss to part with him, but he deserves a break. Walt is one of the finest coaches in pro football."

Alma Continues In No. 1 Spot

MILWAUKEE 10 — Madison East edged Green Bay West by six points in the balloting to remain on top today in the weekly Associated Press "Big Ten" rankings of Wisconsin high schools.

East, like West, undefeated after 11 games, received 144 points to 138 for West. Points are awarded on the basis of 10 for each first place vote, nine for each second place vote, etc.

The state's sports writers gave East 10 first place votes. West picked up five.

Milwaukee Lincoln (10-1) continued in third place with 130 points and Appleton Xavier (12-1) held steady in fifth place.

Monona Grove (11-1), Baraboo (10-1), and New Holstein (11-0) all advanced in the standings at the expense of Milwaukee Pius (13-1) and La Crosse Central (9-2). Wisconsin Lutheran (12-0) also fell back a notch to ninth place despite remaining undefeated.

Central, which had been ranked seventh, fell out of the standings, after losing to Eau Claire North (8-2), which used the win to

take 10th place.

Monona Grove jumped from sixth to fourth place, Baraboo from ninth to sixth place and New Holstein from 10th to eighth place. Pius fell from fourth to seventh after losing to Racine St. Catherine.

Alma (12-0) received 10 first place votes and 126 points to remain on top in the "Little Ten." Its nearest challengers remained Altoona (11-0), 105 points, and Orfordville (11-0), 94 points.

Deerfield (11-1) suffered its first setback and fell from fourth to eighth place while Eagle River (10-0) moved into fourth from fifth place. Stockbridge (11-0) advanced from sixth to fifth place and Marathon (12-0) from seventh place to sixth place.

Wausau (10-1) also took a step forward into seventh place while Winneconne (11-1) and Onalaska Luther (8-0) joined the elite, taking ninth and 10th places respectively.

Falling from the ratings were Bangor (10-2), which lost to Luther, and Milton Union (8-1).

Wykoff Nearly Is Caught by Lions, Caledonia Romps

Wykoff almost got caught looking back over its shoulder and a pair of Root River Conference teams split with out-of-state foes Tuesday night on the high school basketball front.

Still thinking about last Friday's victory over Preston, Wykoff was extended into double overtime before nipping Spring Grove 68-67.

Caledonia dumped Waukon, Iowa, 87-75, while La Crescent bowed to West Salem 60-45. In another crucial contest, Hayfield outlasted Blooming Prairie 56-45 in a battle of once-beaters from District Four.

WYKOFF 68
SPRING GROVE 67
Upset - minded Spring Grove watched its bid go down the drain on George Wagner's only point of the game in the second overtime period that gave Wykoff a 68-67 victory.

Spring Grove broke a 19-all tie and raced to a 12-point lead early in the fourth period. The Lions still led by six with a minute to play, but Lynn Broadwater capped a last ditch flurry with a bucket with three seconds remaining to tie it at 64-64 for Wykoff.

Broadwater hit again in the first overtime, but Larry Overhaug tied it with a pair of free throws at 67-67 to send it into the second session. But Wagner dumped the charity shot for his only point of the game and the only point of the second overtime for the triumph.

Dick Wagner bagged 24, Rick Erdman 13 and Colin Eickhoff 10 for the WyKats, now 12-2 for the season. Don Solberg led Spring Grove with 18, followed by Gaylord Anderson with 18, Larry Overhaug with 17 and Don Rosanen with 10.

WEST SALEM 60
LA CRESCENT 45
La Crescent scored only five points in the last quarter as its winning streak was stopped at two by West Salem, 60-45.

La Crescent trailed all the way, but was behind only 41-40 going into the final session before the cold spell.

Mike Ryan led the La Crescent bid with 20 points and Bill Harlos added 13. La Crescent won the B game 32-27.

Harry Griswold and Ken Horstman halved 30 points for the Panthers. Dean Bussian bagged 13 and Dave Hundt 12.

CALEDONIA 87
WAUKON 75

With Jack Hauser meshing 28 points and Jon Ask 22, Caledonia broke open a tight game with a second half flurry that resulted in an 87-75 victory over Waukon, Iowa, Tuesday night.

The Warriors, now 7-4 for the

year, led only 36-33 at the half, but they stretched the lead to 58-49 going into the last stanza and then coasted in.

Behind Hauser and Ask came Paul Wagner with 15 points. Roger Notting's 21 paced five Waukon cagers into double figures.

Caledonia also won the B game 56-51.

HAYFIELD 56
BLOOMING PRAIRIE 45
Hayfield's superior height, chiefly in the person of 6-5 Dan Proeschel, told the tale as the Vikings downed tough Blooming Prairie 56-45 Tuesday night.

Hayfield took a 13-7 first period lead and was never headed as Proeschel tossed in 21 points and Gary Fritze 13. Proeschel also had 18 rebounds. Jim Turner paced Blooming Prairie with 13.

Hayfield, which is now 10-1 compared to the Blossoms' 9-2, won the 'B' game.

Basketball Key: The First Quarter

In all but one case Tuesday night, a big first-quarter lead vaulted the winners on their way in Wisconsin nonconference high school basketball action.

Whitehall bumped Durand 78-58 and Elva-Strum pounded Fall Creek 90-43 in a pair of games. Arkansas outshot Lima Sacred Heart 53-38, Eau Claire Regis spanked Mondovi 73-36. Onalaska Luther won its ninth straight 68-47 over La Crosse Holy Cross and Taylor laced Immanuel Luther of Eau Claire 80-31.

ELEVA-STRUM 90
FALL CREEK 43

Elva-Strum jumped to a 26-2 first-quarter lead and then coasted to its 10th triumph in 12 games Tuesday night, 90-43.

over Fall Creek. Roger Tollefson led the balanced Cardinal offensive with 19 points. Bob Berg added 17, Jim Skogstad 16 and Tim Bue 14.

For Fall Creek, which also was a loser in the B game 58-50, Chuck Kramer hit 14.

TAYLOR 80
IMMANUEL LUTHER 38

Taylor also held its foe to two points in the first quarter, jumping to an 18-2 lead en route to an 80-38 rout of Eau Claire Immanuel.

Larry Mitchell and Duane Steien led the onslaught with 20 points apiece, and Maynard Kral added 16. For Luther Mark Peterson bagged 15.

Taylor's B game victory was even easier, coming by a 63-13 score.

WHITEHALL 78
DURAND 58

Durand scored more than two points in the first quarter, 16 to be exact, but Whitehall poured through 28 in that stanza as the Norsemen upped their record to 6-5 with a 78-58 victory Tuesday night.

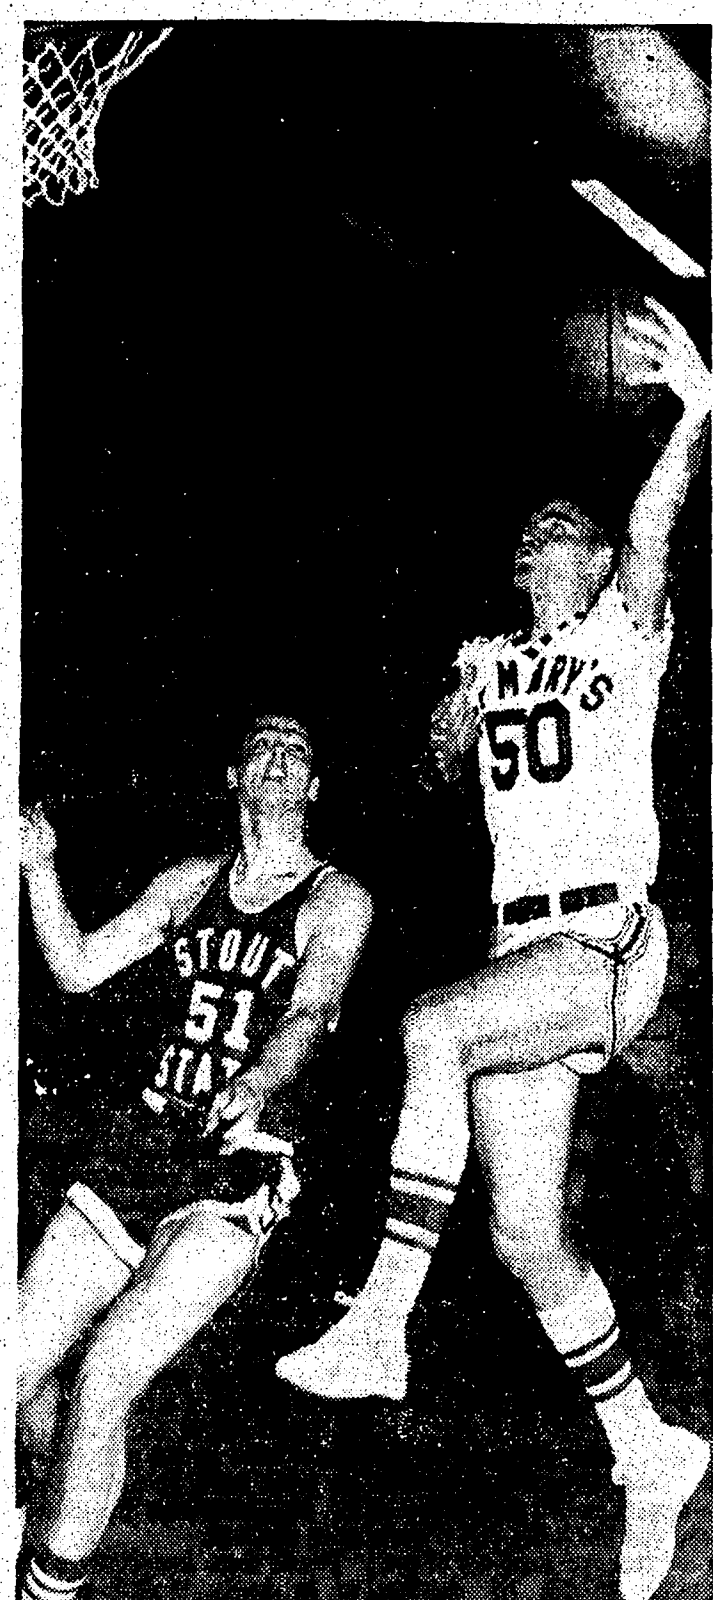

Bruce Ausderau paced the balanced Norse attack with 23 points. John Everson followed with 20, while Keith Johnson and Greg Larson had 13 and 10, respectively.

For Durand, Dale Harschlip meshed 24 and Joe Langlois 12.

ONALASKA LUTHER 68
LA CROSSE HOLY CROSS 47

Onalaska Luther was the exception to the rule Tuesday night, but the Knights still managed to come up with their ninth straight victory, a 68-47 triumph over La Crosse Holy Cross seminary.

Luther connected on only one shot from the field in 23 at-

BY SURPRISE . . . St. Mary's forward Tom Keenan takes Stout captain Bill Ozga by surprise in this action following the second-half tip. Keenan grabbed the tap and raced in for a layup, cutting the Blue Devils' margin to 37-34. But Stout won anyway, by the score of 75-67. (Daily News Sports Photo)

LEADS DOUBLES, SINGLES

A. Kessler Shoots 612 Set

If you see Arlene Kessler reporting for bowling duty very early on league nights, don't be surprised.

You see, Tuesday night Mrs. Kessler warmed up with a 512 doubles series and came right back to fire a 612 in singles.

Those totals — as expected — are good enough to rank her in first place in both categories of the city women's bowling tournament being held at Westgate Bowl.

Arlene teamed with Jan Wieczorek in the doubles event. Jan shot 557, Arlene 512 and the team hit first place with 1,173 that ranks four pnis better than the score posted by Jo Biltgen and Marge Moravec.

Then in singles, Arlene produced games of 202, 189 and 221 to hit the city's sixth national honor count of the season. She built that 612 total with 50 handicap pins and has a 62-pin lead on her nearest competitor.

To stand up for championship honors, today's leaders must survive two full shifts of bowling tonight and one full shift and one abbreviated shift Thursday.

Did Arlene know she could make the 600 early?

"I kind of felt after the second game that I could do it," she said. "That's the only 600 I've ever had. I bowled doubles first, so I got all warmed up."

Arlene, who has been bowling for ten years, is a twice weekly competitor, carrying a 161 average in the Alley Gaters League and a 153 in the Mixers. Both compete at Westgate Bowl. The 612 puts her in third place on the current list.

In city tournament action Tuesday, wholesale changes

"Twas Quite a Night"

St. Mary's Can't Hit Key Basket, Blue Devils Win

By GARY EVANS
Daily News Sports Editor

St. Mary's lost a basketball game Tuesday night, not because it didn't play well but because it could not get down the key shot.

The story perhaps evolved around Jim Buffo's failure to cash in on shots from the field.

But don't blame Buffo too severely for the 75-67 loss to Stout. He has been the guiding light in a sluggish Redmen start, hitting the hoop nearly 65 percent of the time.

"But tonight he just couldn't get them in," summed up coach Ken Wiltgen. "And he had some good shots in the second half. It was just one of those things."

ROSSINI GETS 3

One Period Is Enough!

In the estimation of its coach Tim McNeill, St. Mary's played only one good period of hockey at Terrace Heights Tuesday.

But that period was good enough for a 4-2 victory over Macalester.

The victory pushed the Redmen's MIAC record to 5-3 and left the team 7-3 on the season.

"I WOULD have to say that from the standpoint of dominating play and controlling the

game, the first period was one of our best of the season," summed up McNeill. "But the rest of the way, we didn't do as good a job."

The victory was a sweet one for freshman forward Bill Rossini. He counted three of the four Redmen goals.

The first came at 9:49 of the first period on assists from Larry Shomion and Bob Paradise, the second at 7:19 of the second and the third at 3:03 of the third. His final two dashes were unassisted.

McNEILL was full of praise for both Rossini and Paradise. "I would have to say that Paradise is one of the finest hockey players anywhere," said McNeill. "He is so great, that everyone just takes him for granted. You expect him to make the plays, and he does."

At the end of the first period Tuesday, St. Mary's showed a 2-0 edge, Dennis Cooney getting the second goal on assists from Brian Desbiens and Jean Carlin at 13:45. It stood 3-0 after two and was well out of reach before Macalester made an attempt at respectability with two third-period scores.

FROM ALL reports, the score could have gone to double figures for the Redmen had not Scot goalie Curt Hass turned in an excellent job with 44 stops.

"We're still having trouble finishing," said McNeill in reference to Redmen drives at the opponents' net. "We don't have a 'garbage man' the fellow who gets those cheap ones. We did a pretty good job of that in the Bemidji game. But that's one of the few times."

St. Mary's will meet Hamline at Aldrich Arena, St. Paul, Friday at 7 p.m.

"We can win to survive now," said McNeill.

BUT THE Redmen are still behind the proverbial eight-ball in respect to conference leaders Gustavus and Augsburg.

There is something else: Stout, now 12-2 on the season, has a mighty fine basketball team.

In fact, so good are the Blue Devils that Wiltgen saluted them as: "The finest Wisconsin team I've seen in several seasons."

It is a lineup without apparent weakness. Jim Conley is a 6-4 jumping jack. Bill Ozga (6-3) and Mike Thompson (6-3) provide the club with a deluxe one-two outside scoring punch. Jerry Kissman (6-6) fills the bill as "garbage man" and Bryan Humphrey (6-0) is the director.

And when one of the frontliners gets into trouble, in comes 6-6 Mel Coleman.

THAT WAS the formula Tuesday. Ozga ripped the nets in the first half, Thompson came through in the second and Conley and Co. provided just enough balance for a winning effort.

But though Stout controlled the advantage from the outset, the game came complete with the Redmen's patented whirlwind finish. The Blue Devils were not out front capably until 1:50 remained.

It was just before that that the Redmen — behind a drive by Dennis Ludden, two free throws from Jerry Sausser and a long one-hander from Rog Pytlewski — had raced from a 64-57 deficit into contention at 64-63.

Following a timeout, the Redmen came back with a press. Conley slid behind the outerrim of defense and dropped a drive, being fouled as he did it.

HE MISSED the free throw, but Kissman picked it off, stuffed it back and Stout was ahead 68-63 — an advantage the Devils eventually ran to 71-63 with 1:01 remaining.

Stout had opened a 52-39 edge at the 14-minute mark of the second half behind the long-range proficiency of Thompson.

The junior gunner counted six field goals in the second half, finished with 23 points for the night and, of course, was a major factor in Stout's drive to victory.

And don't forget captain Ozga. He sniped away for four field goals in the first half, converted seven free throws in the

MANTLE SATISFACTORY

World Series Blow Costly to Kubek?

NEW YORK (AP) — The first chink in what once seemed an impregnable New York Yankee armor has let of deep crack in the Bombers' infield.

Shortstop Tony Kubek, hampered by injuries through most of last year's sixth-place Yankee finish, has decided, at age 29, to retire from baseball.

Kubek, who played on seven pennant winners in his nine years as a Yankee, announced his decision Monday after undergoing a thorough examination at the Mayo Clinic last fall.

Reports from the clinic indicated that pressure on Kubek's spinal cord which apparently is the result of a fracture in the cervical section of the neck could affect his reflexes.

The fracture, previously undiscovered, apparently was suffered several years ago and bone spurs and nerve damage have developed. Doctors at the clinic told Kubek that months of rest might alleviate the condition but the veteran infielder felt there was a possibility of permanent damage if he tried to play.

There was speculation that Kubek might have suffered the original injury in the final game of the 1960 World Series against

Pittsburgh when a grounder hit by Bill Virdon struck a pebble, bounced up, hit Kubek in the throat and caused him to snap his head back. The bouncer led to a five-run eighth inning for the Pirates and Pittsburgh went on to win the game and the Series on Bill Mazeroski's lead-off home run in the last half of the ninth inning.

Kubek, who was Rookie of the

Year in 1957, had a career average of .286 in 1,092 games as a Yankee. He batted .218 last year in 109 games.

"Naturally, we are very sorry to lose the services of such a fine shortstop as Kubek," said Yankee General Manager Ralph Houk. "But we heartily concur in Tony's decision to retire. His own future health comes first and we all join in wishing Tony the best of everything in the future and a speedy recovery from his physical difficulties."

Meanwhile, the Mayo Clinic doctors had another important Yankee patient. Mickey Mantle underwent a two-hour operation for the removal of a bone chip in his right shoulder and was reported in satisfactory condition.

Cal, Zoilo Closer Now, Killer Set

ST. PAUL (AP) — Most of Calvin Griffith's skrimishes in the battle of the pocketbook with his Minnesota Twins players will shift to Florida now.

Griffith talked Tuesday with two of his upper-bracket stars, Zoilo Versalles and Harmon Killebrew. Neither signed contracts, and Griffith said further negotiations likely will take place in Florida.

The Twins president heads for Minnesota's spring training base at Orlando, Fla., a week from today.

He reported some progress in his talk with Versalles, the 1965 American League most valuable player who has been seeking \$50,000, which would represent a \$22,000 raise over last season. "We're not too far apart now," Griffith said of the status of his negotiations with Versalles. "I came up a little and he came down a little."

Best guess is that Versalles will wind up with around \$40,000. "I told Zoilo I'd see him in Florida," Griffith said. Killebrew virtually agreed to terms, but didn't sign because he wants his tax attorney at his home in Ontario, Ore., to go over the contract.

ST. MARY'S

(Continued from Page 21)

same 20-minute segment and finished with 19 points.

TIED WITH 13 from Conley. It gave Stout just the advantage needed.

St. Mary's did celebrate the return to shooting effectiveness of center George Hoder. The 6-4 junior, who has had troubles to date, came through with six field goals and five free throws Tuesday to finish second to Roger Pylewski in the scoring column. Pylewski closed with 21 and Hoder with 17. They were the only Redmen in twin digits.

Five of Hoder's field goals came from the outside on jump shots, something St. Mary's has missed.

But even his shooting couldn't prevent the Redmen from slipping beneath the break-even figure. St. Mary's now is 7-8 on the season.

ST. MARY'S did hold one lead in the game — that at 3-2 on a three-point play by Pylewski at 18:38. But Stout quickly rallied out front 7-3 on a jumper by Thompson and three consecutive free throws by Ozga. St. Mary's did come back for a 12-12 tie on a Hoder free throw at 13:51, but slipped behind 24-19 at 9:18 as Conley exercised his jumping ability for a tipin. The margin then hovered between six and seven points the rest of the way until Pylewski's jumper with 17 seconds left pared it to 37-32 at intermission.

Tom Keenan's drive off the opening tip of the second half cut it to 37-34, but Stout went winging away behind Thompson.

BUT STILL St. Mary's kept coming back until finally it grew impossible to win.

Part of Stout's advantage was written in the rebounding department.

Wiltgen also had a thought there: "It wasn't that we weren't getting up. We were working hard, but they just got up that much more."

St. Mary's next will attempt to get back on the win trail with a flying trip to Concordia Saturday. The Redmen will make the trek courtesy of Watkins Products, Inc., and its DC-3 aircraft.

18 Honor Counts for City Pinmen

Eighteen bowling honor counts is a big number on any night of city action, but the total looks even larger considering one of the establishments is tied up with a city tournament.

But that's what happened Tuesday as the men rattled off five 600s in three different leagues and the girls had a total of 13 500s in two circuits.

Jo Bilgen came the closest to making the top 10 listings when she splattered 205-549 for Hamm's in the Lucky Ladies loop at Hal-Rod Lanes. Ila Waseka laced 543, Dorothy Braun 516 and Bertha Schmitt 504 for other honor totals in the loop.

Clark & Clark garnered team honors with 949-2,670.

Nine women's honor counts came out of the Ladies City at Hal-Rod. Yvonne Carpenter led the way with 215-546 for Cozy Corner. Audrey Sieracki followed up with 541, Helen Nelson had 200-535, Emeline Weaver 525, Larry Donahue 519, Shirley Squires 515, Eleanor Griesel 501-512, Annette Wiczorek 509, Pat Ellinghuysen 504 and Leona Lubinski 501.

Poot's socked 937, and Linaham's totaled 2,627. Betty Schoonover topped high single with 216 for Golden Frog. Ramona Hilbrandt converted the 4-10.

Arwin Overby combined errorless games of 180, 211 and 231 for a 622 series in the Four City circuit at Hal-Rod to pace the men. Shooting for Christenson Drugs, Arwin led his team to 2,877.

Curt Rustad fired a 206-222-212-620 for the same squad, while Winona Truck Service counted 996 behind Harold Beebe's 234.

Harvey Stever slammed 621 for Hamm's Beer in the Winona Classic at the Athletic Club, but Bub's Beer came up with 2,950 behind Frank Menzel's 234-615. Golden Frog counted 1,020.

Larry Jaecels hammered the other 600 at the Athletic Club, blasting 608 for Spletz Texaco in the Elks League. Len Mercheltz led Home Furniture to 2,696 with his 220.

WESTGATE: Wenonah-Nancy Alampi socked 182-452 to lead pace setting Blue Tuesday to 804-2,373.

Oscar Gives Business to Boston Quint

By THE ASSOCIATED PRESS

The Boston Celtics got an Oscar and no longer are leading the National Basketball Association's Eastern Division.

Actually the Celtics didn't get Oscar Robertson, they just got the business from him as the Big O led the Cincinnati Royals over Boston 113-101 Tuesday night.

The victory moved the Royals into first place by a game over the Celtics and 1 1/2 games over the Philadelphia 76ers, who edged Los Angeles 110-106 in the first game of a doubleheader at New York.

In other games, the New York Knicks followed the 76ers' victory with one of their own, 115-100 over Detroit, and St. Louis crushed San Francisco 142-107.

Robertson scored 35 points and contributed 10 assists as the Royals built up a 15-point margin, 84-69, at the end of three periods on their home court.

Adrian Smith added 24 points and Jerry Lucas 18 points and 32 rebounds for the Royals. Boston, hurt by the absence of Willie Naulls, Tom Sanders and John Havlicek because of injury, was led by Sam Jones with 24 points.

Cotter Holds Ninth Place

Winona Cotter hung on to the ninth spot in the state Catholic basketball poll over the last week while undefeated Benilde remained the No. 1 team.

Austin-Pacelli fell from the ratings for the first time in two years after losing its seventh game in 11 starts last week.

TOP TEN

BATLEY IN WORKHOUSE

ST. PAUL (AP) — Earl Batley, catcher for the Minnesota Twins, American League baseball champions, was given a five-day county workhouse sentence today after pleading guilty to a Minnesota state income tax violation.

"It was a real 'polar camp,' according to Wally Fortier, Chaffield district camping chairman, "with the temperature hovering around -10 all day."

Steve Renolds, Rushford, won the snowshoe race, and Dick Loerch, Rushford, won the javelin hoop throw which consisted of throwing a javelin at a moving hoop at 25 feet.

Mark Oldenborg, Chaffield, won the javelin throw. It involved throwing the javelin a distance of 50 feet in a trough without throwing it out of the trough. He threw it within a half-inch of the end.

Vince Arnold, Fountain, won the bicep bulger — climbing a rope against the stop watch. He did it in 4 seconds.

In the afternoon the Scouts relieved the "Klondike Gold Rush" days with a contest pulling their sleds about a mile through the woods and stopping at six different stations to per-

HECKER NAMED FALCON COACH

ATLANTA (AP) — Norb Hecker, backfield coach for the Green Bay Packers, was named head coach Wednesday of the Atlanta Falcons, who make their National Football League debut this fall.

The selection of Hecker, 38, came as a surprise. His name was not among those mentioned during months of speculation about the coach the Falcons would choose to build their new team.

Chualo Hopes Of Title Bout Will Wait Now

LONDON (AP) — The hopes of chunky George Chualo for a heavyweight title bout with champion Cassius Clay have received another rude setback.

The Canadian champion from Toronto was outpointed by little-known Eduardo Corleiti, a 24-year-old Argentinian, in a 10-rounder at Olympia Hall Tuesday night.

"I guess this has set back my program for a challenge against Clay, but that is still my objective," said the 28-year-old Chualo, who last year was defeated by Floyd Patterson and Ernie Terrell in two other bouts.

"If Corleiti had stood up and fought like a man, I would have beaten him," Chualo added. "But he kept going back, back, back."

Corleiti, who competed in the 1960 Tokyo Olympics in boxing for Argentina and turned pro in 1963, was much the faster man in the ring and kept out of any possible trouble by dancing away.

Prices were irregularly higher in heavy trading on the American Stock Exchange.

Corporate bonds were mostly unchanged. U.S. Treasury bonds were unchanged to a shade lower.

Heavyweight Pin Wins for Preston

PRESTON, Minn. — It took Preston heavyweight Bill Hamer only 17 seconds to record the Bluejeans' only pin of the night, but it was good enough to give the home squad a 25-21 dual meet wrestling victory over Houston Tuesday.

Preston appeared to have a comfortable lead at 20-6 going into the last three matches, but Clarence Palmquist and Bruce Vonderhorst recorded pins for the Hurricanes and Gordy Houston won by forfeit to give Houston a 21-20 margin going into the last match.

95-Dennis VanGundy (H) dec. Don Rehm (H) 40-10; Gordy Houston (H) won by forfeit; 117-Gary Burroughs (H) dec. Jeff Holland (H) 40-10; Steve Corson (P) dec. 40 & 8 to Hold 'Wreck' Sunday

Between 10 and 15 "poor goofs" will be "wrecked" at an initiation of the Winona and La Crosse County volutres of the 40 & 8 at the American Legion Memorial Club Sunday afternoon.

Dr. E. G. Callahan of Winona and Richard Black of La Crosse will be in charge of the initiation team.

The "wreck" will begin at 1:30. The dinner — to which wives are invited for the first time — will be at 6 p.m. Reservations for the dinner should be made by Thursday.

The Winona County volture will hold a dinner meeting Feb. 3.

POWER BOAT REGATTA SOUTH LAKE TAHOE, Calif.

(AP) — The South Tahoe Boat Club, which sponsored the World Championship Regatta last year, voted Tuesday night to sponsor a Power Boat Regatta on Lake Tahoe in September.

The winner of this event was the Panther Patrol from Troop 43 of Chaffield. Top sled belonged to Owl patrol, also of Troop 43.

Seventy-five Scouts from Chaffield, Fountain, Preston, Mabel and Rushford participated.

Space Issues Higher, Trading Pace Heavy

NEW YORK (AP) — Continued strength in aerospace issues and airlines featured an irregularly higher stock market early this afternoon. Trading was heavy.

Analysts saw the list as having difficulty as it approached the "psychological barrier" represented by 1,000 in the Dow Jones industrial average.

The big boost in the nation's defense budget continued to boom the defense stocks, however. Airline stocks were said to have received additional encouragement from President's Johnson's request for the repeal of the 2-cent-a-gallon tax on gasoline used by airlines.

The trend among steels and autos was a little lower on balance. Oils, tobaccos and non-ferrous metals were irregularly higher, chemicals lower.

The Dow Jones industrial average was up 1.84 at 11 a.m. EST but by noon had cut its rise to .67 at 992.31.

The Associated Press average of 60 stocks at noon was up 5 at 368.9 with industrials up .5, rails up .7 and utilities unchanged.
