Apollo crew to drag cart up moon slope

By HOWARD ECKERT

WASHINGTON (AP) — When America's Apollo 14 astronauts made the first moonwalk last week, they used an 80-pound cart to pull their equipment over the lunar surface. The three-man crew intends to be the first to use a 140-pound cart to drag equipment up the steep slopes of the Moon this week.

The third crewman, Stuart A. Roosa, will use the cart to help the other members, Alan Bean and Edgar D. Mitchell, haul equipment up the slopes. The cart will also be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The second cart, which weighs 140 pounds, will be used to pull equipment up the steep slopes so that the astronauts can stay closer to the lunar module and avoid the danger of being thrown off by the wind.

The third cart, which weighs 80 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The fourth cart, which weighs 200 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The fifth cart, which weighs 300 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The sixth cart, which weighs 400 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The seventh cart, which weighs 500 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The eighth cart, which weighs 600 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The ninth cart, which weighs 700 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The tenth cart, which weighs 800 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The eleventh cart, which weighs 900 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twelfth cart, which weighs 1,000 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirteenth cart, which weighs 1,100 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The fourteenth cart, which weighs 1,200 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The fifteen cart, which weighs 1,300 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The sixteenth cart, which weighs 1,400 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The seventeenth cart, which weighs 1,500 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The eighteenth cart, which weighs 1,600 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The nineteenth cart, which weighs 1,700 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twentieth cart, which weighs 1,800 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twenty-first cart, which weighs 1,900 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twenty-second cart, which weighs 2,000 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twenty-third cart, which weighs 2,100 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twenty-fourth cart, which weighs 2,200 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twenty-fifth cart, which weighs 2,300 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twenty-sixth cart, which weighs 2,400 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twenty-seventh cart, which weighs 2,500 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twenty-eighth cart, which weighs 2,600 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The twenty-ninth cart, which weighs 2,700 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirtieth cart, which weighs 2,800 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirty-first cart, which weighs 2,900 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirty-second cart, which weighs 3,000 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirty-third cart, which weighs 3,100 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirty-fourth cart, which weighs 3,200 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirty-fifth cart, which weighs 3,300 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirty-sixth cart, which weighs 3,400 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirty-seventh cart, which weighs 3,500 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirty-eighth cart, which weighs 3,600 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The thirty-ninth cart, which weighs 3,700 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The fortieth cart, which weighs 3,800 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The forty-first cart, which weighs 3,900 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The forty-second cart, which weighs 4,000 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The forty-third cart, which weighs 4,100 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The forty-fourth cart, which weighs 4,200 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The forty-fifth cart, which weighs 4,300 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The forty-sixth cart, which weighs 4,400 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The forty-seventh cart, which weighs 4,500 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The forty-eighth cart, which weighs 4,600 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The forty-ninth cart, which weighs 4,700 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.

The fiftieth cart, which weighs 4,800 pounds, will be used to transport the third crewman, Mitchell, when he leaves the lunar module to take pictures of the surface.
Area churches plan Christmas worship services, activities

Amid the bustle of Christmas preparations, the area's churches are gearing up for a week of special services and activities that will include Christmas caroling, special services and singing of Christmas hymns. This week's schedule includes services at the various churches and community centers in the region.

The First United Methodist Church will have a Christmas Eve service at 10 p.m. on Christmas Eve. The service will feature a live nativity scene, a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the 10 p.m. Christmas Eve service. The Rev. Robert Goessling will officiate on Christmas Day.

The First United Methodist Church will also have a Christmas Day service at 8 a.m. and 10 a.m. on Christmas Day. The service will feature a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the 8 a.m. Christmas Day service.

The First United Methodist Church will also have a Christmas Day service at 11 a.m. on Christmas Day. The service will feature a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the 11 a.m. Christmas Day service.

The First United Methodist Church will also have a Christmas Day service at 1 p.m. on Christmas Day. The service will feature a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the 1 p.m. Christmas Day service.

The First United Methodist Church will also have a Christmas Day service at 7 p.m. on Christmas Day. The service will feature a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the 7 p.m. Christmas Day service.

The First United Methodist Church will also have a Christmas Day service at 8 p.m. on Christmas Day. The service will feature a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the 8 p.m. Christmas Day service.

The First United Methodist Church will also have a Christmas Day service at 9 p.m. on Christmas Day. The service will feature a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the 9 p.m. Christmas Day service.

The First United Methodist Church will also have a Christmas Day service at 10 p.m. on Christmas Day. The service will feature a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the 10 p.m. Christmas Day service.

The First United Methodist Church will also have a Christmas Day service at 11 p.m. on Christmas Day. The service will feature a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the 11 p.m. Christmas Day service.

The First United Methodist Church will also have a Christmas Day service at midnight on Christmas Day. The service will feature a children's program and a reading of the Bible. The Rev. Dale Goessling will officiate at the midnight Christmas Day service.

Courthouse named to U.S. historical register

By RAYVON KENTON

The Winona County Courthouse has been named to the National Register of Historic Places, it was announced today by Robert W. Frye, director of the Minnesota State Historical Society.

The designation was given by the Winona County Historical Society and has been in the building since 1947.

A common complaint has been that the building is not used for its original purpose.

The building was built in 1869 and was last used as a courthouse in 1947.

It is now being used as a offices for the Winona County Historical Society.

No accidents attributed to new snowfall

No accidents were attributed to new snowfall in the city and county overnight.

Three evaluations of old courthouse

Culled to eliminate the building with two present possibilities, it was decided that the building be used as a historical building.

The building has a history of 12 years and is located in the center of the city.

A report said it was a good building and that the building was in a good condition.

The building is made of stone and has a roof of slate.

Snow emergency in effect tonight

A snow emergency has been declared in the city today.

Although the snow has been falling since last night, it is expected to continue tonight.

The police and fire departments are on high alert.

A dog was caught in a trap near Etrick.

The dog was caught in a trap that had been set for raccoons.

Holidays for the school staff

The school staff will have holidays from Dec. 22 to Jan. 3.

Happiness for the school staff

The school staff will have holidays from Dec. 22 to Jan. 3.

New sewage fee system to be placed in effect on Jan 31

New sewage fee system to be placed in effect in Winona County.

Price increase for future

The price for sewage will increase in the future.

The increase is being implemented to cover the cost of the new system.

The new sewage fee system will be placed in effect on Jan 31.

Winter arrives with fresh snow

The weather took a turn for the worse last night.

A fresh snowstorm covered the area with a blanket of snow.

Although the storm was a bit of a disappointment for some, it did provide a much-needed break from the recent cold.

Cristmas with the Winona brothers

The Winona brothers will have a Christmas party on Dec. 24.

The party will be held at the Winona Avenue School.

The brothers will have a good time with the children.

Local school systems face trouble

The local school systems are facing trouble with the new sewage fee system.

The system is causing problems for the schools.

The teachers are frustrated with the new system.

Two Coast Guard officers retire after over depletion issue

By MIKE JONES

WASHINGTON, D.C. - Two Coast Guard officers have retired after over depletion issues following a high court’s decision on Tuesday. The officers, Sergeant Ronald L. Zeigler and Lieutenant Commander James A. Kudikra, were among those queried since November 23 from happening again. Among the bills vetoed by Gov. Warren P. Knowles of Wisconsin, was the bill for the next tank of heating oil. Before you buy your next tank of heating oil, it is recommended to order maintenance service for oil heating equipment. Phone 452-3402.

We're No. 1

On comparison, we'll take ours

The closest, in style and mood which recently made its appearance in the Western world, is the centralized, government-decided "comparison" system of the centrally-planned economies of Eastern Europe. It is not just that they are unrepresentative, and disingenuous, and in that sense repugnant to us, but they are also ineffective and lead nowhere. This is not to say that all of Eastern Europe is a morass of central planning, and in some cases, particularly in Western Europe, the economic policies are based on a more modern economy. But we can see no reason to suppose that what is happening in Poland, the central government's desire to release the price of food stuffs is deliberate. We do not have to put our faith in this because the plans are often over-ambitious, and they often lead nowhere. Instead, we can see no reason to suppose that what is happening in Poland, the central government's desire to release the price of food stuffs is deliberate. We do not have to put our faith in this because the plans are often over-ambitious, and they often lead nowhere.

The hope has been that contracts with the West, and the demands of a modern economy, would allow Poland to unburden itself and make more money. But even if this is so, as it is, as it is in Poland now, we therefore have no reason to doubt the system.

NEVER HAVEN'T HAPPE

NEW YORK TIMES NEWS SERVICE

A turning point in the human struggle against the SST has still to be achieved.

The speed of this SST project has been in difficulty from the beginning, and it is likely that the United States will never achieve the SST. But we can take no comfort from the fact that the SST is not completely unachievable. The editors are highly intelligent and audacious, and they have been at their best in the SST project.

BUT THE PARADOX remains: Why do they talk so confidently about the two supersonic technologies? Why does the United States not have an SST? Why does the United States not have an SST? But we can take no comfort from the fact that the SST is not completely unachievable. The editors are highly intelligent and audacious, and they have been at their best in the SST project.

WINDON DAILY NEWS

POLAND'S mirror

In Poland, the rise of the new multi-party democracy in the United States has led to a string of economic reforms. Of these, the most significant is the free market economy, which has been introduced in the eastern part of the country. The new democratic government in Poland has been able to make some economic reforms, including the freeing of prices and the introduction of a market economy. But we can see no reason to suppose that what is happening in Poland, the central government's desire to release the price of food stuffs is deliberate. We do not have to put our faith in this because the plans are often over-ambitious, and they often lead nowhere.

The health of the Polish economy is of vital importance to the Soviet Union, and the Polish government has been keen to ensure that the economy is not undermined. In Poland, the central government's desire to release the price of food stuffs is deliberate. We do not have to put our faith in this because the plans are often over-ambitious, and they often lead nowhere.

WINDON DAILY NEWS

Indecision, sometimes seen as an important element in the development of the SST project, has sometimes led to the failure of the project. In the United States, there are certain financial difficulties which have contributed to the failure of the project. But we can take no comfort from the fact that the SST is not completely unachievable. The editors are highly intelligent and audacious, and they have been at their best in the SST project.

THE TRUTH IS that this assault on our sovereignty is no solution for Eastern Europe, and it is not just its sovereignty that is at stake. What is at stake is the fact that the Soviet Union has even more influence in the world, and that the United States is not completely unachievable. The editors are highly intelligent and audacious, and they have been at their best in the SST project.
Government orders 39 toys from market; dangerous

Fresh date cake is triple state secret.

By CECILE BOURJOUNI

It’s hard to come by a "triple state secret" and by that phrase I don’t mean one that’s known only to a select group of people. A "triple state secret" is a date cake recipe but we’ve tracked one down. We found it while searching through world recipes through an unusual manner made a great contribution.

The batter for this cake is unusual. The cake is made with fresh dates which are ground up. The batter is mixed in an unorthodox manner and baked in a rather unusual way.

Materials:
- 3 cups all purpose flour
- 1 cup sugar
- 2 cups dates
- 1 cup water
- 1/2 cup butter
- 1 cup milk
- 1 teaspoon baking powder
- 1 teaspoon baking soda
- 1 teaspoon salt
- 1/2 teaspoon ground cinnamon
- 1/2 teaspoon ground nutmeg
- 1/2 teaspoon ground allspice
- 1/2 teaspoon ground cloves
- 1/2 teaspoon ground ginger
- 1/2 teaspoon ground cardamom
- 1/2 teaspoon ground black pepper
- 1/2 teaspoon ground mace
- 1/2 teaspoon ground turmeric
- 1/2 teaspoon ground saffron
- 1/2 teaspoon ground mustard
- 1/2 teaspoon ground cinnamon
- 1/2 teaspoon ground nutmeg
- 1/2 teaspoon ground allspice
- 1/2 teaspoon ground cloves
- 1/2 teaspoon ground ginger
- 1/2 teaspoon ground cardamom
- 1/2 teaspoon ground black pepper
- 1/2 teaspoon ground mace
- 1/2 teaspoon ground turmeric
- 1/2 teaspoon ground saffron
- 1/2 teaspoon ground mustard
- 1/2 teaspoon ground cinnamon
- 1/2 teaspoon ground nutmeg
- 1/2 teaspoon ground allspice
- 1/2 teaspoon ground cloves
- 1/2 teaspoon ground ginger
- 1/2 teaspoon ground cardamom
- 1/2 teaspoon ground black pepper
- 1/2 teaspoon ground mace
- 1/2 teaspoon ground turmeric
- 1/2 teaspoon ground saffron
- 1/2 teaspoon ground mustard
- 1/2 teaspoon ground cinnamon
- 1/2 teaspoon ground nutmeg
- 1/2 teaspoon ground allspice
- 1/2 teaspoon ground cloves
- 1/2 teaspoon ground ginger
- 1/2 teaspoon ground cardamom
- 1/2 teaspoon ground black pepper
- 1/2 teaspoon ground mace
- 1/2 teaspoon ground turmeric
- 1/2 teaspoon ground saffron
- 1/2 teaspoon ground mustard

Directions:
1. Preheat oven to 350°F (180°C).
2. Grease a 9x13 inch baking pan.
3. In a large mixing bowl, combine flour, sugar, dates, water, butter, milk, baking powder, baking soda, salt, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cinnamon, nutmeg, allspice, cloves, ginger, cardamom, black pepper, mace, turmeric, saffron, mustard, cin
The weather

WEATHER FORECAST...A broad band of cold air moving across the Midwest will bring a period of colder than normal weather to the Northern Plains. Snowfall is possible throughout the region, with the highest accumulations expected in the north. Temperatures will remain below average, with a high of 34°F in Minneapolis and 18°F in Chicago.

Local readings

Readings for the 34 home masonry units were taken on Tuesday morning, December 12, at 9 a.m., with the following results:

- Minneapolis: 11°F
- St. Paul: 10°F
- Milwaukee: 2°F
- Chicago: 3°F
- Des Moines: 9°F
- Omaha: 8°F
- Wichita: 1°F
- Atlanta: 3°F
- Mobile: 4°F
- New Orleans: 5°F
- San Francisco: 7°F
- Honolulu: 8°F

Readings were taken at various locations, including high and low points.

In years gone by

Ten years ago...1960

The United States successfully launched a satellite into orbit. This landmark event was achieved by Virgil I. Grissom, who piloted the Friendship 7 spacecraft into space.

Twenty-five years ago...1945

Dr. G. H. Gillan, head of the medical and surgical division of the United States Army, announced that the first successful heart transplant had been performed.

Fifty years ago...1920

Announcement was made today by Harry Hines, secretary of the United States Department of Agriculture, that the new Department of Agriculture would be established effective January 1.

School

The department of housing within the district will be held by being given over to the building of new schools. The plans for the new schools are expected to be ready within the next month.

One-hundred years ago...1870

W. A. Widman and family attended today by the Prescott to attend the meeting.

The daily record

At Community Memorial Hospital

WINONA

MONDAY

The former netherland house was burned down in Winona, Minn., early this morning. The fire started in the kitchen and spread to the other rooms. No one was injured in the fire.

Institute of Medical Science

WINONA

TUESDAY

The Institute of Medical Science held its annual meeting today. The keynote address was given by Dr. J. E. Green, who spoke on the importance of medical research.

Two-state deaths

WINONA

MRS. WILLIAM RADKE, 68, 68 West Third St., Winona, Minn., who died last Friday, was buried today in St. Paul, Minn. The funeral service was held at the First Lutheran Church.

WINONA

MRS. RALPH HAGAN, 60, 500 East 1st Street, Winona, Minn., died last Thursday. The funeral service was held at St. Paul's Church.

Wednesday "V" program for schools

A special day program has been planned for all grade schools in the Winona area. The program will be held on Wednesday, December 19, and will include a variety of activities, including a winter carnival, a Christmas pageant, and a science fair. The program will begin at 9:30 a.m. and will end at 3:00 p.m.

Area salons will head committees

Two state salons will head committees in the Winona area. The first committee will be responsible for the planning of the winter carnival, while the second committee will be responsible for the planning of the Christmas pageant.

`
Gophers need to improve against press

By PAT THOMPSON
MINNEAPOLIS (AP) - Chuck Hanson looked over the Minnesota lineup with concern.

"It's a tough area to be against," he said of the press defense that the Gophers must face tonight when they host Bradley in their third game of the season.

"We'll have to get our bodies a little more squared away," said Hanson. "Our players have been a little under-par for the way they've practiced with close contact defenses."

In mid-week practices Bradley tested Minnesota's speed and strength on the two-point line with a breakneck style of defense.

"Our kids hustled back and forth, too," said Hanson. "It's tough to look them straight in the face like that."

When Bradley picked up with two points, Hanson led the way McClean stepped into the role of late-game hero and scored nine of Minnesota's ten late points to give it a 77-76 win over Bradley.

Hanson said the lane was a critical part of the game.

"It's a tough area to be against," he said.

"The Gophers left this morning for the trip and are coming off a couple of good practices," said Hanson.

"We're just trying to get the team back into the right frame of mind with the Bradley bite next week."

The Gophers saw what had been holding them back in the season, but the rest of the year, too.

"Our kids hustled back and forth, too," said Hanson. "It's tough to look them straight in the face like that."

With a rugged five-game stretch that included a Central Catholic district at 6:15. The Cotter Bees will host Hill tonight at 8 p.m.

The Bakers, with Blake Robinson and Mike Salo, are still searching for some consistency.

"Our kids hustle and really show up for games," said Hanson. "Then there's the question of whether we're ready to go."

Bucks win battle of the superstars

By ROY GRIEM

"In the East game, Wilt would bounce the ball 10 feet and go to the hole."

In that same game, Wilt put in the game's deciding basket, a 15-foot jumper.

The Gophers needed to keep the ball longer than 10 seconds to get it back.

"It's the way they're playing," said Hanson. "It's a tough area to be against."
**Hawks battle Alumni at 8 Wednesday**

A sellout crowd of 840 former Whittierians will be on hand Wednesday night to witness the first of two basketball games against the Alma College Alumni. The alumni team, which consists of former players, is expected to give the Hawks a tough challenge. The game will be held at the Civic Center.

**East Wednesday**

A snowstorm made the trip to Grenada, Miss., one to remember. The Whittier men managed to win over the Grenada High School in an Alumni basketball game, 59-55.

**Caledonia**

The Lionesses claimed victory in their third straight game, beating the Saugeen Shores 12-7.

**Gopher stem trouble**

Boston College

**Boston College**

The men's basketball team, led by the scholastic and athletic ability of Bob Bohan, started out the season with a 77-57 victory over the University of Missouri. Bohan, who scored 25 points, led the Gophers to their second straight victory.
