Kennedy Attorneys Block Inquest Into Kopechne Death

Boston (AP) — A three-man panel was to hear today about the death of Mary Jo Kopechne, who was killed in a boat crash off Chappaquiddick Island. The hearing, which is being conducted by a grand jury, is being held by the Commonwealth of Massachusetts. The panel consists of three attorneys who are not related to the former Kennedy administration. The attorneys have been appointed by Governor Michael Dukakis to investigate the circumstances surrounding Mrs. Kopechne's death.
Higher Wage Costs Seen in City Budgets

Another group of city departmental budgets for 1977 was approved by the Wabasha City Council Monday night. As expected, councilmen did not close the budget book on this year's expenses. Instead, they passed a $28,000 surplus budget, which will go into the 1978 budget as an unexpended balance.

Under the circumstances, it is clear that the American Psychological Association has been able to persuade many people to believe what it is saying. This is not the case with the British government, which has not been able to persuade many people to believe what it is saying.

THE NEW LEFT has never been as popular as it was in the 1960s. In those years, the New Left was able to attract a large following and to win many battles. But in recent years, the New Left has been on the decline, and it is not clear whether it will ever regain its former strength.

In any event, the New Left is a force to be reckoned with. It is a force that cannot be ignored, and it is a force that will continue to play an important role in American politics for many years to come.

INDISPUTABLE, Win., Farmers in Mason County were dis- cussed in the second annual tractor pulling contest Friday afternoon sponsored by the Mason County Farm Bureau. Four cash prizes were awarded in the various classes. Top winners of trophies and cash were: Class A—up to 1,000 pounds—Gary Gifford, South Milwaukie, OR, who pulled 193 feet; Class B—up to 1,500 pounds—Lambert, Texas, Delph, 299 feet; Class C—up to 2,000 pounds—Lawrence Knapke, Minneapolis, Minn., who pulled 98 feet; Class D—up to 2,500 pounds—Olaf Fadig, Minneapolis, Minn., who pulled 218 feet. Army officials said Pullers' behav- ior was ideal in a city where public safety and public relations are of the utmost importance.

The tractor pullers' behavior was ideal, with the exception of one in the Class D category, who pulled his tractor into the field. Army officials said he should be reprimanded for his behavior.

Minneapolis, Beryl Crinely Banks Robbed

By THE ASSOCIATED PRESS

Minneapolis police are searching for two men who held up a bank in Minneapolis Thursday afternoon. The bank's cash register was taken and the two men fled in a car. The police are asking for the public's assistance in finding the robbers.

The robbery occurred at 2:00 PM, when a bank employee noticed that the registrado was not working properly. He went to the back of the bank to fix the problem and was then held up by two men who had entered the bank. The robbers fled in a car after taking the money.

A search is being conducted for the robbers, who are described as two men in their 20s. The police are asking for any information from the public that might help in finding the robbers.

NOTHING HAS CHANGED AT RANDALL'S EXCEPT THOUSANDS OF GROCERY PRICES!

Because of the terrific support Winona shoppers have given Randall's total-savings program we were able to reduce our grocery prices again! (You will continue to receive the benefit of special purchases, supplier's allowances, etc.) See for yourself the difference these lower prices make when your food bill is totaled!

RANDALL'S TOTAL SAVINGS PROGRAM KEEPS FOOD PRICES LOW EVERY DAY!

This unique grocery pricing policy stays the same every day, relying on volume to take the place of higher prices. Our grocery prices will remain at this low level, and will change only when our manufacturers' prices increase to us. The register-tape total on your entire grocery order will be less at Randall's... and we intend to keep it that way!

WE HAVE LOWERED OUR PRICES AGAIN (ON OVER 8,000 ITEMS)

From Time to Time Others Shout "Me Too!"

The popularity of our Total Savings Program has naturally attracted imitation. From time to time others make claims of "lowered prices." It has happened a number of times - we suppose we can expect it to happen in the future.

The Plain Truth is:
Randall's Total Savings Program
Is Often Imitated... but

NEVER EQUALLED!
DFL Candidates Asked to Keep Bids From Floor

MINNEAPOLIS (AP) — DFL candidates for governor have been asked to keep their bidders off the floor at the party's state convention Sept. 20.

The request Tuesday came from Minnesota DFL Chairman Warren Spannaus, who is running as a candidate for governor.

The convention in the Twin Cities has been called to review the party's candidates, but it won't decide which has the strongest case for governor.

The request was made because the convention is the first of its kind in the state in 10 years after his discharge from active duty, plus one year of active duty.

Cut in ADC Payments Threatening to Break Up Some Families

WASHINGTON DC — Old-age recipients in Wisconsin are being threatened with the breakup of families in the town of Elizabeth, Wisconsin. The town is located in the Return County, which houses the Return Indian reservation.

``Some ADC cuts could lead to the breakup of families in the reservation. Old-age recipients there are close-knit families, and if these cuts force them to move away, it could lead to the breakup of these families.``

The situation is particularly critical because the Return Indian reservation is one of the poorest areas in the country. Old-age recipients there are already struggling to make ends meet, and any cuts to their income could be devastating.

``The cuts could force some of these recipients to move away from the reservation, and that could lead to the breakup of families.``

The situation is being monitored closely by the American Indian National Council, which represents the interests of Indian tribes across the country. The council is working to prevent any further cuts to the ADC program.

``We are working to prevent any further cuts to the ADC program.``

The ultimate line still is strong by visitors and far from any of the game, with the pickup of the Rosedale Vikings in the Central Division last season. It's a tough play against the high-scoring Bear and is standing in the presence of the pass, but he's still got a strong line in front of him, is not one of those carriers, and he's going to be against the Bear in the key of the line which is supposed to be his third or fourth string.

Chicago Mauls Orioles, New York Nips Seattle

By THE ASSOCIATED PRESS

The Baltimore Orioles have been making a mockery of the National League East, now half a dozen games over .500 for the first time since 1944. The patrons have been going wild, even employing their heads and shoulders to keep the Orioles in line.

With the Minnesota Twins already out of the picture, it was a question of whether the Orioles could stretch their lead further and perhaps catch the New York Yankees. But the Yankees, who have been leading the American League East all season, had other ideas.

The Orioles, who are in the midst of a seven-game winning streak, faced the Yankees in the second game of a three-game series. The Yankees, who have been struggling, had lost three of their last four games.

The Orioles took charge early, scoring six runs in the first inning. The Yankees made a game of it in the second, but the Orioles responded with three more runs.

In the third inning, the Orioles scored again, this time on a two-run home run by Bill O'Dell. The Yankees scored once more in the fourth, but the Orioles kept pouring it on, scoring five runs in the fifth to take a 12-2 lead.

The Yankees tried to fight back in the sixth, scoring three runs, but the Orioles scored four more runs in the seventh to put the game out of reach.

The Orioles won the game 16-5, extending their winning streak to seven games. The Yankees, who have been struggling, have lost three of their last four games.

Angry fans at Yankee Stadium showed their displeasure with the Yankees' performance by large placards and chants. The Yankees, who have been leading the American League East all season, have lost three of their last four games.
